APPENDICES

- A. MAPS AND CHARTS
- B. IDIS DATA REPORTS
 - a. PR26 – Financial Summary
 - b. PR03 – Activity Summary Report
 - c. PR06 – Summary of Consolidated Plan Projects
 - d. PR33 – HOME Matching Liability Report
 - e. PR81 – ESG Performance Measures Report
- C. HOME MINORITY AND WOMEN BUSINESS ENTERPRISE REPORT
- D. CITIZEN PARTICIPATION REQUIREMENTS
 - a. Notice of Public Hearing
- E. 2009 MINOR AND SUBSTANTIAL AMENDMENTS

Fifth Program Year CAPER

The CPMP Fourth Consolidated Annual Performance and Evaluation Report includes Narrative Responses to CAPER questions that CDBG, HOME, HOPWA, and ESG grantees must respond to each year in order to be compliant with the Consolidated Planning Regulations. The Executive Summary narratives are optional.

The grantee must submit an updated Financial Summary Report (PR26).

GENERAL

Executive Summary

Program Year 5 CAPER Executive Summary response:

General Questions

1. Assessment of the one-year goals and objectives:
 - a. Describe the accomplishments in attaining the goals and objectives for the reporting period.
 - b. Provide a breakdown of the CPD formula grant funds spent on grant activities for each goal and objective.
 - c. If applicable, explain why progress was not made towards meeting the goals and objectives.
2. Describe the manner in which the recipient would change its program as a result of its experiences.
3. Affirmatively Furthering Fair Housing:
 - a. Provide a summary of impediments to fair housing choice.
 - b. Identify actions taken to overcome effects of impediments identified.
4. Describe Other Actions in Strategic Plan or Action Plan taken to address obstacles to meeting underserved needs.
5. Leveraging Resources
 - a. Identify progress in obtaining "other" public and private resources to address needs.
 - b. How Federal resources from HUD leveraged other public and private resources.
 - c. How matching requirements were satisfied.

Program Year 5 CAPER General Questions response:

1. Assessment of One-Year Goals and Objectives

The City of Flint received \$4,328,638 in Community Development Block Grant (CDBG) funds in FY 2009-10. City of Flint policy allows subrecipient agencies to retain program income generated from their CDBG funded activities for use as additional CDBG program funds. In 2009-10 Flint NIPP received \$42,362.85 in CDBG

program income. CDBG funds were made available to meet the goals of the Consolidated Plan and conform to the priorities established through the Consolidated Planning process. Eligible activities include planning/administration, economic development, housing rehabilitation, public service activities, clearance, and public facility improvements.

Through the Citizen Participation Plan, priority was given to funding agencies that provided services identified as priorities in the Consolidated Plan. These include housing (homeownership assistance, owner-occupied and rental rehabilitation, new construction, and energy efficiency improvements), economic development (business development, business attraction, business retention; and educational, training, and technical assistance programs to increase living wage), and activities that improve the appearance of the city (demolition, weed/trash abatement, neighborhood cleanups, and facility improvements).

Housing - Community Development Block Grant housing rehabilitation funding totaling \$750,000 was awarded to three nonprofit agencies. Flint NIPP, Flint Odyssey House, Inc, and The Disability Network provided emergency housing rehabilitation, housing rehabilitation for homeless clients, and handicapped accessible housing repairs.

Economic Development -

Six agencies received a total of \$261,588 in CDBG funding to create jobs or provide services that improve the ability of Flint residents to earn a living wage. These agencies are the Flint Area Enterprise Community's COLT and Tax Awareness programs, St. Luke's N.E.W. Life Women's Center, Flint Community Schools Work Your Way Up program, New Paths Employment Skills Enrichment program, and the Mott Community College Adult Workplace Literacy program.

Eleven additional agencies received \$414,000 for public service activities. These services range from the Big Brothers Big Sisters to the YWCA Safe House domestic violence program.

Seven public improvement activities were funded for a total of \$1,837,108. Projects include demolition of residential and commercial properties, neighborhood cleanups, sidewalk replacement, street resurfacing, water and sewer line replacement for low- and moderate-income residents, and personal protective equipment for the City of Flint Fire Department.

The City received a HOME allocation in 2009-10 in the amount of \$1,306,202. Funds were allocated to three agencies for the following activities:

Court Street Village – Owner Occupied Rehabilitation	\$193,318.00
Court Street Village – Purchase/Rehab/Resale	\$194,764.00
Flint NIPP – Rental Rehabilitation	\$200,000.00
Flint NIPP - Purchase/Rehab/Resale	\$200,000.00
Salem Housing Partnership – Kingswood Rehabilitaion	\$275,000.00

Emergency Shelter Grant Funds provided the majority of the City's assistance to address homeless needs identified in the Consolidated Plan. In the 2009-10 program year ESG funds were used to address the priority areas of transitional and permanent housing for homeless people, food, counseling, training, health care, transportation, short-term rental and mortgage and utility payments assistance. The

2009-10 ESG grant allocation of \$189,090 was distributed to four agencies as follows; essential services totaled \$35,784, homeless prevention programs were awarded \$56,354, and shelter operations grants totaling \$87,498 were awarded.

2. How Flint Would Change Program

Overall, the program year was successful. Contracts were executed timely, and the City met its CDBG timeliness requirements. However, timing is still an issue as the City continues to struggle to commit and expend HOME funds timely. The City has also experienced some unique challenges with the onset of new recovery programs. In the past year, the City received over \$11 million in additional entitlement funding. The City has struggled with the additional workload and continues to develop and implement new processes that will ultimately streamline service delivery. The payment management information system has been very effective in providing staff with the tools necessary to input and track payment requests submitted by organizations.

Several changes were identified and have been implemented. They include the following:

1. Continue to limit the number of CDBG contracts
2. Target areas for maximum impact, specifically the neighborhood stabilization program areas of greatest need.
3. Fund larger scale projects and fewer public service agencies
4. Continue to focus on programs/projects that leverage additional resources from public/private partners
5. Educate public about program parameters
6. Improve frequency of monitoring
7. Institutionalize all policies and procedures for performance, compliance, and reporting purposes

The Department recognizes that changing demographics and economic realities will necessitate constant analysis and evaluation of the program to make required changes. Ongoing changes are expected to occur within the City's entitlement programs.

3. Affirmatively Furthering Fair Housing

The 1997 Analysis of Impediments to Fair Housing in Genesee County (AI) was updated in 2007. The 2007 study used 2000 census data and was broader in range than the Darden Study. The study analyzed lending patterns, subsidized housing, governmental policies, and transportation. The results of the study indicate that the patterns of discrimination and segregation based on race have continued through the 2000 census. Genesee County is still one of the most segregated areas in Michigan. Many of recommendations from the 1997 Analysis of Impediments have been implemented. The 2007 Update provides additional corrective actions to further fair housing in the City and Genesee County, primarily continued testing, enforcement, research, and education. The City of Flint has a history of funding both the testing/enforcement component through Legal services of Eastern Michigan's Fair Housing Center, and education and outreach through the Human Relations Commission. In 2009-10, the City continued to fund the position of the Fair Housing Specialist in the Human Relations Commission (HRC). The HRC, in conjunction with other community partners, continues to address the fair housing issues outlined in the updated "Analysis of Impediments to Fair Housing in Genesee County". The results of the updated Analysis study demonstrate that there have been some

improvements in fair housing, especially in the area of rental housing, however improvements are still needed.

The City of Flint's HRC, conducts quarterly informational meetings with officials from local units of government, HUD Fair Housing representatives, local civil rights agencies, and financial lending institutions. These meetings are held at various sites in the City of Flint, and out county. These meetings provide municipalities with the opportunity to address fair housing concerns in their jurisdiction and dialogue about methods to reduce impediments to fair housing. The City of Flint HRC also conducts an annual fair housing conference, makes presentations to groups and presents workshops and seminars on fair housing.

4. Other Actions

The City has taken other actions to address obstacles to meeting needs of the underserved. The federal renewal community is a major City initiative that helps meet the needs of the underserved. This plan identifies strategies to promote family economic success for underserved residents in low-income census tracts, within the HUD-designated renewal community area that was awarded in 2002. This program was slated to expire at the end of 2009, but was extended an additional year. There is currently congressional legislation pending that may extend the program for an even longer period. The Flint Area Enterprise Community (FAEC) manages it, in partnership with Mt. Morris Township, Genesee County, and State of Michigan. City finances FAEC's operations with CDBG and other funds, at a cost of approximately \$200,000 annually. FAEC is off-site from cityhall, in the renewal community, and provides easy access to residents and businesses.

The renewal community program provides a variety of federal tax incentives to spur business growth and job creation for low-income residents. The strategic plan includes six courses of action to reduce poverty by promoting family economic success for underserved residents. The plan entails activities to support economic development to remove blight and stimulate business and housing growth, and create job opportunities within the zone. The plan also involves creating a land bank; reducing tax burdens, crime and government requirements; improving local services; soliciting in-kind donations and leveraging resources; and involving community partners. These strategies are implemented by the City, FAEC, and community partners, all working in tandem to better serve the community.

FAEC, as the Coordinating Responsible Authority, markets federal tax incentives, manages an information center, and coordinates the renewal community activities with partners. FAEC staff works closely with local economic and workforce development providers to connect businesses and residents to services. FAEC's marketing efforts also promotes earned income tax credits awareness to help underserved working families access their tax refunds. The attached Renewal Community PERMS report defines accomplishments and other actions undertaken to meet needs of the underserved.

The City meets the needs of the underserved through a variety of other methods. Leveraging resources for neighborhood development in low-income areas is of primary importance. The city continues to target resources to urban renewal areas, created under the provisions of the Michigan Blighted Area Act, to improve livability of neighborhoods for underserved residents in these areas. The primary target is the Smith Village redevelopment area. This neighborhood is in the renewal community and NRSA designated areas, and is also part of the federally designated

Homeownership Zone. Citizen district councils (CDCs) work with the city in all aspects of planning and implementing development activities needed to revitalize the NRSA distressed neighborhoods. In its application to HUD for Neighborhood Stabilization Program funds, the city targeted five areas in which to invest in abandoned and foreclosed houses in order to stabilize neighborhoods. These neighborhoods are all located in low to moderate income areas where there is a concentration of underserved citizens. These designated areas include the city's redevelopment areas of Smith Village, Northeast Village and Flint Park Lake.

Additionally, the University Avenue Corridor/Carriage Town development area remains a priority area. This area, like the urban renewal areas, is marked by a demonstrated pattern of deterioration in physical, economic, or social conditions characterized by such conditions as functional or economic obsolescence of buildings.

However, the University Avenue Corridor/Carriage Town area includes major medical and educational institutions that are stabilizing influences and will be the foundation of economic growth in the future. As neighborhood anchors, these institutions offer opportunity to leverage resources to address the substantial needs present in this low and moderate income neighborhood. Major investments have occurred in this target area, including new infrastructure, streets, lights, sidewalks, Atwood Stadium improvements, new residence dwellings at UM Flint, and construction of a fraternity house for Kettering University students. Many structures have been demolished in this area to facilitate new development. Most recently, the city, partnered with Kettering, the Genesee County Landbank, and Hurley, to demolish long time eyesore, Heartland Manor, along with four abandoned houses. Funding for the demolition was provided by all of the partners and the State of Michigan's *Cities of Promise* program. New housing construction is proposed at several locations in the 3rd Avenue Corridor. Housing rehabilitation is also prioritized, and several rehabs are underway.

5. Leveraging Resources

Through the formation of strategic partnerships, the City maximizes its resources to provide expanded economic opportunities to better serve residents and businesses. The City utilizes its discreet component units, the Flint Economic Development Corporation (City EDC), City Brownfield Redevelopment Authority (City BRA), the Flint Area Enterprise Community, Inc. (FAEC), and Downtown Development Authority (DDA) to implement economic development programs. The City and its sub-unit staff work closely with other local partners to plan and implement economic development strategies. Key partners include the Genesee Regional Chamber of Commerce, Genesee County Land Bank, Genesee County BRA, Genesee County Metropolitan Planning Commission, United States Economic Development Administration, Michigan Economic Development Corporation, Local Initiative Support Corporation (LISC), Career Alliance, Mott Community College, Baker College, University of Michigan-Flint, the State of Michigan Cities of Promise Initiative, United States Environmental Protection Agency, Michigan Department of Environmental Quality, and the United States Department of Energy, as well as banks, medical institutions, universities, and local foundations.

The City also partners with a number of agencies in the administration of its federal recovery programs. Metro Community Development is partnering with the City in the administration and data collection of its Homeless Prevention and Rapid Re-Housing Program (HPRP). The City is working with a number of non-profit

developers in the implementation of its Neighborhood Stabilization Program, including Salem Housing, Genesee County Land Bank, and Operation Unification.

During this reporting period the City of Flint, in partnership with Genesee County Metropolitan Planning Commission, secured funding through the United States Economic Development Administration and the State of Michigan to be used to develop a Comprehensive Economic Development Strategy needed to access economic development funding for economic assistance and public improvements. The goal of Flint's economic development strategy is to diversify the economic base through building on assets in the community. These assets are concentrated in the *educational, medical, energy, and advance* manufacturing sectors. Specific objectives include:

- I ncrease capital available for the application of innovative processes to manufacturing.
- I ncrease the capacity of educational institutions to provide the curriculum and training needed to support innovation.
- P rovide capital to health related entrepreneurs to retain and expand employment while improving the quality of healthcare for residents.
- I nvest in infrastructure improvements needed to support growth in targeted sectors.

The city's current economic development strategy targets investment into core economic sectors or clusters of sectors moving forward in the 21st Century. This strategy recognizes that the automotive industry will never regain the dominant position in the area's economy that it had in the early and mid 20th Century. Each of these economic sectors or clusters has assets which provide opportunities to build upon for the future. The strategy identifies four focus areas:

Alternative Energy –
Advance Manufacturing
Health Care
Construction Trade

In July 2009, Flint's interim mayor signed an operating and development agreement with the CEO of Swedish Biogas International to construct a biogas plant. The state-of-the-art waste water digester and support system will allow the city to explore alternative energy sources through the conversion of the city's waste into methane. The methane will then be used to power the city's fleet of vehicles. Swedish Biogas will invest another \$2 - \$3 million in a co-digester that can use human waste and food waste to create biogas. The project is being carried out through a partnership among Linköping, Sweden-based Swedish Biogas, city of Flint, Flint Township, state of Michigan and Kettering University. The new plant is located at the city's water pollution control facility off of Beecher Road. Construction is scheduled to begin late summer 2010.

