ROLL CALL

REQUEST FOR AGENDA CHANGES/ADDITIONS

PUBLIC COMMENT

Members of the public who wish to address the City Council or its committees must register before the meeting begins. A box will be placed at the entrance to the Council Chambers for collection of registrations. No additional speakers or slips will be accepted after the meeting begins.

Members of the public shall have no more than three (3) minutes per speaker during public comment, with only one speaking opportunity per speaker.

COUNCIL RESPONSE

Councilmembers may respond once to all public speakers only after all public speakers have spoken. An individual Councilmember's response shall be limited to two (2) minutes.

CONSENT AGENDA

Per the amended Rules Governing Meetings of the Flint City Council (as adopted by the City Council on Monday, April 22, 2024), the Chair may request the adoption of a "Consent Agenda". After a motion to adopt a Consent Agenda is made and seconded, the Chair shall ask for separations. Any agenda item on a Consent Agenda shall be separated at the request of any Councilmember. After any separations, there is no debate on approving the Consent Agenda – it shall be voted on or adopted without objection.

RESOLUTIONS

250080-T Reallocation of ARPA Funds/Franklin Avenue Mission/Food Access and Food Support System

Resolution resolving that the appropriate City Officials are hereby authorized to do all things necessary, including executing any necessary agreements, to appropriate \$50,000.00 in funding to Franklin Avenue Mission for Food Access and Food System Support. Before the funds are spent, the City of Flint's ARPA administration, compliance, and implementation firm shall review and ensure compliance with the latest US Department of Treasury final rules.

250082-T Reallocation of ARPA Funds/Flint Freedom Schools Collaborative

Resolution resolving that the appropriate City Officials are authorized to do all things necessary, including executing any necessary agreements, to appropriate funding from the funding source account #101-612.008-801.000 to Flint Freedom Schools Collaborative in the amount of \$40,000.00. [NOTE: The goal of this project is to engage K-12 grade scholars in a multicultural Integrated Reading Curriculum that supports them and their families through five essential components: High-quality academic enrichment; Parent and family development; Civic engagement and social action; Intergenerational servant leadership development; and Nutrition; health, and mental health.]

250083-T Reallocation of ARPA Funds/Flint Institute of Music

Resolution resolving that the appropriate City Officials are authorized to do all things necessary, including executing any necessary agreements, to appropriate funding from the funding source account #101-612.008-801.000 to Flint Institute of Music in the amount of \$44,000.00. [NOTE: This funding will expand FIM's current Hocus Focus program offerings to include more schools, youth-serving institutions, and to utilize Hocus Focus Analytics throughout Greater Flint.]

250084-T Reallocation of ARPA Funds/Flint Affiliation

Resolution resolving that the appropriate City Officials are authorized to do all things necessary, including executing any necessary agreements, to appropriate funding from the funding source account #101-612.008-801.000 to Flint Affiliation in the amount of \$47,000.00. [NOTE: Flint Affiliation is a Flint based AAU Basketball / mentoring program Founded over three decades ago (1992). The goal of Flint Affiliation is to provide a safe space for young men to learn life skills, responsibility, disciple and accountability.]

250085-T Reallocation of ARPA Funds/Youth Arts Unlocked

Resolution resolving that the appropriate City Officials are authorized to do all things necessary, including executing any necessary agreements, to appropriate funding from the funding source account #101-612.008-801.000 to Youth Arts Unlocked in the amount of \$50,000.00. [NOTE: Youth Arts: Unlocked's (YAU) mission is twofold: to bring visual and performing arts to detained and court-involved youth in Flint and to bring their work to the public.]

250086-T Reallocation of ARPA Funds/Motherly Intercession

Resolution resolving that the appropriate City Officials are authorized to do all things necessary, including executing any necessary agreements, to appropriate funding from the funding source account #101-612.008-801.000 to Motherly Intercession in the amount of \$50,000.00. [NOTE: Motherly Intercession's mission is to empower children and foster a stronger community by preventing the cycle of intergenerational incarceration.]

250087-T Reallocation of ARPA Funds/Topology

Resolution resolving that the appropriate City Officials are authorized to do all things necessary, including executing any necessary agreements, to appropriate funding from the funding source account #101-612.008-801.000 to Topology in the

amount of \$50,000.00. [NOTE: Tapology's mission is to preserve and promote the art of dance through performance, education and community outreach.]

250088-T CO#1/William E Walter/HVAC Services/Maintenance Division

Resolution resolving that the Proper City Officials are hereby authorized to enter into change order #1 to contract with William E. Walter, Inc. for additional HVAC services, in the amount of \$75,000.00 and a revised aggregate amount of \$646,761.00.

250089-T Truck & Trailer Specialties, Inc./Purchase Four (4) 1 Ton Dump Truck Beds/Water Department/Utilities Division

Resolution resolving that Division of Purchases and Supplies, upon City Council's approval, is hereby authorized to issue a Purchase Order to Truck & Trailer Specialties, Inc. for the purchase of four (4) 1-ton dump truck beds in an amount NOT-TO-EXCEED \$96,744.00 for FY25 (07/01/24-06/30/2025). [NOTE: These beds will replace the worn-out beds on these vehicles which are otherwise in very good condition with low mileage.]

250090-T CO#1/Weinstein Electric Co./Additional Electrical Services/Maintenance Division

Resolution resolving that upon City Council's approval, that the Proper City Officials are hereby authorized to enter into change order #1 to the contract with Weinstein Electric Co. for additional electrical services, in the amount of \$184,248.00 and a revised aggregate amount of \$448,248.00. Based on review and validation of the appropriate fund use by the City's compliance firm, implementation of the ARPA funds will be consistent and compliant with US Department of Treasury's requirements and previously approved authorizations.

250091-T CO#1/Detroit Salt, Inc./Additional Bulk Salt/Street Maintenance Division

Resolution resolving that the Division of Purchases & Supplies, upon City Council's approval, is hereby authorized to issue change order #1 to the purchase order with Detroit Salt, Inc. for additional bulk salt, in the amount NOT-TO-EXCEED \$200,000.00 and a revised aggregate amount of \$500,000.00.

250092-T CO#5/Trio Paint/General Contractor Services

Resolution resolving that the proper City Officials, upon City Council approval, are hereby authorized to enter into change order #5 to the contract with Trio Paint for renovations /updates in multiple areas of the City Hall complex, in an amount NOT-TO-EXCEED \$202,112.00 and a revised three year aggregate total of \$1,267,252.43.

