Date: November 1, 2022

Agenda Item Title:

**RESOLUTION TO RESPOND TO THE PUBLIC HEALTH IMPACTS OF THE PANDEMIC THROUGH
THE CONTINUED WORK OF THE OFFICE OF PUBLIC HEALTH**

Prepared by:

Lottie Ferguson, Chief Resilience Officer

Background/Summary of Proposed Action:

The grants that previously funded the Office of Public Health, Healthy Start grant provided to the Genesee County Health Department from the Health Resources and Services Administration, an agency of the U.S. Department of Health and Human Services; and Flint Lead Exposure Registry at Michigan State University, have ended, and the office has become an essential part of public health services and referrals for the City of Flint. The Office of Public Health is often the first point of contact for residents in crisis, and the Information Desk is the first point of contact for visitors to City Hall and includes the only person on city staff who is fluent in Spanish.

The Office of Public Health provides access to public health resources, direct navigation for city residents to many community resources on a case-by-case basis, continuance of lead mitigation services including distribution of water filtration systems, conducting the distribution of test kits for Lead and Copper Rule testing, with plans to expand their scope of work to include public health initiatives that focus on equity, environmental justice, food policy, mental health, substance abuse, and more, in continued partnership with community based organizations and the Genesee County Health Department.

This would fund operations for the Office of Public Health for one year, with the expectation that additional grant funding would be secured for office ongoing sustainability.

Financial Implications:

This project is included in the Mayor's American Rescue Plan Act Recovery Plan, presented to Council on June 14, 2022.

RESOLUTION NO.: 220535PRESENTED: DEC 19 2022

ADOPTED: _____

MI DEAL: 071B7700177

**RESOLUTION TO BERGER CHEVROLET INC. FOR
THE PURCHASE OF REPLACEMENT VEHICLES**

BY THE CITY ADMINISTRATOR:

Berger Chevrolet Inc. has an approved MI-Deal Contract (71B7700177) through the State bidding process. Water Pollution Control, a Division of Public Works, maintains a fleet of vehicles many of which are in need of major repairs or replacement.

Dealership onsite inventory is scarce; this purchase order will allow WPC to procure vehicles as they become available without delay. Additionally, if the City were to order custom Work Trucks, as has been past practice, the vehicles will not be available until Fall 2023 or Spring 2024. Berger Chevrolet Inc. is a MI-Deal approved vendor and has agreed to hold vehicles as they become available for immediate delivery with the caveat of having an approved Purchase Order. Estimated costs, dependent of model and options which will vary based on availability, are listed below:

Vehicle Type	Estimated Quantity	Estimated Cost Each	Total
Service Body Truck Diesel	1	\$75,000.00	\$75,000.00
½ Ton Crew Cab Pickup 4WD Truck	2	\$60,000.00	\$120,000.00
¾ Ton Crew Cab Pickup 4WD Truck	2	\$65,000.00	\$135,000.00
Colorado Crew Cab Pickup 4WD V	3	\$40,000.00	\$120,000.00

Account Number	Account Name	Amount
590-550.300-977.500	WPC- Vehicles	\$450,000.00

IT IS RESOLVED, that the Proper City Officials, are authorized to approve a purchase order with Berger Chevrolet Inc., 2525 28th Street SE, Grand Rapids, MI 49512 for the purchase of replacement vehicles in the not to exceed amount of \$450,000.00.

STAFF REVIEW FORM

TODAY'S DATE: 12/09/2022
BID/PROPOSAL: MI Deal Approved Vendor
ITEM TITLE: WPC Replacement Vehicles
PREPARED BY: Krystal Wallace, DPW-Water Pollution Control
VENDOR NAME: Berger Chevrolet, Inc.

BACKGROUND/SUMMARY OF PROPOSED ACTION:

WPC has a fleet of vehicles which allow their employees to service the remote pumping stations and perform other tasks at various City locations. Several of these vehicles are old, failing, and in need of replacement. Due to the current vehicle shortage WPC is requesting a purchase order with MI-Deal approved vendor, Berger Chevrolet, for the purchase of approximately eight vehicles (Service Body Trucks, Pickup Trucks, and Colorado Trucks), dependent on availability. Estimated costs, dependent of model and options, which will vary based on availability are listed below:

Service Body Truck Diesel -(1) estimated cost \$70,000.00 each
½ Ton Crew Cab Pickup 4WD Truck- (2) estimated cost \$60,000.00 each
¾ Ton Crew Cab Pickup 4WD Truck- (2) estimated cost \$65,000.00 each
Colorado Crew Cab Pickup 4WD V-6- (3) estimated cost \$40,000.00 each

Because dealership onsite inventory is scarce, this purchase order will allow WPC to procure vehicles as they become available without delay. Additionally, if the City were to order custom Work Trucks, as has been past practice, the vehicles will not be available until late 2023 or spring 2024. Berger Chevrolet is an MI-Deal approved vendor who has agreed to hold vehicles as they become available for immediate delivery as long as a Purchase Order has been created.

Issuance of a purchase order to the approved MI-Deal vendor, Berger Chevrolet, Inc. in the budgeted **NOT TO EXCEED** amount of \$450,000.00 (inclusive of all fees) is requested. The Fleet Services Manager approves of this purchase order. Quantities are estimates; the total purchase shall not exceed the total approved PO amount.

Agenda Item Title: Lighthouse Group – High Value Vehicle Property Insurance Coverage

Prepared By: V. Foster, Department of Finance

Background/Summary of Proposed Action:

Starr Surplus Lines Insurance Company currently provides the City with its High-Valued Vehicle and Contractor's Equipment insurance coverage. The current policy expires on 12/25/2022.

Through the City's insurance broker, the Lighthouse Group solicited bids. Of the six companies to respond, four declined to quote, and two declined to quote.

- Travelers – Not a market for High Valued Vehicles
- Lloyds of London – Quoted higher and coverages not as broad as Starr policy. Missing key coverages
- Scottsdale Ins – Declined, cannot complete with Starr rates
- XL Catlin Ins – Declined, cannot complete with Starr rates
- Chubb Ins – Declined – Not a market for high-valued vehicles

The Starr Lines Insurance Company quote of \$168,861.58 also includes Terrorism coverage in the amount of \$7,845. In addition to being the lowest bidder, Star Lines Insurance Company offers the following advantages:

- Increased coverage at the insured value.
- No maximum limits per vehicle.
- "A" Rated Carrier
- The maximum coverage at any one location for each occurrence would remain the same as our current coverage of \$1,500,000 (flood coverage for flood at any one location, per occurrence, would be \$500,000 less)

Motor Vehicle Record Procedures

Lighthouse will run motor vehicle records (MVR) on candidates for hire, as well as, existing employees. The cost is \$12.85 per MVR for a Michigan MVR. Lighthouse will review the MVR for you and let you know if the driver is acceptable or not acceptable to be added to your driver schedule. A signed MVR release form is required if you would like to receive a copy of the MVR for your files.

Please note there may be different rates for other states. If you need an MVR ran for another state, contact us, and we will provide you with that state's rate.

Lighthouse will monitor the number of MVRs ordered and will bill you monthly, quarterly, or real time depending on previously agreed upon arrangement.

Below is a sample of the MVR release form your employee will need to complete for Lighthouse to run the MVR.
