ROLL CALL**REQUEST FOR AGENDA CHANGES/ADDITIONS****CLOSED SESSION**

The Department of Law has requested a Closed Session to discuss Lucio v City of Flint, ED Mich Case No. 24-10256.

PUBLIC COMMENT

Members of the public shall have no more than three (3) minutes to address the City Council on any subject. Only one speaking opportunity per speaker.

COUNCIL RESPONSE

Councilmembers may respond once to all public speakers only after all public speakers have spoken. An individual Councilmember's response is limited to two (2) minutes.

CONSENT AGENDA

Per the amended Rules Governing Meetings of the Flint City Council (as adopted by the City Council on Monday, April 22, 2024), the Presiding Officer or Chair may request the adoption of a "Consent Agenda." After a motion to adopt a Consent Agenda is made and seconded, the Presiding Officer or Chair shall ask for separations. Any agenda item on a Consent Agenda shall be separated at the request of any Councilmember. After any separations, there is no debate on approving the Consent Agenda - it shall be voted on or adopted without objection.

RESOLUTIONS

240115 Consent to Entry of Stipulation and Notice/Concerned Pastors for Social Action Et Al v City of Flint Et Al

Resolution resolving that the City Council approves authorizing the Department of Law to consent to entry of the Stipulation and Notice in the case of Concerned Pastors for Social Action, et al. v City of Flint, et al., United States District Court, Eastern District of Michigan, Case No. 16-10277. [NOTE: An Executive (Closed) Session was held on this matter on March 20, 2024.]

240131.2 Approval/Amended Brownfield Plan/Dupont Industrial Facility/ 1809 James P. Cole Boulevard

Resolution resolving that Definitions. Where used in this Resolution, the terms set forth below shall have the following meaning unless the context clearly requires otherwise: "Eligible Activities or "eligible activity" shall have the meaning described in Act 381. "Eligible Property" means the property designated in the Plan as the Eligible Property, as described in Act 381. Plan" means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the

City Clerk. Taxing Jurisdiction" shall mean each unit of government levying an ad valorem property tax on the Eligible Property. 1. Public Purpose. The City Council hereby determines that the Plan constitutes a public purpose. 2. Best Interest of the Public. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan. 3. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations: i. Portions of the property designated in the Plan meets the definition of Eligible Property, as described in Act 381, including consideration of the criteria of "blighted" as defined in Act 381; ii. The Plan meets the requirements set forth in section 13 of Act 381. iii. The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing. iv. The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381. v. The amount of captured taxable value estimated to result from adoption of the Plan is reasonable. 4. Approval and Adoption of Plan. The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office. 5. Establishment of Project Fund: Approval of Depository. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depository bank account or accounts in a bank or banks approved by the Treasurer of the City. All monies received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All monies in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381. 6. Use of Monies in the Project Fund. The monies credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by and in accordance with the Plan and any development. 7. Payment of Tax Increment Revenues to Authority. The municipal and the county treasurers shall, as ad valorem and specific local taxes are collected 01') the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments shall be made not more than 30 days after the Tax Increment Revenues are collected. 8. Disclaimer. By adoption of this Resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this Resolution and Plan. The City makes no guarantees or representations as to the determinations of the appropriate state officials regarding the ability of the Authority to capture tax increment revenues from the State and local school district taxes for the Plan. 9. Repealer. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution shall be rescinded. [NOTE: A public hearing for this brownfield plan is scheduled for Monday, May 13, 2024.]

240140

ARPA Contingency Funds and Earned Interest/Flint Downtown Development Authority [DDA]/Revenue Replacement Funds/Parking Revenue Loss During COVID-19 Pandemic

Resolution resolving that the appropriate City officials are authorized to do all things necessary, including executing any necessary agreements, to appropriate funding from the funding source Accts. No. 01-287.000-963.000 and No. 001-000.000-273.800 for a contribution to the component unit,

Downtown Development Authority, in the amount of \$560,586. Based on review and validation of the appropriate fund use by the City's compliance firm, implementation of these funds will be consistent and compliant with US Department Treasury requirements and previously approved authorizations. [NOTE: City Administration recommends reallocating \$560,586 of ARPA funds - \$250,000 previously obligated for contingency and \$310,586 from earned interest – to provide revenue replacement funds to the Flint Downtown Development Authority because of parking revenue lost during the COVID-19 pandemic, specifically from April 1, 2020 to June 30, 2022. During these 27 months, compared to the parking revenue reported from July 1, 2018 to June 30, 2019, the parking revenue loss was calculated to be \$560,586.

240144 Administrative Consent Order/City of Flint/State of Michigan/Department of Environment, Great Lakes and Energy [EGLE]/Drinking Water and Environmental Health Division

Resolution resolving that the City Council approves authorizing the City of Flint to take all actions necessary to enter into DWEHD Order No. ACO-399-03-2024 ("Administrative Consent Order between the City of Flint and EGLE"). [NOTE: The State of Michigan, Department of Environment, Great Lakes, and Energy ("EGLE"), Drinking Water and Environmental Health Division ("DWEHD") has made allegations that the City of Flint is in violation of the Michigan Safe Drinking Water Act, 1976 PA 399, as amended (Act 399), and the administrative rules promulgated thereunder, being 2009 ACS R 325.10101, et seq., Title XIV of the Public Health Service Act: Safety of Public Water Systems (Safe Drinking Water Act), Title 42 of the United States Code (USC), Section 300f, et seq. (collectively, the "SDWA"). The City of Flint and EGLE have tentatively agreed to resolve the violations alleged by EGLE through entry of an Administrative Consent Order.]

240149 Parcel Acquisition/Police and Fire Training Facility

Resolution resolving that the Flint City Council approves of the acquisition of three (3) properties [to facilitate the construction of a Police and Fire Training Center] and authorizes the appropriate City Officials to do all things necessary to acquire the properties [Total Amount: \$4,538.42].

240150 CO#5/Contract/Trio Paint/General Contractor Services

Resolution resolving that the appropriate City Officials are authorized to enter into a contract Change Order No. 5 and issue additional purchase orders to Trio Paint for contractor services, in an amount not-to-exceed \$13,815.08, for FY24 (07/01/23-06/30/24) for Fire Station #5 kitchen upgrades, for an aggregate FY23-FY25 contract total not-to-exceed \$1,078,955.51.

240151 CO#2/Contract/JB's Tree and Yard Service/Urban Forestry Services and Brush Clearing

Resolution revolving that the appropriate City Officials are to do all things necessary to enter into a Change Order No. 2 with JB's Tree and Yard Service for Water Plant Urban Forestry Services, in an amount not-to-exceed

\$30,000.00 for FY2024 (07/01/23-06/30/24), for an aggregate 3-year contract total not-to-exceed \$355,550.00.

240152 AT&T/Switched Ethernet Service

Resolution resolving that the appropriate officials are hereby authorized to do all things necessary to enter into agreement with AT&T and the City of Flint for an AT&T Switched Ethernet Service Pricing Agreement, for 12 months beginning March 2024 through March 2025, for an amount not to exceed \$25,000 for FY24 (01/02/23-06/30/24) and \$75,000.00 for FY25 (07/01/24-06/30/25) pending budget adoption.

240153 CO#7/Contract/BS&A Software

Resolution resolving that the appropriate City Officials are authorized to do all things necessary to enter into Change Order No.7 to the contract with BS&A Software to provide software applications, for the period May 1, 2024 through May 1, 2025, for the amount of \$146,137.00, and a total contract amount of \$999,300.00 under the same terms and conditions. Allocations for FY 24-25 are pending budget approval.

240154 Palo Alto Network/Security Initiative-Project

Resolution resolving that the appropriate City Officials are authorized to do all things necessary to authorize the purchase of Palo Alto Network for the Security Initiative, for the amount of \$284,402.89 pending budget amendment approval.

240155 Budget Amendment/FY2024 Third Quarter Operating Budget

Resolution resolving that the appropriate officials are hereby authorized to do all things necessary to incorporate the approved appropriation changes into the FY2024 operating budget of the City of Flint. [NOTE: Information Technology @ \$284,402.89 and Law Department/Legal Case Management Services @ 25,000.00.]

240156 Dearborn National Life Insurance Company/Life and Disability Insurance for City Personnel

Resolution resolving that the appropriate officials are authorized to do all things necessary to increase the existing agreement with Dearborn National Life Insurance Company by \$40,000 to cover the current contract through March 1, 2025. The total revised amount of the contract for March 1, 2023 - March 1, 2025, shall not exceed \$365,000.00.

240157 Cascade Cart Solutions/Recycling and Trash Carts

Resolution resolving that the proper City Officials are hereby authorized to enter into a contract with Cascade Cart Solutions for recycling and trash, AND, further resolving that the City of Flint will pay \$1,200,000.00 upfront and the State of Michigan, Department of Environment, Great Lakes & Energy will

reimburse \$1,000,000.00 to the City of Flint after all of the carts have been fully disbursed and a final report is issued to the State of Michigan. A 20% match is required for this grant, in the amount of \$200,000.00, which will be reimbursed by The Recycling Partnership.

240158 Reallocation of ARPA Funds/Reroot Pontiac/Alternate Uses for Vacant Lots

Resolution resolving that the appropriate City Officials are authorized to do all things and execute any agreements necessary to Reroot Pontiac and appropriate funding in the current and future fiscal years, in the amount of \$25,000.00, for as long as the funds are available. Prior to any disbursement of funds, the City of Flint's ARPA administration, compliance, and implementation firm shall review and ensure compliance with the latest US Department of Treasury rules.

240161 Reallocation of ARPA Funds/Stemulation/Flint Innovative Solutions (As Fiduciary)/Alternate Uses for Vacant Lots.

Resolution resolving that the appropriate City Officials are authorized to do all things and execute any agreements necessary to Stemulation (Flint Innovative Solutions as Fiduciary) and appropriate funding in the current and future fiscal years in the amount of \$22,500.00, for as long as the funds are available. Prior to any disbursement of funds, the City of Flint's ARPA administration, compliance, and implementation firm shall review and ensure compliance with the latest US Department of Treasury rules.

240169 Reallocation ARPA Funds/To Payment of Uncollected Trash Fees

Resolution resolving that the appropriate City Officials are authorized to do all things and execute any agreements necessary to appropriate funding in the current and future fiscal years, for as long as the funds are available. Prior to any disbursement of funds, the City of Flint's ARPA administration, compliance, and implementation firm shall review and ensure compliance with the latest US Department of Treasury rules. [NOTE: City Administration recommends reallocating \$2,000,000 of ARPA funds, previously obligated for revenue replacement, to provide funding for payment of uncollected trash fees. Reallocated funds will be moved from Acct #101-287.000-963.000.]

240170 Contract/Mike & Moore Construction/Lead Based Paint Hazard Control Abatement Services (Lead Remediation Services)

Resolution resolving that the proper City Officials are authorized to enter into a contract with AZ Renovations [Mike & Moore Construction] for Lead Remediation Services for FY24-FY25 (05/10/24-03/30/25), in an amount not-to-exceed \$125,450.00.

240171 Contract/AZ Renovations/Lead Based Paint Hazard Control Abatement Services (Lead Remediation Services)

Resolution resolving that the proper City Officials are authorized to enter into a contract with AZ Renovations for Lead Remediation Services for FY24-FY25

(05/10/24-03/30/25), in an amount not-to-exceed \$93,000.00.

240172 Contract/Contractor Training Institute LLC (CTI)/Lead Based Paint Hazard Control Abatement Services (Lead Remediation Services)

Resolution resolving that the proper City Officials are authorized to enter into a contract with Contractor[s] Training Institute LLC (CTI) for Lead Remediation Services for FY24-FY25 (05/10/24-03/30/25), in an amount not-to-exceed \$43,230.00.

240173 Contract/Lakestar Construction Services/Lead Based Paint Hazard Control Abatement Services (Lead Remediation Services)

Resolution resolving that the proper City Officials are authorized to enter into a contract with LakeStar Construction Services, Inc. for Lead Remediation Services for FY24-FY25 (05/10/24-03/30/25), in an amount not-to-exceed \$107,470.00.

240174 Budget Adjustment/Choice Neighborhoods Clark Commons Project Phase II

Resolution resolving that the appropriate City Officials are authorized to do all things necessary to increase Clark Commons II LDHA agreement, in the amount of \$150,000.00, for a revised total of \$5,126,419.50, and process a budget amendment using accounts of \$150,000 per the previously approved Choice Neighborhoods and EGLE funds.

ADOPTED: _____

Resolution Approving City of Flint Brownfield Redevelopment Authority Amended Brownfield Plan for Dupont Industrial Facility at 1809 James P. Cole Blvd

BY THE CITY ADMINISTRATOR:

On July 28, 1997, the Flint City Council adopted a resolution establishing the Brownfield Redevelopment Authority ("Authority") of the City of Flint pursuant to the Brownfield Redevelopment Financing Act 381 of the Public Acts ("Act") of 1996, to promote the revitalization, redevelopment and reuse of certain blighted, tax reverted and functionally obsolete properties.

Under Act 381, the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property.

Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has approved a proposed amended brownfield plan for the Dupont Industrial Facility at 1809 James P. Cole Blvd. (the "Plan") at their meeting on November 14th, 2023.

Note: The Flint Brownfield Redevelopment Authority approved the Brownfield Plan for the originally proposed project on December 8, 2020 and City Council approved that Brownfield Plan on June 14, 2021. As a portion of the original property has been sold to another developer and the market and site conditions dictated a redesign of the originally proposed project, the originally approved Brownfield Plan has been amended to incorporate the necessary changes for approval by the FBRA and City Council to allow the project to move forward.

The required notice of the public hearing on the proposed Plan was given in accordance with Section 13 of Act 381, and such hearing will be held by City Council on February 21st, 2024.

Once approved, the brownfield plan will allow for the reimbursement of eligible project expenses from the additional tax revenue realized as a result of the redevelopment. The reimbursement can occur over the life of the plan which is normally 30 years. The eligible reimbursable expenses are estimated at around \$1.7M.

IT IS RESOLVED, THAT:

Definitions. Where used in this Resolution, the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

"Eligible Activities or "eligible activity" shall have the meaning described in Act 381.

"Eligible Property" means the property designated in the Plan as the Eligible Property, as described in Act 381.

"Plan" means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

"Taxing Jurisdiction" shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

1. Public Purpose. The City Council hereby determines that the Plan constitutes a public purpose.
2. Best Interest of the Public. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.
3. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:
 - i. Portions of the property designated in the Plan meets the definition of Eligible Property, as described in Act 381, including consideration of the criteria of "blighted" as defined in Act 381;
 - ii. The Plan meets the requirements set forth in section 13 of Act 381.
 - iii. The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing.
 - iv. The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381.
 - v. The amount of captured taxable value estimated to result from adoption of the Plan is reasonable.
4. Approval and Adoption of Plan. The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.
5. Establishment of Project Fund: Approval of Depository. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depository bank account or accounts in a bank or banks approved by the Treasurer of the City. All monies received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All monies in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.
6. Use of Monies in the Project Fund. The monies credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by and in accordance with the Plan and any development.
7. Payment of Tax Increment Revenues to Authority. The municipal and the county treasurers shall, as ad valorem and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project

Fund. The payments shall be made not more than 30 days after the Tax Increment Revenues are collected.

8. Disclaimer. By adoption of this Resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this Resolution and Plan. The City makes no guarantees or representations as to the determinations of the appropriate state officials regarding the ability of the Authority to capture tax increment revenues from the State and local school district taxes for the Plan.

9. Repealer. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution shall be rescinded.

I. INTRODUCTION

In order to promote the revitalization of environmentally distressed and blighted areas within the boundaries of the City of Flint, Michigan (the “City”), the City has established the City of Flint Brownfield Redevelopment Authority (the “FBRA”) pursuant to Michigan Public Act 381 of 1996, as amended (“Act 381”).

The primary purpose of this Brownfield Plan (“Plan”) is to promote the redevelopment of and private investment in certain “brownfield” properties within the City. Inclusion of property within this Plan will facilitate financing of environmental response and other Eligible Activities at eligible properties, and will also provide tax incentives to eligible taxpayers willing to invest in revitalization of eligible sites, commonly referred to as “brownfields.” By facilitating redevelopment of brownfield properties, this Plan is intended to promote economic growth for the benefit of the residents of the City and all taxing units located within and benefited by the FBRA.

This Plan is intended to apply to the eligible property identified in this Plan and, if tax increment revenues are proposed to be captured from that eligible property, to identify and authorize the Eligible Activities to be funded by such tax increment revenues.

This Plan is intended to be a living document, which may be modified or amended in accordance with the requirements of Act 381, as necessary to achieve the purposes of Act 381. The applicable sections of Act 381 are noted throughout the Plan for reference purposes.

