AGENDA ITEM TITLE: Resolution Authorizing Retaining the Lighthouse Group to Provide Excess

General Liability Insurance Coverage

PREPARED BY: V Foster - Department of Finance (Risk and Insurance Fund)

VENDOR NAME: Lighthouse Agency

BACKGROUND/SUMMARY OF PROPOSED ACTION:

The Lighthouse Group, the city's insurance broker, solicited quotes for its excess general liability policy. Of the seven carriers to respond, six declined. Old Republic Union Insurance Company, the city's current provider, was the only market willing to offer terms.

Old Republic Union Insurance Company responded with a formal quote of \$632,755.00. It is the recommendation of the Lighthouse Group and the Chief Financial Officer to add terrorism coverage for an additional \$2,755.00. The total premium for all coverage will be \$635,510.00.

The premium quoted represents an increase of 15%. This increase is due to several factors, including past claims activity, large liability awards across the county, municipalities being a targeted class of business for liability claims, and an increase in lawsuits in the United States.

SECTION 50-186 DECISION-MAKING BODIES

D. Zoning Permit Review

1. Designation

Certain activities require review by the Department of Planning and Development for compliance with this Chapter, but are not complicated enough to warrant formal Site Plan Review or a higher level of review. In these instances, a department staff member who has been designated by the Director of Planning and Development or the Zoning Coordinator may undertake the review. These staff reviews can often be handled in a walk-in visit, but may take longer than two (2) business days depending on the individual project or case load.

- 2. Activities eligible for Zoning Permit Review:
- i. On Single-Family Detached and Two-Family lots and Dwellings:
- a. Construction of a new dwelling (Unless a Special Land Use).
- b. Addition to an existing dwelling.
- c. Construction or alteration to an accessory building or structure.
- d. Installation or alteration of a swimming pool, spa, hot tub or similar use.
- e. Construction or alteration of a deck.

- f. Installation or alteration of a fence.
- ii. On Attached Single Family, Multiple-Family, Mixed-Use and Non-Residential Lots, Buildings or Structures when the proposed activity is permitted by right in the underlying district and when not involving a Special Land Use or an Additionally Regulated Use:
- a. Change in use of existing development to a permitted use (not a Special Land Use or an Additionally Regulated Use) not requiring additional parking or the need to conform to the landscaping requirements of Article 13.
- b. Construction or alteration to an accessory building or structure.
- c. Installation or alteration of a swimming pool, spa, hot tub or similar use.
- d. Construction or alteration of a deck.
- e. Installation or alteration of a fence.

SECTION 50-158 ADDITIONAL LANDSCAPE AND SCREENING REQUIREMENTS

7. ALTERNATIVE LANDSCAPING OPTIONS. IF AN APPLICANT CANNOT COMPLY WITH THE STRICT REQUIREMENTS OF THIS CHAPTER DUE TO SITE CONDITIONS, INCLUDING BUT NOT LIMITED TO EXISTING PAVEMENT, THE PRESENCE OF UNDERGROUND UTILITIES, OR LIMITED AREA ON A SITE, ALTERNATIVE METHODS TO MEETING LANDSCAPING REQUIREMENTS MAY BE EMPLOYED. THESE ALTERNATIVES MAY INCLUDE BUT ARE NOT LIMITED TO THE USE OF PLANTER BOXES OR RAISED BEDS RATHER THAN PLANTING VEGETATION DIRECTLY INTO THE GROUND. ANY SUCH ALTERNATIVE STRUCTURE MUST BE REVIEWED AND APPROVED BY THE CITY'S DEPARTMENT OF PUBLIC WORKS AND ENGINEERING DEPARTMENT. ANY STRUCTURE UTILIZED AS A LANDSCAPING ALTERNATIVE SHALL BE CONSTRUCTED OF PERMANENT, DURABLE MATERIALS LIKE BRICK, CONCRETE, OR FINISHED METAL AND MATCH THE EXTERIOR FINISH OF OTHER BUILDINGS AND STRUCTURES ON THE SITE.

IF AN ALTERNATIVE OPTION IS UTILIZED, THE TOTAL AMOUNT OF VEGETATION REQUIRED BY THIS CHAPTER MUST STILL BE PROVIDED, UNLESS A WAIVER OR ADMINISTRATIVE DEPARTURE HAS BEEN GRANTED (SEE SECTION 50-150).

