SUBJECT: **Addendum #01** – Proposal #23000020 – HYDRANTS, GRATES AND MANHOLE COVERS- (3) YEARS

This addendum has been issued because of the following Q & A:

Q1.) Do other Hydrants not mentioned in this bid need prior approval before participating in this bid?

A1.) At this time, the City of Flint is ONLY purchasing EJ Hydrants. When we have numerous brands of hydrants repairs and parts are too complicated.

Q2.) Is there a specific quantity of new hydrants the City of Flint is expected to require over the next (3) Years?

A2.) The City averages roughly 60 new hydrants per year.

All other bidding terms, requirements, and conditions continue as indicated in the remaining original bid documents.

The Purchasing Manager, Lauren Rowley, is an officer for the City of Flint with respect to this RFP.

In the submission of their proposal, Proposer must acknowledge receipt of this addendum. Proposer shall acknowledge this addendum by signing and returning one copy of this notice with their submission.
