Agenda Item Title: To Rescind Resolution 2012EFM075 & Approval to enter into a contract with New World Systems - Servers.

Prepared By: Rick Johnson, Police Financial Coordinator

Background/Summary of Proposed Action: On October 3, 2012 appropriate City officials approved resolution 2102EFM075 to enter into a contract with New World Systems Corporation in the amount not to exceed \$89,500.00. Before the contract was executed, the City's Information Technology Services Division requested that the System Software section of the request be upgraded from Windows Server 2008 to Window Server 2012. The additional \$11,900.00 upgrade will exceed the approved amount of \$89,500.00. The Flint Police Department is asking for the approved resolution 2012EFM075 be rescinded so that a new request in the amount of \$101,400.00 can be submitted for the upgrades that would better utilize the Flint Police Departments needs to run their new In-Car Computers and Cameras.

Financial Implications: After the rescission and new request the total cost will increase by \$11,900.00 all of which will still be covered under the Flint Police COPS Technology Grant.
