In preparing bids, Bidders are advised to rely only upon the contents of this Request for Proposals (RFP) and accompanying documents and any written clarifications or addenda issued by the City of Flint. If a Bidder finds a discrepancy, error or omission in the RFP package, or requires any written addendum thereto, the Bidder is requested to notify the Purchasing contact noted on the cover of this RFP, so that written clarification may be sent to all prospective Bidders. **THE CITY OF FLINT IS NOT RESPONSIBLE FOR ANY ORAL INSTRUCTIONS.** All questions must be submitted in writing to the Finance Department of Purchases and Supplies before any pre-bid deadline (if specified) or at least one (1) week prior to the proposal opening date indicated on the front of this document.
- 2) **RFP MODIFICATIONS:** The City of Flint has the right to correct, modify or cancel the RFP, in whole or in part, or to reject any Bid, in whole or in part, within the discretion of the City of Flint, or their designee. If any such changes are made, all known recipients of the RFP will be sent a copy of such changes. If any changes are made to this RFP document by any party other than the City of Flint, the original document in the City of Flint's files takes precedence.

  - b) Bids must be submitted to the Finance Department of Purchases and Supplies, City of Flint, 1101 S. Saginaw Street, Room 203, Flint, Michigan 48502 by the date and time indicated as the deadline. The Purchasing Department time stamp will determine the official receipt time. It is each Bidder's responsibility to insure that their proposal is time stamped by the Purchasing Department by the deadline. This responsibility rests entirely with the Bidder, regardless of delays resulting from postal handling or for any other reasons. Proposals will be accepted at any time during the normal course of business only, said hours being 8:00 a.m. to 5:00 p.m. local time, Monday through Friday, legal holidays as exception.
  - c) Bids must be enclosed in a sealed, non-transparent envelope, box or package, and clearly marked on the outside with the following: RFP Title, RFP Number, Deadline and Bidder's name.

No bid will be considered from any person, firm or corporation in arrears or in default to the City on any contract, debt, taxes or other obligation, or if the Bidder is debarred by the City of Flint from consideration for a contract award pursuant to Section 18-21.5 (d) of Article IV of the "Purchasing Ordinance of the City of Flint".
- 8) **PROCUREMENT POLICY:** Procurement for the City of Flint will be handled in a manner providing fair opportunity to all businesses. After a final award of the Agreement by the City of Flint, the Contractor/Vendor must execute and perform said Agreement. All proposals must be firm for at least 120 days from the due date of the proposal. If, for any reason, a contract is not executed with the selected Bidder within 14 days after notice of recommendation for award, then the City may recommend the next lowest responsive and responsible Bidder.
- 11) **NO RFP RESPONSE:** Bidders who receive this RFP but who do not submit a bid should return this RFP package stating "No Bid" and are encouraged to list the reason(s) for not responding. Failure to return this form may result in removal of the Bidder's name from all future lists.

  - b) Within fourteen (14) days from the date that demand for arbitration is received by the City, each party shall submit to the other the name of one person to serve as an arbitrator. The two arbitrators together shall then select a third person, the three together shall then serve as a panel in all proceedings. Any decision concurred in by a majority of the three shall be a final binding decision.
  - c) The final decision rendered by said arbitrators shall be binding and conclusive and shall be subject to specific enforcement by a court of competent jurisdiction.

All pest control services shall be performed in accordance with Federal, State and Local rules and regulations presently established or that may be established during the term of the contract. Any and all chemical product(s) used must be approved for its intended use and applied in a manner consistent with regulations established by the State of Michigan and the Environmental Protection Agency (EPA). The selected responder(s) pest control services must be scheduled in advance as to not disrupt the normal operations of any departments or site location(s).

**Pre-Bid Proposal Meeting**

The Department of Blight will host a pre-bid meeting at the McKenzie Conference Room on the **2nd Floor of Flint City Hall, 1101 S. Saginaw St, Flint, MI, 48502 on Tuesday, April 11, 2023, at 10am EST.** The purpose of this informational meeting for the Blight department is to give a brief presentation on the scope of work and expectations for this project. Attendance is mandatory, and non-attendance may result in disqualification of your bid. **Minimum Responder Requirements**

Responder submitting proposals for pest control services must meet the following minimum qualifications:

It is to be clearly understood that the equipment and pesticides used by the Respondent for this contract are to be within safe and legal guidelines.

3

#### **Pricing Proposal(s)**

Price shall be based on a fixed price per location(s) to perform all pest control services as required to provide a pest free environment for each site. Proposal(s) must also specify how many service calls are included in the monthly fee. Additional requirements not related to regular service may be ordered at the hourly rate quoted in the price proposal. This proposal will remain firm for the life of the contract.

#### **Record Keeping**

The Responder shall be responsible for maintaining a pest control logbook for each site specified in this proposal. These records shall be kept and maintained by the contractor. The logbook shall contain the following items: (a) Pest Control Plan of Work – A copy of the Pest Control Plan of Work, including all labels and MSDS, as well as the service schedule. (b) Inspection forms – Inspection forms will be used to document the performance of all work, including emergency work. All work shall be documented in the logbook, then signed and dated by the Responder. (c) Floor plan service report – The Responder will submit a floor plan of the area serviced and document all chemical control methods used (brand name and formulation) and the location of the application.

#### **Use of Chemical Control Methods**

The Responder shall be responsible for application of pesticides according to the label. All pesticides used by the Responder must be registered with the United States Environmental Protection Agency, and the State of Michigan. It may also need to comply with local jurisdiction.

(a) Approved products – The Responder shall not apply any pesticide product that is not included in the Pest Control Plan of Work, and approved by The State of Michigan, the EPA, and local environmental protection laws.

(b) Application by need – Pesticide application shall be according to need and not by schedule. Such chemical control methods shall not be applied unless visual inspections or monitoring devices indicate the presence of pests in a specific area, and non-chemical control methods (as available) have been tried to solve the pest problem. Preventive chemical control treatments in areas where there is a potential for insects and rodents will be evaluated on a case-by-case basis with the Asset Manager.

(c) Minimum risk – When the application of chemical control products is necessary, the Responder shall employ the least hazardous materials, most precise application techniques and the minimum quantity of pesticide necessary to achieve control.