STAFF REVIEW

Date: November 17, 2023

Agenda Item Title:

RESOLUTION FOR APPROVAL OF RECOMMENDED MAP AND TEXT AMENDMENTS TO THE CITY OF FLINT ZONING ORDINANCE

Prepared by:

Emily Doerr, Director of Planning and Development

Background/Summary of Proposed Action:

Section 50-191 [Map (Rezoning) and Text Amendment Procedure] and the Michigan Zoning Enabling Act both require that the Planning Commission make a recommendation to the City Council for consideration and final action.

The City of Flint Planning Commission held a public hearing on August 22nd, 2023 to consider text amendments to the Zoning Ordinance adopted October 29th, 2022. The Planning Commission made a motion at their September 12th, 2023 meeting to recommend the proposed text amendments for approval to City Council. The proposed text amendments include changes to Article 11: Nonconforming Lots, Buildings, Structures, and Uses; Article 13: Landscaping Standards; and Article 17: Applications and Review Procedures. This is in compliance with the *Imagine Flint* Comprehensive Plan.

The City of Flint Planning Commission held another public hearing on September 12th, 2023 to consider map amendments to the Zoning Ordinance adopted October 29th, 2022. The Planning Commission made a motion at their September 26th, 2023 meeting to recommend the proposed map amendments for approval to City Council. The proposed map amendments were selected in partnership with the City Assessor by identifying commercial corridors in the City of Flint that went from a commercial designation to a residential designation when the current Zoning Map was adopted. Around 830 parcels in all 9 wards were selected for this map amendment proposal based on the described methodology. The proposed map amendments are expected to allow redevelopment of existing commercial buildings on existing commercial corridors, while also allowing more opportunities for the development of higher density multi-family units in some areas where they were not previously permitted.

These proposed map and text amendments are recommended by the Planning Commission and are in compliance with the *Imagine Flint* Comprehensive Plan, specifically:

- Chapter 3 Vision and Guiding Principles: "The City will embrace a creative and entrepreneurial spirit to invest in the skills of our people and remove barriers that unfairly limit potential."
- Chapter 4 Land Use Plan: "By following the recommendations outlined in this chapter, Flint can reposition its neighborhoods, leverage underutilized properties, and repurpose blighted areas into productive uses. The repurposing of vacant or underutilized properties is a central component of the Land Use Plan. Recognizing that some areas of Flint cannot continue to exist as they do today, Flint residents have chosen to adapt and transform their neighborhoods and commercial corridors into areas where innovative practices, including green neighborhoods and the green economy, can flourish. Throughout other areas of the City, the community has staked a claim to protect and preserve existing neighborhoods and districts. The Land Use Plan reinforces the function and sense of places in these areas while encouraging further investment.

• Chapter 9 – Economic Development and Education Plan: "Imagine Flint as a dynamic college town, a center of innovation and entrepreneurship, a top destination for medical sector companies, an international hub for trade and transportation, and a community where residents of all backgrounds share equally in Flint's economic rebirth. Imagine a thriving small business scene, where aspiring business owners are empowered to open shops in neighborhoods across the City. Over the next twenty years, Flint can achieve this vision. However, we must first face existing realities: Flint has been overly reliant on manufacturing, youth are not adequately prepared for college and the workforce, new business ventures encounter unnecessary hurdles, and certain neighborhoods face severe disinvestment.

MEMORANDUM to: Flint City Council

SUBMITTED by: Max E. Lester, Interim Zoning Coordinator REGARDING: Map Amendments to the City of Flint Zoning Map

The City of Flint Planning Commission opened a public hearing on September 12th, 2023 to review and consider map amendments to the Zoning Ordinance as requested by Planning and Zoning staff. These amendments were proposed to ensure existing commercial buildings on active commercial corridors may continue to be used without the need for variances, to allow redevelopment of existing distressed commercial corridors with similar uses to what was permitted previously, and to allow for multi-family housing options in commercial corridors that have declined significantly. The intended impact of the overall proposed map amendment is to remove an unnecessary barrier from small business owners who wish to establish a business within existing commercial buildings and for business owners who wish to expand their existing businesses, ensuring greater equity for those who have less starting capital available.

The methodology taken by staff was to first narrow the list of 55,000 total parcels to those that were previously designated D-1, D-2, D-3, D-4, D-5, or D-6 under the previous ordinance but are now designated GN-1, GN-2, TN-1, or TN-2. Additional parcels were included for certain focus areas depending on the surrounding area and how proposed zoning districts would interact with existing zoning districts. Further amendments may be warranted; however, the current proposed changes are designed to address a recurring issue leading applicants to seek Use-Variances through the Zoning Board of Appeals to reuse existing commercial buildings.
