VI. APPLICANT SIGNATURE

Section 23a of the State Construction Act of 1972, Act No. 230 of the Public Act of 1972 being Section 125.1523a of the Michigan Compiled Laws, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violations of 23a are subject to civil fines.

Signature of Licensee or Homeowner (Homeowner must also sign affidavit below)

VII. HOMEOWNER AFFIDAVIT

I hereby certify the mechanical work described on this permit application shall be installed by myself in my own home in which I am living or about to occupy. All work shall be installed in accordance with the Mechanical Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the local mechanical inspector. I will cooperate with the local mechanical inspector and assume the responsibility to arrange for necessary inspections.

Signature of Homeowner

INSTRUCTIONS FOR COMPLETING APPLICATION

GENERAL: Mechanical work shall not be started until the application for permit has been filed with the Building and Safety Inspection Department. All installations shall be in conformance with the State Mechanical Code. No work shall be concealed until it has been inspected.

The name of the inspector and the telephone number will be provided on the permit form. When ready for an inspection, call the inspector providing as much advance notice as possible. The inspector will need the location and permit number.

EXPIRATION OF PERMIT: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work.

A PERMIT WILL BE CANCELED WHEN NO INSPECTIONS ARE REQUESTED AND CONDUCTED WITHIN SIX MONTHS OF THE DATE OF ISSUANCE OR THE DATE OF A PREVIOUS INSPECTION. CANCELED PERMITS CANNOT BE REINSTATED.

If work is started prior to obtaining a permit, the City may:

- A. Charge a fine up to \$825.00
- B. Stop the work until a permit is obtained.
- C. Issue an appearance ticket requiring the contractor or owner to appear in District Court, where a fine and /or jail sentence may be imposed.
- D. Refer the information to the City, County, or State Attorney's Office for appropriate action.
- E. Any combination or all of the above.