The City applied for a \$1,147,900 United States Department of Energy Block Grant through the United States Recovery and Reinvestment Act to prepare a Energy Efficiency and Conservation Strategy that will reduce energy consumption and increase jobs. Several departments within the City of Flint have been engaged in significant work around a materials recovery strategy.

- Within the Sanitation department, there have been positive efforts to reduce and recover over 90% of the residential and public yard waste and leaf waste for this year.

-
- The Demolition Department is currently engaging in ways to utilize City of Flint compost on new demolitions to both reduce cost as well as provide a first rate finish on demolition sites.
 - The City anticipates releasing an RFP for consulting services in connection with efforts to modernize and reduce the total cost of the City of Flint's curb-side waste collection efforts

Energy Council:

The work of the Energy Council has begun to take shape through the efforts of Mayor Walling and Green City Coordinator, Steve Montle. Through the Energy Council, over 30 organizations and 80 individuals have been engaged and have offered to participate in an effort to maximize opportunities around advancing a common goal around sustainability.

Green House Gas Emission:

The City of Flint is preparing to issue an RFP in the near future that will allow the City to establish a baseline GHG emissions footprint and establish a fixed point to build future reduction efforts upon.

The city relies on partners and several programs to implement economic development activities. The following describes programs, partners, and major accomplishments during this reporting period:

A five-year Renaissance Zone extension for Genesee Packaging, Inc. was approved. The Genesee Packaging facility houses both a sequencing operation to General Motors and a corrugated sheet plant, which supplies other GPI facilities, as well as servicing as many as 50 third party customers.

The city approved a brownfield plan for Diplomat Pharmacy. The plan allows Diplomat to take advantage of the state's brownfield tax incentives. The company projects an initial capital investment of \$10.7 Million and \$28.6 million over the next 20 years. The company also anticipates the creation of 4,000 new full-time high wage, technology-based jobs in the healthcare and life sciences over the next 20 years

The EDC's incubator facility, the Oak Business Center, has affordable office and industrial space for lease for fledgling small businesses.

EDC approved 3 EDA loans in this reporting period:

Flint Neighborhood Improvement Preservation Project – Witherbee's Market for a total investment of \$893,708 and job creation of 13.

Global Energy Innovation – working capital for the design and fabrication of a fuel cell auxiliary power unit and construction of initial production facilities in Flint, for a total investment of \$2.4.

Metro Medical Ambulance L.L.C. – building rehabilitation for a total investment of \$1.2M

EDA, CDBG and Enterprise Community funded revolving loan fund (RLF) programs, portfolios totaling over \$1,406,168.56. The following is a breakdown of available funds by loan pool:

oEDA RLF 1	\$ 88,188.62
oEDA RLF 2	\$115,377.55

oEDA State RLF	\$253,957.95
oFAEC EC Loan	\$782,681.37
oFAEC CDBG RLF	\$ 28,824.39
oEDC CDBG RLF	\$137,138.68

The City is working with the EDA to consolidate three EDA RLFs into one RLF to provide gap financing. The consolidation will allow the city to streamline the loan process as well as provide financing that addresses economic development strategy and local economic conditions. The City is awaiting EDA final approval for the consolidation to be completed.

CDBG funded activities including Section 108 Loan funds as well as Brownfields Economic Development Initiative (BEDI) and Economic Development Initiative (EDI) funds. The City has \$380,000 available in its Section 108 revolving loan fund that was established to assist businesses in financing large economic development projects. These projects are funded to create jobs for low – moderate income individuals living within the city and/or to provide services to low – moderate income individuals. Two Section 108 loans were made this period – The 500 Block LLC for \$3.3M and Michigan Timber and Truss, \$1.5M. The city will continue to work with banks, the Genesee Regional Chamber, and other partners to identify projects for the remainder of these funds.

Brownfields assessment and abatement funds, totaling over \$1,500,000. City BRA and County BRA work with Genesee County Land Bank to coordinate brownfield and other incentives available for businesses.

Phase I and/or II Environmental Site Assessments have been completed by ASTI, Inc. for future economic development projects using MDNRE and EPA grant funds on a Kettering fraternity house, Smith Village parcels, Diplomat Pharmacy and Greenview Manor Estates.

Housing, near Hurley Medical Center and adjacent to the downtown.

The Land Bank also owns Great Lake Technology Center, a business incubator that offers rental office spaces to commercial and retail businesses.

Local Initiatives Support Corporation (LISC) provided capital and other resources to support development in Flint. LISC also provided technical support to:

the City on numerous housing and economic developments, nonprofits to help build their capacity to operate housing programs, Genesee County Land Bank to assist with redevelopment of foreclosed properties in Flint and Genesee County including: neighborhood planning, community organizing, land massing and acquisition for strategic development and residential brownfield activities on its properties. Two areas of particular interest are the Third Avenue Corridor and the Bryant School areas. LISC is assisting with the Land Bank with development projects in this area, including Berridge and Durant Hotels.

Foundation funds including the Charles Stewart Mott Foundation. C. S. Mott Foundation provides millions of grant dollars to support economic development in Flint. Their assistance has helped to generate over \$200 million of new investments to rebuild the downtown, expand Kettering University, and build the first dorms for the University of Michigan-Flint campus.

Center for Community Progress -helps cities put vacant, abandoned property back in use. The center, launched in January with a combined \$1 million in grants from the Mott and Ford foundations, is designed to serve as

a resource for federal, state and local officials and nonprofit agencies that are working to help cities eliminate the blight associated with vacant, abandoned and underutilized properties.

Various state programs for development funds as well as tax incentives, including the MEDC and its Michigan Strategic Fund and business retention programs as well as Cities of Promise initiatives that provide grant funds for demolition in targeted neighborhoods, clearing title for tax reverted properties, and economic development planning, over \$900,000. The City and Genesee County utilized the COP funds to leverage \$100,000 from EDA to finance a comprehensive economic development strategy plan (CEDS), over \$300,000.

Over the past eight (8) years, the city of Flint has received MEDC Core Community Funding (CCF) grants for economic development projects. The grants are as follows:

Downtown Redevelopment - \$904,000 to assist with the redevelopment of buildings located within downtown Flint. The grant was closed out April 2010.

Buick City - \$500,000 to assist with the redevelopment of Buick City. The amended ending date of the grant is December 31, 2010.

Kettering University Incubator Facility - \$583,034 grant to provide funding to Kettering for the design and construction of Kettering University's Science and Technology Incubator Building. Along with the MEDC grant, the Federal Economic Development Administration has provided a \$1,620,000 grant along with Kettering's match of \$541,916. The revised ending date of this grant is December 31, 2010.

Flint Area Enterprise Community manages the Renewal Community Program. This economic development and job creation program offers tax incentives to businesses within the Renewal Community, such as:

- a \$1,500 federal wage tax credit for every existing employee and new hire who lives and works in the RC.

- a \$2,400 federal wage tax credit for each new hire from groups that has high unemployment rates or other special employment needs.

- commercial revitalization tax deductions (CRD) of \$12 million of tax deductions annually for commercial business expansion.

- New market tax credits for developments creating jobs for low-income communities.

- Tax incentives for capital gains, equipment purchases, environmental cleanup deductions, new market tax credit financing, low-income tax credit financing, and public funds for program services.

In this reporting period, FAEC staff:

Approved CRD applications for five businesses, totaling \$4,255,172. These businesses retained 127 jobs and will create 161 jobs; (Rasberries Rhythm Café, Hutchinson's Food & Drug, Witherbee's Market, Village Store Meat Market, 500 Block, LLC)

Assisted twenty-eight business in applying for CRD and provided tax breaks;

Provided technical assistance to twenty micro-enterprises; and

Marketed tax incentives to 2000 businesses through mailings, workshops, public announcements, one-on-one meetings, and group presentations.

City of Flint and Genesee County capital investments and services.

Workforce development and job training services of providers, including Career Alliance and its Work first programs, Genesee Intermediate School District and Vocational Training, Flint Community Schools (career path and vocational training), and MSHDA's Cities of Promise Initiative CAP (contractor assistance program). Higher education institutions that also provide specialized skill development training, including University of Michigan Flint (business resource center for self-employment training); Mott Community College and its Regional Technology Center (customized job training for employers) and tech centers (basic skills, GED); and Baker College (vocational training in nursing and other medical jobs). Kettering University also provides education and job development through its fuel cell research and business incubator developments.

The City continues to target these resources, within a coordinated community investment plan and through strategic partnerships, to expand economic opportunities for Flint residents and businesses and leverage additional resources.

Managing the Process

1. Describe actions taken during the last year to ensure compliance with program and comprehensive planning requirements.

Program Year 5 CAPER Managing the Process response:

The Department of Community and Economic Development serves as the lead agency for coordination of the Federal entitlement resources listed in the FY2009 Annual Action Plan. The Department worked closely with all of the organizations and entities involved in the implementation of the community development strategies identified in the Consolidated Plan.

The City of Flint ensures compliance with HUD statutory and regulatory program and planning requirements through its review of all activities proposed to be funded with CDBG and HOME. DCED staff members participate in the Joint Review Committee. One of their primary functions during this process is to review proposals and to ensure that all meet a National Objective; are eligible program activities; address at least one of the priority areas stated in the current, HUD-approved community Consolidated Plan; and meet any other programmatic guidelines or priorities as identified by City leaders.

Once funded, the Department also ensures compliance by desk monitoring through the review of all reimbursement requests and financial and activity reports submitted by subrecipients. In addition, the Department provides comprehensive, regular technical assistance, and has a goal of annual monitoring of each subrecipient.

Citizen Participation

1. Provide a summary of citizen comments.
2. In addition, the performance report provided to citizens must identify the Federal funds made available for furthering the objectives of the Consolidated Plan. For each

formula grant program, the grantee shall identify the total amount of funds available (including estimated program income), the total amount of funds committed during the reporting period, the total amount expended during the reporting period, and the geographic distribution and location of expenditures. Jurisdictions are encouraged to include maps in describing the geographic distribution and location of investment (including areas of minority concentration). The geographic distribution and expenditure requirement may also be satisfied by specifying the census tracts where expenditures were concentrated.

*Please note that Citizen Comments and Responses may be included as additional files within the CPMP Tool.

Program Year 5 CAPER Citizen Participation response:

On Thursday, August 26, 2010, the City of Flint published a notice in the Flint Journal announcing the availability of the 2009-10 Consolidated Annual Performance and Evaluation Report. The notice provided the exact date, time and location of the Public Hearing. The 2009 CAPER was available for public review and comment beginning on Thursday, August 26, 2010 and continuing through September 20, 2010. The 2009 CAPER contained the formula grant programs, the total funds available, including program income, the total amount expended during the reporting period, and the geographic distribution and location of expenditures by Census Tract and Block Group.

As advertised, on September 13, 2008, the City of Flint will hold a Public Hearing on the 2009 CAPER.

The actual ad documenting notification of the public hearing related to the CAPER is included in an Appendix to this CAPER.

Federal funds available for furthering the objectives of the Consolidated Plan

During Program Year 2009 CDBG funds in the amount of \$4,328,638, HOME funds in the amount of \$1,306,202, and ESG funds in the amount of \$189,090 were made available. Including unspent funds from previous years, CDBG funds totaling \$8,194,577.93 were available. Flint NIPP received \$42,362.85 in program income from housing rehabilitation loan repayments.

100% of CDBG and ESG funds were committed for eligible projects. During the program year, the City expended \$5,390,723.81 in CDBG funds. The majority of activities were available to residents city-wide, but some activities were prioritized for target redevelopment areas such as Smith Village, Flint Park Lake, and University Avenue Corridor. Low- and moderate-income activities accounted for 100% of expenditures.

In order to address the substantial need present in low and moderate- income neighborhoods, the geographic priority for low-mod area benefit activities encompasses all eligible low-mod areas. These include the following census tracts: 1 (block group 1), 2, 3, 4, 5 (block groups 3 and 4), 6, 7, 8, 9, 10, 11, 12 (block groups 3 - 5), 13 (block groups 3 and 4), 14, 15, 16 (block group 2), 17, 18, 19, 20, 22, 23, 24 (block group 1 and 2), 25, 26 (block groups 1 - 4), 27, 28, 29, 31 (block group 2), 32 (block groups 1, 2, and 4), 34, 36 (block groups 1-4), 37 (block groups 1-3), 38, 40 (block groups 1-3), and 41.

The priority to improve neighborhoods was addressed through a number of programs using CDBG, and ESG funds citywide. This approach utilized social service programs, emergency housing repairs, demolition of unsafe, blighted structures, improvement to public facilities, feeding programs, advocacy, counseling and shelter assistance, and recreation activities to improve the quality of life in Flint neighborhoods.

CDBG funded public service activities were offered to residents citywide. Several agencies, located in the central business district (census tract 28) provide services to residents throughout the city. These agencies include the City of Flint Victim Advocacy and Human Relations Fair Housing programs, Genesee County Youth Corporation, YWCA SafeHouse, Big Brothers Big Sisters, Flint Community Schools, and Flint NIPP. Mott Community College is located in the downtown area in census tract 29. Several other agencies provide services to all city residents. These agencies are St. Luke NEW Life center (census tract 9), Boys and Girls Club (census tract 24), and Flint Area Enterprise Community COLT and Tax Awareness programs (census tract 12). Christ the King Food Pantry is located in census tract 32 and serves residents citywide. New Paths is located in census tract 21 and serves clients from throughout the city.

St. Agnes/St. John Vianney Food Pantry is located in census tract 16 and serves residents of census tracts 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 17, and 20.

The City of Flint Development Division demolition program demolishes vacant structures and boards unsecured structures across the city to solve health and safety situations and remove blighting influences. The City of Flint Sanitation Department operated a neighborhood clean-up program with assistance from city residents in 25 census tracts throughout the city. City of Flint sidewalk repairs were focused in census tracts 3, 6, 9, 10, 11, 12, 22, and 27. The City of Flint Transportation Department resurfaced streets in census tracts 7, 17, 38, and 39. City of Flint Utilities Department replace water and sewer lines for low-and moderate residents in census tracts 14, 15, 22, 23, 26, and 37.

The Disability Network implemented a home modification program for the disabled on a citywide basis. Flint NIPP implemented a citywide emergency repair program. Flint Odyssey House, Inc. did not implement its housing for the homeless program.

ESG-funded programs serve clients citywide. Shelter of Flint provides citywide services at its facility in census tract 23. REACH operates a runaway shelter in census tract 28. Legal Services provides assistance to residents citywide from its office in census tract 28. Genesee County Community Action Resource Department provides homeless prevention assistance to clients citywide from its offices in census tract 28.

