Greetings Board Managers of Hurley Medical Center.

It is with great enthusiasm that I submit my interest and candidacy for a board manager position for the Hurley Medical Center. I am highly motivated and find this position as the ideal opportunity to contribute the skills I have gained from my professional experience, academic studies, and diverse background. My drive and values are aligned with the mission and vision of Hurley Medical Center, with a broad work experience in healthcare in both public health sector and as a medical physician I embody the skill set and connection to the Flint community ideal for the board manager position.

My organizational and logistical skills are well demonstrated in my professional experience including direct patient care and surgery to education, public health and research settings. My performance in my previous position, as Latinx Culture Ambassador, demonstrates my deep connection to the community and awareness of the local social service landscape. In addition to my practice and experience in medicine, I had the amazing opportunity to facilitate diversity dialogues and Spanish language instruction in aims to increase access and improved patient care. In my current role as a community outreach and enrollment navigator for Hamilton Community Health Network I have the opportunity to increase access to medical care by instituting equitable practices addressing language and cultural barriers and enrolling clients into health care.

I am prepared and enthusiastic about the board position. I have strong experience in being an exponent for healthy living, and have in-depth experience in strategies to increase access and service to communities. I am a foreign medical graduate and am preparing for the beginning stages of obtaining my license to practice medicine in the U.S.

I am thrilled by the opportunity to combine my administrative skills with my passion for public health by serving as a board member for Flint's Hurley Medical Center. Thank you for your time and consideration, and I would love the opportunity to further illustrate my experience, knowledge, and skillset.

Respectfully,

Mildred Silva-Zuccaro
