In accordance with the provisions of 2010 PA 231, which provides grants to assist municipalities in completing loan application requirements under MCL 324.5308 or completing loan application requirements for other sources of financing for sewage treatment works projects, storm water treatment projects or nonpoint source projects; and

In accordance with the provisions of 1985 PA 227, as amended, Part 52, and other applicable provisions of law, the MFA, the DEQ, and the Municipality that is a grant recipient shall enter into a grant agreement (the "S2 Grant Agreement") that requires the Municipality to repay the grant under certain conditions as set forth in MCL 324.5204a, as amended; and

The Municipality does hereby determine it necessary to undertake planning, revenue system development, and/or design activities related to a project for which it intends to seek financing for construction; and

It is the determination of the Municipality that at this time, a grant in the aggregate principal amount not to exceed \$800,000 ("Grant") be requested from the MFA and the DEQ to pay for the planning and/or design activities; and

The Municipality shall obtain this Grant by entering into the S2 Grant Agreement with the MFA and the DEQ.

IT IS RESOLVED THAT:

3. The Municipality shall repay the Grant, within 90 days of being informed to do so, with interest at a rate not to exceed 8 percent per year, to the Authority if any of the following

conditions occur:

(b) the project has been identified as being in the fundable range or is approved for funding from another source and the Municipality declines loan assistance for 2 consecutive fiscal years unless the Municipality proceeds with funding from another source; or

(c) the Municipality is unable to, or decides not to, proceed with constructing the project.

4. The Grant, if repayable, shall be a first budget obligation from the general funds of the Municipality, and the Municipality is required, if necessary, to levy ad valorem taxes on all taxable property in the Municipality for the payment thereof, subject to applicable constitutional, statutory and Municipality tax rate limitations.

5. The Municipality shall not invest, reinvest or accumulate any moneys deemed to be Grant funds, nor shall it use Grant funds for the general local government administration activities or activities performed by municipal employees.

6. The Authorized Representative is hereby jointly or severally authorized to take any actions necessary to comply with the requirements of the MFA and the DEQ in connection with the issuance of the Grant. The Authorized Representative is hereby jointly or severally authorized to execute and deliver such other contracts, certificates, documents, instruments, applications and other papers as may be required by the MFA or the DEQ or as may be otherwise necessary to effect the approval and delivery of the Grant.

7. The Municipality acknowledges that the S2 Grant Agreement is a contract between the Municipality, the MFA and the DEQ.