Maps depicting these target areas and the Renewal Community are attached in the appendix. Also attached are charts illustrating the racial breakdown of the City, as described below:

The racial majorities in Flint are Black and White. The racial composition of the City of Flint, according to the 200 census, is as follows:

Black (either alone or in combination with some other race) – 55.3%

White (either alone or in combination with some other race) – 43.7%

American Indian and Alaska Native (alone or in combination) – 2.2%

Asian (alone or in combination) –0.7%

Native Hawiaan and other Pacific Islander (alone or in comb.) – 0.1%

The charts included illustrate the breakdown of racial concentrations by census tract. Low and moderate income census tracts are highlighted on the chart. Out of the 36 low and moderate-income census tracts in Flint, 24 census tracts, or 67%, have a racial concentration of African Americans. These include census tracts 1-15, 17-18, 20, 25, 29, 31-32, 34, and 37. The other 12 census tracts, or 33%, are primarily comprised of White Americans. Depicted pictorially, the northeast and southwest quadrants of the City are areas of white concentration, while the southeast and northwest quadrants of the city are primarily African American.

Institutional Structure

1. Describe actions taken during the last year to overcome gaps in institutional structures and enhance coordination.

Program Year 5 CAPER Institutional Structure response:

To overcome gaps in institutional structures and enhance coordination, the Department of Community and Economic Development continues to strengthen its relationships with its community partners. The City also works with HUD on programs in the area of community development, and partners with national organizations including the Federal Home Loan Bank, FNMA and Local Initiatives Support Corporation. Locally and statewide, the Department of Community and Economic Development collaborates with public institutions that provide housing, social and human services, academic, and economic services. Local non- profits that perform human, health, social, legal, vocational, and economic services, universities, senior housing and services, advocate for the disabled and minorities. Foundations and private institutions including banks, landlords, realtors, and developers contribute to and support programs established in the Consolidated Plan. The City continued to strengthen relationships with community partners during Program Year 2009, through its relationships with funded agencies, and outside entities collaborating with the City on programs and activities.

Several organizations work with the City of Flint on community development programs. Federal, state, and local partners include HUD, the Federal Home Loan Bank, Local Initiatives Support Corporation, and Michigan Cities of Promise Initiative. Local grassroots groups such as the Flint River Corridor Alliance actively support and supply input for unified and collaborative community and economic development ventures. The Department of Community and Economic Development works with public institution partners that provide housing, social and human services, academic, and economic services locally and statewide. Local non profits who perform human, health, social, legal, vocational, and economic services, universities,

senior housing and services, advocates for the disabled and minorities. Foundations and private institutions including banks, landlords, realtors, and developers contribute to and support programs established in the Consolidated Plan.

The City actively participates in workshops, forums, and ongoing community planning efforts, including, but not limited to, the Continuum of Care, the Flint River Corridor Alliance, the Cities of Promise initiative, and Genesee County Brownfield Authority planning. During Program Year 2009, the City continued to strengthen its relationships with local lenders, through coordination of the down-payment assistance program, and through collaboration on several important development projects.

Monitoring

1. Describe how and the frequency with which you monitored your activities.
2. Describe the results of your monitoring including any improvements.
3. Self Evaluation
 - a. Describe the effect programs have in solving neighborhood and community problems.
 - b. Describe progress in meeting priority needs and specific objectives and help make community's vision of the future a reality.
 - c. Describe how you provided decent housing and a suitable living environment and expanded economic opportunity principally for low and moderate-income persons.
 - d. Indicate any activities falling behind schedule.
 - e. Describe how activities and strategies made an impact on identified needs.
 - f. Identify indicators that would best describe the results.
 - g. Identify barriers that had a negative impact on fulfilling the strategies and overall vision.
 - h. Identify whether major goals are on target and discuss reasons for those that are not on target.
 - i. Identify any adjustments or improvements to strategies and activities that might meet your needs more effectively.

Program Year 5 CAPER Monitoring response:

MONITORING

The City of Flint uses monitoring as a tool to evaluate program performance and ensure that statutory and regulatory requirements are being met. The City utilizes its administrative staff to monitor subrecipients.

Desk monitoring is the primary tool utilized to identify potential monitoring issues. All subrecipients are required to submit monthly financial and activity reports that provide information on the status of the program. Throughout the program year, subrecipients are required to submit monthly reports that typically include a request for reimbursement. These reimbursement requests are reviewed by administrative staff to ensure compliance with the contractual agreement, including budget line items approved. Staff also verifies that all required backup documentation, including evidence of procurement and verification of expenses are included. Determinations are made as to whether additional technical assistance or program guidance is required. Follow-up is provided, usually in the form of a telephone call, and

documented in writing. In most instances, requests for reimbursement are not processed until all program issues have been resolved satisfactorily. However, if the subject is minor, the payment request may be processed.

Results of monitoring

The majority of the monitoring reviews have demonstrated satisfactory compliance with the regulatory and programmatic requirements. Where there have been indications of difficulties, the City has provided technical assistance to the agency and verified that the problem is rectified. In most cases, deficiencies revealed as part of the monitoring process have been limited to documentation and recordkeeping issues.

Self Evaluation

The City of Flint did not make any changes in the program objectives. It pursued all resources as indicated in the Annual Action Plan. The City of Flint has developed a performance measurement per CDP notice number 0309 in which to evaluate the performance and effectiveness of programs funded with CDBG.

On a regular basis, the City reviews applications for specific project funding and identifies available funds to address the needs of projects in the pipeline. In addition, the City of Flint provides ongoing technical assistance, monitoring of programs, and the review of project feasibility.

On a monthly basis, the City of Flint reviews all sub-grantee operating expenses and project performance by examining payment requests and supporting documentation for monthly program expenditures, including administrative, and construction costs.

Property inspections are built into the City of Flint's service delivery system and are conducted as prescribed by HUD.

Lead-based Paint

1. Describe actions taken during the last year to evaluate and reduce lead-based paint hazards.

Program Year 5 CAPER Lead-based Paint response:

The Genesee County Health Department operates two lead-based paint programs; Primary Lead Poisoning Prevention and a Lead Hazard Control Program. The Primary Lead Poisoning Prevention Program's main focus is to increase blood lead screening of young children. The current goal is to continue the increase of screening numbers in a variety of ways, including presentations to the Genesee County Medical Society, foster care programs, grandparents groups, Catholic Charities, local chapter AARP, primary care physicians, and orientation of resident physicians at local hospitals, education to community schools and through community presentations.

Genesee County Health Department continues to provide educational materials, referral services and home visits to those families that have a child that has been identified with an elevated blood lead level. Genesee County Health Department continues to send out lead poisoning prevention information for blood lead levels between 5ug/dL and 10ug/dL and provide home visits by public health nurse for

blood lead levels between, 10ug/dL-19ug/dL. In those cases where the child's blood lead level is 20 ug/dl or above, an environmental investigation is performed at the child's primary and/or secondary residence to determine potential sources of lead exposure.

During the calendar year 2009, 2,321 (22.5%) children, less than six years of age and residing in the city of Flint, were screened for lead poisoning. The Genesee County Health Department offers free blood lead screening for children without insurance and children visiting the WIC Clinic sites. During Lead Week, the Genesee County Health Department collaborated with Mott Children's Health Center, University of Michigan-Flint, 4C's Child Care Unlimited and local Medicaid Health Plans to offer free blood lead testing/screening in area licensed daycare settings for children.

In December 2009, the Genesee County Health Department was awarded a three year U.S. Department of HUD grant to conduct the Genesee County Lead Hazard Control Program. The Community Action Resource Department and Metropolitan Planning Commission are partner agencies under this grant.

Properties are referred to the program by the Childhood Lead-Poisoning Prevention Program as well as through marketing and outreach efforts including but not limited to free media, PSAs, radio, development and distribution of program brochures, community presentations, health fairs, and website development.

Eligibility criteria for the program are:

- Property must be located in the specific Genesee County zip codes, including all of the city of Flint.
- The structure must have built before 1978.
- The homeowner or tenant must meet HUD income requirements
- The property must contain at least one bedroom.
- The property must contain verified lead-based paint hazards.
- In 90% of properties a child under the age of 6 or a pregnant woman must be residents of the property or the child must spend a significant amount of time there.
- If the property is a rental, a child under the age of 6 must reside at the property or the owner agrees to prioritize renting vacant property to an income-eligible family with children under the age of 6 for the next 3 years.

First priority is granted to properties where a lead-poisoned child is currently residing, with the highest blood-lead level receiving services as quickly as possible.

The Lead Hazard Control Program focuses its interventions on cost effective paint stabilization and window replacement, where warranted. The program utilizes its lead hazard reduction resources on the treatment of existing hazards related to lead-based painted surfaces including repair of limited structural defects that are causing paint to chip or flake, paint stabilization of deteriorated leaded surfaces, replacement of windows or doors where structurally unsound, treatment of friction and impact surfaces on doors, windows, and floors, and HEPA-vacuuming and wet cleaning of all interior surfaces sufficient to achieve lead dust clearance.

The City of Flint requires that subrecipients implementing housing rehabilitation activities follow federal Lead-Based Paint guidelines. All housing units must be inspected for lead-based paint as a component of the rehab. The inspections must

be conducted by a certified lead-based paint inspector. Depending on the level of federal investment, the structure must be abated, or stabilized as necessary, and then receive a clearance inspection.

The City of Flint has a housing rehabilitation inspector on staff. This staff member monitors and coordinates CDBG and other federally funded rehabilitation projects. He also ensures compliance with local and state building codes. Proper lead-based paint procedures are verified during the monitoring process.

HOUSING

Housing Needs

*Please also refer to the Housing Needs Table in the Needs.xls workbook.

1. Describe Actions taken during the last year to foster and maintain affordable housing.

Program Year 5 CAPER Housing Needs response:

Affordable housing is a range of both subsidized and non-subsidized housing designed for those whose incomes generally deny them the opportunity to purchase or rent housing on the open market. It is also housing that is safe, appropriate, and accessible where rent or mortgage plus taxes are 30 percent or less of the household's gross annual income. CDBG funding has been used by the City to aid in the production of decent, safe and affordable housing for low to moderate income families.

Using CDBG funding, contracts were awarded to the following agencies to foster and maintain affordable housing: Flint NIPP –City Wide Emergency Program - \$500,000 and an additional, estimated program income amount of \$100,000; and The Disability Network Inc. - Ramps and Accessible Modification Program-\$100,000. Flint Odyssey House, Inc. was awarded \$50,000 for rehabilitation of housing for homeless clients but did not implement the program. These awards represent 15 percent of the City's 2009 CDBG allocation.

City-wide Emergency Repair Program

A city wide emergency repair program was administered by Flint NIPP to address housing code deficiencies that were a threat to the health and safety of the low income families. The financial assistance is provided in the form of a repayable deferred loan, and may finance up to \$10,000 per housing unit. Many of the families assisted needed roof replacements, furnaces and electrical work addressed in order to make the home safe. Loan repayments are returned to the program as program income to support additional families that need assistance. Due to the limited resources, there are not enough funds to address the emergency housing repair needs within our community.

Ramps and Accessible Modification Program

While affordable housing for persons with disabilities is always difficult to find, accessible housing for persons in wheelchairs is virtually nonexistent. The majority of disabled persons who desire to return to the community in an independent living setting may find a nursing home is the only option available. To address this

problem, CDBG funds were awarded to The Disability Network to finance a ramp and accessible modification program that allow disabled homeowners to remain in their home. This program has proven to be very successful and continues to foster affordable housing for the disabled.

To expand efforts to maintain affordable housing, the City plans to be more proactive in the area of housing and housing related services in order to help residents remain in their home, locate additional partners that provide rehabilitation services specifically to the elderly and disabled population, build capacity of our CHDO's in the areas of new construction and explore energy efficient products and techniques that will make housing more affordable. For the period ending June 30, 2010, the City recertified four Community Development Organizations.

The City of Flint received a 2009 HOME allocation in the amount of \$1,306,202. As of June 30, 2010, HOME funds were used to finance the following projects to expand the supply of decent, safe, and sanitary housing for low income families:

Agency or Project Owner	Project Name	# of HOME Units	Funding Amount
Court Street Village	Owner Occupied Rehabilitation	2	\$193,318.00
Court Street Village	Purchase Rehab Resale	3	\$194,764.00
Flint NIPP	Rental Rehabilitation	3	\$200,000.00
Flint NIPP	Purchase/Rehab/Resale	1	\$250,000.00 and PI
Salem Housing	Kingswood Neighborhood Rehab	5	\$275,000.00
Flint NIPP	CHDO Operation	0	\$25,000.00
Salem Housing	CHDO Operation	0	\$12,500.00
Court Street Village	CHDO Operation	0	\$25,000.00
City of Flint	HOME Program Administration	0	\$130,620.00
Total Project Funding			\$1,306,202.00

The chart above constitutes the City's annual HOME allocation. All activities are in their initial stages of development to benefit low income families. These activities are included in the CAPER HOME section of this report.

Specific Housing Objectives

1. Evaluate progress in meeting specific objective of providing affordable housing, including the number of extremely low-income, low-income, and moderate-

income renter and owner households comparing actual accomplishments with proposed goals during the reporting period.

2. Evaluate progress in providing affordable housing that meets the Section 215 definition of affordable housing for rental and owner households comparing actual accomplishments with proposed goals during the reporting period.
3. Describe efforts to address "worst-case" housing needs and housing needs of persons with disabilities.

Program Year 5 CAPER Specific Housing Objectives response:

The specific housing objectives in Flint are on-going, and include the following:

1. Homeownership

Outcome: Increase homeownership

Activity: Down payment assistance Programs - HIGH

Activity: Homeownership counseling and home maintenance programs - HIGH

Activity: Construction of affordable Single-Family Homes - HIGH

Activity: Energy efficiency improvements - HIGH

Activity: Operation of Fair Housing Center - HIGH

2. Improve Housing Conditions

Outcome: Improve housing conditions for homeowners and renters

Activity: Bring single and multi-family owner-occupied and rental residential structures into compliance with Housing Code - HIGH

Activity: Demolition and Clearance activities - HIGH

Activity: Exteriors of owner-occupied housing brought up to Housing Code standards through code enforcement - HIGH

3. Reduce Cost Burden

Outcome: Reduce cost burden for homeowners and renters

Activity: Energy efficiency improvements - HIGH

To meet these housing objectives in Program Year 2009, the City used CDBG and HOME entitlement funds for the following activities:

Agency or Project Owner	Project Name	# of Units	Funding Amount
The Disability Network	Ramps & Accessibility	32	\$100,000.00
Flint NIPP	City Wide Emergency Housing Repair Program	34	\$500,000.00 and PI
Flint NIPP	Minor Home Repairs	182	\$35,000.00
City of Flint	Fair Housing Specialist	557	\$85,000.00
Flint Odyssey House, Inc.	Rehabilitation for Homeless	0	\$50,000.00
Court Street Village	Owner Occupied Rehabilitation	2	\$193,318.00
Court Street Village	Purchase Rehab Resale	3	\$194,764.00

Flint NIPP	Rental Rehabilitation	3	\$200,000.00
Flint NIPP	Purchase/Rehab/Resale	1	\$250,000.00 and PI
Salem Housing	Kingswood Neighborhood Rehab	0	\$275,000.00
Flint NIPP	CHDO Operation	0	\$25,000.00
Salem Housing	CHDO Operation	0	\$12,500.00
Court Street Village	CHDO Operation	0	\$25,000.00

The City of Flint continues to address “worst-case” housing needs and housing needs of persons with disabilities include the following:

*Aggressive education, outreach, and testing to ensure equal opportunities in housing.

