Agenda Item Title: Rowe Engineering

Prepared By: Kathryn Neumann for Howard Croft

Background/Summary of Proposed Action: The Department of Purchases & Supplies solicited bids for engineering services for a three year period beginning with fiscal year 2014 and Rowe Engineering was the vendor that received the highest rating to perform said services based upon evaluation criterion. The Department of Public Works & Utilities requests an additional \$50,000 to the current contract to provide funding for general engineering services for the remainder of the fiscal year. Due to the unexpected needs for engineering services to address developing engineering plans for: the repair and restoration of Harrison St.; creating new route maps for deployment of staff during major snow events; developing a new Snow and Ice Control Plan to more efficiently and effectively address major snow and ice events, as well as initiating PASER evaluation to rate local roads for asset management purposes.
