MDOT Performance Resolution

The Michigan Department of Transportation (MDOT) requires that municipalities, prior to issuance of an "Individual Permit for Use of State Highway Right of Way", and/or an "Annual Application and Permit for Miscellaneous Operations within State Highway Right of Way," that municipalities enact a performance resolution.

The City of Flint periodically applies to MDOT for permits, referred to as "PERMIT," to construct, operate, use and/or maintain utilities or other facilities, or to conduct other activities, on, over, and under State Highway Right of Way at various locations within and adjacent to its corporate limits;

IT IS RESOLVED that, in consideration of the DEPARTMENT granting such PERMIT, the City agrees that:

1. Each party to this Resolution shall remain responsible for any claims arising out of their own acts and/or omissions during the performance of this Resolution, as provided by law. This Resolution is not intended to increase either party's liability for, or immunity from, tort claims, nor shall it be interpreted, as giving either party hereto a right of indemnification, either by Agreement or at law, for claims arising out of the performance of this Agreement.
2. If any of the work performed for the City is performed by a contractor, the City shall require its contractor to hold harmless, indemnify and defend in litigation, the State of Michigan, MDOT and their agents and employee's, against any claims for damages to public or private property and for injuries to person arising out of the performance of the work, except for claims that result from the sole negligence or willful acts of MDOT, until the contractor achieves final acceptance of the City. Failure of the City to require its contractor to indemnify MDOT, as set forth above, shall be considered a breach of its duties to MDOT.
3. Any work performed for the City by a contractor or subcontractor will be solely as a contractor for the City and not as a contractor or agent of MDOT. MDOT shall not be subject to any obligations or liabilities by vendors and contractors of the City, or their subcontractors or any other person not a party to the PERMIT without MDOT's specific prior written consent and notwithstanding the issuance of the PERMIT. Any claims by any contractor or subcontractor will be the sole responsibility of the City.
4. The City shall take no unlawful action or conduct, which arises either directly or indirectly out of its obligations, responsibilities, and duties under the PERMIT which results in claims being asserted against or judgment being imposed against the State of Michigan, the Michigan Transportation Commission, MDOT, and all officers, agents and employees thereof and those contracting governmental bodies performing permit activities for

MDOT and all officers, agents, and employees thereof, pursuant to a maintenance contract. In the event that the same occurs, for the purposes of the PERMIT, it will be considered as a breach of the PERMIT thereby giving the State of Michigan, MDOT, and/or the Michigan Transportation Commission a right to seek and obtain any necessary relief or remedy, including, but not by way of limitation, a judgment for money damages.

5. The City will, by its own volition and/or request by MDOT, promptly restore and/or correct physical or operating damages to any State Highway Right of Way resulting from the installation construction, operation and/or maintenance of the City's facilities according to a PERMIT issued by MDOT.
6. With respect to any activities authorized by a PERMIT, when the City requires insurance on its own or its contractor's behalf it shall also require that such policy include as named insured the State of Michigan, the Transportation Commission, MDOT, and all officers, agents, and employees thereof and those governmental bodies performing permit activities for MDOT and all officers, agents, and employees thereof, pursuant to a maintenance contract.
7. The incorporation by MDOT of this Resolution as part of a PERMIT does not prevent MDOT from requiring additional performance security or insurance before issuance of a PERMIT.
8. This Resolution shall continue in force from this date until cancelled by the City or MDOT with no less than thirty (30) days prior written notice provided to the other party. It will not be cancelled or otherwise terminated by the City with regard to any PERMIT which has already been issued or activity which has already been undertaken.

IT IS FURTHER RESOLVED that the appropriate City officials in the Department of Public Works, including but not limited to, the Transportation Director and Director of the Department of Public Works, as well as the City Administrator, are authorized to apply to MDOT for the necessary permit to work within the State Highway Right of Way on behalf of the Municipality.