The FBRA approved the Brownfield Plan for the originally proposed project on December 8, 2020 and City Council approved that Brownfield Plan on June 14, 2021. As a portion of the original property has been sold to another developer and the market and site conditions dictated a redesign of the originally proposed project, the originally approved Brownfield Plan has been amended to incorporate the necessary changes for approval by the FBRA and City Council to allow the project to move forward.

This Amended Plan describes the project to be completed (see Attachment C) and contains information required by Section 13(2) of Act 381.

II. GENERAL PROVISIONS

A. Description of the Eligible Property (Section 13 (2)(h)) and the Project

The property comprising the eligible property consists of multiple parcel of land that are either contaminated and qualify as a “facility” as that term is defined in Part 201 of NREPA, as amended, are immediately adjacent to the “facility” and/or will be unified with the “facility” parcel(s). **Each parcel is eligible as it is either contaminated and qualifies as a “facility” and/or it is adjacent to and being combined with a parcel that is a “facility.”**

The parcel and all tangible personal property located thereon will comprise the eligible property and is referred to herein as the “Property.”

Attachment A includes a site map of the Property. The Property is located east of Industrial Avenue, south of East Hamilton Avenue, west of James P. Cole Boulevard, and north of East Wood Street. The Property contains one existing structure. The Property was historically used for industrial activities/purposes since the early 1900’s.

The existing structures and buildings have been mostly unoccupied for several years.

The eligible property will include all tangible personal property to be located on the real property. Parcel information is outlined below.

Address	1809 James P. Cole Boulevard, Flint, Genesee County, MI 48503
Parcel ID	Parcel ID No. 41-06-452-019; Parcel “H”
Owner	James P Cole Venture, LLC
Legal Description	See Attachment B for a Parcel Map & Legal Description
Taxable Value	\$27,785.00 (value provided by Stacey Kaake, Assessor, on 9/14/2023)

James P Cole Venture, LLC is the project developer (“Developer”) and owner of the Property.

The proposed Project is comprised of a build-to-suit redevelopment of a 4.81 acre historically industrial property. According to information provided to AES, the Property is proposed to be redeveloped into a 75,000 square foot industrial building for lease to either a single or multiple tenants.

The Project will be undergoing site plan and zoning review by the City of Flint Engineering Department and Planning & Development Departments, and is therefore subject to change as part of the approval processes. The Project is currently estimated to be an estimated \$11,535,366.00 (excluding land costs) investment by Developer plus any furniture, fixtures and equipment (FF&E) and other Personal Property of the proposed tenants (Operators).

It is currently anticipated, subject to necessary Planning, Engineering, FBRA and State of Michigan EGLE, MEDC/MSF, and Tax Commission approvals, that construction will begin in the Summer/Fall of 2024, or sooner, subject to approval of Eligible Activities, including retroactive approval of completed Eligible Activities. It is anticipated that the Eligible Activities will be completed within 12-18 months of the start date.

The project description provided herein is a summary of the proposed development at the time of the adoption of the Plan. The actual development may vary from the project description provided herein, without necessitating an amendment to this Plan, so long as such variations are not material and arise as a result of governmental processes, changes in market and/or financing conditions affecting the project and/or are related to the addition or immaterial removal of amenities to the project. All material changes, as determined by FBRA in its reasonable discretion, to the project description are subject to the approval of the FBRA staff and shall be consistent with the overall nature of the proposed development, its proposed public purpose, and the purposes of Act 381.

Census Tract Qualification

The Property is located in a low-income community (LIC) Census Tract (Census Tract No. 26049013600). A low-income community (LIC) Census Tract is defined as, "...a poverty rate of at least 20 percent or with median family incomes that do not exceed 80 percent of area median income..." In addition, the Property is located in a Qualified Opportunity Zone, which means that the area has been targeted by State and Local Governmental Units for development. *Please see the attached CDFI Fund Census Tract Map.*

Based on the information provided by Developer, the Property contains structures and infrastructure that will be demolished and/or partially demolished and removed as part of the planned re-development ("Project"). In addition, the proposed Project will redevelop an underutilized Property that contains multiple impediments to redevelopment. The proposed Project will create temporary construction jobs and is intended to create permanent jobs in an area of Genesee County (Flint) with a high unemployment rate as demonstrated by the Census Tract information.

Attachment C provides a description of the project to be completed at the Property (the "Project"). **Attachment C** also includes details regarding development team, total investment amount, description of project uses number of temporary and permanent jobs, project renderings, and additional redevelopment/financing incentives. **Attachment D** includes letters of support for the Project.

B. Basis of Eligibility (Section 13 (2)(h) and Section 2 (o))

The Property qualifies as a “facility” as that term is defined under the natural Resources and Environmental Protection Act (NREPA), P.A.451 of 1994, as amended, based on the presence of soil contamination.

The Property is considered “eligible property” as defined by Act 381, Section 2 because (a) the Property was used for industrial purposes; (b) it is located within the City of Flint, a qualified local governmental unit under Act 381; and (c) the Property is determined to be a “facility¹” as defined by Act 381.

The Property qualifies as a “facility” and is eligible for Brownfield Redevelopment Incentives pursuant to the Brownfield Redevelopment Financing Act, P.A. 381 of 1996, as amended. The Property is classified as a “facility” due to the presence of soil contamination related to historical use and operation of portions of the Property for industrial purposes.

In addition, based on the condition of the existing structures, the Property could also qualify under either “blighted²” or “functionally obsolete³” status, however, Developer has not moved forward with either or both such designations as the Property already qualifies under Act 381.

Phase I Environmental Site Assessment (ESA)

Applied Ecosystems, Inc. (AEI) was retained by Developer to prepare a Baseline Environmental Assessment (BEA) and published the BEA on September 20, 2016 as of pre-acquisition due diligence and disclosed to MDEQ on December 7, 2016.

According to information presented the BEA, the Property was historically used for industrial activities/purposes by E. I. du Pont de Nemours and Company (DuPont) and predecessor companies since the early 1900’s beginning in 1901 with Flint varnish and Color Works providing paint and varnishes for the carriage industry and converting to automotive paint manufacturing in 1910. DuPont purchased the property in 1918 and operated on-site until 1995. In 1989, DuPont initiating environmental site investigation activities to assess soil and groundwater on the Property.

In 2003 DuPont entered into a Voluntary Corrective Action agreement with MDEQ and actions included:

- Excavation and disposal of contaminated soil;
- Groundwater treatment; and
- Free product removal.

In 2005, a Remedial Action Plan (RAP) was prepared that specified long term groundwater treatment as well as property use restrictions (Deed Restrictions).

In 2015, after 12 consecutive monthly gauging events with no free product present, DuPont submitted a request for a “No Further Action” determination related to free product removal activities.

Contamination remaining on-site includes volatile organic compounds (VOCs), semi-VOCs (SVOCs), arsenic, chromium, cobalt and cyanide. Known impacted media include soil and groundwater with exceedances of the volatilization to indoor air (VIA) pathway likely based on the known concentrations of VOCs.

Please see Figures 1 and 2 for Site Location and Aerial Photo Maps.

Based on the documented concentrations of soil and groundwater contamination, concentrations exceed the EGLE Part 201 Generic Residential Cleanup Criteria (GRCC) promulgated under Part 201 of the Natural Resources and Environmental Protection Act (NREPA), 1994 P.A. 451, as amended (Part 201), and therefore the Property meets the definition of a “facility” as defined pursuant to Part 201.

As the Property qualifies as a “facility¹,” it is eligible for Brownfield Redevelopment Incentives pursuant to the Brownfield Redevelopment Financing Act, P.A. 381 of 1996, as amended. In addition, based on the condition of the existing structures, the Property could also qualify under either “blighted²” or “functionally obsolete³” status.

Sample results were compared to current Generic Residential Cleanup Criteria (GRCC) promulgated under Part 201 of the Natural Resources and Environmental Protection Act (NREPA), 1994 P.A. 451, as amended (Part 201). Based on the results of the Phase II ESA the Property meets the definition of a “facility” as defined pursuant to Part 201.

¹Under Part 201 of NREPA, P.A. 451 of 1994, as amended, Section 20101(1)(s) states:

“Facility” means any area, place, parcel or parcels of property, or portion of a parcel of property where a hazardous substance in excess of the concentrations that satisfy the cleanup criteria for unrestricted residential use has been released, deposited, disposed of, or otherwise comes to be located. Facility does not include any area, place, parcel or parcels of property, or portion of a parcel of property where any of the following conditions are satisfied:

- (i) Response activities have been completed under this part or the comprehensive environmental response, compensation, and liability act, 42 USC 9601 to 9675, that satisfy the cleanup criteria for unrestricted residential use.
- (ii) Corrective action has been completed under the resource conservation and recovery act, 42 USC 6901 to 6992k, part 111, or part 213 that satisfies the cleanup criteria for unrestricted residential use.
- (iii) Site-specific criteria that have been approved by the department for application at the area, place, parcel of property, or portion of a parcel of property are met or satisfied and hazardous substances at the area, place, or property that are not addressed by site-specific criteria satisfy the cleanup criteria for unrestricted residential use.
- (iv) Hazardous substances in concentrations above unrestricted residential cleanup criteria are present due only to the placement, storage, or use of beneficial use by-products or inert materials at the area, place, or property in compliance with part 115.
- (v) The property has been lawfully split, subdivided, or divided from a facility and does not contain hazardous substances in excess of concentrations that satisfy the cleanup criteria for unrestricted residential use.
- (vi) Natural attenuation or other natural processes have reduced concentrations of hazardous substances to levels at or below the cleanup criteria for unrestricted residential use.

²Under MCL 125.2652(2)(e) “Blighted” means property that meets any of the following criteria as determined by the governing body:

- (i) Has been declared a public nuisance in accordance with a local housing, building, plumbing, fire, or other related code or ordinance.
- (ii) Is an attractive nuisance to children because of physical condition, use, or occupancy.
- (iii) Is a fire hazard or is otherwise dangerous to the safety of persons or property.
- (iv) Has had the utilities, plumbing, heating, or sewerage permanently disconnected, destroyed, removed, or rendered ineffective so that the property is unfit for its intended use.
- (v) Is tax reverted property owned by a qualified local governmental unit, by a county, or by this state. The sale, lease, or transfer of tax reverted property by a qualified local governmental unit, county, or this state after the property’s inclusion in a brownfield plan shall not result in the loss to the property of the status as blighted property for purposes of this act.
- (vi) Is property owned or under the control of a land bank fast track authority, whether or not located within a qualified local governmental unit. Property included within a brownfield plan prior to the date it meets the requirements of this subdivision to be eligible property shall be considered to become eligible property as of the date the property is determined to have been or becomes qualified as, or is combined with, other eligible property. The sale, lease, or transfer of the property by a land bank fast

Exhibit A
PROPOSED DUPONT INDUSTRIAL FACILITY
Brownfield Redevelopment Plan

track authority after the property's inclusion in a brownfield plan shall not result in the loss to the property of the status as blighted property for purposes of this act.
(vi) Has substantial subsurface demolition debris buried on site so that the property is unfit for its intended use.

⁴Under MCL 125.2652(2)(s) "Functionally obsolete" means that the property is unable to be used to adequately perform the function for which it was intended due to a substantial loss in value resulting from factors such as overcapacity, changes in technology, deficiencies or superadequacies in design, or other similar factors that affect the property itself or the property's relationship with other surrounding property.

C. Summary of Eligible Activities and Description of Costs (Section 13 (2)(a),(b))

The "Eligible Activities" that are intended to be carried out at the Property are considered "Eligible Activities" as defined by Sec 2 of Act 381, because they include, but are not limited to: (1) Phase I ESA, Phase II ESA and Baseline Environmental Assessment activities; (2) 7a Due Care Activities including Phase II ESA Due Care Investigation Activities and Preparation of pre-development and post-development Due Care Plans or Documentation of Due Care Compliance; (3) Additional Response Activities; (4) Building Demolition Activities including selective exterior and interior demolition and lead, asbestos and hazardous materials abatement; (5) Development and Preparation of Brownfield Plan and Act 381 Work Plan; (6) UST Removal Activities; (7) Remediation Activities including installation of engineering controls and operation & maintenance (O&M) related to the engineering controls; (8) Site Preparation Activities to ready the site for redevelopment including utility disconnection and re-connection, removal and re-location of public utilities, land balancing and rough and finished grading; (9) Infrastructure Activities including the construction of storm water retention/detention ponds and/or systems, and installation of new utilities; and (10) Public Improvements including installation of public utilities, street improvements, deceleration lanes and drive approaches, streetscapes, landscaping and other related activities. In addition, supplementary Eligible Activities that are financial in nature include: (1) Interest on the sums expended to implement the Eligible Activities at a rate of five (5%) per annum; and (2) environmental insurance may be obtained at some during the project development process.

A summary of the Eligible Activities and the estimated cost of each eligible activity intended to be paid for with Tax Increment Revenues from the Property are shown in the table attached hereto as **Attachment E**.

The Eligible Activities described in **Attachment E** are not exhaustive. Subject to the approval of FBRA staff in writing, additional Eligible Activities may be carried out at the Property, without requiring an amendment to this Plan, so long as such Eligible Activities are permitted by Act 381 and the performance of such Eligible Activities does not exceed the total costs stated in **Attachment E**.

Unless otherwise agreed to in writing by the FBRA, all Eligible Activities shall commence within eighteen (18) months after the date the governing body approves this Plan and be completed within three (3) years after approval of the Michigan Strategic Fund work plan, if applicable, or three (3) years after execution of the Reimbursement Agreement (as that term is defined below). Any long-term monitoring or operation and maintenance activities or obligations that may be required will be performed in compliance with the terms of this Plan and any documents prepared pursuant to this Plan and not subject to the three (3) year limitation.

The Developer desires to be reimbursed for the costs of Eligible Activities. Tax increment revenue generated by the Property will be captured by the FBRA and used to reimburse the cost of the Eligible Activities completed on the Property pursuant to the terms of a Reimbursement Agreement to be executed by the FBRA and the Developer after approval of this Plan (the "Reimbursement Agreement"), to the extent permitted by Act 381. In the event this Plan contemplates the capture of tax increment revenue derived from "taxes levied for school operating purposes" (as defined by Section 2(oo) of Act 381 and hereinafter referred to as "School Taxes"), the Developer acknowledges and agrees that FBRA's obligation to reimburse the Developer for the cost of Eligible Activities with tax increment revenue derived from School Taxes, or Specific Taxes that are considered School Taxes, (as these capitalized terms are defined by Act 381) is contingent upon the Developer receiving at least the initial applicable work plan approvals by the Michigan Strategic Fund and/or the EGLE, as may be required pursuant to Act 381.

FBRA agrees to retroactively reimburse Developer for all Eligible Activities completed prior to the approval of this Plan and for Eligible Activities completed as described in this Plan from the Local Taxes, or Specific Taxes that are considered Local Taxes, at the percentage ratio that Local Taxes comprise the overall combined Local and School Taxes. To the extent that Developer obtains Act 381 Work Plan approval from EGLE or MEDC/MSF, then the remaining percentage of Eligible Activities will be reimbursed to Developer. If deemed necessary, Developer will provide the FBRA with evidence, reasonably satisfactory to FBRA, that the Developer has the financial means to complete the project without the capture of, and subsequent reimbursement with, the contemplated School Taxes.

This Plan provides for the capture of taxes levied for school purposes (School Tax Capture), comprised of the State Education Tax (SET) and School Operating Tax, from the eligible Property. However, as the approval of School Tax Capture is at the discretion of the EGLE and MEDC/MSF, all Eligible Activities shall be reimbursable from Local Taxes unless School Tax Capture is approved by the agency responsible for the Eligible Activity(ies), then reimbursement will be from a combination of both Local and School Taxes.

The estimated costs outlined in this Plan and listed in **Attachment E** may increase or decrease depending on the nature and extent of any unknown or unanticipated conditions on the Property. As long as the total costs, adjusted by the 15% factor, are not exceeded,

the line item costs of the Eligible Activities outlined herein, in the attachments and/or in the Brownfield Plan, may be adjusted between the Eligible Activities after the date this Plan is approved without the need for any additional approval from City of Flint City Council or the City of Flint Brownfield Redevelopment Authority, to the extent those adjustments do not violate the terms of any EGLE or MEDC/MSF approved work plan, if any. If necessary, this Plan may also be amended to add or delete Eligible Activities and the estimated cost of each.

