RESOLUTION NO.: _____

ADOPTED: _____

RESOLUTION TO PROCEED WITH ARPA FUNDS GRANTS FOR INCREASED FOOD ACCESS FOR FLINT FRESH MOBILE MARKET

The City of Flint is a duly created and validly existing political subdivision of the State of Michigan under the Constitution and laws of the State of Michigan, and;

On March 11, 2021, the President of the United States of America signed into law the “American Rescue Plan Act of 2021”, also known as House Resolution 1319, an Act approved by the Congress of the United States, and which authorized the Treasury of the United States to disburse certain funds to local governments, including the City of Flint, which could be used for specific and defined purposes, and;

In accordance with the American Rescue Plan Act of 2021, the City of Flint wishes to exercise its right to extend and disseminate assistance to impacted households tied to specific criteria, as authorized by the Act, to assist citizens who may have been impacted financially by the ongoing COVID-19 Pandemic.

The administration recommends funding the Increase Food Access contracts in the amount of \$250,000 from the category of Public Health # HB06 as part of City Council Resolution 220464.1, Proposed ARPA Allocation Plan, on October 24, 2022. The information can also be found under the Public Health tab on the excel spreadsheet provided by E&Y.

According to the City of Flint ARPA plan, the desired outcomes for this category are:

- Make Flint families food secure
- Prioritize mental health
- Refurbish parks and community centers

Mayor Neeley and the administration were tasked with adjusting the amounts awarded and the selected organizations to make sure that the amount funded matched the council approved budget amount. The recommendations for Increased Food Access are from the ARPA Committee and are fully recommended.

Attached to this resolution, you will find a detailed organization description including a summary, date established, past projects, and purpose of the requested funds listed on their ARPA application.

Funding is to come from the following account:

app #	Organization	Funded Project Purpose	Original Request	Mayor's Recommendation		
1165	Foodbank of Eastern Michigan	Food Operations	\$250,000	\$ 300,000	287-725.400-801.000

Agenda Item Title:

RESOLUTION TO PROCEED WITH ARPA FUNDS GRANTS FOR INCREASED FOOD ACCESS FOR FLINT FRESH MOBILE MARKET

Prepared by:

Latrese Brown, Community Liaison

Background/Summary of Proposed Action:

Flint Fresh Mobile Market: *Funding request and purpose:* **Requesting \$250,000 for Mobile Market;** Flint Fresh will provide fresh, healthy food to Flint-based food pantries, food distribution sites and free meal sites to distribute to low-income Flint residents. The program will directly address the lack of access to such foods in underserved areas of the City of Flint by providing free food to community organizations that experienced decreased funding and critically depleted food stocks due to the COVID-19 pandemic.

A minimum of 80% of ARPA funds will be used for direct food purchases, 100% of which will be delivered and distributed within the City of Flint. Flint Fresh - an existing 15,000 square foot food hub situated in Flint – has the capacity to source food in sufficient amounts, purchase it, store it, package it and deliver it to Flint-based organizations. The remainder of the funds will be spent on supplies incidental to food distribution (e.g. packaging) and on internal improvements directly intended to streamline and expand Flint Fresh's capacity to distribute food.

Further, Flint Fresh's food program will make healthy choices the easiest choices by:

- 1) Providing an abundance of free food directly to organizations that feed those who have been marginalized by racism and disinvestment in Flint.
- 2) Providing foods that a) Have higher nutrient content and less saturated and trans-fat; b) Allow residents to reduce processed food intake, overall calorie intake, obesity risk, and chronic disease development; and c) Mitigate lead exposure
- 3) Allowing Flint-based organizations freedom of choice in ordering the healthy foods preferred by their clients. All of this will lead to increased life expectancies and racial equity in health outcomes for Flint residents.

History:

The Flint Fresh Mobile Market was the organization's original nutrition program, started in 2016 with a practical function at its core: healthy food helps limit lead absorption. The first mobile market was a single recommissioned MTA bus.

Flint Fresh had goals beyond reacting—they saw the potential for a deeper impact on the community's food economy. Other partners, including the Health Fund, agreed. The program has grown immensely: today, there are three Flint Fresh-branded trucks on the roads, bringing fresh

produce to senior living centers, apartments, and schools around Flint. While the Mobile Market sets up shop at central locations and public spaces, the Flint Fresh food box subscription program brings fruits and vegetables directly to Flint resident's doorsteps. Residents and businesses within city limits can receive boxes with no delivery fee, or they can choose to pick up their orders directly from the Food Hub.

