## **HIV Services**

### **Wellness Services**

Wellness AIDS Services is located in Downtown Flint. It's a safe space where individuals and couples can get tested for HIV and STIs and get free condoms and lube. Members of the LGBT community can drop-in and hang out, attend educational workshops, help plan and attend events, use a computer or watch some television. We are here to be a space that you can be yourself without concerns.

## **Planned Parenthood**

Flint Health Center offers the following services:

- HIV testing
- HIV education
- HIV referrals
- PrEP (pre-exposure prophylaxis), a medication regimen to help prevent HIV for individuals with high risk of exposure.
- PEP (post-exposure prophylaxis), a series of pills that reduces your chances of getting HIV if you start taking it within 72 hours after exposure to HIV.

HIV testing services are available at this location:

- during all business hours by appointment
