

Small Business Resource Directory

Your guide to Flint's small business support ecosystem

This directory showcases organizations offering a variety of support and technical assistance services to small businesses in the City of Flint. It has been designed to help you easily locate names and contacts for organizations that can be helpful to you based on your business' stage and current needs. It highlights service providers that help startups, incubators, and existing businesses. It also identifies places in the city that offer financing, loan, and tax incentive programs, business education and training, and other opportunities as well.

We want this document to be a useful tool for *all* of Flint's small business communities. If you have any comments, questions, suggestions, or concerns, ***please get in touch*** with:
