- Instructions: • An extension to file does not extend the due date to pay tax. Tax paid late will be assessed late fees.
• Line 1: Enter the total tax liability you expect to report on your 2023 Flint income tax return.
• Line 2: Enter the total payments that you expect to report on your 2023 Flint income tax return, not including the extension payment reported on line 3 of this form.
• Filing date: The income tax ordinance limits an extension to SIX months from the original due date.

Related Information: • Federal extension: Filing a federal extension (Form 7004) with the Internal Revenue Service does not grant an extension of time to file a Flint income tax return.

- Payment: • An extension is automatically granted upon payment of the balance due (line 3); failure to pay the balance due invalidates the extension request; an extension filed without a payment will not be accepted.
• Interest and penalty will be assessed on taxes paid late even if an extension of time to file is granted.
• Penalty may be waived by the Income Tax Administrator if the tax paid by the original due date is not understated by more than 5% of tax or the taxpayer can show that the failure to pay on time was due to reasonable cause.