The City's Affirmative Marketing policy requires the city and its agents to inform applicants, owners and the public about fair housing laws. The policy’s objective is to provide information on the availability of rental units to eligible families from all racial, ethnic and gender groups. Components are on-going and include:

- Public awareness of fair housing laws through news releases to the Flint Journal, Genesee County Landlords Association, and a minority-owned newspaper.
- The City Of Flint Human Relations Commission sponsor fair housing workshops on an annual basis and partners with organizations like the Genesee County Landlords Association to educate the public regarding fair housing initiatives.
- Nonprofit agencies work with the city to make a responsible effort to inform potential tenants and owners about the rules and procedures that relate to rehabilitation.
- The Flint Housing Commission is required to inform applicants on its waiting list of the potential vacancies.
- Employment of a Fair Housing Specialist through the Human Relations Commission. This employee manages and implements the Fair Housing Program. This program protects the rights of people, educates the public regarding housing related issues and provides materials and information to complete housing related activities.
- Special outreach methods for people who are not likely to apply for housing is handled by The Disability Network Program. This organization provides education and outreach to disabled individuals and families as well as provide ramp and home modification assistance financed using Community Development Block Grant funding.

The Flint Housing Commission and nonprofit organizations are required to maintain records on of special outreach methods used to meet this objective. The City assesses the effectiveness of the affirmative marketing efforts periodically to ensure that they are effective. Failure to comply with the above rules can restrict the agency or investor from participation in the program.

Public Housing Strategy

1. Describe actions taken during the last year to improve public housing and resident initiatives.

Program Year 5 CAPER Public Housing Strategy response:

The Flint Housing Commission received a Capital Fund Grant for the 2009/2010 year in the amount of 2,010,280.00 and for the 2010/2011 year in the amount of \$2,006,723.00. Work projects are scheduled or are in progress for almost all of the Flint Housing Commission's complexes through these and other grants the FHC had received in earlier years. Work items (in different complexes) include renovations, siding and trim replacement, painting, flooring, Landscaping, storm doors, roofing, keyless entry systems, community room updates, ADA bathroom renovations, and many other miscellaneous work items. New siding is being installed at the Howard Estates complex along with many other updates. This will create a better living condition for current and future residents. The completion of the renovation of the long vacant units at Atherton East complex created new updated units for new low-income residents and work is continuing through a City of Flint Home grant. The Flint Housing Commission anticipates 10-14 more new units completed in the early part of 2011 for new low-income residents.

In 2009, FHC received additional funding through President Obama's American Reinvestment & Recovery Act (ARRA) initiative. Those funds are being used for improvement projects at all of the FHC complexes. The FHC received \$2,548,758.00 and is currently completing concrete and asphalt work at Atherton East, River Park, Howard Estates, Mince Manor, Centerview Apts. and Richert Manor. Other projects include painting the exteriors of the high rise buildings (Mince Manor & Richert Manor) and putting on new siding at Howard Estates. Many of the family complexes are receiving work on porches, sidewalks and receiving new handrails for those porches. Howard Estates received new bathroom flooring and many of the kitchen floors at Aldridge Place Apts. were replaced.

Also included in the work from the ARRA initiative, are drainage system improvements for River Park, Aldridge Place and Howard Estates to try to keep the basements dry, scattered site homes that had fencing in disrepair are either repaired or replaced and Richert Manor will have flooring on the main floor replaced.

The Flint Housing Commission also received four (4) Competitive Capital Fund Grants for 'green' work. These grants are allowing the FHC to replace windows at Howard Estates, Richert Manor, Mince Manor and Centerview Apts. with new energy saving windows. It also allowed FHC to replace the roof at Centerview and to add a 'green' roof to the lower roofing area. Domestic hot water tanks were installed to help with the energy savings at two of the elderly high-rises and blinds and a/c sleeves will be installed at certain complexes to help with the heat and lower power bills. All of these projects are underway and should be completed by the end of 2010.

The Flint Housing Commission's Housing Choice Voucher (Section 8) Program has received renewal funding from the Department of Housing and Urban Development for its tenant-based vouchers. Approximately 100 new participants have been added from eligible applicants on the waiting list. Collaboration with the Ann Arbor VA has resulted in up to 25 new VASH (Veterans Administration Supportive Housing) Vouchers which will allow service to veterans in the community. Partnering with the Disability Network and the Valley Area Agency on Aging has permitted an application for 100 additional Vouchers to assist Non-Elderly Disabled Families and for those transitioning out of Nursing Homes. FHC will continue to apply for any additional funding made available to enhance the program and the number of families assisted. Outreach for and education of landlords continues and has resulted in higher quality and quantity of decent, safe and sanitary units for tenants to choose from. FHC has conducted and/or sponsored several homeownership seminars. The Family Self-Sufficiency Program has recently been made available to both HCV participants and LIPH residents.

The FHC has obtained grants from the Ruth Mott Foundation for support services in the Family complexes for a program called "Bringing Families Together" which support community based programs such as Women of Wisdom, Flint Institute of Music, Youth Empowerment, Eliezer Freedom Train Outreach (AA), Michigan State Extension (Health and Nutrition), Sex Education, Arts and Crafts, Youth Martial Arts, and Community Sports for the Youth. The FHC has computer learning centers, summer youth enrichment, breakfast and lunch programs through GCCARD, Keep Genesee County Beautiful beautification projects and homeownership programs for Self-Sufficient residents who are prepared to become homeowners.

Activities continuing in the elderly/disabled buildings include Exercise Programs, Bingo, Visiting Nurses, Commodities, Senior Food Box Programs, Molina Health Care Monthly visits, Michigan State Extension Nutrition Programs, Disability Network Seminars, potlucks, trips and Holiday dinners and programs.

The FHC is looking to forge a partnership with the City of Flint to create mixed-income development communities. With the increased renovation in the City of Flint this should create economic opportunities that will allow the FHC to hire local residents to work under the Section 3 program and to encourage contractors to hire locally.

FHC objectives are to provide improved living conditions for very low and low income families; provide decent, safe and sanitary housing within a drug free, suitable living environment for residents and their families; avoid concentrations of economically and socially deprived families in any one housing development, provide opportunities for upward mobility for families who desire to achieve self-sufficiency and ensure compliance with Title VI of the Civil Rights Act of 1964 and all other applicable Federal laws and regulations so that the admissions and continued occupancy are conducted without regard to race, color, religion, creed, sex, national origin, handicap or familial status.

FHC policies and practices are designed to provide assurances that all persons with disabilities will be provided reasonable accommodations so that they may fully access and utilize the housing program and related services. A person with a disability may request a reasonable accommodation at any time during the application process, residency in public housing, or participation in the Housing Choice Voucher program.

Barriers to Affordable Housing

1. Describe actions taken during the last year to eliminate barriers to affordable housing.

Program Year 5 CAPER Barriers to Affordable Housing response:

The City of Flint is committed to allocate funds and resources necessary to reduce barriers to affordable housing. Over the last decade Flint has experienced a period of physical, economic, and social decline. During FY09-10 the City of Flint has worked to review and strengthen existing processes and develop new strategies that address barriers through effective use of available resources. The primary obstacle to meeting the needs of the under served is the availability of resources. A significant barrier to affordable housing is the ability to keep up with the deterioration level and population decline. Population and medium family income continue to decline. Over 50% of the available housing units are in disrepair. Given the income level and population decline a significant portion of occupants will need assistance to rehabilitate the homes. The city continued to struggle with job loss, economic disinvestment, and population decline, and high poverty rates.

HOME/ American Dream Down Payment Initiative (ADDI)

1. Assessment of Relationship of HOME Funds to Goals and Objectives
 - a. Evaluate progress made toward meeting goals for providing affordable housing using HOME funds, including the number and types of households served.
2. HOME Match Report
 - a. Use HOME Match Report HUD-40107-A to report on match contributions for the period covered by the Consolidated Plan program year.
3. HOME MBE and WBE Report
 - a. Use Part III of HUD Form 40107 to report contracts and subcontracts with Minority Business Enterprises (MBEs) and Women's Business Enterprises (WBEs).
4. Assessments
 - a. Detail results of on-site inspections of rental housing.
 - b. Describe the HOME jurisdiction's affirmative marketing actions.
 - c. Describe outreach to minority and women owned businesses.

Program Year 5 CAPER HOME/ADDI response:

1. Assessment of Relationship of HOME Funds to Goals and Objectives

Homeownership, new construction and rehabilitation are the priorities outlined in the 2005-2010 Consolidated Plan. Given that housing goals are primary financed using HOME funds, a combined total of 900 housing units are projected to be available by 2010. Beginning July 1, 2009 - June 30, 2010, the City's HOME Investment

Partnerships Funding award was \$ 1,306,202.00. These funds were awarded to three agencies for implementation of the following programs: 1 full code rehabilitation program, 3 acquisition and rehabilitation programs, and 1 rental rehabilitation program. Using these funds 3 owner occupied units are being renovated, 3 rental units are being renovated, 1 unit has been acquired and 5 are being considered for acquisition for acquisition and rehab activities.

Because of complexity concerning the use of HOME funds in relation to the CDBG funds, HOME contracts executed with subrecipient agencies and CHDO's are active for a 24-month period. An accurate account for the year ending June 30, 2010 results in the completion of 5 acquisition/rehab properties and 2 owner occupied units. Activities are still underway are 16 rental, 2 owner-occupant and 5 acquisition/rehab units. These units will be completed in the next fiscal year

The City continues to implement its downpayment and closing costs program that was introduced on August 1, 2006. The program assists first time homebuyers with HOME funds up to \$7,500 to be used for down payment and closing costs for the purchase of a home. This assistance can be combined with other assistance as long as the level of assistance does not exceed Flint's threshold requirement. A City code enforcement inspection and completion of a MSHDA or HUD-approved homebuyer education course are components of the program to ensure that the borrower is educated on the home buying process and that the home is decent, safe and sanitary. Sixteen families have been assisted in this fiscal year.

Considering Flint's need for rental assistance, the Department of Community and Economic Development financed a tenant based rental assistance program that has been administered since 2008 by Metro Community Development Corporation. Flint's TBRA program provide direct rental subsidies to owners of rental property that enable low income families to live in rental units of their own choosing, provided that these units meet basic program requirements. For the program year ending June 30, 2010, seven families were assisted with rental subsidies to live in various areas of the City.

The City does have work to do to meet its production goals as outlined in the Consolidated Plan. Many barriers prevent the City from increasing the supply of affordable, decent and safe housing. These are listed below:

- Lack of state, local and private resources for housing programs
- The need for rehabilitation exceeds the financial resources available to preserve existing housing stock
- Limited number of qualified trades people impacts rehab efforts
- Construction practices and methods (i. e. historic preservation) results in higher project costs
- Rehabilitation programs are inherently expensive, due to the challenges that must be overcome when implementing the complex programs

The City continues research viable solutions to address the barriers identified above in order to ensure that the City is increasing the supply of decent, safe and affordable housing on an annual basis and meeting its projected goal of 900 housing units by 2010.

2. HOME Match Report

HOME Match Report HUD-40107-A attached in the appendix

PJs are required to make contributions to housing that qualifies as affordable housing under the HOME Program. During a fiscal year, the contributions must total not less than 25 percent of the HOME funds drawn from the PJ's HOME Investment Trust Fund Treasury account in that fiscal year for project costs, unless the PJ has received a reduction in the match requirement. Eligible forms of matching contribution are listed at 24 CFR 92.220.

In addition to the above information, Section 92.222 of the HOME regulations indicates that HUD may grant a match reduction to PJs, if it finds that local government is in fiscal distress or severe fiscal distress. The match obligation for PJs in fiscal distress and severe fiscal distress may be reduced by 50 and 100 percents respectively, for the fiscal year in which the finding is made and the subsequent fiscal year.

The City's match obligation for the period beginning July 1, 2009 through June 30, 2010 is -0-.

3. HOME MBE and WBE Report

HOME MBE/WBE Report attached in the Appendix

4a. Results of on-site inspections of rental housing.

The City of Flint has and will continue to utilize HOME funds to create affordable rental housing for low to moderate-income families within the city. Since 1992, the city has contributed HOME funds to the following rental housing developments:

Avon Park, the first 56-unit family development constructed in the city in over 20 years, provides affordable housing for 17 low-income families. Of the 17 housing units, four are assisted using City of Flint HOME funds. The development was placed in service in February 1995. Annual inspections have been conducted for all four housing units, to ensure that units meet Housing Quality Standards.

Court Street Village West, a 106-unit elderly rental housing development near downtown, provides affordable rental housing for retirees and seniors within the City of Flint. This housing development, offering unique services and amenities, was constructed under MSHDA's 70/30 tax – exempt bond financing program. The city contributed HOME funds for 8 housing units that are being rented to low income individuals. The housing development was placed in service during November 1993. All eight housing units are being maintained in accordance with Housing Quality Standards.

Carriage Town Square, a multi-family rental housing development constructed during 1995 in the Carriage Town area, provides affordable housing to low income residents. Two of the units constructed were financed using Home Investment Partnership Funds. The housing complex was placed in service during December 1995. Both housing units have annual Housing Quality Standards inspections performed by a certified Housing Quality Standards inspector. All housing units have been inspected in accordance with Housing Quality Standards.

Clio Woods, a substantial rehabilitation from 160 units to 84 HOME-assisted multi-family rental housing complex was completed and placed in service in 1999. The complex has continued experiencing great difficulty related to property management,

restructuring of permanent financing and financial management. The City has completed inspections at this time.

Shiloh Commons is a development of 125 rental housing units. Eleven of these units are HOME-assisted using city HOME funds. In prior years, a certified Housing Quality Standards inspector performed inspections on all HOME-assisted units. The City has completed inspections for all HOME assisted units at this time.