250097-T Reallocation of ARPA Funds/Water Rate Stabilization Fund

Resolution resolving that due to [water rate increases to the City of Flint by the Great Lakes Water Authority] and the economic hardship due to COVID-19, that the appropriate City officials are authorized to do all things necessary, including executing any necessary agreements, to appropriate funding from the funding source account #101-000.000-995.591 to the Water Rate Stabilization Fund, in an amount of \$2,000,000. [NOTE: City of Flint residents have not received a water rate increase since 2015. The Great Lakes Water Authority increases their rates to the City of Flint annually, and the upcoming fiscal years increase is set at 5.9%. In order for the City of Flint to not pass this increase onto its residents a water rate stabilization fund is necessary.]

250100-T Reallocation of ARPA Funds/Youth Job Training/City of Flint Second Clean & Safe Summer Program

Resolution resolving that the appropriate City officials are authorized to do all things necessary, including executing any necessary agreements, to appropriate funding from the funding source account 101-728.018-801.000 to City of Flint Second Clean & Safe Summer Youth Job Training Program in the amount of \$225,000. Based on review and validation of the appropriate fund use by the City's compliance firm, implementation of these funds will be consistent and compliant with US Department of Treasury requirements and previously approved authorizations. [NOTE: The City Administration recommends reallocating \$225,000 of ARPA funds, previously obligated for revenue replacement, to provide funding to City of Flint Clean & Safe Summer Youth Job Training Program to provide a second round of summer jobs for youth ages 15-19 to eradicate the negative use of idle time and to keep them safe from crime. The program offers six (6) weeks of summer employment paid through the ARPA Youth Job Training category and for 5-7 non-profit organizations to serve as host sites.]

250107-T AIS Construction Equipment/Repairs to a Paver/DPW/Street Maintenance

Resolution resolving that the Division of Purchases and Supplies, upon City Council's approval, is hereby authorized to issue a purchase order to AIS Construction Equipment for replacement of parts on a paver, in an amount NOT-TO-EXCEED \$91,907.57. [NOTE: The paver that is used to pave local streets was purchased in 2018 as a used demo (2016 model) and needs several repairs. This is a two-track paver, and both tracks need to be replaced this year because they are worn out. There is also a screed under the unit that needs to be replaced. This screed finishes the surface of the asphalt, that's what makes the road nice and smooth. If these replacements are not made, local roads will not be able to be paved this year. This paver is used continuously during the construction season and doing these replacements will extend the life of the paver since a new paver costs several million dollars. AIS Construction Equipment is the authorized dealer for the Vogele brand in this area.]

250108-T Global Solutions Group, Inc./WPC Surveillance Improvements

Resolution resolving that the Proper City Officials are hereby authorized to do all things necessary to issue a Purchase Order to Global Solutions Group, Inc., 25900 Greenfield Road, Drive, Suite 220, Oak Park, MI 48237 for Water Pollution Control Surveillance System Improvements, in the NOT-TO-EXCEED FY 2025 amount of \$153,123.03. [NOTE: Water Pollution Control has a security surveillance system which is antiquated, analog, and failing. An improvement to this system is imperative in order to monitor the Water Pollution Control Facilities, entrances/exits, and other activities that will ensure that premises are secure.]

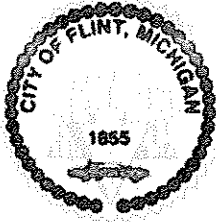

250109-T AIS Construction Equipment/Purchase New Wirtgen W50 RI Cold Milling Machine/DPW/Street Maintenance

Resolution resolving that the Division of Purchases and Supplies, upon City Council's approval, is hereby authorized to issue a purchase order to AIS Construction Equipment for the purchase of a new Wirtgen W50 RI cold milling machine in an amount NOT-TO-EXCEED \$310,543.61. [NOTE: The Street Maintenance division owns a cold milling machine, but it is very old (bought in 2006) and needs to be replaced. The City received a quote for a 2024 Wirtgen W50 cold milling machine, which will save some money over the 2025 models but will have the same warranties.]

250110-T Reallocation of ARPA Funds/Consumers Energy/Citywide Streetlight Upgrade/Energy-Efficient LED Bulbs/Reduce Utility Costs

Resolution resolving that the appropriate City Officials are hereby authorized to do all things necessary including budget adjustments to enter into contract with Consumers Energy, to complete the replacement of streetlights throughout the city of Flint, for a total contract NOT-TO-EXCEED \$2,800,000.00. [NOTE: City Administration recommends allocating \$2,800,000 in ARPA funds for a contract with Consumers Energy to replace over 3,000 streetlight bulbs across the city with energy-efficient LED bulbs. This upgrade will enhance the effectiveness of the city's existing grid, improving public safety while also reducing monthly utility costs. The savings generated can be reinvested in installing new streetlights, particularly in high-crime areas identified through data from the Flint Police Department.]

ADJOURNMENT

250080-T

RESOLUTION NO.:

PRESENTED: 3-5-2025

ADOPTED:

RESOLUTION TO REALLOCATE \$50,000.00 OF ARPA FUNDING TO FRANKLIN AVENUE MISSION FOR FOOD ACCESS AND FOOD SYSTEM SUPPORT

BY THE CITY COUNCIL:

WHEREAS, The City of Flint received funds pursuant to the American Rescue Plan Act of 2021 (ARPA), which could be utilized by the City for defined purposes. In 2023, the City of Flint obligated all of ARPA funding received, of which approximately \$40 million was obligated as "revenue replacement"; and

WHEREAS, City Council recommends reallocating \$50,000.00 in ARPA funding, previously obligated for revenue replacement, to provide funding to Franklin Avenue Mission; and

WHEREAS, The funding is to be utilized by Franklin Avenue Mission for Food Access and Food System Support for the residents of Flint; therefore

Funding is to come from the following account:

Account Number	Account Name	Subrecipient	Amount
101-612.004-801.000	General Fund	Franklin Avenue Mission	\$50,000.00

IT IS RESOLVED that the appropriate City Officials are hereby authorized to do all things necessary, including executing any necessary agreements, to appropriate \$50,000.00 in funding to Franklin Avenue Mission for Food Access and Food System Support. Before the funds are spent, the City of Flint's ARPA administration, compliance, and implementation firm shall review and ensure compliance with the latest US Department of Treasury final rules.