The costs listed in **Attachment E** are estimated costs and may increase or decrease depending on the nature and extent of environmental contamination and other unknown conditions encountered on the Property. The actual cost of those Eligible Activities encompassed by this Plan that will qualify for reimbursement from tax increment revenues of the FBRA from the Property shall be governed by the terms of the Reimbursement Agreement. No costs of Eligible Activities will be qualified for reimbursement except to the extent permitted in accordance with the terms and conditions of the Reimbursement Agreement and Section 2 of Act 381. The Reimbursement Agreement and this Plan will dictate the total cost of Eligible Activities subject to payment or reimbursement, provided that the total cost of Eligible Activities subject to payment or reimbursement under the Reimbursement Agreement shall not exceed the estimated costs set forth in **Attachment E**. As long as the total costs, adjusted by the 15% contingency under Act 381, are not exceeded, line item costs of Eligible Activities may be adjusted after the date this Plan is approved by the governing body (Flint City Council), to the extent the adjustments do not violate the terms of the approved EGLE or MSF work plan.

D. Estimate of Captured Taxable Value and Tax Increment Revenues (Section 13(2)(c)); Beginning Date of Capture of Tax Increment Revenues (Section 13(2)(f)); Impact of Tax Increment Financing on Taxing Jurisdictions (Section 13(2)(g))

This Plan anticipates the capture of tax increment revenues to reimburse the Developer for the costs of Eligible Activities under this Plan in accordance with the Reimbursement Agreement. A table of estimated tax increment revenues to be captured is attached to this Plan as **Attachment F**.

Tax increments are projected to be captured and applied to (i) reimbursement of eligible activity costs and payment of FBRA administrative and operating expenses, (ii) make deposits into the State Brownfield Redevelopment Fund, and (iii) make deposits into the FBRA's Local Brownfield Revolving Fund, as follows:

Section D Capture Summary Table

	Developer P&I	Local RLF	State Brownfield RLF
<u>School Capture</u>			
State Education Tax (SET)	\$340,159.06	\$12,553.82	\$266,697.53
School Operating Tax	\$1,820,570	\$21,520.83	
<u>Local Capture</u>			
County Operating	\$545,372	\$45,128	
Library	\$404,571	\$33,477	
Flint Operating	\$758,571	\$62,769	
Public Safety	\$809,142	\$66,954	
Misc. Levies	\$434,134	\$71,740	
Genesee County Parks	\$75,857	\$6,277	
Parks and Rec	\$50,571	\$4,185	
Genesee ISD	\$373,723	\$30,924	
Mass Transit	\$60,686	\$5,022	
Flint Sinking Fund	\$119,348	\$9,876	
CS Mott Operating	\$196,601	\$16,268	
TOTAL	\$5,989,305	\$386,693	\$266,697.53

In addition, the following taxes are projected to be generated but shall not be captured during the life of this Plan:

Non-Capturable Millages			
Flint School Debt	\$308,824		
CS Mott Debt	\$78,849		
Public Library Debt	\$182,885		
TOTAL	\$570,557		

¹All numbers presented are based on gross taxes generated in the Capture side of the TIR Capture Tables and may differ from the actual reimbursement amounts from each millage levy due to allocation percentages and rounding of numbers.

In no event shall the duration of this Plan exceed thirty-five (35) years following the date of the governing body's resolution approving this Plan, nor shall the duration of the tax capture exceed the lesser of the period authorized under subsection (3) and (5) of Section 13 of Act 381 or 30 years. Further, in no event shall the beginning date of the capture of tax increment revenues be later than five (5) years after the date of the governing body's resolution approving this Plan.

E. Plan of Financing (Section 13(2)(d)); Maximum Amount of Indebtedness (Section 13(2)(e))

The Eligible Activities are to be financed solely by the Developer. The FBRA will reimburse the Developer for the cost of approved Eligible Activities, but only from tax increment revenues generated from the Property. No advances have been or shall be made by the City or the FBRA for the costs of Eligible Activities under this Plan.

All reimbursements authorized under this Plan shall be governed by the Reimbursement Agreement. The inclusion of Eligible Activities and estimates of costs to be reimbursed in this Plan are intended to authorize the FBRA to fund such reimbursements and does not obligate the FBRA or the City to fund any reimbursement or to enter into the Reimbursement Agreement providing for the reimbursement of any costs for which tax increment revenues may be captured under this Plan, or which are permitted to be reimbursed under this Plan in the absence of tax increment revenues being generated from the Property. The amount and source of any tax increment revenues that will be used for purposes authorized by this Plan, and the terms and conditions for such use and upon any reimbursement of the expenses permitted by this Plan, will be provided solely under the Reimbursement Agreement contemplated by this Plan.

Unless otherwise agreed upon by the Developer, the FBRA, and the State of Michigan, the FBRA shall not incur any note or bonded indebtedness to finance the purposes of this Plan.

Interest shall be paid under this Plan as provided in the Reimbursement Agreement, provided that to the extent that the Michigan Strategic Fund or Michigan Department of Environment, Great Lakes and Energy (EGLE) does not approve the payment of interest on an eligible activity with School Taxes, interest shall not accrue or be paid under this Plan with respect to the cost of such Eligible Activity from School Taxes. Unless otherwise agreed upon by the Developer, the FBRA, and the State of Michigan, the FBRA will approve interest on the local portion of the reimbursement to the extent that the projected internal rate of return to the Developer does not exceed twenty (20%), as more specifically stated in the Reimbursement Agreement.

Reimbursements under the Reimbursement Agreement shall not exceed the cost of Eligible Activities permitted under this Plan, plus the 15% contingency factor and approved interest.

F. Duration of Plan (Section 13(2)(f))

Subject to Section 13b(16) of Act 381, the beginning date of capture of tax increment revenues for each eligible property shall occur in accordance with the TIF table described in **Exhibit F**. As the tax increment revenue table is an estimate/projection based on certain assumptions, the repayment period may exceed that depicted in the table. In no event, however, shall this Plan extend beyond the maximum term allowed by Section 13(2)(f) of Act 381 for the duration of this Plan.

Furthermore, this Plan, or any subsequent amendment thereto, may be abolished or terminated in accordance with Section 14(8) of Act 381 in the event of any of the following:

a. The governing body may abolish this Plan (or any subsequent amendment thereto) when it finds that the purposes for which this Plan was established have been accomplished.

b. The governing body may terminate this Plan (or any subsequent amendment thereto) if the project for which Eligible Activities were identified in this Plan (or any subsequent amendment thereto) fails to occur with respect to the eligible property for at least five (5) years following the date of the governing body resolution approving this Plan (or any subsequent amendment thereto), provided that the governing body first does both of the following:

(i) gives 30 days' written notice to the Developer at its last known address by certified mail or other method that documents proof of delivery attempted; and

(ii) provides the Developer with an opportunity to be heard at a public meeting.

Notwithstanding anything in this subsection to the contrary, this Plan (or any subsequent amendment thereto) shall not be abolished or terminated until the principal and interest on bonds, if any, issued under Section 17 of Act 381 and all other obligations to which the tax increment revenues are pledged have been paid or funds sufficient to make the payment have been identified or segregated.

G. Effective Date of Inclusion in Brownfield Plan

The Property will become a part of this Plan on the date this Plan is approved by the governing body (City Council).

H. Displacement/Relocation of Individuals on Eligible Property (Section 13(2)(i-l))

There are no persons or businesses residing on the eligible property and no occupied residences will be acquired or cleared, therefore there will be no displacement or relocation of persons or businesses under this Plan.

I. Local Brownfield Revolving Fund ("LBRF") (Section 8; Section 13(2)(m))

The FBRA has established a Local Brownfield Revolving Fund (LBRF). The LBRF will consist of all tax increment revenues authorized to be captured and deposited in the LSRRF, as specified in Section 13(5) of Act 381, under this Plan and any other plan of the FBRA. It may also include funds appropriated or otherwise made available from public or private sources.

The amount of tax increment revenue authorized for capture and deposit in the LBRF is estimated as depicted in the 30 Year Cash Flow Projection Table present in **Attachment F**. All funds, if any, deposited in the LBRF shall be used in accordance with Section 8 of Act 381.

J. Brownfield Redevelopment Fund (Section 8a; Section 13(2)(m))

The FBRA shall pay to the Department of Treasury at least once annually an amount equal to 3 mills of the taxes levied under the state education tax, 1993 PA 331, MCL 211.901 to 211.906, that are captured under this Plan for up to the first twenty-five (25) years of the duration of capture of tax increment revenues for each eligible property included in this Plan. If the FBRA pays an amount equal to 3 mills of the taxes levied under the state education tax, 1993 PA 331, MCL 211.901 to 211.906, on a parcel of eligible property to the Department of Treasury under Section 13b(14) of Act 381, the percentage of local taxes levied on that parcel and used to reimburse Eligible Activities for the Project under this Plan shall not exceed the percentage of local taxes levied on that parcel that would have been used to reimburse Eligible Activities for the Project under this Plan if the 3 mills of the taxes levied under the state education tax, 1993 PA 331, MCL 211.901 to 211.906, on that parcel were not paid to the Department of Treasury under Section 13b(14) of Act 381.

K. Developer's Obligations, Representations and Warrants

The Developer and its affiliates shall comply with all applicable laws, ordinances, executive orders, or other regulations imposed by the City or any other properly constituted governmental authority with respect to the Property and shall use the Property in accordance with this Plan.

The Developer, at its sole cost and expense, shall be solely responsible for and shall fully comply with all applicable federal, state, and local relocation requirements in implementing this Plan, if any.

The Developer represents and warrants that a Phase I Environmental Site Assessment ("ESA"), and if appropriate, a Phase II ESA, Baseline Environmental Assessment, and Due Care Plan or Response Activity Plan, pursuant to Part 201 of Michigan's Natural Resources and Environmental Protection Act (MCL 324.20101 *et seq.*), have been performed on the Property ("Environmental Documents"). Attached hereto as **Attachment G** is the City of Flint's Department of Buildings, Safety Engineering and Environmental acknowledgement of its receipt of the Phase I ESA, Phase II ESA and Baseline Environmental Assessment (BEA).

The Developer intends to include a City of Flint Land Bank Authority, Genesee County Land Bank Authority or State of Michigan Land Bank financing component, to be determined at a later date, depending upon the needs of the Project.

Except as otherwise agreed to by the FBRA, any material breach of a material representation or warranty contained in this Plan shall render the Plan invalid, subject to the Developer's reasonable opportunity to investigate and cure as described in the

Reimbursement Agreement. Prior to any such invalidity, FBRA shall provide Developer written notice of the Developer's alleged breach and the opportunity to either refute the allegation or cure the breach within a reasonable period of time. Notwithstanding the foregoing, any irregularity may be waived by the FBRA, Flint City Council, MEDC/MSF or EGLE.

With the approval of this Brownfield Plan, it is the specific intention of the FBRA to authorize and support: (1) the preparation and submittal of an Act 381 Work Plan for approval by EGLE and MEDC/MSF, (2) application for an IFT Abatement under P.A. 198 of 1974, as amended; (3) grant or loan and other available incentives, including EGLE grants and loans, USEPA grants and loans, Genesee County grants and loans, and (3) other possible sources of incentives related to the Eligible Investments made by Developer as part of this project. It is understood that any such tax abatement may extend the currently depicted repayment period and that any such grant award may off-set the need for TIR reimbursement under the Plan or any such loan may use the TIR to repay a loan.

It should be noted that as part of the long term lease arrangement between Developer and Tenant, all proceeds from the Brownfield Plan TIR capture may be assigned to and accrue to the benefit of an entity to be identified in the Reimbursement Agreement which shall be deemed to be the Qualified Taxpayer under the Plan.

Project Description – See attached Project Description

Project Summary

Type of Use:	Industrial
Square Footage:	Approximately 75,000 square feet of proposed new construction building on 4.81 acres of improved commercial and industrial land
Number of Housing Units:	Not Applicable
Total Investment:	\$11,535,366.00 (excluding land costs) by Developer, plus additional investments for Furniture, Fixtures and Equipment (FF&E) will be made by individual Tenants
Additional Incentives:	In addition to Brownfield TIF, Developer is seeking tax abatements, Grants and Loans as well as Job Training and other incentives
Estimated Jobs – Construction:	33.8 FTE Jobs over 10 month estimated construction period
Estimated Jobs – Permanent:	TBD based on tenants recruited for occupancy; estimated to be 52.1 FTE jobs based on building square footage
Project Timeline:	Developer intends to start redevelopment activities after final approval of all incentives

Attachment C

Brownfield Plan for James P Cole Venture, LLC

Provide a description of the project to be completed at the Property (the "Project")

Include details regarding development team, total investment amount, description of project use, number of temporary and permanent jobs, and additional financing incentives (IFT). See attached for Project renderings.

Project Description

The proposed redevelopment site is on Parcel "H" of the former DuPont Industrial Facility located at 1809 James P. Cole Boulevard in Flint, Genesee County, Michigan 48503 (the "Property"). The Property has been vacant and unoccupied for a number of years.

The Property is a proposed to be redeveloped into a single or multi-tenant industrial building. According to information provided by Developer, the existing infrastructure and improvements will be demolished to make way for 75,000 square feet of proposed new construction on 4.81 acres of improved commercial and industrial land (the "Project").

The Project will be undergoing site plan and zoning review by the City of Flint Engineering Department and Planning & Development Departments, and is therefore subject to change as part of the approval processes.

The Project is currently projected to be an estimated \$11,535,366.00 (excluding land costs) investment by Developer plus any furniture, fixtures and equipment (FF&E) and other Personal Property of the proposed tenant(s) (Operators).

Developer does not currently employ any employees at the Property as there are no existing operations.

The completion of this Project is estimated to create an average of 33.8 Full Time Equivalent (FTE) construction jobs per year during the nine (9) month estimated construction phase (.8 year) for each of the buildings comprising the Project within the City of Flint, Genesee County, Michigan resulting in an estimated annualized construction payroll of \$5,148,000.00 or more per year for the construction phase (estimated \$3,861,000.00 or more) for the nine (9) month construction period.

As the proposed tenant(s) for the new building have not yet been identified, the actual estimated new full-time jobs being created by the Project are not yet determined. However, using U.S. Energy Information Administration (USEIA), Office of Energy Consumption and Efficiency Statistics, job creation can be estimated based on the proposed building square footage and national ratios for jobs on a per square foot basis. As the new industrial building is proposed to be 75,000 ft² and based on the USEIA data of "Median square feet per worker" of 1,442 ft², the estimated number of FTE new jobs to be created is 52.1.

See: <https://www.eia.gov/consumption/commercial/data/2012/bc/cfm/b2.php>

According to Payscale.com, the "Average Production Worker Hourly Pay in Flint, Michigan is \$13.24."

See:

https://www.payscale.com/research/US/Job=Production_Worker/Hourly_Rate/32d28c9e/Flint-MI

Based on the foregoing projections, the estimated 52.1 new permanent FTE jobs payroll being created by the Project is broken into two classifications:

- 44.1 FTE X \$13.24/Hour for 40 hours per week for 52 weeks/year = \$1,496,083.68; and
- 8.0 FTE X \$25.00/Hour for 40 hours per week for 52 weeks/year = \$416,000.00

for a total estimated payroll of **\$1,912,083.68**.

JUN 14 2021

PRESENTED:

ADOPTED:

NOV 23 2021

**RESOLUTION APPROVING CITY OF FLINT BROWNFIELD REDEVELOPMENT
AUTHORITY BROWNFIELD PLAN FOR THE JAMES P. COLE PROJECT**

(1809 James P. Cole)

BY THE CITY ADMINISTRATOR:

On July 28, 1997, the Flint City Council adopted a resolution establishing the Brownfield Redevelopment Authority (Authority) of the City of Flint pursuant to the Brownfield Redevelopment Financing Act 381 of the Public Acts ("Act") of 1996, to promote the revitalization, redevelopment and reuse of certain blighted, tax reverted and functionally obsolete properties.

Under Act 381, the Authority is authorized to develop and propose for adoption by the City Council a brownfield plan for one (1) or more parcels of eligible properties.

Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed brownfield plan for 1809 James P. Cole (the Plan).

The required notice of the public hearing on the proposed Plan was given in accordance with section 13 of Act 381, and such hearing held by the City Council on March 8, 2021.

Once approved, the brownfield plan will allow of the reimbursement of eligible project expenses from the additional tax revenue realized as a result of the redevelopment. The reimbursement can occur over the life of the plan which is normally 30 years. The eligible reimbursable expenses are estimated at around \$2,541,508.

IT IS RESOLVED, THAT:

1. Definitions. Where used in this Resolution, the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

"Eligible Activities" or "eligible activity" shall have the meaning described in Act 381.

"Eligible Property" means the property designated in the Plan as the Eligible Property, as described in Act 381.