RESOLUTION TO PROCEED WITH ARPA FUNDS GRANTS FOR SMALL BUSINESS GRANTS FOR LOCAL INITIATIVES SUPPORT CORPORATION

The City of Flint is a duly created and validly existing political subdivision of the State of Michigan under the Constitution and laws of the State of Michigan, and;

On March 11, 2021, the President of the United States of America signed into law the "American Rescue Plan Act of 2021", also known as House Resolution 1319, an Act approved by the Congress of the United States, and which authorized the Treasury of the United States to disburse certain funds to local governments, including the City of Flint, which could be used for specific and defined purposes, and;

In accordance with the American Rescue Plan Act of 2021, the City of Flint wishes to exercise its right to extend and disseminate assistance to impacted households tied to specific criteria, as authorized by the Act, to assist citizens who may have been impacted financially by the ongoing COVID-19 Pandemic.

The administration recommends funding the Small Business Grants contracts in the amount of \$500,000 from the category of Economic Development as part of City Council Resolution 220464.1, Proposed ARPA Allocation Plan, on October 24, 2022. The information can also be found under the Economic Development tab on the excel spreadsheet provided by E&Y. According to the City of Flint ARPA plan, the desired outcomes for this category are:

- Create good-paying jobs
- Restore small businesses
- Encourage entrepreneurs

Mayor Neeley and the administration were tasked with adjusting the amounts awarded and the selected organizations to make sure that the amount funded matched the council approved budget amount. The recommendations for Economic Development are from the ARPA Committee and are fully recommended.

Agenda Item Title:

RESOLUTION TO PROCEED WITH ARPA FUNDS GRANTS FOR SMALL BUSINESS GRANTS FOR LOCAL INITIATIVES SUPPORT CORPORATION

Prepared by:

Latrese Brown, Community Liaison

Background/Summary of Proposed Action:

The Local Initiatives Support Corporation: *Funding request and purpose:* **Requesting \$500,000 for Minority-Owned Small Business Grants;**

The Local Initiatives Support Corporation Flint office (LISC Flint) requests \$500,000 to launch the LISC Four Corridor Small Business Improvement Fund to disburse grants to small and minority businesses in City defined corridors. With the LISC Four Corridor Small Business Improvement Fund, LISC will foster a robust and accessible entrepreneurial ecosystem that catalyzes business starts and expansions in transforming communities by deploying innovative business attraction and expansion strategies and incentives.

Increasing the capacity of small businesses by providing grants, potential financing mechanisms, technical assistance from LISC, and working with these entities to formulate plans to successfully implement their goals will be a key element in our work over the life of the grant.

Through this small business rescue fund initiative, LISC hopes to serve up to 20 small businesses within the City of Flint, with a priority focus to provide support to COVID-19 affected businesses. Elements of the program include:

- LISC will administer an application based, rolling grant program, to help small businesses located in Four -Corridors of City of Flint QCT's, with fewer than 20 employees, recover from the pandemic and foster economic stability.
- Providing technical assistance to business development organizations to expand their capacity assisting entrepreneurs desiring to start, sustain, and expand small businesses.
- Leveraging additional funds and programs from other private and public entities at the national and local level.
- Deploying direct grants to sustain small and minority businesses.

- Building the small business ecosystem and facilitating mentorship programs to enable peer knowledge sharing.

LISC Flint would launch the grant program in Fall 2023 and select grant recipients based upon completed application and eligibility requirements. Partner business development organizations (the SBA Flint Community Navigator Pilot Program, etc.) will be utilized to provide support services, outreach, and assist individuals interested in submitting an application for the grant award.

History:

Since 1988, LISC Flint has been working towards this vision by providing funding, financing, and technical assistance to Community Development Corporations (CDCs), Non-Profit Developers, and Policy & Advocacy Organizations in the city of Flint. With LISC's support, community developers have been able to provide affordable housing, spark economic development, and increase access to high-quality education, transportation, and other crucial resources. LISC bridges the gap by offering the relationships and expertise to help community organizations attract the kinds of resources that allow them do their best work.

SUBJECT: Management of American Rescue Plan Act (ARPA) Funds – Proposal #22000512

The proposals received for RFP #22-512 were reviewed and discussed with Jennifer Ryan, Lottie Ferguson, Khalfani Stephens, Martita Moffett-Page, and Robert J.F. Widigan. Below is a summary of the results.