RESOLUTION APPROVING REALLOCATION OF \$40,000 IN ARPA FUNDS TO FLINT FREEDOM SCHOOLS COLLABORATIVE

BY THE CITY ADMINISTRATOR:

Whereas, in 2022 and 2023, the City of Flint received funds pursuant to the American Rescue Plan Act of 2021 (ARPA), which could be used by the City for specific and defined purposes. In 2023, the City of Flint obligated all of the ARPA funding received, of which approximately \$40 million was obligated as “revenue replacement” on December 20, 2023; and

Whereas, Flint Freedom Schools Collaborative seeks funding for "Experiential Learning" project; and

Whereas, The goal of this project is to engage K-12 grade scholars in a multicultural Integrated Reading Curriculum that supports them and their families through five essential components: High-quality academic enrichment; Parent and family development; Civic engagement and social action; Intergenerational servant leadership development; and Nutrition, health, and mental health; and

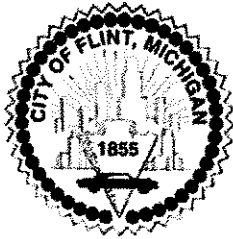

Whereas, Flint Freedom Schools Collaborative serves a diverse population of youth with most being minorities (89% of youth participants are African American), and/or face increased economic and social barriers; and

Whereas, City Administration recommends reallocating \$40,000 in ARPA funds, originally intended for revenue replacement to Flint Freedom Schools Collaborative; and

Reallocated funds will be moved from Acct #101-287.000-963.000 follows:

Account	Description	Amount
101-612.008-801.000	Flint Freedom Schools Collaborative	\$40,000

IT IS RESOLVED that the appropriate City officials are authorized to do all things necessary, including executing any necessary agreements, to appropriate funding from the funding source account #101-612.008-801.000 to Flint Freedom Schools Collaborative in the amount of \$40,000.

BID/PROPOSAL#

AGENDA ITEM TITLE: RESOLUTION APPROVING REALLOCATION OF \$40,000 IN ARPA FUNDS TO FLINT FREEDOM SCHOOLS COLLABORATIVE

PREPARED BY:

VENDOR NAME: Flint Freedom Schools Collaborative

Section I: BACKGROUND/SUMMARY OF PROPOSED ACTION:

Children's Defense Fund (CDF) Freedom Schools

Engages K-12 grade scholars in a multicultural Integrated Reading Curriculum that supports them and their families through five essential components: High-quality academic enrichment; Parent and family development; Civic engagement and social action; Intergenerational servant leadership development; and Nutrition, health, and mental health.

Outcomes:

Engage families in free programming that increases education access, a key social determinant of health Engage young adults and professionals to improve their personal and professional skills Cultivate collaborative partnerships with local organizations and individuals Family Informed Year-Round Support (FIYRS) Supports immediate and ongoing family interests. Personal and environmental wellness are core priorities of this program model. FIYRS focuses on family development in the areas of Academics, Community, Personal Time, and Out-Of-School Time.

Outcomes:

Engage local families in a well-rounded approach to support and development Provide additional safeguards for scholars and their families to recognize and support their holistic wellness needs.

TALENT DEVELOPMENT Talent Development Initiative (TDI) Works with partners to engage existing and potential community talent in development that builds their personal awareness, motivation for community engagement, and tangible abilities. Holistic wellness, mental resilience, and workforce development are core priorities of this program model. Focus on preparing workforce-aged adults in the following areas: Professional/ Personal Development; Technical Training; and Relationship/ Social Capital Cultivation.

Outcomes:

Provide personal & professional development opportunities for local talent in partnership with local organizations and institutions Support the health and wellness needs of adults by fostering a base connection to community resources and opportunities Build the capacity of workforce-aged adults

BID/PROPOSAL#

AGENDA ITEM TITLE: RESOLUTION APPROVING REALLOCATION OF \$44,000 IN ARPA FUNDS TO FLINT INSTITUTE OF MUSIC

PREPARED BY:

VENDOR NAME: Flint Institute of Music

Section I: BACKGROUND/SUMMARY OF PROPOSED ACTION:

To restore and/or improve quality of life for Flint youth, FIM seeks funding to expand our current Hocus Focus program offerings to include more schools, youth-serving institutions, and to utilize Hocus Focus Analytics throughout Greater Flint.

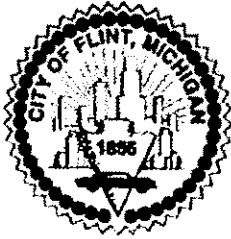

Designed to support the learning of students with varying degrees of educational challenges and abilities (autistic, cognitively delayed, learning disabled, etc.), Hocus Focus consists of 45-minute customizable interactive activities developed in alignment with Common Core Standards that combine education with the art of magic to help students improve their abilities in planning, sequencing, organization, concentration, memory, and communication – key factors to academic success.

Dr. Kevin Spencer, creator of Hocus Focus, is a world-renowned illusionist, teaching artist, researcher, and faculty in the Special Education program at Carlow University, teaching the intersection of the arts for special populations.

Arts-integrated interventions, like Hocus Focus, encourage youth with special needs to embrace their uniqueness, using simple magic tricks to enhance successes and shift the way other-abled students see themselves. When integrated into core curriculum, it can provide significant advancements in critical thinking, problem solving, and self-confidence – the primary component to dedication. To master anything, including education, you must first believe that you can.

Serving 500 students annually, leveraging Dr. Spencer's relationship with the Marion Crouse Instructional Center, and FIM's relationships with more than two dozen local schools and youth-serving organizations, FIM hopes to advance the use of Hocus Focus Analytics over a three-year timeline to help 2/3 of engaged youth to:

- adapt behaviors to suit individual learning abilities
- increase ability to maintain focus, and

RESOLUTION NO.: _____

Section III.

POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS) INCLUDE PARTNERSHIPS AND COLLABORATIONS:

In the wake of the COVID-19 pandemic, concern for our youth has spiked. Forced isolation, compromised school districts and curriculum, have exacerbated an already volatile situation, and exhausted already limited resources to serve special populations. Without sufficient resources to provide in-school remediation, the percentage of youth in need of special education services has continued to increase year-over-year, going from 13.8% prior to the pandemic, to 14.8% during the 2020 school year, to 15.1% today, with 9000 registered Special Education students in Genesee County. Hocus Focus is a creative instructional approach to support the learning of students with varying degrees of educational challenges and abilities including autistic, cognitively delayed, and learning-disabled students. The activities are motivational, promote positive self-expression, and reinforce many key skills needed for student success.

