Dear Pastor Holmes:

I am in receipt of your resignation letter dated May 2, 2012 and I thank you for your service on the Emergency Manager's Advisory Council. Your service at this critical time in Flint's history is greatly appreciated.

It is my sincere hope that you will continue to serve on our Finance Advisory Committee, as we prepare our quarterly reports for the State Treasurer and Governor.

In addition, I hope you will consider serving on either our Master Planning or Charter Review Committees as they take shape over the next year.

I appreciate your dedication and service to the citizens of Flint.

Sincerely,

Michael K. Brown
