Resolution to Approve Repayment to U.S. Department of Housing and Urban Development (HUD) \$72,000.00 for an Uncompleted HOME Investment Partnerships Program Project

BY THE EMERGENCY MANAGER:

The City of Flint resolution 090793 adopted on July 13, 2009 authorized the City of Flint and Genesee County Community Action Resource Department (GC CARD) to enter into contract 09-156 for the acquisition and construction of new housing in Smith Village. The project was funded with \$521,751.08 of HOME Investment Partnerships Program funds.

Per the contract, the City of Flint paid GCCARD \$72,000 (check 154900 dated November 19, 2009) for acquisition of the 4 pre-fabricated houses built by Genesee County Skill Center students. The City then reimbursed itself funds paid out by drawing down \$72,000.00 on January 30, 2010, through HUD's Integrated Disbursement and Information System (IDIS).

The project was delayed for a considerable period of time, in part due to the changes in administration. It was determined by a subsequent administration that the project was no longer viable. The project expired and the project was not completed.

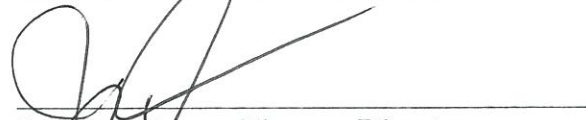

In accordance with HOME Program Final Rule 24CFR Part 92.503 (b)(2), HOME funds invested in projects terminated before completion, either voluntarily or otherwise, must be repaid by the participating jurisdiction. Repayment can only be paid from non-federal funds.

IT IS RESOLVED, that City of Flint officials are authorized to do all things necessary to repay the U. S. Department of HUD \$72,000.00 drawn for the uncompleted Genesee County Community Action Resource Department Smith Village project from the Grant Ineligible Expense account 101-690.100-964.100.