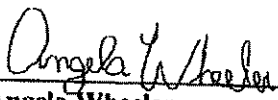

"Plan" means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

"Taxing Jurisdiction" shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

2. Public Purpose. The City Council hereby determines that the Plan constitutes a public purpose.
3. Best Interest of the Public. The City Council hereby determines that it is in the best interest of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.
4. Review Considerations. As required by act 381, including consideration of the criteria of "facility" as defined in act 381;
 - a. Portions of the property designated in the Plan meet the definition of Eligible Property, as described in act 381, including consideration of the criteria of "facility" as defined in Act 381;
 - b. The Plan meets the requirements set forth in section 13 of Act 381.

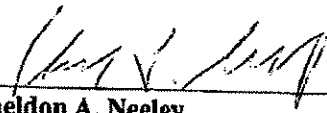

- c. The proposed method of financing the costs of eligible activities is feasible and the authority has the ability to arrange the financing.
 - d. The costs of eligible activities proposed are reasonable and necessary to carry out the purpose of Act 381.
 - e. The amount of captured taxable value estimated to result from adoption of the Plan is reasonable.
5. Approval and Adoption of Plan. The Plan as submitted by the authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.
 6. Establishment of Project Fund; Approval of Depository. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depository bank account or accounts in bank or banks approved by the Treasurer of the City. All monies received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All monies in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.
 7. Use of Monies in the project Fund. The monies credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by and in accordance with the Plan and any development.
 8. Payment of Tax Increment Revenues to Authority. The municipal and the county treasurers shall, as ad valorem and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments shall be made not more than 20 days after the Tax Increment Revenues are collected.
 9. Disclaimer. By adoption of this Resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the eligible property for any loss or damage that may result to such persons from the adoption of this Resolution and Plan. The City makes no guarantees or representation as to the determinations of the appropriate state officials regarding the ability of the Authority to capture tax increment revenues from the state and local school district taxes for the Plan.
 10. Repealer. All of this resolution and parts of resolutions insofar as they conflict with the provisions of this resolution shall be rescinded.

September 17, 2018

**ACKNOWLEDGEMENT OF RECEIPT OF A BASELINE ENVIRONMENTAL
ASSESSMENT**

BEA ID: B201802506LA

Legal Entity: James P Cole Venture LLC, 27 Forest Lane, South Barrington,
Illinois 60010

Property Address: 1809 James P Cole Boulevard, Flint, Genesee County, Michigan

On September 13, 2018, the Michigan Department of Environmental Quality (MDEQ) received a Baseline Environmental Assessment (BEA) dated September 10, 2018, for the above legal entity and property. This letter is your acknowledgement that the MDEQ has received and recorded the BEA. The MDEQ maintains an administrative record of each BEA as received.

This BEA was submitted pursuant to Section 20126(1)(c) of Part 201, Environmental Remediation, and/or Section 21323a(1)(b) of Part 213, Leaking Underground Storage Tanks, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (NREPA). A BEA is submitted for the purpose of establishing an exemption to liability for a new owner or operator of property that has been demonstrated to be a facility or property as defined by Section 20101(1)(s) of Part 201, Environmental Remediation, and/or property as defined by Section 21303(d) of Part 213, Leaking Underground Storage Tanks, of the NREPA. Pursuant to Sections 20126(1)(c) and 21323a(1)(b), the conditions of this exemption require the legal entity to disclose the BEA to a subsequent purchaser or transferee of the property.

The BEA is only for the legal entity and property identified in the BEA and on the BEA Submittal Form. Each new legal entity that becomes the owner or operator of this facility must submit their own BEA.

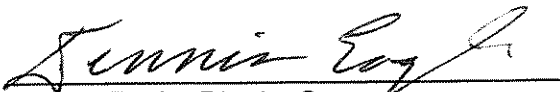

The MDEQ is not making any findings about the adequacy of the submittal or whether the submitter is liable or is eligible to submit. The submitted BEA does not alter liability with regard to a subsequent release, threat of release, or exacerbation of existing conditions that is the responsibility of the legal entity submitting the BEA.

The legal entity, as the owner and/or operator of a facility or property, may have Due Care responsibilities under Section 20107a of Part 201, Environmental Remediation, and/or Section 21304c of Part 213, Leaking Underground Storage Tanks, of the NREPA.

The legal entity may also have responsibility under applicable state and federal laws, including, but not limited to, Part 201, Environmental Remediation; Part 111, Hazardous Waste Management; Part 211, Underground Storage Tank Regulations; Part 213, Leaking Underground Storage Tanks; Part 615, Supervisor of Wells, of the NREPA; and the Michigan Fire Prevention Code, 1941 PA 207, as amended.

Pursuant to Section 20112a(6) of Part 201, Environmental Remediation, the property(s) identified in the BEA will be placed on the inventory of facilities, which is updated daily and posted on the MDEQ's website: <https://secure1.state.mi.us/FacilitiesInventoryQueries>.

Baseline Environmental Assessment Submittal Form

This form is for submittal of a Baseline Environmental Assessment (BEA), as defined by Part 201, Environmental Remediation and Part 213, Leaking Underground Storage Tanks, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, for the purpose of establishing an exemption to liability pursuant to Section 20126(1)(c) and Section 21323a(1)(b) for a new owner or operator of property that is a facility as defined by Section 20101(1)(s) or Property as defined by Section 21303(d). The BEA report must be conducted either prior to or within 45 days after becoming the owner or operator, whichever is earliest. This form and the BEA report must be submitted prior to or within 6 months of becoming the owner or operator whichever is earliest. A separate BEA is required for each legal entity that is or will be a new owner or operator of the property. To maintain the exemption to liability, the owner and operator must also disclose the BEA to any subsequent purchaser or transferee before conveying interest in the property pursuant to Section 20126(1)(c) and Section 21323a(1)(b). An owner or operator of a facility or Property also has due care obligations under Section 20107a and Section 21304c with respect to any existing contamination to prevent unacceptable exposure; prevent exacerbation; take reasonable precautions; provide reasonable cooperation, assistance, and access to authorized persons taking response activities at the property; comply with land use restrictions associated with response activities; and not impede the effectiveness of response activities implemented at the property. Documentation of due care evaluations, all conducted response activities, and compliance with 7a or 4c need to be available to the MDEQ, but not submitted, within 8 months of becoming the owner or operator of a facility and/or Property.

--	--

Section D: Applicable Dates (provide date for all that are relevant):

Date All Appropriate Inquiry (AAI) Report or Phase I Environmental Assessment Report completed:	MM/DD/YYYY <u>07/11/2018</u>
Date Baseline Environmental Assessment Report conducted:	<u>09/10/2018</u>
Date submitter first became the owner:	<u>09/14/2018</u>

Date submitter first became the operator:	09/14/2018
Date submitter first became the operator (if prior to ownership):	N/A
Anticipated date of becoming the owner for prospective owners:	N/A
Anticipated date of becoming the operator for prospective operators:	N/A
If former owner or operator of this property, prior dates of being the owner or operator:	N/A

Section E: Check the appropriate response to each of the following questions:

	YES	NO
1. Is the property at which the BEA was conducted a "facility" as defined by Section 20101(1)(s) or a Property as defined by Section 21303(d)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
2. Was the All Appropriate Inquiry (AAI) completed in accordance with Section 20101(1)(f) and or 21302(1)(b)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
3. Was the BEA, including the sampling, conducted either prior to or within 45 days of the date of becoming the owner, operator, or of foreclosure, whichever is earliest?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
4. Is this BEA being submitted to the department within 6 months of the submitter first becoming the owner or operator, or foreclosing?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
5. Does the BEA provide sufficient rationale to demonstrate that the data is reliable and relevant to define conditions at the property at the time of purchase, occupancy, or foreclosure, even if the BEA relies on studies of data prepared by others or conducted for other purposes?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
6. Does this BEA contain the legal description of the property addressed by the BEA?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
7. Does this BEA contain the environmental analytical results, a scaled map showing the sample locations, and the basis for the determination that the property is a facility as defined by Section 20101(1)(s) or the basis for the determination that the property is a Property as defined by Section 21303(d)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Section F: Environmental Consultant Signature:

I certify to the best of my knowledge and belief, that this BEA and all related materials are true, accurate, and complete. I certify that the property is a facility as defined by Section 20101(1)(s) or a Property as defined by Section 21303(d) and have provided the sampling and analyses that support that determination. I certify that any exceptions to, or deletions from, the All Appropriate Inquiry Rule are described in Section 1 of the BEA report.

USCS	Unified Soil Classification System
USGS	United States Geological Survey
UST	Underground Storage Tank
VOC	Volatile Organic Compounds
WDS	Waste Data System

1.0 Introduction and Discussion

This Baseline Environmental Assessment (BEA), as defined by the Environmental Remediation, Part 201 of the Natural Resources and Environmental Protection Act (NREPA), 1994 PA 451, as amended, and the Part 201 Rules promulgated thereunder, has been completed by Environmental Consulting & Technology, Inc. (ECT) on behalf of James P. Cole Venture, LLC (JPCV), for the approximately 17.99-acre property comprised of two (2) parcels of 16.09 acres (Parcel A) located at 1809 James P. Cole Boulevard, and 1.90 acres (Parcel B) located at James P. Cole Boulevard in Flint, Michigan 48503 (herein referred to as the Subject Property). This BEA has been completed pursuant to Section 20126(1)(c) of Part 201 of NREPA PA 451 of 1994, as amended (Part 201).

In conducting this BEA, ECT has considered the results of a historical property use review and a physical reconnaissance performed in general conformance with the scope and limitation of American Society for Testing and Materials (ASTM) Practice E 1527-13. ECT has also obtained and reviewed data from sampling and analytical testing to adequately describe the environmental conditions that exist at the Subject Property at the time of the acquisition by the Submitter.

1.1 Owner/Operator Information

The purchaser of the Subject Property and Submitter of this BEA is James P. Cole Venture, LLC.

1.2 Intended Use of Property

The Submitter intends to redevelop the Subject Property consistent with local zoning and land-use ordinances. Operations on the Subject Property will not require the use of hazardous substances in a manner that would be considered a significant hazardous substance use as defined in Rule 901(o). This is the basis for being able to distinguish the existing contamination from any future release of a hazardous substance on the Subject Property.

1.3 Executive Summary of AAI

On July 11, 2018, AKT-Peerless (AKT), on behalf of JPCV, completed a Phase I ESA in general conformance with the scope and limitations of ASTM Practice E 1527-13 for the Subject Property. The Phase I ESA identified five (5) recognized environmental conditions (RECs) in connection with the Subject Property which are as follows:

REC 1 - *“The subject property operated for industrial purposes from 1901 until 1996, specifically as a varnish and spring manufacturer from 1901 until the early 1920s, and then as DuPont from the early 1920s until 1996. Operations on the subject property included the use and/or storage of heavy industrial equipment, various chemicals, various petroleum products, hazardous substances, and/or hazardous wastes.*

Moreover, the subject property was identified on the Waste Data System (WDS) database, the Resource Conservation & Recovery Act - Corrective Action Facilities (RCRAC) database, the Resource Conservation and Recovery Act - Generator Facilities (RCRAGR05) database, the Resource Conservation & Recovery Act Sites with Controls (RCRASC) database, the Resource Conservation & Recovery Act - Non-CORRACTS Treatment, Storage & Disposal Facilities (RCRAT)

database, the Baseline Environmental Assessment (BEA) database, the Biennial Reporting System (BRS) database, the Enforcement and Compliance History Online (ECHO05) database, the Facility Registration System (FRSMI) database, the Institutional and Engineering Controls Registry (ICEC) database, the Inventory of Facilities (IF) database, Registered Underground Storage Tank (RUST), the Registered Aboveground Storage Tank (RAST) database, the Leaking Underground Storage Tank (LUST) database, and the Toxics Release Inventory (TRI) database.

According to the RUST database, seven USTs were removed from the ground. Additionally, MDEQ RRD file documentation confirmed a release (C-0226-89) of an unknown substance on June 5, 1989. The confirmed release was granted "closure" by the MDEQ on October 13, 1998. The results of subsurface investigations conducted between 1989 and 2015 identified soil and groundwater contamination at the subject property. Several compounds including benzene, ethylbenzene, 1,2,4-trimethylbenzene isomers, xylenes, benzo(g,h,i)perylene, fluoranthene, indo(1,2,3-cd)pyrene, arsenic, chromium, cobalt, and cyanide were identified in on-site soil and groundwater samples exceeding the current MDEQ Part 201 residential cleanup criteria (RCC).

Based on laboratory analytical results, the subject property meets the definition of a facility, as defined in Part 201 of the NREPA, Michigan Public Act (P.A) 451, 1994, as amended. A BEA was subsequently disclosed to the MDEQ based upon the facility designation. In AKT Peerless' opinion, the historical use of the subject property and the presence of known contamination at the subject property represent a REC.

Multiple subsurface investigations were conducted on the subject property between 1989 and 2015 to address previously identified environmental concerns. It is AKT Peerless' opinion, the recognized environmental concerns discussed above have been adequately evaluated and no further subsurface investigation activities are recommended at this time. However, as noted previously, the subject property meets the definition of a facility, as defined in Part 201 of the NREPA, Michigan P.A 451, 1994, as amended. Therefore, AKT Peerless recommends any future owner(s)/ operator(s) prepare a BEA report and conduct a Section 20107(a) Documentation of Due Care Compliance (DDCC) Analysis prior to future use and occupancy."

REC 2 - "The northern adjoining property (902 E Hamilton Avenue) historically operated for industrial purposes since at least 1914 until at least 1999. This adjoining property was identified on the Inventory of Facilities (IF) database and the PART 201 database. This adjoining property was also identified on the RUST database with 94 USTs, in which 90 have been removed and 4 are currently in use. This adjoining property was identified on the LUST database with 18 releases, of which 12 are currently listed as "open" by the MDEQ. In AKT Peerless' opinion, the known contamination related to the historical uses of the northern adjoining property and the 12 open releases represents a REC."

REC 3 - "The southwestern adjoining property (1513 St John Street, historically 1517 St John Street) operated as an automotive repair shop since at least 1928 until at least 1967. This adjoining property was identified on the WDS database and the RUST database with one UST, which was removed on January 19, 1999. Additionally, MDEQ RRD file documentation confirmed a release (C-0047-99) of an unknown substance on January 19, 1999. The confirmed release was granted "closure" by the MDEQ on May 16, 1999. In AKT Peerless' opinion, the historical uses of the southwestern adjoining property and historical release represents a REC."

REC 4 - "The western adjoining property (1620 Industrial Avenue) is currently being utilized for the storage of demolition debris. This adjoining property has historically operated for industrial purposes since at least 1902 until at least 1999. This adjoining property was identified on the IF database, the PART 201 database, and the BEA database. Additionally, MDEQ RRD file documentation confirmed a release (C-0146-85) of an unknown substance on June 2, 1987. The confirmed release remains "open" with the MDEQ. In AKT Peerless' opinion, the current use of the western adjoining property, the known contamination related to the historical uses of this adjoining property, and the open release represents a REC."

REC 5 - "The western adjoining property (1002 E Hamilton Avenue) has historically operated for industrial purposes since at least 1902 until at least 1999. This adjoining property was identified on the IF database with a BEA. In AKT Peerless' opinion, that the known contamination related to the historical uses of this adjoining property represents a REC."

Based on these findings, AKT recommended further site investigation and/or assessment for RECs 2 through 5 in order to evaluate potential contaminant migration onto the Subject Property.

The Phase I ESA also identified a Controlled Recognized Condition (CREC) in connection to the Subject Property pertaining to the following:

CREC 1 - *“According to information obtained from a review of Michigan Department of Environmental Quality, (MDEQ) file information, a restrictive covenant was set in place for two locations on Parcel A of the Subject Property dated May 29, 2009. The restrictive covenant includes a land use restriction that prohibits the use of the two areas of the subject property that are not in compliance with the limited or site-specific land use category; it also prohibits groundwater use for any purposes, except for wells and devices that are part of an MDEQ-approved response activity. With these considerations, contamination will remain on site at concentrations that exceeds the MDEQ, Part 201/213 (1994 P.A. 451) Residential Risk Based Screening Levels. Consequently, the subject property is a “facility” as that term as defined in Part 201.”*

A copy of AKT’s Phase I ESA is attached hereto as **Appendix A**.

The Submitter is unaware of any abandoned or discarded containers currently present on the Subject Property. Therefore, form EQP4476 is not required as part of this BEA.

1.4 Exceptions or Deletions from AAI Rule

The Phase I ESA included a review of current plat maps, historical plat maps, city directories, aerial photographs, topographic maps, property deeds, tax assessor’s records, building permits, environmental reports, historical sources, and personal interviews conducted with individuals and public officials having knowledge of the Subject Property. A systematic review of environmental databases maintained by state and federal government agencies was also performed as required and defined by ASTM Practice E 1527-13. Accordingly, while ECT is unaware of any limitations or exceptions from the standard practice, it recognizes inherent limitations for Phase I ESAs in general, including but not limited to the elimination of uncertainty, non-exhaustive assessment and variable level of inquiry. Readers of this BEA are directed to Section 1.3 of AKT’s Phase I ESA for an explanation of these limitations (**Appendix A**).

