DATE: **April 12, 2023**
SUBJECT: **Addendum #01** – Proposal #23000526– PEST CONTROL SERVICES FOR CITY OWNED BLIGHTED PROPERTIES

This addendum has been issued because of the following inquiries addressed during the mandatory pre-bid meeting:

1.) On page 15 of the RFP, it states ***“Responder is to provide an environment, free from, but are not limited to, the following pests: Rats, Mice and other rodents.”***

The City is editing this language to state:

“Responder is to provide abatement services for stated addresses as listed in this proposal, for the following pests: mice, rats and nuisance wildlife.” (Birds are not included in required abatement pests)

2.) **Vendor shall provide a price per parcel/listed address.** Any additional cost line items that a vendor wants to provide, can be done within a separate attachment with no particular format requirement. (i.e. emergency services, additional abatement points, etc.) *Quadrants will be addressed once vendors are chosen and divided up by location/address.*

3.) **Record keeping shall be a part of the vendor’s abatement plan,** including, but not limited to, work completed, cause and effect of services, etc. Records will be given to the Blight Division for City retention. Please respond in the submittal how you intend to provide these records.

All other bidding terms, requirements, and conditions continue as indicated in the remaining original bid documents.