First Street Lofts, located in downtown Flint, is a \$5.3 million dollar conversion of the vacant seven-story Republic Bank office building for residential loft apartments. Four units were made available to persons of low to moderate income. The project was placed in service Fall of 2006. The City has completed all HQS inspections for the HOME-assisted units at this time.

Clio Woods, a substantial rehabilitation from 160 units to 84 HOME-assisted multi-family rental housing complex was completed and placed in service in 1999. The complex has continued experiencing great difficulty related to property management, restructuring of permanent financing, as well as the substandard condition of the complex. The City conducted its last inspections for period ending June 30, 2009. Steps have been taken to address non-compliance issues.

The nine rental units financed using HOME funds managed by the Shelter of Flint all comply with HQS standards for the period ending June 30, 2010.

In 2008, the City financed four units of affordable housing into a rental development known as Metawananee Hills. This project, a low income housing tax credit development is the first single family lease to purchase model developed in the State by a local non profit housing agency partnering with a for profit organization that has experience in managing and developing rental housing for decades. For the period ending June 30, 2010, the City has inspected the 4 HOME-assisted units to ensures compliance with HQS standards.

Next program year, it is anticipated that at least 24 rental units will be available as decent, safe and sanitary housing. These rental units, financed using HOME funds will be available for the following projects: Begole Street Project- 6 units, Flint Housing Commission's rental rehab - 11 units, Genesee County Land Bank- 2 units and the University Avenue rental project- 5 units.

4b. Affirmative marketing actions.

As in prior years, Flint continues to further its commitment to non-discriminatory and equal housing opportunities for low-income families. For HOME-assisted multi-family rental housing developments consisting of five or more units, each site is required to develop and maintain an Affirmative Marketing Plan. This plan entails special outreach efforts that are made to market rental housing units, when units are advertised to be filled. A copy of these plans and updates are maintained by the City. Affirmative marketing performance continues to be monitored throughout the HOME affordability period.

In addition, the City of Flint Human Relations Commission is committed to ensuring equal opportunities in housing. The Commission and its staff educate the public individually, and in group meetings. This education includes information related to landlord tenant rights, and fair housing and discrimination. Networking and provision of appropriate housing referrals to community agencies for housing within the city of

Flint are coordinated. Shelter and home rehabilitation are facilitated by the Commission, on a regular basis. The Commission conducts general intake on applicants to affirm eligibility within HUD funded programs and assist or make referrals to the appropriate agency that can address their need.

4c. Outreach to minority and women owned businesses.

All non-profit organizations are sub-contracted with the City, and are required to notify minority and women owned businesses when bids are needed for services. Although the City does not maintain a minority and women-owned business contractor listing, bids are always solicited in a newspaper of general circulation that encourages minorities and women business owners to apply.

For the fiscal year beginning July 1, 2009, the City of Flint received \$1,306,202 in HOME funding allocation. Funding was utilized to further decent safe and sanitary housing in the Flint community. An assessment of the City's 2009-10 performance for the HOME program indicated that 3 contracts were awarded to minority business enterprises and one is a women business enterprise.

HOME Program Income

For the period ending June 30, 2008, HOME Program totaling no program income was reported as a result of housing loan repayments.

HOMELESS

Homeless Needs

*Please also refer to the Homeless Needs Table in the Needs.xls workbook.

1. Identify actions taken to address needs of homeless persons.
2. Identify actions to help homeless persons make the transition to permanent housing and independent living.
3. Identify new Federal resources obtained from Homeless SuperNOFA.

Program Year 5 CAPER Homeless Needs response:

The Flint/Genesee community has developed a comprehensive strategy to tackle the issues of homelessness by working with shelter and service providers. The City of Flint and Genesee County Continuum of Care (COC) was developed in cooperation with the Flint/Genesee Committee Concerned with Housing to address these issues. The committee has over 35 organizations representing most service, housing, lending and funding organizations in Genesee County.

Fundamental components of the Continuum of Care system are prevention, outreach/assessment, emergency shelter, transitional housing, permanent housing, permanent supportive housing, and supportive services.

To meet the needs of the homeless in Genesee County, the Flint/Genesee Continuum of Care, in partnership with United Way of Genesee County, Committee Concerned with Housing and with facilitation by Michigan State University developed the following CoC goals for the city and county:

I identify existing resources and gaps in the community;
Create affordable housing units, permanent supportive housing and group homes for the chronically homeless
Establish substance abuse treatment programs targeted to homeless population;
Establish job training programs that will provide opportunities for economic self-sufficiency;
Establish counseling programs that assist homeless persons in finding housing, managing finances;
Provide supportive services such as health care assistance that will permit homeless individuals to become productive members of society;
Provide service coordinators or one-stop assistance centers that will ensure that chronically homeless persons have access to a variety of social services
Eliminate duplication and develop a seamless provision of housing/homeless related services;
Ensure leveraging of mainstream and private sector resources;
Maximize development of community partnerships;
Increase the capacity of community support services;
Address barriers to affordable housing;
Increase permanent supportive housing stock; and
Plan, implement and maintain the HMIS

The group continues to work to achieve these goals.

Specific Homeless Prevention Elements

The City of Flint worked cooperatively with area homeless services providers to address needs and take necessary actions to assist homeless persons and families. Continuum of Care agencies provide both transitional and permanent supportive housing services to homeless and at risk persons and families, as they work towards independent living. Several agencies in the City of Flint, working through the Continuum of Care were awarded Shelter Plus Care funds and Supportive Housing Program funds for activities to assist the homeless population in Flint and Genesee County.

Considering Flint's need for rental assistance, the Department of Community and Economic Development financed a tenant based rental assistance program that has been administered since 2008 by Metro Community Development Corporation. Flint's TBRA program provide direct rental subsidies to owners of rental property that enable low income families to live in rental units of their own choosing, provided that these units meet basic program requirements. For the program year ending June 30, 2010, seven families were assisted with rental subsidies to live in various areas of the City.

Specific Homeless Prevention Elements

1. Identify actions taken to prevent homelessness.

Program Year 5 CAPER Specific Housing Prevention Elements response:

The following organizations received 2009-10 ESG funds:

REACH was awarded a total of \$86,784 for essential services (counseling) and operations. Operations included building rental, maintenance, utilities and fuel, furnishings and equipment, food, insurance, telephone/internet, office supplies, youth activities, supplies and other operational expenses.

GCCARD received \$42,784 for homeless prevention activities, including client moving costs, utilities arrearage, rent/mortgage arrearage, and security deposits/first month's rent.

Shelter of Flint was awarded \$42,282 for homeless prevention and operations activities including client moving costs, utilities arrearage, rent/mortgage arrearage and deposits/first month's rent and shelter operations.

Legal Services of Eastern Michigan used \$7,786 in ESG funds for homeless prevention activities which included legal services to those in danger of losing homes due to foreclosure, eviction, or utilities arrearage.

Emergency Shelter Grants (ESG)

1. Identify actions to address emergency shelter and transitional housing needs of homeless individuals and families (including significant subpopulations such as those living on the streets).
2. Assessment of Relationship of ESG Funds to Goals and Objectives
 - a. Evaluate progress made in using ESG funds to address homeless and homeless prevention needs, goals, and specific objectives established in the Consolidated Plan.
 - b. Detail how ESG projects are related to implementation of comprehensive homeless planning strategy, including the number and types of individuals and persons in households served with ESG funds.
3. Matching Resources
 - a. Provide specific sources and amounts of new funding used to meet match as required by 42 USC 11375(a)(1), including cash resources, grants, and staff salaries, as well as in-kind contributions such as the value of a building or lease, donated materials, or volunteer time.
4. State Method of Distribution
 - a. States must describe their method of distribution and how it rated and selected its local government agencies and private nonprofit organizations acting as subrecipients.
5. Activity and Beneficiary Data
 - a. Completion of attached Emergency Shelter Grant Program Performance Chart or other reports showing ESGP expenditures by type of activity. Also describe any problems in collecting, reporting, and evaluating the reliability of this information.
 - b. Homeless Discharge Coordination
 - i. As part of the government developing and implementing a homeless discharge coordination policy, ESG homeless prevention funds may be used to assist very-low income individuals and families at risk of becoming homeless after being released from publicly funded institutions such as

-
- health care facilities, foster care or other youth facilities, or corrections institutions or programs.
- c. Explain how your government is instituting a homeless discharge coordination policy, and how ESG homeless prevention funds are being used in this effort.

Program Year 5 CAPER ESG response:

1. Actions to address emergency shelter and transitional housing needs of homeless individuals and families

The Flint/Genesee Continuum of Care (COC) is the primary method for addressing emergency shelter and transitional needs of homeless individuals and families in the City of Flint. The COC is a collaborative effort designed to identify existing resources in the community, eliminate duplication, develop seamless housing/homeless related services, insure leveraging of mainstream and private sector resources, and maximize community partnerships. Metro Housing Partnership is the lead agency for the Flint/Genesee Continuum of Care.

To address homelessness in Genesee County, the Flint/Genesee Continuum of Care developed a ten-year Plan, a collaborative effort underway to ameliorate homelessness in the next ten years. The plan defines the scope of the problem using national and local data and research based upon how people are impacted, systemic contributions to homelessness, infrastructure issues, historical response, and lack of coordination and resources. The approach is three fold: to promote community change related to the consciousness and perception of homelessness; to provide safe, secure, accessible and affordable housing to all persons in Genesee County regardless of age, race, gender, sexual preference, disability, or familial status; and to organize a comprehensive and interconnected network of advocacy, no wrong door, and wrap around services aimed at eliminated the cycle of homelessness.

Also in 2007/2008, a plan was instituted for a "One Stop Housing Resource Center". The center is located in downtown Flint and is designed to be a full-service destination for people who are homeless or at risk for becoming homeless to receive aid from various agencies. The center is open Monday through Thursday from 8:00 to 5:00 p.m. and allows a place for people to wash clothes and look for employment while receiving help from health agencies, shelters, food banks and government aid.

At current, the center is comprised of fourteen community agencies including Genesee County Community Mental Health, Genesee County Youth Corporation, Hamilton Community Health Network, Health Access, Intake Assessment and Referral Center and Legal Services of Eastern Michigan.

In addition to the Continuum of Care service delivery, the City of Flint provided Emergency Shelter Grant funding to organizations for essential services, operations and homeless prevention programs in Program Year 2008.

2. Assessment of Relationship of ESG Funds to Goals and Objectives

The homeless prevention needs, goals, and specific objectives were established through the Continuum of Care process.

The goal of ending chronic homelessness was approached through a dual approach of affordable housing and supportive services.

Outcome : Reduce the number of Homeless Individuals and Families

Activity: Support emergency shelters (High Priority)
Activity: Support family transitional housing (High Priority)
Activity: Support needed supportive services (High Priority)
Activity: Support individual transitional housing (Medium Priority)

High priority was given to homeless activities that showed a gap between the number of beds and the number of individual and families competing for those beds. Shelter of Flint provided emergency shelter and homeless prevention services to 4,897 men, women and children, Genesee County Youth Corporation provided emergency shelter and support services to 123 at-risk youth and their families. Legal Services provided legal assistance to 90 persons using ESG funding. Genesee County Community Action Resource Department served 1665 with homeless prevent services.

3. Match

The City required agencies receiving ESG funding in 2009 to provide a one-for one match. This requirement was met through a number of sources, including other Federal funds, state grants, and in-kind contributions, fundraising and charitable donations.

The breakdown of match funding, by agency, is as follows:

	ESG Grant	Federal Match	State Match	Other Match
Gen Co Youth Corp	\$86,784.00	\$90,000.00		
Legal Services	\$7,786.00			\$80,392.00
Shelter of Flint	\$42,282.00		\$96,563.00	
Genesee Co CARD	\$42,784.00			\$79,970.00

All agencies submit match funds as part of the monthly reimbursement process, and the City verifies this information as part of its desk monitoring process.

4. Activity and Beneficiary Data

The activity and beneficiary data for ESG Program Year 2009 is attached to this report in the Appendix. In 2006, the Department modified its procedures to begin collecting match verification information with the submission of its monthly direct benefit information. This has allowed staff to confirm that match funds were actually received during the year. This method of collecting information continued in 2009. Staff did not experience problems in collecting, reporting or evaluating the reliability of data.

5. Discharge Policy

The City of Flint participates in the Continuum of Care, which identified the challenge of the discharge of persons from publicly funded institutions or systems of care. The most common problem is the release of prisoners from State prisons with mental health and/or substance abuse problems.

Agencies that provide shelter or supportive services for the homeless are charged with assisting this population. To address these concerns the Continuum of Care has made an effort to include representatives from the Department of Corrections and health institutions as participants in the Continuum meetings. The Michigan Prisoner Reentry Program through the Department of Correction has established an office in Flint and works with the Continuum of Care and Local Initiative Support Corporation.

Local homeless service agencies require the completion of a survey for all clients at the time of completion/departure from the program. The Continuum of Care developed discharge policies that are currently being implemented by organizations. For the 2009 ESG PY, applicants were required to provide assurance of a Discharge Coordination Policy in order to be considered eligible for ESG Program funds. The City of Flint has streamlined these procedures into a consistent policy citywide.

COMMUNITY DEVELOPMENT

Community Development

*Please also refer to the Community Development Table in the Needs.xls workbook.

1. Assessment of Relationship of CDBG Funds to Goals and Objectives
 - a. Assess use of CDBG funds in relation to the priorities, needs, goals, and specific objectives in the Consolidated Plan, particularly the highest priority activities.
 - b. Evaluate progress made toward meeting goals for providing affordable housing using CDBG funds, including the number and types of households served.
 - c. Indicate the extent to which CDBG funds were used for activities that benefited extremely low-income, low-income, and moderate-income persons.
2. Changes in Program Objectives
 - a. Identify the nature of and the reasons for any changes in program objectives and how the jurisdiction would change its program as a result of its experiences.
3. Assessment of Efforts in Carrying Out Planned Actions
 - a. Indicate how grantee pursued all resources indicated in the Consolidated Plan.
 - b. Indicate how grantee provided certifications of consistency in a fair and impartial manner.
 - c. Indicate how grantee did not hinder Consolidated Plan implementation by action or willful inaction.
4. For Funds Not Used for National Objectives
 - a. Indicate how use of CDBG funds did not meet national objectives.
 - b. Indicate how did not comply with overall benefit certification.
5. Anti-displacement and Relocation – for activities that involve acquisition, rehabilitation or demolition of occupied real property
 - a. Describe steps actually taken to minimize the amount of displacement resulting from the CDBG-assisted activities.
 - b. Describe steps taken to identify households, businesses, farms or nonprofit organizations who occupied properties subject to the Uniform Relocation Act or Section 104(d) of the Housing and Community Development Act of 1974, as amended, and whether or not they were displaced, and the nature of their needs and preferences.
 - c. Describe steps taken to ensure the timely issuance of information notices to displaced households, businesses, farms, or nonprofit organizations.