BID/PROPOSAL#

AGENDA ITEM TITLE: RESOLUTION APPROVING REALLOCATION OF \$47,000 IN ARPA FUNDS TO FLINT AFFILIATION

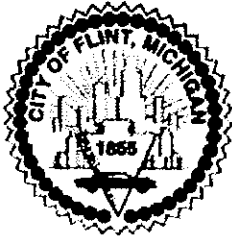

PREPARED BY:

VENDOR NAME: Flint Affiliation

Section I: BACKGROUND/SUMMARY OF PROPOSED ACTION:

AAU TRAVEL BASKETBALL FUNDING PROPOSAL FLINT AFFILIATION is a Flint based AAU Basketball / mentoring program. Founded over three decades ago (1992) by the Director of FA David Munerlyn, Flint Affiliation (FA) is still a staple in the Flint community. Since the Induction FA has been positively affecting the lives of youth in the City of Flint and Genesee County through AAU basketball. . According to the U.S. Census, 29% of youth are living in single parent households. Staffed with 21 coaches, mentors and trainers, their team will guide their youth and help them navigate school, sports and life. Typically their youth stay with their coaches and teammates as they grow in age and grade level, allowing coaches to be life coaches and mentors also creating friendships, experiences and bonds with their peers. Sports play a vital role in character development. Sports teaches and develops strategic thinking, analytical thinking, leadership skills, goal setting and risk taking. (<http://www.ncbi.nlm.nih.gov> >pmc) According to stateofflintkids.com 29.8% of youth live below the poverty level in the city. Understanding that all youth basketball players will not make it to the NBA, they know that traveling to different states and cities will allow their youth to see new places, different cultures and qualities of life in a positive environment. According to contemporarypediatrics.com youth that are exposed to a positive experience in childhood have 72% lower odds of having depression or poor mental health as an adult. According to stacknj.com the benefits for youth playing sports is learning teamwork, discipline, work ethic, camaraderie and cardiovascular health. Their youth travel out of the city and state every weekend during the 6 month period of March to August. Approving this funding for Flint Affiliation will provide a way for FA to continue its well recognized work in the Flint community. With their coaches and mentors they have, can and will continue to change lives. The goal of affiliation is to provide a safe space for young men to learn life skills responsibility discipline accountability

RESOLUTION APPROVING REALLOCATION OF \$50,000 IN ARPA FUNDS TO YOUTH ARTS UNLOCKED

BY THE CITY ADMINISTRATOR:

Whereas, in 2022 and 2023, the City of Flint received funds pursuant to the American Rescue Plan Act of 2021 (ARPA), which could be used by the City for specific and defined purposes. In 2023, the City of Flint obligated all of the ARPA funding received, of which approximately \$40 million was obligated as "revenue replacement" on December 20, 2023; and

Whereas, Youth Arts: Unlocked's (YAU) mission is twofold: to bring visual and performing arts to detained and court-involved youth in Flint and to bring their work to the public; and

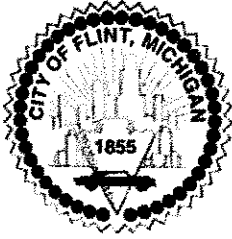

Whereas, YAU advances its mission by conducting weekly multi-disciplinary visual, performing and healing arts workshops for youth in detention at the Genesee County Juvenile Justice Center (GCJJC) and youth on probation at the Learning Co-Op and by exhibiting the youths' work both in community exhibits and online.; and

Whereas, City Administration recommends reallocating \$50,000 in ARPA funds, originally intended for revenue replacement to Youth Arts Unlocked to assist with programming; and

Reallocated funds will be moved from Acct #101-287.000-963.000 follows:

Account	Description	Amount
101-612.008-801.000	Youth Arts Unlocked	\$50,000

IT IS RESOLVED that the appropriate City officials are authorized to do all things necessary, including executing any necessary agreements, to appropriate funding from the funding source account #101-612.008-801.000 to Youth Arts Unlocked in the amount of \$50,000.

BID/PROPOSAL#

AGENDA ITEM TITLE: RESOLUTION APPROVING REALLOCATION OF \$50,000 IN ARPA FUNDS TO YOUTH ARTS UNLOCKED

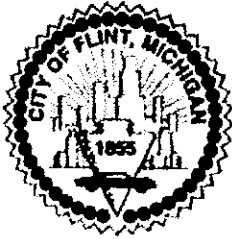

PREPARED BY:

VENDOR NAME: Youth Arts Unlocked

Section I: BACKGROUND/SUMMARY OF PROPOSED ACTION:

Youth Arts: Unlocked's (YAU) mission is twofold: to bring visual and performing arts to detained and court-involved youth in Flint and to bring their work to the public. YAU introduces artistic concepts and techniques as a means of connecting, expressing, learning, and empowering. YAU advances its mission by conducting weekly multi-disciplinary visual, performing and healing arts workshops for youth in detention at the Genesee County Juvenile Justice Center (GCJJC) and youth on probation at the Learning Co-Op and by exhibiting the youths' work both in community exhibits and online. In the visual arts workshops, the boys and girls at both the GCJJC and the Learning Co-Op work on projects that allow them to express themselves, learn new ideas and techniques, connect with each other and the instructors, and discover that they can create and succeed. Works created by the youth are displayed at GCJJC and featured in exhibits throughout Flint. Programming for boys at GCJJC also includes theatre and yoga workshops. In the theatre workshops, teaching artists use structured improvisational games and story lines to create a safe space in which the youth can learn new ways to express themselves verbally and through body language. Girls programming consists of weekly HERSTORY: UNLOCKED workshops which enable girls and LGBTQIA youth to find their own voices, become the tellers of their own stories, and take ownership of their futures through the mediums of dance, spoken word poetry and yoga. In the dance workshops, students learn movements in the styles of a diverse group of women dancers and then apply what was learned by collectively creating a dance that tells their own stories. Engaging in dance builds confidence, strength and emotional resilience. A similar approach is taken in the Spoken Word workshops where the youth explore various avenues of verbal expression through the introduction of women authors. Both their girls and boys yoga programs use a trauma informed curriculum for at-risk youth. Emphasis is placed on developing an individual practice, breathing and meditation in order to manage stress, anxiety, and to improve physical and mental health

Section III.

POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS) INCLUDE PARTNERSHIPS AND COLLABORATIONS:

The Project serves incarcerated youth at GCCJC and youth who are currently on probation and attend the Learning Co-Op located on Ballenger Hwy in Flint, an alternative high school jointly run by the 7th Circuit Family Court and Peckham. GCJJC houses youth (male & female) ages 10-18 who are ordered into secure detention by the courts and who are awaiting trial or placement in a residential setting. Offenses for which the youth are detained range from misdemeanors to murder. The vast majority of the youth live within the most impoverished areas of the city of Flint. A significant majority of the youth come from single parent homes that have incomes below the poverty level. Statistics for the latest fiscal year indicate that minority youth, in particular Black youth, are disproportionately impacted by the justice system in Genesee County. For example, while "minority" youth comprised only 33% of the county population of that age group, they accounted for 60% of the youth who were detained. Flint youth have had to contend with the chaos generated by the city's water crisis, the effects of which have compounded the hardships already experienced by their families and neighbors. The effects of the COVID-19 pandemic have only exacerbated already existing problems as it further disrupted education and completely eradicated in person extra curricular and enrichment activities for several years. The absence of in-person schooling and risk prevention programming has caused many of these youth to become further marginalized, come into contact with the law and become locked-up at GCJJC. The majority of justice-impacted youth have struggled in traditional educational settings; many function well below their grade level and recently more

AGENDA ITEM TITLE: RESOLUTION APPROVING REALLOCATION OF \$50,000 IN ARPA FUNDS TO MOTHERLY INTERCESSION

PREPARED BY:

VENDOR NAME: Motherly Intercession

Section I: BACKGROUND/SUMMARY OF PROPOSED ACTION:

Motherly Intercession's mission is to empower children and foster a stronger community by preventing the cycle of intergenerational incarceration. their Reading and Counting to Success Plus (RACS+) program has three components: RACS+ Atierschool Tutorial, RACS+ Summer Day Camp, and N-Touch Ready 4 Real Life. With this grant opportunity they are looking to enhance their RACS+ programming to include Art workshops in partnership with Ms. Sharlene Howe of Youth Arts Unlocked and Robotics in partnership with Ketering University. This past summer Motherly Intercession had an opportunity to partner with Youth Art Unlocked and their students participated in a 4 week program to teach them about the different art techniques and experience working in art mediums. During this period, their students were able to express themselves in a way that provides a different form of healing from the barriers and stigma of being a child of an incarcerated parent. Incorporating art into their program model will help their students to continue to express themselves positively and combat the previous risk factors listed for having a parent who is incarcerated. In December 2022, Dr. Petros Gheresus, Ph.D. from Ketering University's First Robotics Community Center hosted an introduction to robotics workshop for RACS+ Middle schoolers. Where students were able to build, program, and complete an obstacle course. They want to continue their partnership with the First Robotics Community Center by having their middle and high school students complete a 3 month workshop alternating between Motherly Intercession and Kettering University. Also Dr. Gheresus will train a member of their staff about robotics so they can start their own robotics program that competes. Atier the first year, their middle and high school age youth will mentor the elementary age students in their robotics workshop in year 2. For the 3 years, the elementary students will become the mentors for the kindergarten participants in their robotics.

BID/PROPOSAL#

AGENDA ITEM TITLE: RESOLUTION APPROVING REALLOCATION OF \$50,000 IN ARPA FUNDS TO TAPOLOGY

PREPARED BY:

VENDOR NAME: TAPOLOGY

Section I: BACKGROUND/SUMMARY OF PROPOSED ACTION:

Tapology's mission is to preserve and promote the art of dance through performance, education and community outreach. At the core of our mission is Flint children and youth, ages 8 to 18, who are historically under-resourced; and they are nationally known for welcoming people of all races, heritages, ages, genders and socio-economic backgrounds, to join us in learning the art of Tap Dance.

Each year, Tapology's world-class artist instructors – with years of experience – engage children and youth in artistic self-expression and improvisation that is aligned with an established STEAM-based curriculum. Instructors also teach children ways to interact with their past, present and future, all while maintaining the highest standards of entertainment and education quality, through year-round integrated arts-education programming. Our key programs include the Fall Festival and Concert, FlintS.T.O.N.E. Movers (Stepping Through Obstacles, Narrating Excellence), the Summer Tap Intensive, Tapology Youth Ensemble and the Sweet & Able Mentoring Program. They meet children where they exist by taking our programs to neighborhood schools and community centers, such as Flint Housing Commission communities, Ennis Center for Children, the Sylvester Broome Empowerment Village, and Dailey Elementary.

This will ensure the unique educational artistic quality of our programming with world-class performing artists-instructors, and adequate administrative, development and support staff. Outcomes for this project include:

- Engaging 500 children in healthy recreational and arts-education activities;
- Connecting socially isolated children and people of diverse backgrounds, who share similar passions and goals, via year-round arts-integrated programming.
- At least 375 children will complete Self Perception Surveys, with 75 percent showing maintained or improved self-worth.

RESOLUTION NO.: _____

PRESENTED:

ADOPTED:

- At least 60 percent of students will have the ability to exhibit learned and/or expanded Tap skills, with greater appreciation for art form.
- Geographic Area: Citywide

Section III.

POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS) INCLUDE PARTNERSHIPS AND COLLABORATIONS:

This project will benefit minority populations that have been disproportionately impacted by COVID-19. By working diligently with community partners, Tapology’s youth outreach programming engages Flint children, ages 8 to 18, from low- to moderate income households who belong to marginalized communities and are historically under-resourced, year-round.

According to the Ruth Mot Foundation’s North Flint Dashboard, the graduation rate for Flint children dropped each year of the pandemic, from 69.2 percent in 2019, to 59.2 percent in 2021. In addition, the 2022 Flint & Genesee County, Michigan Community Health Needs Assessment Report (CHNA), found that “higher rates of poverty are associated with poorer educational outcomes,” and “residents who are

RESOLUTION NO.: _____

PRESENTED:

ADOPTED:

low-income, minority or uninsured are disproportionately impacted by environmental issues such as pollution, crime, property abandonment, lack of areas to exercise and lack of access to healthy foods.” Many Flint children and youth, have an abundance of talent, but lack access to culturally-enriching activities, which contain a great deal of protective factors that are strategically incorporated into Tapology’s arts-education programming. This includes STEAM aligned arts-education programming; providing safe spaces to regularly engage in recreational physical activities; connecting youth of diverse backgrounds; and engaging children in artistic self-expression and improvisation that leads to increased self-worth, leadership skills and youth empowerment. According to the National Endowment for the Arts, arts involvement “can support the social and emotional learning needs of students, including teaching students how to manage their emotions and have compassion for others. The arts can also provide an outlet for students to process their emotions from disaster and trauma to begin the healing process and build resiliency, a key factor to successful transitions back to school.” In addition, the study, “It Just Made Me Want to Do Beter for Myself”: Performing Arts Education and Academic Performance for African American Performance for African American Male High School Students,” found that arts-based experiences combined with education contribute to children’s artistic and academic self-concept and achievement. The ARPA grant will provide Tapology with the operational resources necessary to expand our programming to reach more Flint children with unique high-quality arts-education programming, and continue applying protective factors that help reduce risks that were exacerbated by the COVID-19 pandemic – ultimately leading to an increase in positive outcomes for Flint children and youth who were negatively impacted by the COVID-19 pandemic

AGENDA ITEM TITLE: Additional HVAC services

PREPARED BY: Lee Osborne, Operations Maintenance Operations Manager

VENDOR NAME: William E. Walter

Section I: BACKGROUND/SUMMARY OF PROPOSED ACTION:

William E. Walter is the HVAC contractor for the City of Flint through the competitive bid process. This is the first year of a three-year contract. The Maintenance Division budgets \$100,000 every year to service the City Hall complex, 12th St. and the Fire Stations. This fiscal year, there have been more heating issues, due to aging boilers and other unexpected issues. In January, there was a water main break at City Hall that cost over \$30,000 to fix.