1.5 Discussion of Data Gaps

In accordance with ASTM Practice E 1527-13, the identification of data gaps, as well as comments on their significance on the ability to identify RECs for the Subject Property is required. As stated in Section 9.0 of the Phase I ESA, AKT identified the following deviations or “significant” data gaps, as defined by §312.10 of AAI final rule and §12.7 of ASTM E1527-13 for the Subject Property:

- *“Due to data failure, AKT Peerless was unable to determine the past development or use of the subject property prior to 1898 after review of reasonably ascertainable historical sources. AKT Peerless considers this to be a significant data gap (as defined by ASTM Practice E 1527) which may have impacted AKT Peerless’ ability to identify RECs in connection with the subject property.”*

1.6 Previous Baseline Environmental Assessments

ECT is aware of two (2) previous BEAs that were prepared for the Subject Property. A summary of the data collected in support of these BEAs are as follows:

AMEC Environmental & Infrastructure – February 2013

A BEA was prepared and filed by AMEC Environment & Infrastructure, Inc. (AMEC) on behalf of the Mullins Land Company, LLC in February 2013. The BEA was completed based on the identification of seven (7) REC's from a prior Phase I ESA dated January 2013 that was completed by AMEC. These REC's included:

- The historical use of the subject property for manufacturing of varnishes, paints, and adhesives,
- The historical environmental database listings,
- The presence of an operating groundwater treatment system designed to recover light non-aqueous phase liquid (LNAPL) and contaminated groundwater,
- The recorded deed restriction,
- The historical presence of a railroad west of the subject property,
- The historical presence of automobile component factories and bulk petroleum storage facilities on the western adjoining property, and
- The historical presence of automobile component factories and documented releases on the northern adjoining properties.

As noted by AMEC, DuPont conducted several remedial investigations at the Subject Property that included the advancement of over 150 soil borings, the excavation of approximately 20 test pits, over 40 groundwater monitoring well installations, and the collection of soil and groundwater samples for laboratory analysis. AMEC compared soil and groundwater results to the MDEQ Part 201 Residential Cleanup Criteria (RCC). Soil and groundwater exceedances of these criteria were primarily located in the vicinity of Building 6 and a former UST area, located at the southeast property boundary. Based on these historical analytical testing results, DuPont reportedly excavated and disposed of all contaminated soil above the saturated zone that exceeded the MDEQ's Part 201 industrial direct contact criteria. A groundwater treatment system was also installed around the exterior of Subject Building 6, and two land and resource use restrictions areas were filed for the Subject Property.

Applied Science, Inc. – September 2016

A BEA was prepared and filed by Applied Science, Inc. on behalf of C3 PH, LLC in September 2016. Applied Science noted that DuPont entered into a Voluntary Corrective Action agreement with MDEQ that included the excavation of soil impacted above the MDEQ non-residential direct contact cleanup criteria, as well as the operation of a groundwater treatment system designed to remove contaminated groundwater and free product. In 2015, DuPont requested a no further action status with regard to the free product recovery with respect to the absence of free product for a period of 12 consecutive months.

Contamination was still noted on the Subject Property in soil and groundwater above the MDEQ Part 201 Residential Cleanup Criteria (RCC) for VOCs, SVOCs, arsenic, chromium, cobalt, and cyanide, therefore Applied Science concluded that the Subject Property met the definition of a facility as defined in Part 201 of NREPA, Michigan Public Act 451, 1994, as amended.

1.7 Discussion of Environmental Sampling

AKT's Phase I report identifies a recognized environmental condition pertaining to the Subject Property's prior uses which involved use and/or storage of heavy industrial equipment, various chemicals, various petroleum products, hazardous substances, and/or hazardous wastes. A number of investigations between 1989 and 2015 identified soil and groundwater contaminant concentrations that exceeded generic residential cleanup criteria thereby characterizing the Subject Property as a *facility* as defined in Part 201 of NREPA, Michigan Public Act 451, 1994, as amended. Based on the comprehensive sample results, no further subsurface sampling of known on-site contaminant areas were completed for this BEA.

As a result of the findings in the Phase I ESA, ECT performed a Phase II environmental site investigation on August 20, 2018, on behalf of the Submitter for the purpose of evaluating the potential contamination from offsite sources on the Subject Property prior to its acquisition. Specifically, the following evaluation activities were completed:

1.7.1 Soil Sampling

Direct push drilling services were performed by Fibertec Environmental Services, Inc. (Fibertec) using a track-mounted Geoprobe® Model 6620 drilling rig. The final depths of the borings were determined in the field based on observed subsurface soil conditions, the potential migration pathways associated with the RECs, and the depth to groundwater. Six (6) soil borings, designated as GP-1 through GP-6, were completed to depths of 15 feet below ground surface (bgs), except at boring GP-6 where the boring was advanced to a depth of 10 feet bgs. Soil characteristics at each boring were described and logged by a field geologist in general accordance with the Unified Soil Classification System (USCS) and screened for ionizable volatile organic compounds (VOCs) using a MiniRae 3000 photoionization detector (PID) equipped with a 10.6 electron volt (eV) lamp. The PID had a minimum detection limit of 0.1 parts per million (ppm) and was calibrated daily prior to usage. The locations of the soil borings are depicted on **Figure 3**.

Soil borings GP-1, GP-2, GP-5, and GP-6 were located in areas where the construction of new buildings is proposed. For each of these locations, one (1) discrete soil sample was collected for laboratory analytical testing. The soil samples were collected within ten feet below the ground surface based on elevated PID screening results. If there were negligible differences in PID screening results through the soil column, a sample was collected based on soil types or visual observations or at the bottom of the 10-foot interval. Soil descriptions, sample collection intervals, and PID readings are shown on the soil boring logs provided in **Appendix B**. Soil samples selected for laboratory analyses were placed in an ice-filled cooler for transportation to Fibertec's analytical laboratory. All four (4) of the soil samples were analyzed for VOCs, polynuclear aromatics (PNAs), and 10-MI metals as described below in Section 1.7.3. The soil sampling locations are shown on **Figure 3**.

1.7.2 Groundwater Sampling

Groundwater samples were collected to evaluate the potential for the migration of contamination from an off-site source onto the Subject Property. Shallow groundwater samples were collected from temporary monitoring wells TMW-1 through TMW-6, located at soil borings GP-1 through GP-6, respectively. Groundwater was observed in all six (6) soil borings within the maximum explored depth of 15 feet. Temporary monitoring wells were installed using one-inch disposable polyvinyl chloride (PVC) monitoring wells with 10-slot five-foot screens. The depths of the temporary monitoring wells ranged from 9 to 15 feet bgs, depending on the presence of water-bearing soils observed at the soil boring. Groundwater samples were collected from five of the six temporary monitoring wells. TMW-4, located at GP-4, had insufficient groundwater to produce a groundwater sample. The screened depths of the temporary monitoring wells are included on the soil boring logs provided in **Appendix B**.

Groundwater samples were also collected from existing monitoring wells. Shallow groundwater samples were collected from MW-23S, MW-24S, MW-25S, and MW-26S with depths ranging from 6.6 to 12 feet. Deep groundwater samples were collected from MW-23D, MW-24D, MW-25D, and MW-26D with depths ranging from 68 to 89 feet. Five (5) groundwater samples from temporary monitoring wells (TMW-1, TMW-2, TMW-3, TMW-5, and TMW-6) and three (3) groundwater samples from the existing, deep monitoring wells (MW-23D, MW-24D, and MW-26D) were submitted for analysis for VOCs, PNAs, and 10-MI metals as described below in Section 1.7.3. PCBs were additionally requested for analysis at TMW-1 and MW-24D. Groundwater samples collected for laboratory analyses were placed in an ice-filled cooler for transportation to Fibertec's analytical laboratory. Samples collected from MW-23S, MW-24S, MW-25S, and MW-26S were not submitted for laboratory testing due to the lack of visual and olfactory evidence of contamination. The temporary and existing monitoring well locations are included on **Figure 3**.

1.7.3 Location of Known Contamination

Soil

A table comparing the results of the soil analytical testing to the current Part 201 Generic Residential Cleanup Criteria (GRCC) is included in **Table 1**. The soil sampling locations are shown on **Figure 3**. The analytical laboratory testing reports are included in **Appendix C**. Based on observed soil conditions and a review of the analytical testing results, ECT concluded the following:

- No VOCs were detected in the four (4) soil samples. The samples were collected to evaluate shallow contamination.
- No PNAs were detected in the four soil samples. The samples were collected to evaluate for shallow contamination.
- Metals were detected above laboratory reporting limits in all soil samples (from soil borings GP-1 through GP-4). The samples were collected to evaluate for shallow contamination in the vicinity of proposed buildings. A concentration of arsenic exceeds the state-wide default background (SWDBG), drinking water protection, groundwater surface water interface (GSI) protection, and residential direct contact. Concentrations of total chromium and selenium exceeds the SWDBG and the GSI protection. The concentration of mercury exceeds the GSI protection criterion, but not the SWDBG. Concentrations of barium, cadmium, copper, lead, silver, and zinc did not exceed their respective SWDBG or criteria. Concentrations of metals that exceed the residential criteria limit are discussed below.
 - Arsenic was detected in every sample at concentrations ranging from 1,400 to 9,900 µg/kg. The concentration of arsenic at GP-2 (3-5') exceeds the SWDBG value (5,800 µg/kg), the DW protection (4,600 µg/kg), the GSI (4,600 µg/kg) protection, and the residential direct contact (7,600 µg/kg) cleanup criteria. Under the Part 201 rules, background values for metals may be substituted for GRCC if the background concentrations are higher than the cleanup criteria. The arsenic concentration is above the SWDBG value, but it is below region-specific background values as presented in the Michigan Department of Environmental Quality (MDEQ) *Michigan Background Soil Survey 2005 (Updated 2015)*. MDEQ has begun accepting these regional soil background values based on the empirical average regional background concentration plus two standard deviations. Therefore, the acceptable background value for arsenic in clay soils within the Erie Glacial Lobe is 31,400 µg/kg. Substituting this value for GRCC results in arsenic concentrations not exceeding GRCC.
 - Chromium was detected in all soil samples at concentrations ranging from 4,000 to 27,000 µg/kg. The concentration of chromium collected from GP-1 (3-5') exceeds the SWDBG (18,000 µg/kg) and GSI protection (3,300 µg/kg) criterion. Due to a higher acute toxicity for hexavalent chromium (Cr(VI)) compared to the more commonly occurring trivalent chromium Cr(III), the Part 201 GRCC for chromium are based on the risks associated with Cr(VI). No Part 201 GRCC are established for Cr(III), but there is a SWDBG level for Cr(III) that is set at 18,000 µg/kg. The laboratory analyses performed for the soil samples represents a total chromium concentration, and does not differentiate between Cr(III) and Cr(VI). Unless additional analyses are performed to specifically test for Cr(VI), the conservative approach is to compare the reported concentrations to the Part 201 Cr(VI) GRCC and the Cr(III) background values.
 - Selenium was detected in two (2) soil samples at concentrations ranging from 240 to 630 µg/kg. The concentration of selenium collected from GP-2 (3-5') exceeds the SWDBG (410 µg/kg) and the GSI protection (400 µg/kg) cleanup criteria. The concentrations of arsenic, chromium, and selenium at GP-1 and GP-2 exceed their respective residential criteria.

Groundwater

A table comparing the results of the groundwater analytical testing to the current Part 201 Generic Residential Cleanup Criteria (GRCC) is included in **Table 2**. The soil sampling locations are shown on **Figure 3**.

The analytical laboratory testing reports are included in **Appendix C**. Based on observed groundwater conditions and a review of the analytical testing results, ECT concluded the following:

- Several VOCs were detected in four groundwater samples: TMW-1, TMW-2, TMW-3, and TMW-5. The samples were collected to evaluate for potential contaminant migration onto the subject property. Benzene was detected in two groundwater samples (TMW-1 and TMW-5) at concentrations ranging from 1.2 to 180 µg/L. The concentrations of benzene at TMW-1 exceed the drinking water protection (5.0 µg/L) and GSI protection (12 µg/L) criteria. Isopropylbenzene was detected in one groundwater sample, TMW-1, at a concentration of 32 ug/L. The concentration of isopropylbenzene exceeds the GSI protection (28 µg/L) criterion. Naphthalene (also discussed under PNAs) was detected in one groundwater sample at a concentration of 39 ug/L. The concentration of naphthalene collected from TMW-1 exceeds the GSI protection (11 µg/L) criterion. Trichloroethene was detected in one groundwater samples at a concentration of 5.3 ug/L. The concentration of trichloroethene collected from TMW-3 exceeds the drinking water protection (5.0 µg/L) criterion. Xylenes were detected in one groundwater sample at a concentration of 60 µg/L. The concentration of xylenes collected from TMW-1 exceeds the GSI protection (41 µg/L) criterion. The concentrations of benzene, isopropylbenzene, naphthalene, trichloroethene, and xylenes in two groundwater samples exceed their respective GRCC. Acetone, sec-butylbenzene, ethylbenzene, n-propylbenzene, toluene, trichlorofluoromethane, 1,2,4-trimethylbenzene (TMB), and 1,3,5-TMB were detected, but the concentrations were below their respective cleanup criteria.
- PNAs were detected in one groundwater sample: TMW-1. Samples were collected to evaluate for potential contaminant migration onto the subject property. Naphthalene (also discussed under VOCs) was detected in one groundwater sample at a concentration of 39 ug/L. The concentration of naphthalene collected from TMW-1 exceeds the GSI protection (11 µg/L) criterion. The concentration of naphthalene in one groundwater sample exceeds the respective residential cleanup criteria. There were no other detections of PNAs.
- Metals were detected above laboratory reporting limits in all groundwater samples, except TMW-1. The samples were collected to evaluate for potential contaminant migration onto the subject property. Concentrations of arsenic, cadmium, and lead exceed the drinking water and GSI criteria. Concentrations of copper exceed the GSI criterion. Concentrations of metals that exceed the residential criteria limit are discussed below.
 - Arsenic was detected in two groundwater samples (TMW-2 and TMW-5) at concentrations ranging from 18 to 25 µg/L. The concentrations exceed the DW (10 µg/L) and the GSI (10 µg/L) criteria.
 - Cadmium was detected in two groundwater samples (MW-23D and MW-26D) at concentrations ranging from 11 to 51 µg/L. The concentrations exceed the DW (5.0 µg/L) and the GSI (2.5 µg/L) criteria.
 - Copper was detected in eight groundwater samples at concentrations ranging from 5.0 to 32 µg/L. The concentrations of copper collected from TMW-2 and TMW-3 exceed the GSI (13 µg/L) criteria.
 - Lead was detected in three groundwater samples at concentrations ranging from 3.0 to 20 µg/L. The concentrations of lead collected from TMW-2 and TMW-3 exceed the DW (4.0 µg/L) and the GSI (14 µg/L) criteria.
 - The concentrations of arsenic, cadmium, copper, and lead exceed their respective residential criteria.

- PCBs were not detected in the two groundwater samples (TMW-1 and MW-24D), which were collected to evaluate for potential contaminant migration onto the Subject Property.

In determining the sample locations and analytical testing parameters described herein, ECT relied upon its best judgment of the hazardous substances most likely to be present with respect to the prior uses of the adjacent properties. Readers should note that the presence of all possible contaminants has neither been confirmed as a part of this assessment, nor is such confirmation a required element of this BEA.

1.7.4 Basis for Concluding Facility Status

A comparison of analytical data obtained as a result of ECT's August 2018 sampling of areas of the Subject Property potentially affected by the migration of contaminants by off-site sources indicates the presence of VOCs, SVOCs and Michigan 10 Metals within the groundwater, and Michigan 10 Metals at concentrations exceeding levels exceeding the corresponding GRCC established for residential uses under the NREPA, 1994 PA 451, as amended. In addition, contamination remains on the Subject Property in both soil and groundwater above the GRCC for VOCs, SVOCs, arsenic, chromium, cobalt, and cyanide as detailed in the BEA report that was prepared by Applied Science, Inc. in September 2016. Accordingly, the Subject Property described herein meets the definition of a "facility" under Part 201 of the NREPA.

