DATE: **May 25, 2022**
SUBJECT: **Addendum #01 – BID #23000001 – AGGREGATES (VARIOUS)**

This addendum has been issued because of the following Questions:

Q1.) *What is the Minimum Load expected for a delivery?*

A1.) Though there is no minimum load requirement, normally, the smallest delivery for top soil can range from 5-10 yards, and 50 ton would be considered a “smaller” load for other aggregates listed in this RFP.

Q2.) *Can you get lead loads into all locations?*

A2.) All of the City’s DPW delivery areas are easily accessible for dump or train.

All other bidding terms, requirements, and conditions continue as indicated in the remaining original bid documents.

The Purchasing Manager, Lauren Rowley, is an officer for the City of Flint with respect to this RFP.

In the submission of their proposal, Proposer must acknowledge receipt of this addendum. Proposer shall acknowledge this addendum by signing and returning one copy of this notice with their submission.