Section II. PREVIOUS ALLOCATIONS (INCLUDE ALL ACCOUNTS USED FOR THIS PURPOSE)/ PROVIDE RESOLUTION OR CONTRACT INFORMATION THAT APPLIES

Fiscal Year	Account	FY GL Allocation	FY PO Amount	FY Expensed	Resolution
FY25	444-230.200-956.000		\$120,980	\$115,980	Emergency

Proposal 24000539

BY THE CITY ADMINISTRATOR:

RESOLUTION TO WILLIAM E WALTER FOR HVAC SERVICES

The Division of Purchases and Supplies solicited proposals for three-year pricing for HVAC services as requested by the Maintenance Division, and

William E. Walter, Inc., 1917 Howard Ave., Flint, Michigan was the lowest bidder from four bids received. Funding will come from the following accounts:

Account Number	Account Name	Amount
101-230.200-930.000	Repairs & Maintenance	\$ 100,000.00
591-545.201-752.000	Supplies	\$9,000.00
591-545.201-930.000	Repairs & Maintenance	\$37,587.00
591-545.201-801.000	Professional Services	\$4,000.00
590-540.100-801.000	Professional Services	\$20,000.00
591-540.100-801.000	Professional Services	\$20,000.00
	FY25 GRAND TOTAL	\$190,587.00

IT IS RESOLVED, that the Proper City Officials are hereby authorized to enter into a contract with William E. Walter, Inc. for HVAC services, in the yearly amount of \$190,587.00 and a three year aggregate amount not to exceed \$571,761.00. (\$190,587.00 FY25, \$190,587.00 pending adoption of the FY26 budget, \$190,587.00 pending adoption of the FY27 budget)

BY THE CITY ADMINISTRATOR:

RESOLUTION TO TRUCK & TRAILER SPECIALTIES, INC. FOR THE PURCHASE OF FOUR (4) 1 TON DUMP TRUCK BEDS

The City of Flint Water Department, Utilities Division, requests a purchase order be issued to Truck & Trailer Specialties, Inc. for the purchase of four (4) 1-ton dump truck beds. These beds will replace the worn out beds on these vehicles which are otherwise in very good condition with low mileage.

This is a qualified purchase under the State of Michigan DTMB Contract #240000000167. There is adequate funding for said purchases from the listed accounts:

591-540.202-863.000	Vehicle & Equipment Charges	\$96,744.00
---------------------	-----------------------------	-------------

IT IS RESOLVED, that The Division of Purchases and Supplies, upon City Council's approval, is hereby authorized to issue a Purchase Order to Truck & Trailer Specialties, Inc. for the purchase of four (4) 1-ton dump truck beds in an amount not to exceed \$96,744.00 for FY25 (07/01/24-06/30/2025).

BID/PROPOSAL#

AGENDA ITEM TITLE: 1 Ton Dump Body Replacements

PREPARED BY: Cheri Priest for Entrice Mitchell, Sewer Systems Supervisor

VENDOR NAME: Truck & Trailer Specialties, Inc.

Section I: BACKGROUND/SUMMARY OF PROPOSED ACTION:

The Water Department requests a purchase order be issued to Truck & Trailer Specialties, Inc. for the replacement of 4 1 tone dump truck dump bodies. The vehicles that we are requesting dump body replacements for are E14-7053, E14-7054, E14-7055 and E14-7056. These vehicles are all 2015 GMC 1 ton dumps trucks (EZ dumps). All of the trucks are in good shape with low mileage, anywhere from 25,000 to 40,000. This option makes the most fiscal sense as we do not have the funding to replace all 4 of these vehicles at this time due to other more pressing equipment needs. The dump bodies are used almost daily and are in bad shape. Replacing the dump bodies will allow the water department to utilize these vehicles for many more years.

The dump bodies will be purchased under the State of Michigan DTMB Contract #240000000167. See attached vehicle specifications.

Section II. PREVIOUS ALLOCATIONS (INCLUDE ALL ACCOUNTS USED FOR THIS PURPOSE)/ PROVIDE RESOLUTION OR CONTRACT INFORMATION THAT APPLIES

CITY OF FLINT

**** STAFF REVIEW FORM ****

October 9, 2024

[Empty rectangular box]

Section III.

POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS) INCLUDE PARTNERSHIPS AND COLLABORATIONS:

Retrofitting these vehicles will allow the water department to have like new vehicles and will save the City a considerable amount of money. This vehicle purchase allows the sewer department to more effectively transport their large equipment around to various job sites throughout the City. The cost to maintain this vehicle no longer makes fiscal sense due to the condition and age of the vehicle.

Section IV: FINANCIAL IMPLICATIONS:

IF ARPA related Expenditure:

Proposal 24000538

BY THE CITY ADMINISTRATOR:

RESOLUTION TO WEINSTEIN ELECTRIC CO. FOR ADDITIONAL ELECTRICAL SERVICES – CHANGE ORDER #1

On June 24, 2024, the Proper City Officials were authorized to enter into a contract (resolution 240254) with Weinstein Electric, 705 Kelso St., Flint, Michigan for electrical services in the yearly amount of \$88,000.00 and a three-year aggregate amount not to exceed \$264,000.00, and

On June 12, 2023, Flint City Council adopted Resolution 230181, allocating \$250,000.00 of American Rescue Plan Act (ARPA) funding towards PAL (Police Activities League) Program. The electrical services will be used to retrofit and upgrade electrical systems at the Haskell Community Center to benefit PAL related programs, and

The Maintenance Division is requesting additional electrical services in the amount of \$184,248.00. Funding will come from the following accounts:

Account Number	Account Name	Amount
101-230.200-801.000	Repairs & Maintenance	\$ 110,760.00
636-228.000-801.000	Repairs & Maintenance	\$ 34,896.00
287-305.701-801.800	PAL Pilot Project/FUSDT-CSLFRF	\$ 38,592.00
	FY25 GRAND TOTAL	\$ 184,248.00

IT IS RESOLVED, upon City Council’s approval, that the Proper City Officials are hereby authorized to enter into change order #1 to the contract with Weinstein Electric Co. for additional electrical services, in the amount of \$184,248.00 and a revised aggregate amount of \$448,248.00. Based on review and validation of the appropriate fund use by the City’s compliance firm, implementation of the ARPA funds will be consistent and compliant with US Department of Treasury’s requirements and previously approved authorizations.