From our original Management of American Rescue Plan Act (ARPA) Funds RFP, we received eight (8) proposals (attached is a summary of all eight responses, titled "Flint ARPA Proposal Summary - FINAL"). The (8) proposal were from the following firms:

1. Witt O'Brien's, LLC - Washington, DC
2. Accutrak Consulting and Accounting Services PLLC - Chesterfield, MI
3. Ernst & Young LLP - Detroit, MI
4. Montgomery & Company, PLLC - Southfield, MI
5. MGT of America Consulting, LLC - Tampa, FL
6. Guidehouse, Inc. - Falls Church, VA
7. BLN Emergency Management - Wixom, MI
8. Tidal Basin Government Consulting, LLC - Utica, NY

From those eight (8) proposals, we focused on four (4). They were selected based on all of the following factors: total cost; subcontracting; proximity to Flint, MI or Genesee County, MI; experience working with other Michigan communities; and overall experience managing federal grants.

Re: Bid Recommendation – Electrical Contractor
Six City Parks

Based on the bid tabulation for proposals received, Weinstein Electric is the apparent low bidder. I recommend proceeding with approval of Weinstein Electric, to complete the base bid of \$76,817.00. In addition, given the scope of the project, it would be beneficial to add a contingency of 5 percent, or \$3,840.85, to cover any unexpected cost during the process. The total amount of the contract with the contingency is \$80,657.85.

I understand material pricing and labor rates are on the rise yet again. So, the sooner we can lock in the pricing and ensure a spot on the contractor's schedule, the better. I've attached the bid tabulation for reference.

**RESOLUTION TO BERGER CHEVROLET INC. FOR
THE PURCHASE OF REPLACEMENT VEHICLES**

BY THE CITY ADMINISTRATOR:

Berger Chevrolet Inc. has an approved MI-Deal Contract (71B7700177) through the State bidding process. Water Pollution Control, a Division of Public Works, maintains a fleet of vehicles some of which are in need of replacement.

Dealership onsite inventory continues to be scarce; this purchase order will allow WPC to procure vehicles that the dealer has placed on "Hold" while awaiting approval to proceed with the purchase. Additionally, if the City were to order custom Work Trucks the vehicles may not be available until one year or greater from the date of order. Berger Chevrolet Inc. is a MI-Deal approved vendor for GMC and Chevrolet work trucks, and has agreed to deliver the vehicles as soon as possible once an approved Purchase Order is generated. Price quotations with accessory cost estimates are stated on the table below:

Vehicle Type	Estimated Quantity	Estimated Cost Each	Total
2500HD Chevrolet Silverado with Service Body - Gasoline	2	\$62,388.00	\$124,776.00

BACKGROUND/SUMMARY OF PROPOSED ACTION:

WPC has a fleet of vehicles which allow their employees to service the remote pumping stations and perform other tasks at various City locations. Several of these vehicles are old, failing, and in need of replacement. Due to the current vehicle shortage WPC is requesting a purchase order with MI-Deal approved vendor, Berger Chevrolet, for the purchase of approximately three vehicles (Service Body Trucks [2], Pickup Truck [1], accessories). Costs are listed below:

¾ Ton Service Body 4WD Truck Gas -(2) cost \$62,388.00 each
¾ Ton REG Pickup 4WD Truck Gas - (1) cost \$51,851.00 each

Re: Bid Recommendation – Parking Lot Resurfacing for City Parking Lots

Based on the bid tabulation for proposals received, Eastern Asphalt is the best bidder based on recommendations and bid responses. I recommend proceeding with the approval of Eastern Asphalt, to complete the base bid of \$221,350.50. In addition, given the shape of the parks, it would be beneficial to add a contingency of 19 percent, or \$42,547.11, to cover any unexpected cost, as needed. The total amount of the contract with the contingency is \$263,897.61.

I understand material pricing and labor rates are on the rise yet again. So, the sooner we can lock in the pricing and ensure a spot on the contractor's schedule, the better. I've attached the bid tabulation for reference.

Re: Bid Recommendation – Installation of Bollards for Eleven Parks

Based on the bid tabulation for proposals received, Nationwide Construction Group is the apparent low bidder. I recommend proceeding with the approval of Nationwide Construction Group, to complete the base bid of \$848,543.44. In addition, given the shape of the parks, it would be beneficial to add a contingency of 5 percent, or \$42,427.17, to cover any unexpected cost, as needed. The total amount of the contract with the contingency is \$890,970.61.

I understand material pricing and labor rates are on the rise yet again. So, the sooner we can lock in the pricing and ensure a spot on the contractor's schedule, the better. I've attached the bid tabulation for reference.
