

EM SUBMISSION NO.: EME2342014.1

PRESENTED: 5-2-14

ADOPTED: 5-8-14

**AMENDED COST CUTTING COURTROOM PROCESSING PROPOSAL/REINSTITUTION OF A
68TH DISTRICT COURT PROBATION DEPARTMENT**

BY THE EMERGENCY MANAGER:

Resolution number EME2342014.1, presented April 9, 2014, and approved April 11, 2014, shall be amended to correct certain inconsistencies and shall read in its entirety as follows:

Appropriate City of Flint officials shall to all things necessary to process level increases from the Exempt – Permanent Compensation Schedule increasing the levels of Brandy Graham, Veronica Simon, Suzette Hawkins, Jeanine Franklin and Sandra Quiel from level 22E to level 28; and

Additionally, City of Flint officials shall increase the level of Paula McGlown from level 38 to level 40; and

This request for level increases comes as a result of a solution to a longstanding staffing problem which results in a net savings for the City which savings could be utilized to provide a much needed Probation Officer to service the court. The basic proposal involves using the 68th District Court Judge's Judicial Secretaries in conjunction with updated computer technology to modernize the massive amounts of paperwork that is processed daily in the courtrooms. This can be accomplished at this time due to the unusual circumstance of two former Court Officers (formerly responsible for processing the paperwork) being recently appointed as Judicial Court Recorders, three long time experienced Court Recorders in place with the knowledge and ability to process paperwork, existing vacancies in the clerk's office, and using experienced Court Officers in a dual capacity to assist with the voluminous load of case processing in the Clerk's Office. The Court has the funds available to implement these cost cutting measures. (Please see attached memo from Hon. Richard B. Yuille for additional detail)

IT IS RESOLVED that the appropriate City Officials are authorized to do all things necessary to process level increases for the 68th District Court employees listed above pursuant to the parameters set forth.