RESOLUTION TO DETROIT SALT COMPANY FOR BULK SALT

WHEREAS, The City of Flint, DPW Department, has received notification from Genesee County Road Commission, that the bulk salt cooperative agreement with Detroit Salt Co., 12841 Sanders St., Detroit MI has been negotiated (\$67.33 per ton) for the City of Flint to procure bulk salt for winter maintenance.

WHEREAS, The City of Flint, Department of Public Works, is requesting \$300,000.00 for its annual purchase of bulk salt for winter road maintenance.

Funding for said services are available in the following account for FY25 (07/01/24- 06/30/2025):

Account Number	Account Name	Amount
202-449.203-752.000	SALT-MAJORS	\$ 180,000.00
203-449.203-752.000	SALT-LOCALS	\$120,000.00
	FY25 GRAND TOTAL	\$300,000.00

IT IS RESOLVED, That the Division of Purchases & Supplies is hereby authorized to issue a purchase order to Detroit Salt Company for bulk salt, in an amount not-to-exceed \$300,000.00.

CITY OF FLINT STAFF REVIEW FORM

Revised July 2, 2024

TODAY'S DATE: July 22, 2024

BID/PROPOSAL#

AGENDA ITEM TITLE: Road Salt

PREPARED BY: Kathryn Neumann for Rodney McGaha

VENDOR NAME: Detroit Salt

Section I: BACKGROUND/SUMMARY OF PROPOSED ACTION:

The purchase of road salt for the FY25 winter season is necessary in the winter months to maintain a safe and hazard free driving surface. The City purchases salt through a cooperative bid with the Genesee County Road Commission. The low bidder from last year agreed to 3% increases each year for the next three years.

Section II. PREVIOUS ALLOCATIONS (INCLUDE ALL ACCOUNTS USED FOR THIS PURPOSE)/ PROVIDE RESOLUTION OR CONTRACT INFORMATION THAT APPLIES

The Street Maintenance division has a purchase order for road salt every year. Detroit Salt has been the City's vendor for more than a decade. Account numbers 202-449.203-752.000 and 203-449.203-752.000 are used.

Section III. POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS) INCLUDE PARTNERSHIPS AND COLLABORATIONS:

The Genesee County Road Commission obtains bulk pricing for all local municipalities the are located in Genesee County. Rock salt is used to clear local roads of ice and snow.

Section IV: FINANCIAL IMPLICATIONS:

There is money allocated every year for rock salt.

BID/PROPOSAL# 23000507

AGENDA ITEM TITLE: General contractor services

PREPARED BY: Lee Osborne, Operations Maintenance Operations Manager

VENDOR NAME: Trio Paint

Section I: BACKGROUND/SUMMARY OF PROPOSED ACTION:

Bids were received for general contractor services in FY23 for a three year period. Trio Paint was the low bidder and has done renovations in several areas throughout the City of Flint, including the Council Chamber renovations. There are several projects that can still be completed before June 30, 2025, including: phase II of the City Hall cafeteria, new countertops in the City Hall lobby, north building basement floors and walls, renovations to the Finance Department, Police Department women's locker room updates, new carpet in the SAKI offices and a handrail along the new sidewalks near the HR entrance.

Section II. PREVIOUS ALLOCATIONS (INCLUDE ALL ACCOUNTS USED FOR THIS PURPOSE)/ PROVIDE RESOLUTION OR CONTRACT INFORMATION THAT APPLIES

Section III.

POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS) INCLUDE PARTNERSHIPS AND COLLABORATIONS:

Many of these projects have been needed for several years but were not budgeted. Some examples are the north building basement has flooded several times and the wallpaper needs to be pulled down, the walls need to be mold resistant and the floor tiles replaced. The women’s locker room in the Police Department has needed renovations for a very long time. The Finance Department has peeling wallpaper from 30 years ago, as well as carpet that is a trip hazard.

PROPOSAL #:
 BY THE CITY ADMINISTRATOR:

RESOLUTION TO TRIO PAINT FOR GENERAL CONTRACTOR SERVICES- CHANGE ORDER #4

WHEREAS, The City of Flint Division of Purchases & Supplies solicited proposals for General Contractor services for FY23-FY25 on behalf of the Facilities Maintenance Division. Trio Paint was the sole qualified and awarded bidder for this 3-year contract.

WHEREAS, Trio Paint has completed various projects within city-owned facilities. The most recent change order for the contract was Change order #3 for additional Council Chamber improvements approved by City Council on August 28, 2023 via the adoption of Resolution #230297.

WHEREAS, Facilities Maintenance is requesting an additional \$108,190.00 for quotes for additional work for the remainder of FY2024. These projects include but are not limited to City Hall lobby rehabilitation, Legal department renovations, asbestos remediation, ceiling tile replacements, painting and other services.

WHEREAS, Flint City Council adopted Resolution #220347 on August 22, 2022 allocating \$150,000.00 of American Rescue Plan Act (ARPA) funding towards each Brennan and Hasselbring Senior Centers. Trio has provided a quote for Brennan Center kitchen upgrades, handrail replacement and bathroom renovations totaling \$73,135.43 of ARPA funding. *(Because this has been previously allocated, no additional ARPA-related allocation is needed.)*

WHEREAS, Hasselbring Senior Center is requesting similar upgrades to be completed by Trio Paint using the quoted amount of \$70,479.90 of CS Mott grant funding and \$34,497.10 of ARPA funding to include bathroom renovations and kitchen upgrades and ballroom floor rehabilitation. *(Because this has been previously allocated, no additional ARPA-related allocation is needed.)* The overall total for Hasselbring Senior Center upgrades is not-to-exceed \$105,435.00.