-
6. Low/Mod Job Activities – for economic development activities undertaken where jobs were made available but not taken by low- or moderate-income persons
 - a. Describe actions taken by grantee and businesses to ensure first consideration was or will be given to low/mod persons.
 - b. List by job title of all the permanent jobs created/retained and those that were made available to low/mod persons.
 - c. If any of jobs claimed as being available to low/mod persons require special skill, work experience, or education, provide a description of steps being taken or that will be taken to provide such skills, experience, or education.
 7. Low/Mod Limited Clientele Activities – for activities not falling within one of the categories of presumed limited clientele low and moderate income benefit
 - a. Describe how the nature, location, or other information demonstrates the activities benefit a limited clientele at least 51% of whom are low- and moderate-income.
 8. Program income received
 - a. Detail the amount of program income reported that was returned to each individual revolving fund, e.g., housing rehabilitation, economic development, or other type of revolving fund.
 - b. Detail the amount repaid on each float-funded activity.
 - c. Detail all other loan repayments broken down by the categories of housing rehabilitation, economic development, or other.
 - d. Detail the amount of income received from the sale of property by parcel.
 9. Prior period adjustments – where reimbursement was made this reporting period for expenditures (made in previous reporting periods) that have been disallowed, provide the following information:
 - a. The activity name and number as shown in IDIS;
 - b. The program year(s) in which the expenditure(s) for the disallowed activity(ies) was reported;
 - c. The amount returned to line-of-credit or program account; and
 - d. Total amount to be reimbursed and the time period over which the reimbursement is to be made, if the reimbursement is made with multi-year payments.
 10. Loans and other receivables
 - a. List the principal balance for each float-funded activity outstanding as of the end of the reporting period and the date(s) by which the funds are expected to be received.
 - b. List the total number of other loans outstanding and the principal balance owed as of the end of the reporting period.
 - c. List separately the total number of outstanding loans that are deferred or forgivable, the principal balance owed as of the end of the reporting period, and the terms of the deferral or forgiveness.
 - d. Detail the total number and amount of loans made with CDBG funds that have gone into default and for which the balance was forgiven or written off during the reporting period.
 - e. Provide a List of the parcels of property owned by the grantee or its subrecipients that have been acquired or improved using CDBG funds and that are available for sale as of the end of the reporting period.
 11. Lump sum agreements

-
- a. Provide the name of the financial institution.
 - b. Provide the date the funds were deposited.
 - c. Provide the date the use of funds commenced.
 - d. Provide the percentage of funds disbursed within 180 days of deposit in the institution.
12. Housing Rehabilitation – for each type of rehabilitation program for which projects/units were reported as completed during the program year
- a. Identify the type of program and number of projects/units completed for each program.
 - b. Provide the total CDBG funds involved in the program.
 - c. Detail other public and private funds involved in the project.
13. Neighborhood Revitalization Strategies – for grantees that have HUD-approved neighborhood revitalization strategies
- a. Describe progress against benchmarks for the program year. For grantees with Federally-designated EZs or ECs that received HUD approval for a neighborhood revitalization strategy, reports that are required as part of the EZ/EC process shall suffice for purposes of reporting progress.

Program Year 5 CAPER Community Development response:

1. Assessment of Relationship of CDBG Funds to Goals and Objectives

The three priorities identified in the 2005-20010 Consolidated Plan using CDBG, ESG and HOME funds were to advance the City's goal of developing a viable urban community that provides decent, safe and affordable housing, promotes a suitable living environment, and expands community economic development opportunities. The strategies to accomplish these general priorities are outlined below:

- a. Housing
 - i. Homeownership assistance
 - ii. Rehabilitation (owner-occupied and rental)
 - iii. New construction
 - iv. Energy efficiency improvements
- b. Economic Development
 - i. Business development, business attraction, business retention
 - ii. Educational, training, and technical assistance programs to increase living wage.
- c. Improve appearance of the City
 - i. Demolition (emergency and as part of larger housing planning)
 - ii. Code Enforcement
 - iii. Streets

Following are the activities undertaken in Program Year 2009 within the objective categories:

Provide Decent Affordable Housing

Flint NIPP City Wide Emergency Repair – 34 homes received rehab assistance
Disability Network Ramps and Accessibility - assisted 32 households
Northeast Village Rehabilitation (from reprogrammed funds) – no activity on this program

Create Economic Opportunities

Flint Area Enterprise Community – C.O.L.T. - 135 individuals in 2009 were served with counseling, training, curriculum development, case management, and master business planning.
Flint Area Enterprise Tax Awareness – provided 9,233 eligible low- and moderate-income residents with income tax assistance.
St. Luke Women's Life Center –9 women participated in a program designed to provide life skills, education, computer training, and business skills.
Mott Community College - provided literacy skills enhancement to 64 adults.
Flint Community Schools - Work Your Way Up program assisted 60 students.
New Paths - assisted 478 clients with GED and enrichment skills.

Create Suitable Living Environments

Big Brothers Big Sisters – provided 111 youth mentoring activities, camp and other opportunities.
Boys and Girls Club – served 796 youth with after-school and summer recreational activities including organized team sports, social recreation, and outside playfields.
Christ the King Food Pantry – distributed food to 1,575 low- and moderate-income persons.
City of Flint Human Relations Commission - Fair Housing - assisted 557 persons with fair housing issues
City of Flint Victim Advocacy - 154 victims of crime received advocacy, information, and education and referral services
City of Flint Police Department Surveillance Cameras program was not implemented.
Flint NIPP – Minor Home Repairs for Seniors – provided 182 senior households with 297 minor home repairs
Genesee County Youth Corporation REACH - 222 youth received shelter and counseling at the REACH facility.
Genesee County Youth Corporation Traverse Place - 13 youth received life skills training, education/ employment opportunities and resided at Traverse Place throughout the program year
St. Agnes Food Pantry – served 3,035 persons with foodstuff
YWCA of Greater Flint – served 204 women and children victims of domestic violence.
City of Flint Development Division – demolished 93 residential and 19 commercial structures.
City of Flint Fire Department – purchased 57 Kevlar coats, pants and accessories to protect firefighters.
City of Flint Neighborhood Clean-ups - 30 neighborhood groups participated in neighborhood cleanups to remove 670 tons of trash from neighborhoods.
City of Flint Sidewalks – replaced sidewalks on 22 city blocks
City of Flint Street Resurfacing – sections of 10 city streets were resurfaced.
City of Flint Low-Income Water and Sewer Line Replacement – 8 households had water and/or sewer lines replaced.

100% of CDBG and ESG funds were committed for eligible projects. During the program year, the City expended \$5,390,723.81 in CDBG funds. The majority of activities were available to residents city-wide, although some activities were prioritized for target redevelopment areas such as Smith Village, Flint Park Lake, and UNiversity Avenue Corridor. 100% of expenditures were expended on low- and moderate income activities.

2. Changes in Program Objectives

The City of Flint made no changes in program objectives during Program Year 2009 as the City's Consolidated Plan priorities are consistent with HUD's program objectives.

3. Assessment of Efforts in Carrying Out Planned Actions

The primary resources indicated in the Consolidated Plan for 2005-2010 were federal entitlement funds in the form of Community Development Block Grant, HOME Investment Partnership, and Emergency Shelter Grant. In 2009-10, the City applied for, and received Community Development Block Grant funds in the amount of \$4,328,638, \$1,306,202 in HOME Investment Partnership funds, and Emergency Shelter Grant funds in the amount of \$189,090. During the course of the year, the City continued to work with agencies to expend funds timely. The City reviewed all requested proposals and provided Certificates of Consistency to all agencies requesting them.

4. Funds Not Used for National Objectives

All CDBG funds expended met the National Objective of benefiting low- and moderate-income persons or areas.

5. Anti-displacement and Relocation

The Department undertook no activities that involved acquisition, rehabilitation or demolition of occupied real property during Program Year 2009. Community Development Block Grant funds were used to relocate 3 tenants from Greenview Manor, of which two tenants will continue to receive relocation assistance for 42 months based on income qualifications.

6. Low/Mod Job Activities

The Department undertook no economic development activities that resulted in jobs that were made available but not taken by low- or moderate-income persons.

7. Low/Mod Limited Clientele Activities

All activities carried out by the Department of Community and Economic Development either verified income to certify that clients were low-mod, or fell within one of the categories of presumed benefit (by the nature of the activity, or the location of the activity).

8. Program income received

8a Amount of program income reported that was returned to each individual revolving fund, e.g., housing rehabilitation, economic development, or other type of revolving fund.

In the 2009 program year \$42,362.85 in CDBG program income was receipted and drawn for Flint NIPP housing rehabilitation loan repayments.

8b. Amount repaid on each float-funded activity.

The City had no float funded activities.

8c Detail all other loan repayments broken down by the categories of housing rehabilitation, economic development, or other.

**Housing Rehabilitation
Loan Repayments**
\$42,362.85

8d. Amount of program income received from the sale of property by parcel

The Department did not sell any property in the program year.

9. Prior period adjustments

The Department had no disallowed costs during this reporting period

10. Loans and other receivables

10a. Float Funded Activities

The City has no float-funded activities

10b. List the total number of other loans outstanding and the principal balance owed as of the end of the reporting period.

- i. CDBG revolving loan funds cash balances:
 - (1) EDC CDBG RLF \$137,138.68
 - (2) FAEC CDBG RLF \$28,824.39
- ii. FAEC CDBG revolving loan funds:
 - (1) Total Foot and Ankle Clinic Outstanding Balance \$53,313.80
 - (2) Ford Vending Outstanding Balance \$118.30
 - (3) Mona's Cocktail Lounge Outstanding Balance \$53,584.81
 - (4) Soyilas Inc. - \$66,778.35

10c. List separately the total number of outstanding loans that are deferred or forgivable, the principal balance owed as of the end of the reporting period, and the terms of the deferral or forgiveness.

None

10d. Detail the total number and amount of loans made with CDBG funds that have gone into default and for which the balance was forgiven or written off during the reporting period.

No loans made with CDBG funds were forgiven or written off during the reporting period.

10e. Provide a List of the parcels of property owned by the grantee or its subrecipients that have been acquired or improved using CDBG funds and that are available for sale as of the end of the reporting period.

None

11. Lump sum agreements

The City had no float-funded activities, nor lump sum agreements.

12. Housing Rehabilitation

The following chart identifies CDBG rehabilitation programs with completed projects/units during the 08-09 program year, total CDBG funds involved in the

project, and other public/private funds involved in the project:

	Program Name	# Completed units	Total CDBG funds expended	Other public/ private investment
The Disability Network	Ramps and Accessibility	32	196,006.23	0
Flint NIPP	Citywide Emergency Housing Repairs	34	501,927.40	0

13. Neighborhood Revitalization Strategies

PERMS Report Attached in the appendix as part of the report for the City's Neighborhood Revitalization Strategy Area (NRSA).

Antipoverty Strategy

1. Describe actions taken during the last year to reduce the number of persons living below the poverty level.

Program Year 5 CAPER Antipoverty Strategy response:

Actions taken during the last year to reduce the number of persons living below the poverty level.

The City of Flint continued to play a role in providing funding assistance to poverty level persons and families. Reducing the number of persons and families whose incomes are at or below poverty level is an ongoing effort. The City of Flint is actively engaged in and encourages collaboration between public agencies, social services providers, and funding entities to coordinate strategies to reduce poverty. These strategies include access to economic opportunities, affordable and fair housing, job training, nutrition, and advocacy.

The City of Flint's business arm, the Flint Area Enterprise Community, administers the Federal Renewal Community Program as the Coordinating Responsible Authority (CoRA). This program, through collaborative partnerships, offers a wide-range of social support services, workforce development, job training, small business expansion and creation as well as federal tax incentives to improve family-self-sufficiency and create economic opportunities for residents and spur economic development in the renewal community area. The area's population is about 47,331. It has some of Flint's highest poverty census tracts, moving from an average of over 46.89% in 1990 to its current poverty rate of 35.5% poverty rate. This office provides information clearinghouse services to connect residents to community support services and other resources. The city provided additional funds to enable the FAEC to launch a highly visible public awareness campaign to educate individuals on the tax breaks and business opportunities available to them. Tax breaks include Earned Income Tax Credits (EITC), Childcare Tax Credits (CTC), telephone tax credits that puts extra cash into the pockets of the working poor. Other tax incentives include employer and employee tax credits brownfield and new market tax credits, and renaissance zone tax abatements, which support job retention and creation for residents.

FAEC marketing campaign includes promotional materials, community workshops, press conferences, advertising in local newspapers and community bulletins,

presentations to neighborhood groups, professional associations, town hall forums, and one-on-one meetings with individuals.

The Flint Area Enterprise Community, was recognized by the Department of Housing and Urban Development HUD for its leadership role in promoting tax incentives and working with collaborative partners to spur development and create jobs for residents in the renewal community.

FAEC provides business counseling and gap financing to help capitalize business expansion activities that retain and create jobs for Flint's low-income residents. FAEC manages several revolving loan funds for the City. During Flint Area Enterprise Community was a major player in the coordination of business and economic development activities taking place in the City of Flint working along with the Flint Downtown Development Association, the Flint Economic Development Commission, the Brownfield Authority Board, Cities of Promise, and the Flint River Corridor Alliance.

The City of Flint is an active partner in the State of Michigan Cities of Promise Initiative and related subcommittees. The Cities of Promise Initiative is a whole cloth quality of life strategy that aims to reduce poverty and promote community and economic development.

FY2008-09 funding for economic development was awarded to Vet Biz and St. Luke's North End Business Center. Vet Biz provides counseling and job opportunities to veterans. The North End Women's Center provides literacy, vocational, occupational and life skill training to women living in poverty. Flint Area Enterprise Community's COLT program provides small business owners with counseling and business plan development training.

NON-HOMELESS SPECIAL NEEDS

Non-homeless Special Needs

*Please also refer to the Non-homeless Special Needs Table in the Needs.xls workbook.

1. Identify actions taken to address special needs of persons that are not homeless but require supportive housing, (including persons with HIV/AIDS and their families).

