Hello,

This letter is to inform all interested vendors, that Proposal #23000501 LEAD BASED PAINT HAZARD CONTROL (LBPHC) PROGRAM SERVICES PROVIDER has been cancelled.

This project will commence in the future, but we do not have any specific bid dates at the time. We apologize for any inconvenience this postponement may cause.

We truly appreciate your interest in working with the City of Flint.

Sincerely,

A handwritten signature in cursive script that reads "Lauren Rowley".
