## RESOLUTION STAFF REVIEW

---

February 10, 2014

**Agenda Item Title:** Water Plant – Pump Station #4 Ball Valve Replacement

**Background/Summary of Proposed Action:**

The Flint Water Plant has requested to amend their operating permit to treat larger quantities of water for human consumption from the Flint River. The Michigan Department of Environmental Quality requires that the City of Flint, Water Plant replace the 1948 pump #1 and motor. The water Plant staff and the consultants Andrew, Lockwood and Newnam Inc. concur that the pump and motor need replacing, but doing this will also require the replacement of the existing pump control ball valve.

Jett Pump and Valve LLC. met the bid specifications for the pump control ball valve replacement with lowest bid in the amount of 30,475.00.

**Financial Implications:**

Please approve the Purchase Order with Jett Pump and Valve LLC. The funds are available in the FY 2014 amended budget amount of \$30,475.00 using account 591-545.300-977.000.

**Budgeted Expenditure?**    Yes x        No                      Please explain if no:

**Account No.:**                      591-545.300-977.000,

**Pre-encumbered?**                Yes x No                      Requisition: 140000087

**Other Implications (i.e., collective bargaining):**    None

**Staff Recommendation:** Approve