2.0 Property Information

2.1 Legal Description

The Subject Property is located on the southwest corner of East Hamilton Avenue and James P. Cole Boulevard, north of East Wood Street in the City of Flint. Parcel A is located at 1809 James P. Cole Boulevard while Parcel B has no address number on James P. Cole Boulevard, Sections 6 and 7, Township 7 North, and Range 7 East of the Flint North Quadrangle Map, in Flint, Genesee County, Michigan 48503. The Parcel ID (Tax ID) numbers for the Subject Property are:

Parcel A – (Parcel ID: 41-06-452-014)

Site photographs of the Subject Property and the surrounding area are presented in Appendix C of AKT's Phase I ESA (**Appendix A**).

2.2 Property Boundaries

The location of the Subject Property is shown on **Figure 1**, Subject Property Location Map and the general layout of the Subject Property is shown on **Figure 2**, Site and Surrounding Properties Map.

2.3 Site Map

A scaled site map, showing sample locations, depths is provided as **Figure 3**.

2.4 Subject Property Location

The Subject Property is comprised of two (2) parcels of land, comprising approximately 17.99-acres (Parcel A 16.09 acres and Parcel B 1.90 acres), and is located on the southwest corner of East Hamilton Avenue and James P. Cole Boulevard, north of East Wood Street in the City of Flint, Michigan, and has the following common address:

1809 James P. Cole Boulevard
Flint (Genesee County), Michigan 48503

2.5 Spatial Data

The Subject Property is located in Sections 6 and 7, Township 7 North, and Range 7 East of the Flint North Quadrangle Map, in Flint, Genesee County, Michigan. A geographic reference point for the Subject Property (Latitude [North]: 43.0324828 - 43° 1' 56.9382", Longitude [West]: 83.684671 - 83° 41' 4.815") was determined by Geosearch as part of the radial search activities and database review performed in support of AKT's Phase I ESA.

3.0 Facility Status

3.1 Known Contamination

Listings of the contaminants identified at the Subject Property by ECT in excess of the corresponding analytical reporting limits are provided together with the corresponding Chemical Abstract Service Numbers (CAS #) in **Table 3** below.

Table 3. Contaminants of Concern

Contaminants of Concern	CAS Number	Criteria Exceeded
Benzene (groundwater)	71432	DW, NRDW, GSI
Isopropylbenzene (groundwater)	98828	GSI
Naphthalene (groundwater)	91203	GSI
Trichloroethene (groundwater)	79016	DW, NRDW
Xylenes (groundwater)	1330207	GSI
Arsenic (groundwater and soil)	7440382	DW, NRDW, GSI, DC
Cadmium (groundwater)	7440439	DW, NRDW, GSI
Chromium (soil)	18540299	GSI
Copper (groundwater)	7440508	GSI
Lead (groundwater)	7439921	DW, NRDW, GSI
Selenium (soil)	7782492	GSI

DW: Drinking Water Protection, NRDW: Non-Residential Drinking Water, DC: Direct Contact, GSI: Groundwater Surface Water Interface

The listing of these contaminants is in addition to the contaminants previously documented in prior BEAs that were prepared by others for the Subject Property. See **Appendices D and E** for copies of these reports.

3.2 Laboratory Data

Copies of the analytical laboratory reports and chain-of-custody (COC) documentation for the samples collected by ECT on August 20, 2018 are included in **Appendix C**.

4.0 BEA Author

The primary author of this BEA was Ryan P. Higuchi, whose contact information is provided as follows:

Ryan Higuchi
Senior Associate Scientist III
Environmental Consulting & Technology, Inc.
2200 Commonwealth Boulevard, Suite 300
Ann Arbor, Michigan 48105
rhiguchi@ectinc.com
Tel. (734) 769-3004

BEA Review and Interpreter of this BEA was John D'Addona, P.E. who is a qualified Environmental Professional (EP) with over 30 years of experience in the environmental industry. His experiences include the management and review of hundreds of Phase I and II ESAs, BEAs, and Due Care Plans. His contact information is as follows:

John D'Addona, P.E.
Principal Engineer
Environmental Consulting & Technology, Inc.
2200 Commonwealth Boulevard, Suite 300
Ann Arbor, Michigan 48105
jdaddona@ectinc.com
Tel. (734) 769-3004

5.0 ASTM Phase I ESA and AAI Documentation

A Phase I ESA, completed by AKT, is included as **Appendix A**. The Phase I ESA was completed in general accordance with ASTM Practice E 1527-13. The purpose of ASTM Practice E 1527-13 is to define good commercial and customary practice in the United States of America for conducting an environmental site assessment of commercial real estate properties with respect to the range of contaminants within the scope of the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA; 42 U.S.C. §9601) and petroleum products. The objective of Phase I ESAs is to provide all appropriate inquiries into the previous ownership and uses of the property consistent with good commercial and customary practice as defined at 42 U.S.C. §9601(35)(B) to permit a user to satisfy one of the requirements to qualify for the innocent landowner, contiguous property owner, or bona fide prospective purchaser limitations on CERCLA liability (a.k.a., landowner liability protections). The Phase II ESA investigation was completed in general accordance with ASTM Practice E1903-11, the Standard Practice for Environmental Site Assessments: Phase II Environmental Site Assessment Process.

This BEA has been completed pursuant to Section 20126(1)(c) of Part 201 of the Natural Resources and Environmental Protection Act (NREPA) PA 451 of 1994, as amended (Part 201). In the preparation of this BEA, ECT considered hazardous substances as defined by Section 20101(1)(y) and/or regulated substances as defined by Section 21303(g). This BEA follows the suggested format for the “Contents of BEA Report,” presented in EQP 4012 (02/2015).

ADOPTED: _____

RESOLUTION TO USE ARPA CONTINGENCY FUNDS AND EARNED INTEREST TO PROVIDE REVENUE REPLACEMENT FUNDS TO FLINT DOWNTOWN DEVELOPMENT AUTHORITY DUE TO PARKING REVENUE LOSS DURING COVID-19 PANDEMIC

In 2022 and 2023, the City of Flint received funds pursuant to the American Rescue Plan Act of 2021 (ARPA), which could be used by the City for specific and defined purposes. In 2023, the City of Flint obligated all of the ARPA funding received, of which approximately \$40 million was obligated as “revenue replacement” on December 20, 2023;

City Administration recommends reallocating \$560,586 of ARPA funds - \$250,000 previously obligated for contingency and \$310,586 from earned interest – to provide revenue replacement funds to the Flint Downtown Development Authority because of parking revenue lost during the COVID-19 pandemic, specifically from April 1, 2020 to June 30, 2022. During these 27 months, compared to the parking revenue reported from July 1, 2018 to June 30, 2019, the parking revenue loss was calculated to be \$560,586; the table is part of this resolution packet.

Reallocated funds will be moved from Acct #101-287.000-963.000 (\$250,000) and Acct #001-000.000-273.800 (\$310,586) as follows:

Account Number	Account Name / Grant Code	Total Amount
101-612.011-969.728	ARPA- DDA COVID Revenue Loss Replacement – Contributions	\$250,000
101-191.100-969.728	ARPA Interest -DDA COVID Revenue Loss Replacement – Contributions	\$310,586
TOTAL	Parking revenue loss incurred by the Flint DDA from April 1, 2020 - June 30, 2022	\$560,586

IT IS RESOLVED that the appropriate City officials are authorized to do all things necessary, including executing any necessary agreements, to appropriate funding from the funding source accounts #101-287.000-963.000 and #001-000.000-273.800 for a contribution to the component unit, Downtown Development Authority, in the amount of \$560,586. Based on review and validation of the appropriate fund use by the City’s compliance firm, implementation of these funds will be consistent and compliant with US Department Treasury requirements and previously approved authorizations.

BID/PROPOSAL# n/a

AGENDA ITEM TITLE: RESOLUTION TO USE ARPA CONTINGENCY FUNDS AND EARNED INTEREST TO PROVIDE REVENUE REPLACEMENT FUNDS TO FLINT DOWNTOWN DEVELOPMENT AUTHORITY DUE TO PARKING REVENUE LOSS DURING COVID-19 PANDEMIC

PREPARED BY: Emily Doerr, Director of Business and Community Services (formerly known as Planning and Development)

VENDOR NAME: n/a

BACKGROUND/SUMMARY OF PROPOSED ACTION:

The Flint Downtown Development Authority is reliant on parking revenues to cover costs and provide services crucial to downtown businesses, residents, and organizations. During the COVID-19 pandemic, demand for downtown parking evaporated as their monthly parkers were furloughed or worked from home. Uncollectible revenues grew exponentially as monthly parkers stopped paying for spaces but also neglected to cancel their parking privileges. Adding to that, closed businesses meant that no shoppers, diners or concert go-ers were visiting Flint and utilizing (paying for) downtown parking infrastructure. This loss represented a sizable part of the DDA's budget which affected the available funds for necessary services such as snow removal, trash pickup, landscaping and downtown maintenance. As the quarantine orders were lifted, parking revenues did not return to pre-COVID 19 levels. Many businesses and non-profits have transitioned to hybrid schedules that result in many more employees using Work From Home (WFH) options more often, further reducing the need for parking. Some examples include:

- The United Way generally requires most employees to be in the office just one day per week.
- The Mott Foundation is now on a Monday-Thursday schedule.
- The change from Citizens Bank to Huntington over the last decade will take the bank's downtown workforce from over 350 employees to under 30.
- At the Community Foundation of Greater Flint employees are on site just three days per week and remote the other two.

Adding to this, UM-Flint experienced a significant decline in enrollment in 2021 and 2022 and also has over 60% of their classes online, meaning many students rarely set foot on campus, or downtown. The once considerable impact of students, faculty and staff is now minimal. The net result of these factors has been an across-the-board drop in demand for monthly parking, daily parking, and metered parking.

**PREVIOUS ALLOCATIONS (INCLUDE ALL ACCOUNTS USED FOR THIS PURPOSE)/
PROVIDE RESOLUTION OR CONTRACT INFORMATION THAT APPLIES:** n/a

**POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS)
INCLUDE PARTNERSHIPS AND COLLABORATIONS:**

Using ARPA funds to provide revenue replacement funds to the Flint DDA will allow this autonomous entity that is a part of the city but operates under its own budget to continue providing basic services that keep the downtown poised for day-to-day attraction of customers, special events, and ongoing business

growth, including snow removal, trash pickup, landscaping and downtown maintenance. This entity did earn additional tax capture revenues in 2022 and 2023 because taxable values have increased but that simply led to the DDA being able to fully make the bond payments owed for the construction of the Rutherford Parking Structure – in years past when the DDA was unable to make those bond payments in full, the burden fell onto the City budget to fill the gap. This usage of ARPA funds is absolutely part of the original intent of the funds and will help this unit of government be stabilized.

FINANCIAL IMPLICATIONS: ARPA funds must be obligated by 12/31/24 and fully expended by 12/31/26. This revenue replacement grant will allow the Flint DDA to maintain solvency until it can regain adequate levels of parking revenue. This resolution will obligate \$250,000 of the ARPA funding, moved to the general fund with adopted resolution 230464.1, and use \$310,586 of earned interest gained from the federal funds received for Covid State and Local Fiscal Recovery Funds.

RESOLUTION AUTHORIZING ENTRY INTO ADMINISTRATIVE CONSENT ORDER BETWEEN THE CITY OF FLINT AND THE STATE OF MICHIGAN, DEPARTMENT OF ENVIRONMENT, GREAT LAKES AND ENERGY, DRINKING WATER AND ENVIRONMENTAL HEALTH DIVISION

BY THE CITY ADMINISTRATOR:

The State of Michigan, Department of Environment, Great Lakes, and Energy (“EGLE”), Drinking Water and Environmental Health Division (“DWEHD”) has made allegations that the City of Flint is in violation of the Michigan Safe Drinking Water Act, 1976 PA 399, as amended (Act 399), and the administrative rules promulgated thereunder, being 2009 ACS R 325.10101, *et seq.*, Title XIV of the Public Health Service Act: Safety of Public Water Systems (Safe Drinking Water Act), Title 42 of the United States Code (USC), Section 300f, *et seq.* (collectively, the “SDWA”).

The City of Flint is a supplier of water as defined under the SDWA through the City of Flint’s ownership and operation of a Class D1 water treatment system and S1 water distribution system.

The City of Flint and EGLE have tentatively agreed to resolve the violations alleged by EGLE through entry of an Administrative Consent Order.

The Department of Public Works recommends that the City enter into the Administrative Consent Order to resolve the allegations made by EGLE.

IT IS RESOLVED that the City Council approves authorizing the City of Flint to take all actions necessary to enter into DWEHD Order No. ACO-399-03-2024 (“Administrative Consent Order between the City of Flint and EGLE”).

**Resolution Approving Parcel Acquisition
for Police and Fire Training Facility**

On January 8, 2024, the Flint City Council enacted Resolution 230459, which approved of the acquisition of twenty-seven parcels for the purpose of constructing a Police and Fire Training Center to enhance training and readiness of the City’s police and firefighters. Three additional parcels are required to facilitate this project moving forward.

Parcel ID No.	Acquisition Cost	Current Owner
47-31-182-010	\$102.00	Genesee County Landbank
47-31-182-022	\$2000.00	A. Weston
47-31-182-032	\$2,436.42	Genesee County Treasurer
Total:	\$4,538.42	

Funds for these acquisitions will be paid out of GL 101-301.735-971.000.

IT IS RESOLVED that that the Flint City Council approves of the acquisition of the above-listed properties and authorizes the appropriate City officials to do all things necessary to acquire the properties.

RESOLUTION TO TRIO PAINT FOR GENERAL CONTRACTOR SERVICES- CHANGE ORDER #4

WHEREAS, The City of Flint Division of Purchases & Supplies solicited proposals for General Contractor services for FY23-FY25 on behalf of the Facilities Maintenance Division. Trio Paint was the sole qualified and awarded bidder for this 3-year contract.

WHEREAS, Trio Paint has completed various projects within city-owned facilities. The most recent change order for the contract was Change order #3 for additional Council Chamber improvements approved by City Council on August 28, 2023 via the adoption of Resolution #230297.

WHEREAS, Facilities Maintenance is requesting an additional \$108,190.00 for quotes for additional work for the remainder of FY2024. These projects include but are not limited to City Hall lobby rehabilitation, Legal department renovations, asbestos remediation, ceiling tile replacements, painting and other services.

WHEREAS, Flint City Council adopted Resolution #220347 on August 22, 2022 allocating \$150,000.00 of American Rescue Plan Act (ARPA) funding towards each Brennan and Hasselbring Senior Centers. Trio has provided a quote for Brennan Center kitchen upgrades, handrail replacement and bathroom renovations totaling \$73,135.43 of ARPA funding. *(Because this has been previously allocated, no additional ARPA-related allocation is needed.)*

WHEREAS, Hasselbring Senior Center is requesting similar upgrades to be completed by Trio Paint using the quoted amount of \$70,479.90 of CS Mott grant funding and \$34,497.10 of ARPA funding to include bathroom renovations and kitchen upgrades and ballroom floor rehabilitation. *(Because this has been previously allocated, no additional ARPA-related allocation is needed.)* The overall total for Hasselbring Senior Center upgrades is not-to-exceed \$105,435.00.

The funding will come from the following account(s):

Account Number	Account Name/ Grant Code	Amount
444-230.200-976.000	BUILDING ADDITIONS & IMPROVEMENTS	\$108,190.00
*287-752.120-801.000	PROF. SERVICES BRENNAN CC/FUSDT-CSLFRF	\$73,135.43
*296-752.161-801.000	PROF. SERVICES HASSELBRING/PCSM-HSCI22	\$70,479.90
*287-752.160-801.000	PROF. SERVICES HASSELBRING/FUSDT-CSLFRF	\$34,497.10
	FY24 GRAND TOTAL	\$286,302.43

IT IS RESOLVED, That the Appropriate City Officials, upon City Council's approval, are hereby authorized to enter into a contract change order and issue additional Purchase Orders to Trio Paint for additional Contractor Services in an amount not-to-exceed \$286,302.43 for FY24 (07/01/23-06/30/24) for an overall FY23-FY25 contract total not to exceed \$1,065,140.43. Before ARPA funds are distributed, the City of Flint's ARPA administration, compliance, and implementation firm shall review and ensure compliance with the latest US Department of the Treasury final rules. Funding for Brennan's portion of this resolution shall come from the American Rescue Plan Act fund (287).

PROPOSAL #22000707

BY THE CITY ADMINISTRATOR:

RESOLUTION TO JB'S TREE AND YARD SERVICE CHANGE ORDER #2: URBAN FORESTRY SERVICES/BRUSH CLEARING AT WATER PLANT

WHEREAS, The City of Flint Division of Purchases & Supplies solicited bids for Urban Forestry Services and awarded contracts to the (4) lowest, responsive bidders for FY22-FY24, in which JB's Tree & Yard Services was one of the awarded bidders.