Program Year 5 CAPER Non-homeless Special Needs response:

The City of Flint continues to address the special needs for non-homeless persons who require supportive housing in a number of ways. The Continuum of Care agencies work together with residents of Flint and community partners to help them to access needed services to prevent people from falling through the cracks. These partners include: The Disability Network, Habitat for Humanity, Genesee County Community Action Resource Department, Genesee County Community Mental Health, YWCA of Greater Flint, Shelter of Flint, Legal Services of Eastern Michigan, Genesee County Youth Corporation, Carriage Town Shelter, Oak Street Mission, My Brothers Keeper, the Salvation Army, United Way, the City of Flint DCED, Genesee County Planning Commission, VISTA, New Paths, Genesee County Health Department, Catholic Charities, Valley Area Agency on Aging, Flint STRIVE, Flint Odyssey House, and Metro Housing Partnership. The Continuum of Care continues to

address the needs of older adults and persons with disabilities by identifying the greatest and most unmet needs for community services. In response to study for a 10-year plan for services of individuals with special needs the Continuum of Care opened a one-stop shop for information and referral at the Genesee County Resource Center.

Housing available to, and accessed by, individuals with special needs come from GC CARD, Flint NIPP, and Genesee County Community Mental Health for Permanent Supportive Housing. Genesee County Youth Corporation provides transitional housing to young adults, ages 17 to 20, which would be otherwise homeless.

Services are provided by Continuum of Care agencies to special needs persons of all ages. Services include case management and counseling, life skills training, transportation, vocational and educational support, substance abuse prevention, intervention, and treatment, meals on wheels for seniors and the disabled, minor home repair, medical screenings, adult day care, caregiver support, crisis intervention, hearing impaired / vision services, health screenings, legal assistance, older worker employment programs, senior citizens and elder abuse prevention and education, and nursing home assistance.

The City of Flint played an integral role in efforts to reach under-served populations by providing funding designed to address special needs. Emergency Shelter Grants were awarded in FY2009-10 to Genesee County Youth Corporation, Genesee County Community Action Resource Department, Legal Services of Eastern Michigan, and Shelter of Flint to provide funding for essential services, the operation of emergency shelter, and homeless prevention activities. FY2009-10 public service funding was awarded to the Big Brothers Big Sisters for mentoring services, YWCA of Greater Flint for domestic violence counseling, Genesee County Youth Corporation who provides supportive housing for at-risk youth, City of Flint Law Department for victims advocacy, City of Flint Human Relations Department for fair housing assistance, St. Luke North End Women's Center assisted women living in poverty with economic development activities.

Specific HOPWA Objectives

*Please also refer to the HOPWA Table in the Needs.xls workbook.

1. Overall Assessment of Relationship of HOPWA Funds to Goals and Objectives
Grantees should demonstrate through the CAPER and related IDIS reports the progress they are making at accomplishing identified goals and objectives with HOPWA funding. Grantees should demonstrate:
 - a. That progress is being made toward meeting the HOPWA goal for providing affordable housing using HOPWA funds and other resources for persons with HIV/AIDS and their families through a comprehensive community plan;
 - b. That community-wide HIV/AIDS housing strategies are meeting HUD's national goal of increasing the availability of decent, safe, and affordable housing for low-income persons living with HIV/AIDS;
 - c. That community partnerships between State and local governments and community-based non-profits are creating models and innovative strategies to serve the housing and related supportive service needs of persons living with HIV/AIDS and their families;

-
- d. That through community-wide strategies Federal, State, local, and other resources are matched with HOPWA funding to create comprehensive housing strategies;
 - e. That community strategies produce and support actual units of housing for persons living with HIV/AIDS; and finally,
 - f. That community strategies identify and supply related supportive services in conjunction with housing to ensure the needs of persons living with HIV/AIDS and their families are met.
2. This should be accomplished by providing an executive summary (1-5 pages) that includes:
- a. Grantee Narrative
 - i. Grantee and Community Overview
 - (1) A brief description of your organization, the area of service, the name of each project sponsor and a broad overview of the range/type of housing activities and related services
 - (2) How grant management oversight of project sponsor activities is conducted and how project sponsors are selected
 - (3) A description of the local jurisdiction, its need, and the estimated number of persons living with HIV/AIDS
 - (4) A brief description of the planning and public consultations involved in the use of HOPWA funds including reference to any appropriate planning document or advisory body
 - (5) What other resources were used in conjunction with HOPWA funded activities, including cash resources and in-kind contributions, such as the value of services or materials provided by volunteers or by other individuals or organizations
 - (6) Collaborative efforts with related programs including coordination and planning with clients, advocates, Ryan White CARE Act planning bodies, AIDS Drug Assistance Programs, homeless assistance programs, or other efforts that assist persons living with HIV/AIDS and their families.
 - ii. Project Accomplishment Overview
 - (1) A brief summary of all housing activities broken down by three types: emergency or short-term rent, mortgage or utility payments to prevent homelessness; rental assistance; facility based housing, including development cost, operating cost for those facilities and community residences
 - (2) The number of units of housing which have been created through acquisition, rehabilitation, or new construction since 1993 with any HOPWA funds
 - (3) A brief description of any unique supportive service or other service delivery models or efforts
 - (4) Any other accomplishments recognized in your community due to the use of HOPWA funds, including any projects in developmental stages that are not operational.
 - iii. Barriers or Trends Overview
 - (1) Describe any barriers encountered, actions in response to barriers, and recommendations for program improvement
 - (2) Trends you expect your community to face in meeting the needs of persons with HIV/AIDS, and

-
- (3) Any other information you feel may be important as you look at providing services to persons with HIV/AIDS in the next 5-10 years
 - b. Accomplishment Data
 - i. Completion of CAPER Performance Chart 1 of Actual Performance in the provision of housing (Table II-1 to be submitted with CAPER).
 - ii. Completion of CAPER Performance Chart 2 of Comparison to Planned Housing Actions (Table II-2 to be submitted with CAPER).

Program Year 5 CAPER Specific HOPWA Objectives response:

Specific HOPWA Objectives

The City of Flint does not receive HOPWA funding. Sacred Heart Rehabilitation Center, dba Bay Area Social Intervention Services (BASIS), receives funding through Michigan Department of Health CLHS Housing Opportunities for Persons with Aids (HOPWA) to serve the mid-Michigan area. From July 1, 2009 through June 30, 2010 HPPWA provided direct financial assistance to 46 unduplicated primary persons at a cost of \$30,188.31. Three clients were support assistance (lodging, identification, and relocation). Nineteen clients were assisted with permanent housing placement (first month rent) and 1 was assisted with tenant based rental assistance. Twenty-nine were assisted with Short-term rent mortgage Utility assistance. Some clients received assistance in more than one category.

OTHER NARRATIVE

Include any CAPER information that was not covered by narratives in any other section.

THESE INDIVIDUALS CAN COME DURING THE LAST TWO WEEKS OF THE MONTH AND OBTAIN FOOD ITEMS TO CARRY THEM OVER TO THE FIRST OF THE MONTH WHEN THEY ARE PAID AGAIN. MANY TIMES RESIDENTS FIND THEM SELVES CHOOSING BETWEEN PAYING THE BILLS AND PUTTING GROCERIES ON THE TABLE, THIS PROGRAM HELPS TO ALLEVIATE THAT SITUATION AND PROVIDE A NECESSARY RELIEF IN THE COMMUNITY. PAGE: 73/184

Plan IDIS Year Project	Project Title and Description	Program	Project Estimate	Committed Amount	Amount Drawn Thru Report Year	Amount Available to Draw
2002 3	CDBG CCDC Lending Circle	The Lending Circle program is a 10 week, 200 hour training session that provides business and personal skills enhancement information. The training addresses all of the responsibilities of a business owner and enables clients to become self sufficient.	CDBG HOPWA HOME ESG	\$55,500.00 \$0.00 \$0.00 \$0.00	\$34,223.13 \$0.00 \$0.00 \$0.00	\$34,223.13 \$0.00 \$0.00 \$0.00
4	CDBG Metro Chamber of Commerce-Comm Bus Partnerships	MCC, with the national BusinessLINC, will continue the Community Business Partnerships program. It links established large corporations with small local business in a mentor/protege relationship with the goal of improving operations and increasing volume.	CDBG HOPWA HOME ESG	\$75,000.00 \$0.00 \$0.00 \$0.00	\$69,717.26 \$0.00 \$0.00 \$0.00	\$69,717.26 \$0.00 \$0.00 \$0.00
5	CDBG Metro Chamber of Commerce-Prescriptive Counseling	The project provides training in business fundamentals and operations; access to certification standards and how to complete the process; benchmark requirements for payment on contracts; the when and where of business expansion.	CDBG HOPWA HOME ESG	\$52,150.00 \$0.00 \$0.00 \$0.00	\$46,677.91 \$0.00 \$0.00 \$0.00	\$46,677.91 \$0.00 \$0.00 \$0.00
6	CDBG Catholic Charities-Soup Kitchen Improvements	CDBG funds will be used to make improvements at the Northend Soup Kitchen including a new roof and awnings and a new air conditioning system.	CDBG HOPWA HOME ESG	\$25,200.00 \$0.00 \$0.00 \$0.00	\$25,200.00 \$0.00 \$0.00 \$0.00	\$25,200.00 \$0.00 \$0.00 \$0.00
7	CDBG Salem Housing-Buy Now: Home Purchase	Salem Housing will prepare 10 homes and 10 pre-qualified families for mortgage. Salem will evaluate and develop plans and work with each family to bring the home into code compliance through sweat equity and other rehab work. Families will also receive	CDBG HOPWA HOME ESG	\$139,000.00 \$0.00 \$0.00 \$0.00	\$100,747.90 \$0.00 \$0.00 \$0.00	\$100,747.90 \$0.00 \$0.00 \$0.00
8	CDBG Salem Housing-Community Development	The community building project will use a holistic approach using specific projects that create positive and visible momentum and the development of skills for neighborhood repair and management including small grants, small repair projects, painting and	CDBG HOPWA HOME ESG	\$50,000.00 \$0.00 \$0.00 \$0.00	\$49,304.25 \$0.00 \$0.00 \$0.00	\$49,304.25 \$0.00 \$0.00 \$0.00
9	CDBG The Disability Network-Ramp Program	The ramp project modifies existing homes for people with accessibility needs. TDN provides ramps and other minor inside modifications to meet the needs of their clients.	CDBG HOPWA HOME ESG	\$192,000.00 \$0.00 \$0.00 \$0.00	\$192,000.00 \$0.00 \$0.00 \$0.00	\$192,000.00 \$0.00 \$0.00 \$0.00
10	CDBG Flint West Village-Commercial Facade	FWV will offer a challenge grant to existing businesses to perform rehabilitation to the exterior of their buildings. Business owners will match the grant dollar for dollar.	CDBG HOPWA HOME ESG	\$36,000.00 \$0.00 \$0.00 \$0.00	\$2,283.79 \$0.00 \$0.00 \$0.00	\$2,283.79 \$0.00 \$0.00 \$0.00
11	CDBG Genesee County CARD-Owner Occupied Rehab	GC CARD will provide full code owner occupied rehab services for situations that pose health and safety risks to low/mod income residents of the city of Flint.	CDBG HOPWA HOME ESG	\$750,000.00 \$0.00 \$0.00 \$0.00	\$741,490.86 \$0.00 \$0.00 \$0.00	\$741,490.86 \$0.00 \$0.00 \$0.00
12	CDBG CCDC-Housing Rehab for Disabled Homeowners	CCDC, working with The Disability Network, serves disabled clients living in substandard housing. CCDC will provide total rehab to meet minimum city code and make adaptations necessary to allow disabled homeowners to live independently.	CDBG HOPWA HOME ESG	\$184,950.00 \$0.00 \$0.00 \$0.00	\$184,950.00 \$0.00 \$0.00 \$0.00	\$184,950.00 \$0.00 \$0.00 \$0.00

PR06 - Summary of Consolidated Plan Projects for Report Year

Plan IDIS Year Project	Project Title and Description	Program	Project Estimate	Committed Amount	Amount Drawn Thru Report Year	Amount Available to Draw
1997 29	FNIPP Housing Center Neighborhood Stabilization	Flint NIPP Housing Center assists in the city's efforts to stabilize and revitalize neighborhoods by providing minor home repair assistance and workshops, a tool lending library, painting, lawn care, home maintenance classes, meeting space and assistance to residents in forming cohesive relationships with their neighbors to promote community pride.	CDBG HOPWA HOME ESG	\$150,000.00 \$0.00 \$0.00 \$0.00	\$150,000.00 \$0.00 \$0.00 \$0.00	\$150,000.00 \$0.00 \$0.00 \$0.00
30	Flint Odyssey House - Coalition for Positive Youth Development	Flint Odyssey House - Coalition for Positive Youth Development program will deliver programs to reduce negative inappropriate behavior among elementary school-age children. FOHI will recruit volunteers to mentor students. A family preservation element designed to prevent the removal of children from homes by working with the family to develop better parenting skills will also be implemented, along with an after-school program sponsoring significant local and national educational and cultural activities.	CDBG HOPWA HOME ESG	\$50,000.00 \$0.00 \$0.00 \$0.00	\$50,000.00 \$0.00 \$0.00 \$0.00	\$50,000.00 \$0.00 \$0.00 \$0.00
31	Food Bank of Eastern Michigan - Food and Forklift	CDBG funds will be used to provide grants to soup kitchens, shelters and food pantries for purchasing food and personal care items at the Food Bank. The Food Bank will subgrant to approximately 33 member service providers with grants ranging from \$250 to \$2,500. The Food Bank estimates that 6,500 persons will be assisted and 178,541 pounds of food and personal care items will be distributed to those in need. The Food Bank will also use CDBG funds for partial funding of a 3-stage forklift to fully utilize racking system. HOME MINORITY AND WOMEN BUSINESS ENTERPRISE REPORT

Annual Performance Report HOME Program

U.S. Department of Housing
and Urban Development
Office of Community Planning
and Development

OMB Approval No. 2506-0171
(exp. 8/31/2009)

Public reporting burden for this collection of information is estimated to average 2.5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number.

The HOME statute imposes a significant number of data collection and reporting requirements. This includes information on assisted properties, on the owners or tenants of the properties, and on other programmatic areas. The information will be used: 1) to assist HOME participants in managing their programs; 2) to track performance of participants in meeting fund commitment and expenditure deadlines; 3) to permit HUD to determine whether each participant meets the HOME statutory income targeting and affordability requirements; and 4) to permit HUD to determine compliance with other statutory and regulatory program requirements. This data collection is authorized under Title II of the Cranston-Gonzalez National Affordable Housing Act or related authorities. Access to Federal grant funds is contingent on the reporting of certain project-specific data elements. Records of information collected will be maintained by the recipients of the assistance. Information on activities and expenditures of grant funds is public information and is generally available for disclosure. Recipients are responsible for ensuring confidentiality when public disclosure is not required.

