Agenda Item Title:

RESOLUTION TO UTILIZE ARPA FUNDS TO RESPOND TO THE IMPACTS OF THE PANDEMIC ON HOUSING FOR FLINT HOMEOWNERS – CONTRACT WITH GCCARD TO PERFORM HOME REPAIR

Prepared by:

Latrese Brown, Community Liaison and Emily Doerr, Director of Planning and Development

Background/Summary of Proposed Action:

On October 24, 2022, the Flint City Council adopted an ARPA Allocation Plan for allocating the remaining \$60,351,968.00 of the City's remaining ARPA funding. The category of Neighborhood Improvement (\$13,735,000 total) included \$5,000,000 for home repair / improvement programs to provide assistance to homeowners. A Notice of Funds Available was put out to the community and 12 applications were received with the total applications valuing \$10,720,660.00.

Through the utilization of a specific rubric and review/scoring process, 5 of the 12 applications as well as an additional recommendation for Disability Network for accessibility modifications totaling \$4,625,000 have been chosen by the Mayor for recommendation for funding. These selected organizations address community priorities, meet eligibility requirements, are backed by evidence of effectiveness, promote equitable outcomes, leverage other dollars, and are financially sustainable.

To be eligible for these grants, homeowners need to have been in their house for at least one (1) year, be under 300% of the federal poverty level depending on their household size and be in good standing with the City of Flint (water bills and property taxes paid). Lower-income households will take priority over households with greater levels of income. Additionally, residents are encouraged to utilize the Michigan Homeowner Assistance Fund (MIHAF) to receive assistance with property taxes and water bills but they can also use ARPA funds (from the \$15,000 per household amount) to get into Good Standing.

Financial Implications:

American Rescue Plan Act funds must be obligated by 12/31/24 and fully expended by 12/31/26.

Budgeted Expenditure: Yes ___ No X **Please explain, if no:**

WHEREAS, with resolution 220464.1, an allocation for remaining ARPA funding was created and the ARPA funding now included \$5,000,000 in Contingency; and

AGENDA ITEM TITLE: Resolution Authorizing the Use of ARPA Funding for the Department of Housing and Urban Development 2018 Lead Based Paint and Hazard Control Grant Matching Funds

PREPARED BY: Chay Linseman – Budget and Grant Administrator

VENDOR NAME: N/A

BACKGROUND/SUMMARY OF PROPOSED ACTION:

Use of ARPA funding is being requested in the amount of \$326,027.90 from the Neighborhood Improvement section of the allocation plan adopted by council on 10/24/2022 in resolution 220464.1. The contingency portion of ARPA included an allocation of \$5,000,000; of the \$5,000,000, \$4,500,000 remains. Ernst & Young, managing partner for this grant, recognizes this as eligible funding.

Funding is needed due to the loss of CDBG match funding in the first (2018) Lead Based Paint and Hazard Control grant meant for lead abatement of houses within the city. Originally, CDBG was written into the grant award as the match partner, however, the City was not awarded those matching funds. This funding fills that gap.

FINANCIAL IMPLICATIONS: Without this funding the City will be responsible for the match, possibly requiring use of General fund balance.

**RESOLUTION TO UTILIZE ARPA FUNDS TO RESPOND TO THE IMPACTS OF THE
PANDEMIC ON HEALTH DISPARITIES OF PREGNANT / NEW MOTHERS AND THEIR
INFANTS IN FLINT**

The City of Flint is a duly created and validly existing political subdivision of the State of Michigan under the Constitution and laws of the state of Michigan, and;

On March 11, 2021, the President of the United States of America signed into law the "American Rescue Plan Act of 2021", also known as House Resolution 1319, an Act approved by the Congress of the United States, and which authorized the Treasury of the United States to disburse certain funds to local governments, including the City of Flint, which could be used for specific and defined purposes, and;

In accordance with the American Rescue Plan Act of 2021, the City of Flint wishes to exercise its right to extend and disseminate assistance to impacted households tied to specific criteria, as authorized by the Act, to assist citizens who may have been impacted financially by the ongoing COVID-19 Pandemic.

The administration recommends funding up to \$1,000,000 for Michigan State University for the Flint Rx Kids program. Funding is to come from the following account:

Account Number	Account Name / Grant Code	Amount
287-729.100-801.000	FUSDT-CSLFRF	\$1,000,000

IT IS RESOLVED that the appropriate City officials are authorized to do all things necessary to provide funding to Michigan State University, amend the FY24 budget, and appropriate funding for revenue and expenditures in future fiscal years, for as long as funds are available from the funder. Funds will be paid from the American Rescue Plan Act fund (287). Before funds are spent, the City of Flint's ARPA administration, compliance, and implementation firm shall review and ensure compliance with the latest US Department of Treasury final rules.

Agenda Item Title:

RESOLUTION TO UTILIZE ARPA FUNDS TO RESPOND TO THE IMPACTS OF THE PANDEMIC ON HEALTH DISPARITIES OF PREGNANT / NEW MOTHERS AND THEIR INFANTS IN FLINT

Prepared by:

Emily Doerr, Director of Planning and Development

Background/Summary of Proposed Action:

On October 24, 2022, the Flint City Council adopted an ARPA Allocation Plan for allocating the remaining \$60,351,968.00 of the City's remaining ARPA funding. This included \$5,000,000 in COVID response / Contingency. From this line item, the Mayor is recommending that the City of Flint join the State of Michigan, C.S. Mott Foundation, Ruth Mott Foundation, Michigan Health Endowment Foundation, and the Jacobs Family Foundation in funding a citywide program called Rx Kids, led by Dr. Mona Hanna-Attisha (Director of the MSU-Hurley Children's Hospital Pediatric Public Health Initiative), which is a public/private partnership to address child poverty and health equity. It tackles a root cause of health disparities through the provision of cash allowances to pregnant / new mothers in Flint. The full program budget is \$55M and the effort has raised \$35M so far. It is slated to start in early 2024.

The program funds are running through Michigan State University and being coordinated by GiveDirectly, a nonprofit that is running similar programs like this around the world. The data collection and research evaluation will be a partnership between Michigan State University, University of Michigan (led by Dr. Luke Shaefer, Director of University of Michigan's Poverty Solutions initiative), and Give Directly. On average the program will serve 1200 pregnant / new mothers a year for a total of 6000 over the five (5) year program period. To be eligible for these grants, women who are pregnant must have the pregnancy "verified" through a prenatal health provider at a 20-week check-in. At that point, enrollment begins with the first cash transfer of \$1500. Once the baby is born, monthly allowances of \$500 repeat for the first 12 months and new mothers engage with a network of resources to help increase their health and that of their baby. Programs like this around the world have shown to decrease maternal and infant mortality rates. This program seeks to do that in Flint as well as rebuild trust between Flint residents and their local government.