WHEREAS, City Council adopted resolution #210353 on August 10, 2021 to authorize the contract with JB's Tree & Yard Services for Urban Forestry services in an amount not to exceed a three-year aggregate contract amount of \$255,000.00. City Council later adopted Resolution #240006 on January 22, 2024 authorizing Change Order #1 with JB's Tree & Yard Service in the amount of \$70,550.00 for a revised three-year aggregate total not to exceed \$325,550.00 due to the redistribution of funding from other Urban Forestry Services' awarded bidders.

WHEREAS, The City of Flint DPW, Water Plant Division, solicited bids from Urban Forestry vendors currently holding contracts with the City, to clear brush and trees along the perimeter of the Water Plant property due to security lighting being installed. Of the awarded bidders, JB's Tree & Yard Services provided the lowest proposal for these services. The Water Plant is requesting the authorization to piggy-back off of DPW's current contract for Urban Forestry Services with JB's Tree and Yard Services, in a change order amount not to exceed \$30,000.00 for FY2024.

The additional funding will come from the following account(s):

Account Number	Account Name	Amount
591-545.200-801.000	PROFESSIONAL SERVICES	\$30,000.00
	FY24 CHANGE ORDER TOTAL	\$30,000.00

IT IS RESOLVED, that the appropriate city officials are to do all things necessary to enter into a Change Order with JB's Tree & Yard Service for Water Plant Urban Forestry Services in an amount not-to-exceed \$30,000.00 for FY2024 (07/01/23-06/30/24) for an aggregate 3-year contract total not-to-exceed \$355,550.00

ADOPTED: JAN 22 2024

Proposal 22000707

BY THE CITY ADMINISTRATOR:

RESOLUTION TO JB'S TREE & YARD SERVICES CHANGE ORDER #1 FOR ADDITIONAL TREE REMOVALS AND TRIMMING

The Street Maintenance Division is responsible for maintaining trees in the Right-of-Ways (ROW), including the removal of dead trees, emergencies, and regular tree trimming. The Division of Purchases & Supplies solicited bids for urban forestry services and awarded contracts to the four lowest, responsive bidders for FY22-FY24, in which JB's Tree & Yard Services, 5320 Smith Dr., Flushing, Michigan was one of the awarded bidders.

On August 10, 2021, the Appropriate City Officials were authorized to enter into a contract per resolution #210353 with JB's Tree & Yard Services urban forestry services, in an amount not to exceed \$85,000.00 and a three year aggregate amount of \$255,000.00 and

Due to contractual issues with one of the awarded vendors, a contract was terminated, resulting in the need for redistribution of funding to the remaining awarded contractors, JB's Tree & Yard Services being one of them. The Department of Public Works, Street Maintenance Division is requesting additional urban forestry services in the amount not to exceed \$70,550.00. Funding for said services will come from the following accounts:

Account Number	Account Name	Amount
202-449.215-801.000	Major Street Fund	\$24,260.00
203-449.215-801.000	Local Street Fund	\$46,290.00
	FY24 GRAND TOTAL	\$70,550.00

IT IS RESOLVED, that the appropriate City Officials are authorized to do all things necessary to enter into change order #1 to the contract with JB's Tree & Yard Services for additional urban forestry services, in an amount not to exceed \$70,550.00 and a revised three year aggregate amount of \$325,550.00.

Flint Water Plant on Dort Hwy. Stage one.

Description	Cost
Remove all underbrush and trees along both sides of fence row on the East side of the service road, on the water plant side (as shown in highlighted area on map). Cut as much out of fence as possible, but some may be too grown into fence for total removal. Remove all underbrush and trees along back of old brick building, along sides of building, and front as well, and around raised areas near Boulevard Dr. Lastly, remove all underbrush under and around two designated towers. Chip and haul all wood and debris away.	\$25,000.00
To grind all large stumps and as many underbrush stumps as possible to prevent regrowth throughout total removal area. May be unable to grind all stumps right up the fence row, but can discuss spraying method to prevent regrowth, or grind if fence is removed/replaced. Leave stump mulch on site. (If stump grinding is not necessary, take off total price)	\$5,000.00

Re: Tree & Shrub/Vegetation Clearing at the Water Plant, Dort Highway

Phase 1: Clearing of the fence line and clearing areas between fence line and the building on the East side of the service road (Water Plant side)

To remove the trees, brush, vegetation on the fence line (distance is 1904 feet) \$ 36,600.00

To remove the trees, brush, vegetation between the fence and the building
-Areas include what was discussed during the walk thru and the "island" areas (overgrown compost piles) \$ 60,000.00

To remove all vegetation off the 2 communication/power towers \$ 5,000.00

To grind the stumps ONLY along the fence line in the 1904 feet distance \$ 15,000.00
OR

To grind all stumps
(along fence line and areas between the fence line & the building) \$ 25,000.00

All pricing includes removal of all wood, brush, and vegetation
Leaving all mulch from stump grinding

Total bid: \$ 116,600.00 (stumps only along fence line) _____
OR \$ 126,600.00 (ALL stumps) _____

**Please confirm which total we would be doing by marking with an "x".
Additional quote request for maintaining control of the vegetation on an annual basis:
I could provide a quote on that at the time of the first service being needed, since I do not know how much of that would grown back in a year's time.**

Please return a signed copy of the bid and we will schedule the work to be done.

BY THE CITY ADMINISTRATOR:

**RESOLUTION TO AT&T FOR SWITCHED ETHERNET SERVICE
FY2024 & FY2025**

WHEREAS, the AT&T, 23500 Northwestern Hwy W-216, Southfield, Michigan currently provides the City of Flint with telephones service lines; and

WHEREAS, Information Technology Services is requesting to enter into a Pricing Schedule Agreement. The Pricing Schedule Agreement will allow for a discount on the internet connections for 12 of the City of Flint buildings. The Pricing will be a reduction for 12 months and the total should not exceed the amount of \$100,000 for FY24/FY25. For FY24, the pricing should not exceed \$25,000. The pricing for FY25 should not exceed \$75,000.

Funding is to come from the following account(s):

Account #/Grant Code	Description	Amount
636-228.000-850.000	Communication	\$100,000.00
	FY2024 TOTAL:	\$25,000.00
	FY2025 TOTAL:	\$75,000.00

IT IS RESOLVED, hat the appropriate officials are hereby authorized to do all things necessary to enter into agreement with AT&T and the City of Flint for AT&T Switched Ethernet Service Pricing Agreement for 12 months beginning March 2024 through March 2025 for an amount not to exceed \$25,000 for FY24 (01/02/23-06/30/24) and \$75,000.00 for FY25 (07/01/24-06/30/25) pending budget adoption.

This amendment ("Amendment") modifies the parties' pre-existing Confirmation of Service Order, Letter of Election, Pricing Schedule or other service agreement referenced above ("Service Agreement") and is effective on the date on which the last party signs this Amendment ("Effective Date"). This Amendment extends the term for the existing Service Agreement ("Service Agreement Term"), and minimum term or commitment for each of the Services ("Minimum Payment Period"), regardless of how such terms are referred to in the Service Agreement, but only for the services set forth in Section 1 of this Amendment ("Services"). If any other services are covered by the Service Agreement, such services shall not be affected by this Amendment.

This Amendment is available to existing customers with an unexpired Service Agreement Term or with a Service Agreement Term which expired less than 6 months prior to the Effective Date of this Amendment. Where the Service Agreement term is unexpired, this Amendment extends the existing Service Agreement Term and Minimum Payment Period. Where the Service Agreement Term is expired, this Amendment establishes a new Service Agreement Term and Minimum Payment Period. This Amendment is not available to Customers who seek E-rate funding for the Services provided under the Service Agreement, as modified by this Amendment.

Except as expressly set forth below, all other terms and conditions of the Service Agreement (including any associated master agreement or Business Services Agreement) apply.

To the extent the Service Agreement includes reference to "AT&T Connecticut", "The Southern New England Telephone Company", or "SNET", such reference is hereby deleted in its entirety and this Amendment is not effective as to services provided by this entity.

- SERVICE, SERVICE PROVIDER(S) and SERVICE PUBLICATION(S).** Section 1 of the Pricing Schedule is modified by changing the information relating to AT&T Switched Ethernet Service and the applicable Service Publications to the following:

BID/PROPOSAL#

AGENDA ITEM TITLE: BS&A Software

PREPARED BY: Monique Cole, Information Technology

VENDOR NAME: BS&A

BACKGROUND/SUMMARY OF PROPOSED ACTION:

The Information Technology Division is requesting to enter into Change Order #7 to extend the agreement with BS&A through May 1, 2024 under the same terms of the original agreement for the amount of \$146,137.00. Funding for these services is to come from software account 636-228.000-814.600. BS&A Software provides the applications that the City uses for city financial data processing and is a sole proprietor. In order to continue using BS&A Software, a service agreement needs to be paid for 2024/2025.

PREVIOUS ALLOCATIONS (INCLUDE ALL ACCOUNTS USED FOR THIS PURPOSE)/ PROVIDE RESOLUTION OR CONTRACT INFORMATION THAT APPLIES

The payment of this agreement will come from IT's Software Fund Account.

POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS) INCLUDE PARTNERSHIPS AND COLLABORATIONS:

BS&A Software provides the applications that the City uses for city financial data processing.

FINANCIAL IMPLICATIONS:

In order to continue use of BS&A Software a service agreement must be paid for FY24 – May 1, 2024 – June 30, 2024 and FY25 – July 1, 2024 – April 30, 2025

BID/PROPOSAL#

AGENDA ITEM TITLE: Palo Alto Network – Security Project

PREPARED BY: Monique Cole, Information Technology

VENDOR NAME: Optiv

BACKGROUND/SUMMARY OF PROPOSED ACTION:

The IT department is seeking to purchase Palo Alto hardware, software, and professional services. The hardware software, and professional services will be used for information technology security and the zero trust initiative.

Pricing from Optiv has been provided by utilizing the GSA contract #47QSWA18D008F for Palo Alto, the cooperative purchasing program of the United States Federal Government.

PREVIOUS ALLOCATIONS (INCLUDE ALL ACCOUNTS USED FOR THIS PURPOSE)/ PROVIDE RESOLUTION OR CONTRACT INFORMATION THAT APPLIES

The payment of this hardware, software, and professional services will come from the IT's Software, Equipment, Professional Services, and Postage Fund accounts.

POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS) INCLUDE PARTNERSHIPS AND COLLABORATIONS:

This purchase will be used for the Information Technology's security and the zero-trust initiative.

FINANCIAL IMPLICATIONS:

To complete the security and zero trust initiative, funds will need to be transferred from IT's fund balance to the Equipment Fund, Software Fund, Professional Services Fund and Postage fund. This purchase will cost a total of \$284,402.84.

BID/PROPOSAL#: N/A

AGENDA ITEM TITLE: Budget Amendment for Legal Case Management Services

PREPARED BY: William Kim

VENDOR NAME:

BACKGROUND/SUMMARY OF PROPOSED ACTION:

Budget amendment to appropriate additional funding for legal electronic case management services. The Law Department is currently exploring options for electronic case management software that will integrate with the 67th District Court and allow the Law Department to more efficiently manage criminal prosecution activities.

In FY 2024, the Law Department has managed a docket that involves reviewing an average of 17.45 criminal complaints each week, conducting approximately 48.95 pre-trial conferences each week, and have had approximately 8.35 jury trials scheduled each week. The Law Department's current case management system is not integrated with the District Court and significant staff time is spent creating and maintaining files. An integrated electronic case management system will allow Law Department staff to more effectively and efficiently fulfil the Law Department's criminal prosecution responsibilities. In addition, the options currently being explored include case management of the Law Department's civil litigation and in-house counsel responsibilities, increasing efficiency in those areas as well.

PREVIOUS ALLOCATIONS (INCLUDE ALL ACCOUNTS USED FOR THIS PURPOSE)/ PROVIDE RESOLUTION OR CONTRACT INFORMATION THAT APPLIES

None

POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS) INCLUDE PARTNERSHIPS AND COLLABORATIONS:

More efficient operation of the City of Flint's Law Department.

FINANCIAL IMPLICATIONS:

Funds will come from the General Fund fund balance.

RESOLUTION AUTHORIZING INCREASED ALLOCATION FOR DEARBORN NATIONAL LIFE INSURANCE COMPANY AS THE PROVIDER OF LIFE AND DISABILITY INSURANCE FOR CITY PERSONNEL

BY THE ADMINISTRATION:

WHEREAS, Flint City Council approved Dearborn National Life Insurance Company as the provider of life and disability insurance for active City of Flint employees (resolution 230101 adopted 4/10/23). The approved contract amount was \$325,000 for the period March 1, 2023 - March 1, 2025; and

The Department of Finance has projected that an additional \$40,000 will be needed to cover premiums and continue coverages through March 1, 2025; and

WHEREAS, based on current pricing and the existing contract, the Department of Human Resources is recommending that the agreement with Dearborn National Life Insurance Company be increased to ensure premiums are covered through March 1, 2025. Funding for this request will come from account number 627-000.029-718.300.

BE IT RESOLVED that the appropriate officials are hereby authorized to do all things necessary to increase the existing agreement with Dearborn National Life Insurance Company by \$40,000 to cover the current contract through March 1, 2025. The total revised amount of the contract for March 1, 2023-March 1, 2025, shall not exceed \$365,000.00.

RESOLUTION AUTHORIZING DEARBORN NATIONAL LIFE INSURANCE COMPANY AS THE PROVIDER FOR LIFE AND SHORT-TERM DISABILITY INSURANCE

BY THE MAYOR:

WHEREAS, Dearborn National Life Insurance Company began providing the City of Flint with life insurance and short-term disability insurance in February 2018 and has continued to do so through March 1, 2023. Dearborn National Life Insurance Company has extended an offer to continue providing this same coverage at the current rates that will be guaranteed through March 1, 2025; and

WHEREAS, based on price, customer service, and its strategic relationship with Blue Cross Blue Shield which will allow the City additional savings, the Department of Human Resources is recommending that Dearborn National Life Insurance Company be retained to continue providing coverage to the City of Flint through March 1, 2025. Funding for this request will come from account number 627-000.029-718.300; and

BE IT RESOLVED, that the appropriate officials are hereby authorized to do all things necessary to enter into an agreement with Dearborn National Life Insurance Company to continue providing the City with its short-term disability and life insurance coverage for the remainder of FY23 for the amount of \$75,000; \$150,000 for FY2023 and \$100,000 for the period July 1, 2024 through March 1, 2025, for a total cost not to exceed \$325,000.

AGENDA ITEM TITLE: Life, AD&D, and Short-term Disability Insurance

PREPARED BY: V. Foster

VENDOR NAME: Dearborn Life Insurance Company

BACKGROUND/SUMMARY OF PROPOSED ACTION:

On April 10, 2023, Flint City Council approved the agreement on resolution #230101 allocating \$325,000 for the two-year term (March 1, 2023-March 1, 2025). The Department of Finance is projecting the total for this period will be closer to \$365,000. To pay the current and future invoices through March 1, 2025, the HR Department is seeking the Council's approval to increase purchase order #24-006092 by \$40,000 to cover the expenses through 3/1/25. Funding is available in the Fringe Benefit Fund – Salaries and Fringes to cover premium costs for coverage provided to City employees.

Note that premiums are not impacted by the request to increase the purchase order by \$40,000. Premiums are based on actual payroll. The contract with Dearborn Life has not changed.

RESOLUTION NO.: _____

PRESENTED: MAY 0 8 2024

ADOPTED: _____

(Proposal 24000534)

BY THE CITY ADMINISTRATOR:

**RESOLUTION TO CASCADE CART SOLUTIONS
FOR RECYCLING AND TRASH CARTS**

The Division of Purchases & Supplies solicited bids for recycling and trash carts as requested by the Transportation Division, and

The City of Flint, Department of Public Works/Transportation recommends that Cascade Cart Solutions, 5175 36th St. S.E., Grand Rapids, MI, one the six solicitations received, be awarded the contract for recycling and trash carts.

The City of Flint received grants from The Recycling Partnership and the State of Michigan Department of Environment, Great Lakes and Energy (EGLE) to purchase recycling and trash carts. All bids received were under the amount of the grants. The grant from the State of Michigan (EGLE) specifies that the City of Flint must pay \$1,000,000 upfront and it will be reimbursed after the carts have been fully disbursed to the residents. A 20% match is an additional requirement for this grant in the amount of \$200,000.00, and that 20% match will be reimbursed through a grant from The Recycling Partnership. Any further purchasing requirements will be paid directly by The Recycling Partnership. Funding will come from the following account:

Account Number	Account Name	Amount
226-528.201-752.000	Supplies	\$ 1,200,000.00
	FY24/25 GRAND TOTAL	\$ 1,200,000.00

IT IS RESOLVED, that the Proper City Officials are hereby authorized to enter into a contract with Cascade Cart Solutions for recycling and trash carts.

