Agenda Item Title: Detection Systems and Engineering

Prepared By: Rick Johnson, Police Financial Coordinator

Background/Summary of Proposed Action: Resolution authorizing the Director of Purchases & Supplies, upon City Council approval, to issue a purchase order to Detection Systems and Engineering, as requested by the Flint Police Department, for an additional access card panel, readers and button releases for the already approved security improvements in progress by other vendors. We use Detection Systems and Engineering for our current security. For the additional doors, an additional access panel has to be installed along with readers and other accessories.
