**Resolution to Enter into an Agreement not to exceed \$20,995.00 with Moore and Son
Construction using CDBG funding**

BY THE EMERGENCY MANAGER:

During the fall of 2012, Moore and Son Construction was selected as a general contractor to provide rehabilitation services for two homes being developed by Operation Unification using Neighborhood Stabilization Funds.

Although the NSP1 program ended on March 19, 2013, the City is required to complete all NSP1-assisted homes in order to comply with HUD's national objective. CDBG funds have been determined to be the alternative source of funds for completion of the two homes.

IT IS RESOLVED, That City Officials are authorized to enter into an agreement with Moore and Son Construction that is not to exceed \$20,995.00 using CDBG funding in accounts 238-748.102-502.748 and 238-748.102-805.327 to complete two homes initially financed with NSP1 funding.
