BY THE EMERGENCY MANAGER:

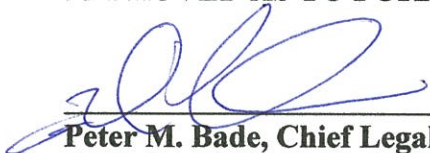

**A Resolution Authorizing Payment to the Michigan Department of Environmental Quality
Bureau for Community Public Water Supply Annual Fee**

The City of Flint – Utilities Department is required to pay an annual fee of \$20,572.03 to the Michigan Department of Environmental Quality (MDEQ) for community public water supply. The State of Michigan maintains a primary agreement with the United States Environmental Protection Agency (USEPA) to inspect and sample public water supplies. This program includes periodic inspection of water systems, monitoring the quality of drinking water served to the public, certification of laboratories of drinking water analysis, certification of water treatment plant operators, permitting and construction plan review, and training. The fees are required to enable the state to implement the new federal regulations for public water supplies; and

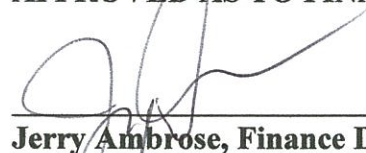

Funding for this annual supply fee is available in the Utilities Administration budgeted account 591-536.100-801.000 in an amount of \$20,572.03; and

It Is Resolved, That the appropriate City officials are authorized to pay the MDEQ for community public water supply in an amount of \$20,572.03 with funding to come from account 591-536.100-801.000.
