**Bidder #1: Rose Pest Solutions**  
**Saginaw, MI.**

**Per Parcel Pricing:**

**Initial inspection + up to 30 days of rodent control (3 visits): \$485**

At the initial service, Rose will visit homes, perform an initial inspection of the exterior and lot, document conditions and pest activity, determine if live trapping is recommended for removal of nuisance wildlife, place tamper resistant rodent bait stations on exterior.

At the second service, Rose will follow up after 2 weeks, refill bait stations, document conditions and pest activity and determine if live trapping is recommended for removal of nuisance wildlife.

At the final service, Rose will remove bait stations, document conditions and pest activity. City of Flint responsible for replacement of stolen or vandalized exterior rodent bait stations at a cost of \$39.99 per station.

**Live Trapping for Wildlife Removal (5 consecutive days): \$650**

Rose will make all efforts, as scheduling allows, to perform live trapping during the week immediately before demolition is to occur. Traps and techniques shall be specialized for the target species (i.e. skunk, raccon, groundhog, etc). Traps will be checked daily, any animals caught will be removed in accordance with MiDNR specifications. City of Flint responsible for replacement of stolen or vandalized wildlife live traps at a cost of \$59.99 per station.
