Agenda Item Title: Michigan Automobile Insurance Placement Facility

Prepared By: V. Foster-Finance Division

Background/Summary of Proposed Action:

The City of Flint is required annually to pay assessment fees for self-insured vehicles. In the past, these funds have been remitted to the State of Michigan, Assigned Claims Facility. Due to restructuring at the State of Michigan, this assessment is now done by the Michigan Automobile Insurance Placement Facility. This fee is based upon calendar year 2012 payments, registered City vehicles, and is owed in an amount of \$16,191.00.

Financial Implications

Failure to pay this assessment would result in the City losing its self-funded status and require a significant increase in cost through commercial insurance premiums.

Funding is available in the Self Insurance Fund-Risk and Benefit Insurance/Bonds account.
