ADJOURNMENT

RESOLUTION NO.: 430137

PRESENTED: MAY - 3 2023

ADOPTED: _____

Resolution Calling for Action on Fair Housing Issues in the City of Flint

This year marks the 55th anniversary of the passage of the federal Fair Housing Act, the landmark civil rights law enacted on April 11, 1968, that made discrimination in housing transactions, based on race, color, national origin, religion, sex, disability, and familial status unlawful; and

Two months prior to the enactment of that law, the City of Flint, through a public initiative, upheld a housing ordinance that prohibited housing discrimination in the City of Flint, the first of its kind across the United States, which has been codified at Sections 24-98 of the Flint Code of Ordinances; and

Despite these actions, housing issues, including but not limited to access to safe, affordable housing by all City's residents, including our justice-impacted citizens, remains a serious concern for the City of Flint; and

The lack of affordable housing causes financial stress and exacerbates poverty by preventing individuals from saving money for emergencies or for necessary purchases. The financial strain also causes physical stress to Flint residents that can result in chronic health problems; and

MCL §123.411 prohibits local governments from enacting any resolution or ordinance "that would have the effect of controlling the amount of rent charged for leasing private residential property." As a result, Detroit is currently unable to use rent control as a tool to ensure that there is adequate affordable housing for its citizens; and

Councilmember Allie Herkenroder, presiding officer of City Council, has appointed Councilmembers Ladel Lewis and Jerri Winfrey-Carter to serve on an ad-hoc Housing committee;

BE IT RESOLVED that the Flint City Council requests that the ad-hoc Housing committee meet with City Administration to examine fair housing issues affecting the City and provide City Council with proposals to address those issues.

BE IT FURTHER RERSOLVED that the Flint City Council urges repeal of the ban on rent control laws in Michigan, and directs that the City Clerk send copies of this Resolution to the Michigan State Senate, Michigan House of Representatives, and Governor Gretchen Whitmer.

**RESOLUTION RELATIVE TO AMERICAN RESCUE PLAN ACT (ARPA) FUNDS
ADMINISTRATION PROCESS TO THE INDIVIDUALS OF FLINT**

BY THE CITY COUNCIL:

The Flint City Council acknowledges the existence of approximately \$30-40 million of American Rescue Plan Act (ARPA) funds left to be allocated within the City of Flint.

This resolution allocates \$15,000,000 (Fifteen-Million Dollars) of the ARPA funds as a community grant program to be administered directly to individual homeowners who apply, and are approved therefor.

Further, the Flint City Council acknowledges the existence of approximately 800 (Eight-Hundred) individual grant requests, claims, and/or applications which were submitted prior to the March 27, 2023 cut-off date. It is the position of the Flint City Council that this cut-off date was premature given the significant and ongoing community need.

WHEREFORE, be it here resolved that:

- (1) The individual grants requests which were already submitted prior to the March 27, 2023 cut-off date are hereby deemed valid; and furthermore,
- (2) The application period for ARPA grant funding for individual homeowners is hereby reopened for three weeks or twenty-one (21) days from the date of the passage of this Resolution; and furthermore,
- (3) Each individual homeowner grant request, both those previously submitted and those to-be submitted, shall be processed by the City, or by the City's representative authorized to administrator ARPA funds, within 180 days from their receipt of the said request; however, requests submitted prior to the March 27, 2023 cut-off date shall be given priority over new requests; and furthermore,
- (4) Within sixty (60) days from the passage of this Resolution, the City's Legal Department is directed to issue a Request for Proposal (RFP) and accept bids from a third-party claims administrator who will be responsible for administering the ARPA funds; and furthermore,
- (5) Within thirty (30) days after the RFP period closes, those bid requests are to be presented to the Flint City Council for awarding of the contract; and furthermore,

- (6) The Initial Request Form which was previously used to submit grant requests will continue to be used for new grant requests until the third-party claims administrator is selected and provides a request form or application of their own.

IT IS RESOLVED, that the Flint City Council authorizes and approves the foregoing.