BE IT FURTHER RESOLVED, that the City of Flint will pay \$1,200,000.00 upfront and the State of Michigan, Department of Environment, Great Lakes and Energy (EGLE) will reimburse the City of Flint \$1,000,000.00 after all the carts have been fully disbursed and a final report is issued to the State of Michigan. A 20% match is required for this grant in the amount of \$200,000.00, which will be reimbursed by The Recycling Partnership.

VENDOR NAME: Cascade Cart Solutions

BACKGROUND/SUMMARY OF PROPOSED ACTION:

The City of Flint was awarded two grants, one from The Recycling Partnership and one from The Michigan Department of Environment, Great Lakes and Energy (EGLE) for City of Flint residents for the procurement and distribution of recycling and trash carts, educational materials and outreach efforts. An RFP solicited vendors to submit their recycling and trash cart program. Six companies submitted proposals. All were reviewed and Cascade Cart Solutions, a woman owned company located in Michigan, was chosen as the best fit for Flint's trash and recycling cart program. Cascade Cart Solutions was also picked because after the carts are distributed, the City will eventually need to replace carts and the associated parts and items shipped from Michigan will be cheaper than if they were shipped from out of state.

The City of Flint's partnerships with The Recycling Partnership and EGLE are important steps to improving recycling rates in our community. The State of Michigan had chosen to invest their efforts into disposing of waste into the landfills which in turn attracted trash to our state for disposal. This demanded a redesign of how the Michigan Solid Waste Policy addressed disposal of waste. The State of Michigan Protection Act 451, Part 115, HB 4454-4461 became effective March 2023 to provide more resources and opportunities for recycling more materials instead of using the landfills.

EGLE has stated that these new laws could double the recycling rates in Michigan with the goal of reaching 30% by 2025 and 45% by 2030.

PREVIOUS ALLOCATIONS (INCLUDE ALL ACCOUNTS USED FOR THIS PURPOSE)/ PROVIDE RESOLUTION OR CONTRACT INFORMATION THAT APPLIES

None

POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS) INCLUDE PARTNERSHIPS AND COLLABORATIONS:

All eligible properties will receive one trash and one recycling cart. This program came about through an award from the State of Michigan EGLE recycling infrastructure grant and a grant from The Recycling Partnership, Inc. grant.

CITY OF FLINT STAFF REVIEW FORM

FINANCIAL IMPLICATIONS:

The City of Flint must pay \$1,200,000.00 towards the purchase of the carts. Once the carts have been distributed, the City will be reimbursed \$1,000,000 from the State of Michigan, Department of Environment, Great Lakes and Energy (EGLE) and \$200,000.00 will be reimbursed through a grant from The Recycling Partnership.

	Cascade Cart Solutions* 5175 36th St. S.E. Grand Rapids, MI	Rehrig Pacific Co. 4010 E. 26 th St. Los Angeles, CA	Toter, LLC 841 Meacham Rd. Statesville, NC
Score – total possible points = 152	126	131.5	102.5
Total costs, carts and parts with no IML	\$3,491,425.00	\$3,230,500.00	\$3,649,045.00
Total costs, carts and parts with IML	\$3,519,470.00	\$3,257,125.00	\$3,702,295.00
Price included the full 1.2 million pounds of donated resin			

	Macro Plastics, Inc. dba IPL Macro 220 Huntington Rd. Fairfield, CA	Schaffer Plastics North America, LLC 10301 Westlake Dr. Charlotte, NC	Otto Environmental Systems 12700 General Dr. Charlotte, NC
Score – total possible points = 152	100.5	92.5	87.5
Total costs, carts and parts with no IML	\$3,411,550.00	\$3,075,720.00	\$3,317,120.00
Total costs, carts and parts with IML	\$3,431,075.00	\$3,122,580.00	\$3,379,245.00
Price included the full 1.2 million pounds of donated resin			

* Although all companies offered great programs and provided many options in their proposals, a deciding factor had to be made. The top two scoring companies were Cascade Cart Solutions and Rehrig Pacific Co. Both Cascade and Rehrig Pacific offered a high level of recycled content including PCCR, ability to fully use the donated resin, extremely high level of customer service throughout their design and the A & D process. While price is always a factor, our recommended choices are based on the bid responses and not on the price matrix. All proposals received were well under the awarded grant amount. Cascade Cart Solutions was chosen because they are woman owned and Michigan based, as well as cost savings and convenience for replacement of carts and necessary parts.

RESOLUTION APPROVING REALLOCATION OF ARPA FUNDS TO AWARD ARPA FUNDS TO REROOT PONTIAC FOR ALTERNATE USES FOR VACANT LOTS

BY THE CITY ADMINISTRATOR:

In 2022 and 2023, the City of Flint received funds pursuant to the American Rescue Plan Act of 2021 (ARPA), which could be used by the City for specific and defined purposes. In 2023, the City of Flint obligated all of the ARPA funding received, of which approximately \$40 million was obligated as “revenue replacement” on December 20, 2023;

City Administration recommends reallocating \$25,000 of ARPA funds, previously obligated for revenue replacement, to provide funding for the category of Vacant Lots and Alternative Uses to provide blight removal assistance to Flint communities. The administration recommends funding \$25,000 for Reroot Pontiac for their expansion of their Reroot Flint project.

Reallocated funds will be moved from Acct #101-287.000-963.000 follows:

Fund	Project Purpose	Account Name / Grant Code	Amount
Reroot Pontiac	Reroot Flint Project	101-729.003-801.000.	\$25,000

IT IS RESOLVED that the appropriate City officials are authorized to do all things and execute any agreements necessary to Reroot Pontiac and appropriate funding in the current and future fiscal years in the amount of \$25,000 as described above, for as long as the funds are available. Prior to any disbursement of funds, the City of Flint’s ARPA administration, compliance, and implementation firm shall review and ensure compliance with the latest US Department of Treasury rules.

AGENDA ITEM TITLE: RESOLUTION APPROVING REALLOCATION OF ARPA FUNDS TO AWARD ARPA FUNDS TO REROOT PONTIAC FOR ALTERNATE USES FOR VACANT LOTS

PREPARED BY: Latrese Brown

VENDOR NAME: Reroot Pontiac

BACKGROUND/SUMMARY OF PROPOSED ACTION:

Reroot Pontiac is a 501(c)(3) nonprofit organization, established in 2016, to transform blighted properties in Pontiac into interactive spaces focused on nature, sustainability, and environmental topics. We strive to introduce the local communities to the ecological systems of their surrounding environments and build natural installations that help repair the broken landscape of Pontiac. The vision is to encourage people to experience the awesomeness of the natural world through interactive environments.

Reroot Pontiac is a participant in the Google for Nonprofits program. Google for Nonprofits offers eligible organizations access to Google products that can help solve the challenges nonprofits face: finding new donors and volunteers, working more efficiently, and getting supporters to take action. Google for Nonprofits is available in over 60 countries.

The Project proposed represents the formalization of Reroot Flint as a new nonprofit. This project will include a number of connected vacant lots to provide a vibrant available green space to the community. They will be installing educational spaces focused on the complex web of environmental interactions that support the health of a community.

Agenda Item Title:

RESOLUTION APPROVING REALLOCATION OF ARPA FUNDS TO AWARD ARPA FUNDS TO REROOT PONTIAC FOR ALTERNATE USES FOR VACANT LOTS

Prepared by: Latrese Brown, Community Liaison

Background/Summary of Proposed Action:

Reroot Pontiac Funding request and purpose: Requesting \$25,000 for Reroot Flint Project.

The Project proposed represents the formalization of Reroot Flint as a new nonprofit. Reroot Pontiac is an established non-profit and the parent organization that helped to sprout Reroot Flint. This project will include a number of connected vacant lots to provide a vibrant available green space to the community. They will be installing educational spaces focused on the complex web of environmental interactions that support the health of a community. These are interactive spaces allowing people with little to no background on these topics to have access to this information through interactions they are familiar with seeing every day. Through this project, people exposed and participating, will gain a working understanding of systems thinking that can be applied to multiple aspects of their lives.

This project would include the creation of a sustainable community garden, aquaponics, a living structure, and green storm water infrastructure (GSI) installations. The gardens will be installed through building a healthy soil community before installing the garden. Using this setup, water and fertilizer will not be needed for the garden and there is less worry about soil contamination in this garden, as the fungi and associated bacteria remediate or lock up most all contaminants.

Aquaponics is an accessible system showing the importance and processes of nutrient cycling in a small system. The living building will mirror the one installed in Pontiac. This structure is made of 1000+ interwoven grafted willow trees that are planned to grow into the single largest living structure in the United States. GSI installations containing native pollinator supporting plants will be installed along the street and in areas of a runoff concentration. As the licensed National Green Infrastructure Certification Program (NGICP) trainer for the State of MI they seek to support the community by offering workforce development opportunities in GSI.

History:

Reroot Pontiac is a 501(c)(3) nonprofit organization, established in 2016, to transform blighted properties in Pontiac into interactive spaces focused on nature, sustainability, and environmental topics. Agenda Item Title:

RESOLUTION APPROVING REALLOCATION OF ARPA FUNDS TO AWARD ARPA FUNDS TO FLINT INNOVATIVE SOLUTIONS SERVING AS THE FIDUCIARY FOR STEMULATION FOR ALTERNATE USES FOR VACANT LOTS

Prepared by: Latrese Brown, Community Liaison

Background/Summary of Proposed Action:

Flint Innovative Solutions: Funding request and purpose: Requesting \$22,500 for Stemulation Project.

Stemulation aims to challenge children to apply STEM skills to produce hydro/aquaponics, nutritional meals, garden beds, walk-in greenhouses, compost and more projects. Stemulation's 2024 event plans and goals aim to further enrich the community by organizing educational activities, building raised garden beds, and providing pumpkins to children, with a focus on accessibility and education for residents of Flint.

The garden beds will have different varieties of produce specific to their nutritional content. Identifying nutritional values of specific fruits and vegetables will play a key role in the educational development of the program.

Educational modules will translate public health strategies focused on promoting health and wellness to our youth and at-risk elderly. For example, there are vegetables high in Calcium, Iron and Vitamin C that can be consumed to combat the effects of lead. Children born during the Flint Water Crisis are currently in the Third and Fourth grades. The three-year logic model for Stimagination includes projects for these children until their graduation from elementary school.

The desired outcome for the program is to have 50 to 75 Flint youth participating in construction and maintenance of 30 raised garden beds on an annual basis. The program will increase access to vitamin-rich vegetables as produced food will be donated to families in need and seniors. 30 garden beds will be constructed on vacant lots in north Flint in the vicinity of Haskell Community Center with the assistance of Keep Genesee County Beautiful, Edible Flint and other community partners.

History:

Stemulation's Founder is a dedicated Hamady High School Graduate and current student of Applied Science at Mott Community College/MSU College of Human Medicine, he has demonstrated an unwavering commitment to the betterment of his community. As a devoted father

of two and basketball coach with Flint Affiliation, has shown exceptional leadership qualities and a passion for fostering positive growth in young individuals.

Stemulation founded in 2020, has tirelessly worked to alleviate food disparity in Flint, addressing long-standing issues exacerbated by the pandemic, and empowering the community with the skills of self-sustainability through teaching gardening, canning, and preservation techniques. Through partnerships with various organizations and churches, the Founder has organized numerous events and initiatives, such as clean-ups, beautification projects, and nutrition education programs, to promote community engagement and wellness;

Fund	Project Purpose	Account Name / Grant Code	Amount
Flint Innovative Solutions	Stemulation Project	101-729.003-801.000.	\$22,500

BID/PROPOSAL# 24000533

AGENDA ITEM TITLE: LBPHC Services Provider

PREPARED BY: Michael O.D. Carpenter/ Program Manager

VENDOR NAME: Mike & Moore Construction

BACKGROUND/SUMMARY OF PROPOSED ACTION:

The COF LBPHC program aims to eliminate lead hazards through a combination of abatement and interim control methods, focusing on using interim controls for substrates that are in fair or better condition. The program's primary strategy for eliminating hazards is to replace all prime windows, doors, and siding that have been identified as having lead paint hazards in each unit. A licensed and lead certified contractor with experience in performing lead-based paint hazard interim control and/or abatement will be responsible for overseeing lead hazard control projects and ensuring compliance with state and federal guidelines. The contractor will conduct remediation of documented health and safety hazards in each of the selected housing units where lead hazard control activities are being completed for two units. The scope of work will be determined by the COF LBPHC Program Manager and a City of Flint-approved Lead Inspector/Risk Assessor, who will provide a LIRA report.

CITY OF FLINT STAFF REVIEW FORM

TODAY'S DATE: 04/24/24

BID/PROPOSAL# 24000533

AGENDA ITEM TITLE: LBPHC Services Provider

PREPARED BY: Michael O.D. Carpenter/ Program Manager

VENDOR NAME: AZ Renovation Unlimited

BACKGROUND/SUMMARY OF PROPOSED ACTION:

The COF LBPHC program aims to eliminate lead hazards through a combination of abatement and interim control methods, focusing on using interim controls for substrates that are in fair or better condition. The program's primary strategy for eliminating hazards is to replace all prime windows, doors, and siding that have been identified as having lead paint hazards in each unit. A licensed and lead certified contractor with experience in performing lead-based paint hazard interim control and/or abatement will be responsible for overseeing lead hazard control projects and ensuring compliance with state and federal guidelines. The contractor will conduct remediation of documented health and safety hazards in each of the selected housing units where lead hazard control activities are being completed for two units. The scope of work will be determined by the COF LBPHC Program Manager and a City of Flint-approved Lead Inspector/Risk Assessor, who will provide a LIRA report.

PREVIOUS ALLOCATIONS (INCLUDE ALL ACCOUNTS USED FOR THIS PURPOSE)/ PROVIDE RESOLUTION OR CONTRACT INFORMATION THAT APPLIES

POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS) INCLUDE PARTNERSHIPS AND COLLABORATIONS:

Our City is dedicated to enhancing living conditions and promoting healthy living by utilizing the Healthy Homes Dollars from HUD for home repairs, and the Lead dollars are allocated for the removal of lead hazards from homes with pregnant individuals and or a child under six. This approach will guarantee a safer and healthier environment for all our residents while also strengthening our partnership with HUD and opening up more funding opportunities in the future.

CITY OF FLINT STAFF REVIEW FORM

TODAY'S DATE: 5/3/24

AGENDA ITEM TITLE: Clark Commons II Change Order

PREPARED BY: Ashly Harris

VENDOR NAME: Ashly Harris

BACKGROUND/SUMMARY OF PROPOSED ACTION:

In July 2018, the City received \$30,000,000.00 of grant funding from the U.S. Department of Housing and Urban Development (HUD) to implement the Transformation Plan created through the South Flint Choice Neighborhoods Initiative. The program is being led by the Planning Division and in collaboration with the Flint Housing Commission (FHC), Mott Community College (Mott), and Norstar Development to allow the City to move forward with the relocation of Atherton East Townhomes and implement the projects outlined in the vision of the South Flint Community Plan.

This City entered into a contract and loan agreement with Clark Commons II LDHA, LLC (Norstar affiliate) in order to complete phase 2 of the Choice Neighborhoods housing development plan. Choice neighborhoods funds required for this phase total \$4,100,000.00 (an increase of \$725,420.00 from what was approved in Reso No. 210060).

The contract and loan agreements for phase two also include HOME Investment Partnership funds in the amount of \$401,419.50 as approved in Reso No. 2100060.

The City received \$1,400,000.00 in EGLE Brownfield Redevelopment (SDEQ-19-BRDP) grant funds. Of this, \$475,000.00 was initially budgeted for Phase II of the Choice Neighborhoods housing development plan, and has been allocated to Clark Commons II LDHA, LLC under this contract. The department is now seeking approval to use an additional \$150,000 of the remaining unallocated EGLE funds to cover extra costs incurred by the developer, Norstar, for environmental work related to the project.

Account # 296-721.200-801.000 \$475,000.00- Resolution 210060 Clark Commons II LDHA

CITY OF FLINT STAFF REVIEW FORM

POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS) INCLUDE PARTNERSHIPS AND COLLABORATIONS:

The Choice Neighborhood project has added over 100 new housing units to the city of Flint. The City has partners with Mott College, Flint Housing Commission and Norstar now RCS to complete the work outlined in the grant award.

FINANCIAL IMPLICATIONS:

Flint has invested over 15M in grant funds to complete phases 1, 2 and 3 of the Choice redevelopment projects. This change order is necessary to complete work and avoid general fund repayments.