This form is intended to collect numeric data to be aggregated nationally as a complement to data collected through the Cash and Management Information (C/MI) System. Participants should enter the reporting period in the first block. The reporting period is October 1 to September 30. Instructions are included for each section if further explanation is needed.

Submit this form on or before December 31.	This report is for period (mm/dd/yyyy)		Date Submitted (mm/dd/yyyy)
Send one copy to the appropriate HUD Field Office and one copy to: HOME Program, Rm 7176, 451 7th Street, S.W., Washington D.C. 20410	Starting	Ending	

Part I Participant Identification

1. Participant Number	2. Participant Name		
3. Name of Person completing this report		4. Phone Number (Include Area Code)	
5. Address	6. City	7. State	8. Zip Code

Part II Program Income

Enter the following program income amounts for the reporting period: in block 1, enter the balance on hand at the beginning; in block 2, enter the amount generated; in block 3, enter the amount expended; and in block 4, enter the amount for Tenant-Based rental Assistance.

1. Balance on hand at Beginning of Reporting Period	2. Amount received during Reporting Period	3. Total amount expended during Reporting Period	4. Amount expended for Tenant-Based Rental Assistance	5. Balance on hand at end of Reporting Period (1 + 2 - 3) = 5

NOTICE OF PUBLIC HEARING
CITY OF FLINT PUBLIC HEARING MINUTES
RESPONSE TO PUBLIC COMMENTS

CITY OF FLINT PUBLIC NOTICE

Regarding Program Year 2009 Consolidated Annual Performance And Evaluation Report (CAPER)

In order to meet federal community planning and development requirements under 24 CFR 570, the City is required to report on the use of federal funds and provide interested citizens the opportunity to examine the report and to make comments on the use of these funds. The City of Flint Consolidated Annual Performance and Evaluation Report (CAPER) provides expenditure and programmatic information on activities undertaken with Community Development Block Grant (CDBG), HOME Investment Partnership (HOME), and Emergency Shelter Grant (ESG) funds during the period of July 1, 2009 – June 30, 2010.

The City of Flint Program Year 2009 CAPER is now available for public review at the following locations: City of Flint, Department of Community and Economic Development, Municipal North Building, 1101 S. Saginaw St., Room N102, Flint, MI 48502, City of Flint City Clerk's office, Genesee County Metropolitan Planning Commission, Flint Housing Commission, and the main branch of the Flint Public Library. The CAPER will also be made available on the City of Flint website at <http://www.cityofflint.com>

The comment period on the CAPER begins September 6, 2010 and ends September 20, 2010. A public hearing on the 2009 CAPER will be held on Monday, September 13, 2010 at 5:30 p.m. in the City Council Chambers, 1101 S. Saginaw Street, Flint, Michigan. Comments on the City's CAPER should be submitted in writing to the Department of Community and Economic Development no later than September 20, 2010.

DCED will furnish reasonable auxiliary aids to disabled or non-English speaking residents upon 48 hours notice prior to the public hearing. Those requesting such services should contact DCED at 810-766-7436.

**Resolution to Reprogram Unspent Emergency Shelter Grant
(ESG) Funds in a total Amount of \$26,960.17
And Enter Into a Contract with Shelter of Flint for
Operations of their Shelter Facility located at 1917 Delaware**

BY THE MAYOR:

WHEREAS, The City of Flint has determined that \$26,960.17 in uncommitted Emergency Shelter Grant (ESG) funds is available for reprogramming in account 279-750.101-700.100; and

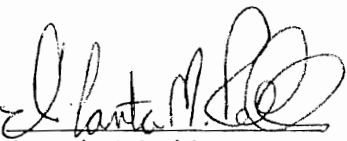

WHEREAS, DCED would like to reprogram these funds to Shelter of Flint for operation of their Shelter facility located at 1917 Delaware Avenue;

THEREFORE BE IT RESOLVED, That City officials are hereby authorized to do all things necessary to reprogram \$26,960.17 and enter into an ESG agreement with Shelter of Flint for operation of their emergency shelter facility located at 1917 Delaware Ave.

Adopted: SEP 14 2009

**Resolution Authorizing the Department of Community and
Economic Development to Reprogram \$35,000
of Community Development Block Grant Funds
for Renovations to 412 W. First Avenue**

By the Mayor:

WHEREAS, On August 19, 2000, Leanne Barkus purchased 412 W. First Avenue, a restored home from Community Capital Development Corporation (CCDC); and

WHEREAS, The financing for this restoration was federal funds known as HOME Investment Partnership Funds; and

WHEREAS, The above mentioned property was purchased under the agreement that it was currently up to code and in compliance with The Department of Housing and Urban Development's (HUD) requirements and City Housing codes; and

WHEREAS, A citizen's complaint was received from HUD concerning rehab deficiencies communicated by the owner; and

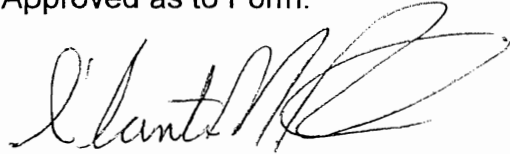

WHEREAS, A review of the initial work specifications and a recent inspection report indicated that the proposed work addressed in the complaint was not initially completed to comply with HUD requirements and City Housing codes; and

WHEREAS, The Department of Housing and Urban Development has directed the Department of Community and Economic Development to correct the work in order to prevent repayment of \$35,000 HOME Investment Funds to HUD using general funds, due to poor workmanship; and

WHEREAS, The funds will be reprogrammed from funds held in revenue account 279-748.101-502.748 and expenditure account # 279-748.101-700.100 – Entitled CDBG Uncommitted then set up as a project budget within DCED in revenue account # 279-748.102-502.748 and expenditure account # 279-748.102-805.327, and DCED will handle all construction management activities.

NOW THEREFORE BE IT RESOLVED, That the appropriate City Officials are hereby authorized to do all things necessary to reprogram \$35,000 for renovations to 412 W. First Avenue to address rehabilitation deficiencies as outlined in the 2008 independent inspection report in order to address a citizen's complaint received from the U.S. Department of Housing and Urban Development.

**Resolution to Reprogram \$20,000 in Community Development Block Grant Funds
and Establish a Project Budget for the Purpose of Providing Relocation Assistance
to Four Tenants Residing at Greenview Manor Apartments**

BY THE MAYOR:

WHEREAS, Greenview Manor, located at 817 North Stevenson, was purchased in 2001 by the City from the U. S. Department of Housing and Urban Development and later sold during 2005 to Mission of Peace National Corporation; and

WHEREAS, The City of Flint in partnership with Mission of Peace National Corporation is working to redevelop the complex as a community development project; and

WHEREAS, The City conducted an inspection at the complex and the results of this inspection were that Greenview Manor should be vacated until redevelopment of the project is complete; and

WHEREAS, Four tenants currently reside in the Greenview Manor complex and will need to be relocated; and

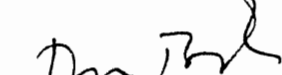

WHEREAS, Relocation assistance is an eligible Community Development Block Grant (CDBG) expense; and

WHEREAS, A budget using Community Development Block Grant Funds is being established to provide relocation payments to the four tenants; and

WHEREAS, Funds for this purpose are being reprogrammed from CDBG Uncommitted Funds, BSA account #279-748.101-700.100;

THEREFORE BE IT RESOLVED, That appropriate City officials are authorized to do all things necessary to establish a project budget not to exceed \$20,000 using Community Development Block Grant Funds to pay eligible relocation costs for four tenants currently residing at Greenview Manor Apartments.

Resolution Authorizing Change Order No. 1 to Ron Bretz Excavating Inc., Site Construction Contract for Smith Village/Williams Street Reconstruction to increase the Contract by \$194,765.56 and Extend the Term until June 30, 2010

By the Mayor:

WHEREAS, On November 10, 2008, Council adopted Resolution No. 081410.1, to enter into contract with Ron Bretz Excavating Inc. as the construction contractor for the Smith Village/Williams Street full road reconstruction with water and sewer upgrades in the amount of \$1,336,012.05 with construction work beginning in April of 2009; and

WHEREAS, As most of the utilities located within the Smith Village area date back to close to the turn of the 20th century, contractor, Ron Bretz, encountered unforeseen underground construction obstacles along with delays caused by conflicts with existing utilities service provider; and

WHEREAS, These obstacles and delays have resulted in the project duration extending beyond the originally anticipated 3 month timeframe. They include removal of additional trees along the project route to assist in the relocation of utility upgrades that include new electrical conduit installed by Consumers Energy, removal of contaminated soil and a change to the two gateway arches at the entrances on Saginaw St. and M.L. King; and

WHEREAS, These delays and conflicts have caused costs to increase by \$194,765.56 that also include the expenses to demobilize and winterize, and to remobilize to resume the project in Spring of 2010.

WHEREAS, Ron Bretz Excavating, Inc. has the capacity to perform and sub-contract such services as required at an additional amount of \$194,765.56, amending the original contract amount to \$1,530,777.61. CDBG funds are available in account no. 279-748.101-700.100 for the project change order.

Resolution to Authorize Housing Relocation Assistance to Ms. Terri Hines in the amount of \$ 10,155.60 using Community Development Block Grant Funds

BY THE MAYOR:

WHEREAS, Greenview Manor, located at 817 North Stevenson, was purchased in 2001 by the City from the U. S. Department of Housing and Urban Development and later sold during 2005 to Mission of Peace National Corporation; and

WHEREAS, The City of Flint in partnership with Mission of Peace National Corporation are working to redevelop the complex as a viable housing development project; and

WHEREAS, The City conducted an inspection at the complex October 2009 and the results of this inspection were that Greenview Manor should be vacated until redevelopment of the project is completed; and

WHEREAS, Ms. Terri Hines, is one of four tenants determined eligible for relocation assistance; and

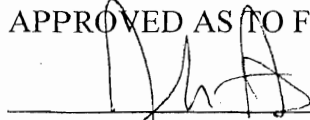

WHEREAS, Relocation assistance is an eligible Community Development Block Grant (CDBG) expense and relocation assistance must be made to tenants that are eligible to receive this assistance; and

WHEREAS, The relocation assistance of \$10,155.60 will be paid to Ms. Smith in quarterly installments in the amount of \$725.40; and

WHEREAS, Funds for this purpose are available in account #279-748.103-805.176 labeled as "Greenview Manor Relocation Project" and;

THEREFORE BE IT RESOLVED, That appropriate City officials are authorized to do all things necessary to pay a relocation claim to Ms. Terri Hines in 14 quarterly installments for a total claim not to exceed \$10,155.60.

Resolution Authorizing Change Order #3 to Extend the Contract for Exterior Code Violation Repairs "Broken Window Program" with Court Street Village Nonprofit Housing & Community Development Corporation until March 31, 2010 for a Revised Contract amount of \$47,130.00

By the Mayor:

WHEREAS, In 2004, the City of Flint entered into a 1-year contract with Court Street Village Nonprofit Housing & Community Development Corporation for \$50,000 to provide financial assistance to low-to-moderate income, owner-occupants of single-family residential structures to repair or alleviate exterior code violations which are identified by the City of Flint Code Enforcement Officers; and

WHEREAS, The contract expired on July 4, 2005 and was extended to July 6, 2006 by change order #1 and extended to October 31, 2006 by change order #2. There were pending obligations to its general contractor when the contract expired: and

WHEREAS, The City of Flint reprogrammed the balance remaining on the contract of \$10,046.48 with resolution #090354 adopted April 13, 2009 as part of a CDBG substantial amendment to the Consolidated Plan which reprogrammed these funds for a different purpose: and

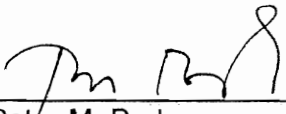

WHEREAS, Court Street Village Nonprofit Housing & Community Development Corporation approached the City of Flint to reopen the contract in 2008, the City of Flint had no funds available to reprogram at that time; and

WHEREAS, The general contractor completed several jobs, leaving a balance of \$5,686.00 owing to this contractor for work performed and Court Street Village Nonprofit Housing & Community Development Corporation owed \$1,490.48 in administrative costs, CDBG funds are now available for change order #3. from account #279-748.101-700.100 labeled as CDBG Uncommitted Account; and

WHEREAS, The City of Flint wishes to execute change order #3 to extend the time frame of the contract and reprogram funds needed for Court Street Village Nonprofit Housing & Community Development Corporation to make the final payment to the general contractor and pay administrative costs; and

NOW, THEREFORE BE IT RESOLVED, The appropriate City officials are hereby authorized to do all things necessary, to authorize change order #3 to extend the contract with Court Street Village Nonprofit Housing & Community Development Corporation and reprogram \$7,176.48 until March 31, 2010 and for a revised contract amount of \$47,130.00 in revenue account #275-748.280-502.748 and expense account #275-748.280-805.327.

Resolution Authorizing Change Order No. 4 with Salem Housing Development Corporation to Extend the Contract for Owner Occupied Rehabs Within the Smith Village Homeownership Zone until March 31, 2010 and Increase the Contract by \$8,100

By the Mayor:

WHEREAS, In 2001 the City of Flint entered into a \$200,000 CDBG contract with Salem Housing Community Development Corporation to carry out four (4) owner occupied rehabs within the Smith Village Homeownership Zone; and

WHEREAS, Subsequent change orders were made to the contract which extended the term of the contract, increased the number of homes to be rehabbed, as well as added additional monies, for a total contract amount of \$482,397. The account numbers associated with this contract are 279-748.478-502.748 and 279-748.478- 805.327; and

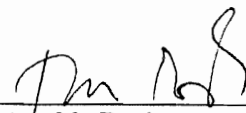

WHEREAS, Salem Housing CDC sub-contracted with Bedrock Building Inc. to tear-off and install a new roof at 1107 Ave. A at a total cost of \$11,400. Salem was paid \$3,300 prior to contract completion, with the balance of \$8,100 to be paid after completion and final inspection of the work performed; and

WHEREAS, Bedrock Building, Inc has completed its contractual obligation with Salem for the roof job at 1107 Avenue A. CDBG funds for the proposed change order to Salem's 2001 contract for owner occupied rehabs within the Smith Village Homeownership Zone are available from account no 279-748.101-700.100.

NOW, THEREFORE BE IT RESOLVED, That the appropriate City officials are hereby authorized to do all things necessary, to authorize change order no. 4 to extend the contract with Salem Housing Development Corporation until March 31, 2010 and increase the contract by \$8,100, for a total revised contract amount of \$490,497.