The funding will come from the following account(s):

Account Number	Account Name/ Grant Code	Amount
444-230.200-976.000	BUILDING ADDITIONS & IMPROVEMENTS	\$108,190.00
*287-752.120-801.000	PROF. SERVICES BRENNAN CC/FUSDT-CSLFRF	\$73,135.43
*296-752.161-801.000	PROF. SERVICES HASSELBRING/PCSM-HSCI22	\$70,479.90
*287-752.160-801.000	PROF. SERVICES HASSELBRING/FUSDT-CSLFRF	\$34,497.10
	FY24 GRAND TOTAL	\$286,302.43

IT IS RESOLVED, That the Appropriate City Officials, upon City Council's approval, are hereby authorized to enter into a contract change order and issue additional Purchase Orders to Trio Paint for additional Contractor Services in an amount not-to-exceed \$286,302.43 for FY24 (07/01/23-06/30/24) for an overall FY23-FY25 contract total not to exceed \$1,065,140.43. Before ARPA funds are distributed, the City of Flint's ARPA administration, compliance, and implementation firm shall review and ensure compliance with the latest US Department of the Treasury final rules. Funding for Brennan's portion of this resolution shall come from the American Rescue Plan Act fund (287).

RESOLUTION APPROVING REALLOCATION OF \$2,000,000 IN ARPA FUNDS TO WATER RATE STABILIZATION FUND

BY THE CITY ADMINISTRATOR:

Whereas, in 2022 and 2023, the City of Flint received funds pursuant to the American Rescue Plan Act of 2021 (ARPA), which could be used by the City for specific and defined purposes. In 2023, the City of Flint obligated all of the ARPA funding received, of which approximately \$40 million was obligated as “revenue replacement” on December 20, 2023; and

Whereas, city of Flint residents have not received a water rate increase since 2015; and

Whereas, the Great Lakes Water Authority increases their rates to the City of Flint annually; and

Whereas, the upcoming fiscal years increase is set at 5.9%; and

Whereas, in order for the City of Flint to not pass this increase onto its residents a water rate stabilization fund is necessary; and

Whereas, City Administration recommends reallocating \$2,000,000 in ARPA funds, originally intended for revenue replacement to the Water Rate stabilization fund; and

Reallocated funds will be moved from Acct #101-000.000-995.591 follows:

Account	Description	Amount
591-000.000-699.101	Water Rate Stabilization Fund	\$2,000,000

IT IS RESOLVED due to the above mentioned and the economic hardship due to COVID-19, that the appropriate City officials are authorized to do all things necessary, including executing any necessary agreements, to appropriate funding from the funding source account #101-000.000-995.591 to the Water Rate Stabilization Fund in the amount of \$2,000,000.

Section III.

POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS) INCLUDE PARTNERSHIPS AND COLLABORATIONS:

Creating a water rate stabilization fund would provide several key benefits for Flint residents:

- It will shield them from direct increases in their water bills.
- This stability would contribute to residents' overall financial security.
- It will ensure that essential water services remain accessible, especially for vulnerable households.
- It would prevent additional financial burdens on families already facing economic challenges.
- It allows the city to absorb the cost increases from the Great Lakes Water Authority.

RESOLUTION NO.: _____

RESOLUTION APPROVING REALLOCATION OF ARPA FUNDS FOR YOUTH JOB TRAINING TO CITY OF FLINT SECOND CLEAN & SAFE SUMMER YOUTH JOB TRAINING PROGRAM FOR \$225,000

In 2022 and 2023, the City of Flint received funds pursuant to the American Rescue Plan Act of 2021 (ARPA), which could be used by the City for specific and defined purposes. In 2023, the City of Flint obligated all of the ARPA funding received, of which approximately \$40 million was obligated as “revenue replacement;”

The City Administration recommends reallocating \$225,000 of ARPA funds, previously obligated for revenue replacement, to provide funding to City of Flint Clean & Safe Summer Youth Job Training Program to provide a second round of summer jobs for youth ages 15-19 to eradicate the negative use of idle time and to keep them safe from crime. The program by offers 6-weeks of summer employment paid through the ARPA Youth Job Training category and for 5-7 non-profit organizations to serve as host sites.

Reallocated funds will be moved from #101-287.000-963.000 as follows:

Account	Description	Amount
101-728.018-801.000.	Second City of Flint Clean & Safe Summer Youth Job Training Program/Youth Job Training	\$225,000

IT IS RESOLVED that the appropriate City officials are authorized to do all things necessary, including executing any necessary agreements, to appropriate funding from the funding source account ~~101-728.018-801.000.~~ to City of Flint Second Clean & Safe Summer Youth Job Training Program in the amount of \$225,000. Based on review and validation of the appropriate fund use by the City’s compliance firm, implementation of these funds will be consistent and compliant with US Department of Treasury requirements and previously approved authorizations.

City of Flint Clean & Safe Summer Program – is a program created by Mayor Sheldon Neeley for the purpose of controlling youth crime activities during the summer months of June – July 2025. This initiative is part of a larger crime fighting platform that is funded through the Department of Justice CVIPI grant in partnership with the City of Flint Police and Fire departments. CVIPI has funded several organizations that focus on crime reduction and gun violence including Peacekeepers, Mans Movement, WOW Outreach, and Hurley Trauma Recovery Center.

2024 Recap: Building Skills Through Service

Latrese Brown Reported, throughout the summer, seven local organizations collaborated with the program, offering diverse job opportunities tailored to help youth gain practical experience while contributing positively to their community:

- Latinx Technology and Community Center – Community clean-up projects
- North Flint Neighborhood Action Council – Community clean-up projects
- Cathedral of Faith – Childcare services
- Department of Public Works (DPW) – Various city jobs
- McCree Theatre – Plays and stagecraft
- Flint Community Water Laboratory – Water testing and science projects
- Faith Foundation – Various tasks and acted as the program's fiduciary

The program focused on professional development over profit, emphasizing the cultivation of essential skills like social interaction, interpersonal workplace communication, office culture, and community engagement. Youth participants earned \$11/hour while working 29 hours per week in a structured, supportive environment designed to promote learning and growth rather than

productivity alone. The program went so well that some organizations like McCree Theater and Flint NAC asked to have an additional week of participation.

The Department of Public Works utilized their youth in various ways to improve the viability of fire hydrants in neighborhoods by painting them the different color codes while learning the importance of what each color fire hydrant means to a community.

The McCree Theater gave youth an insight into theater and the various career opportunities that a field such as the Arts can offer. They participated in plays, costume design, and stage presence to get an idea of what it takes to produce community story telling.

Latinx provided cultural experiences that combined clean-up projects with diverse groups, discussion sessions, and neighborhood diversity.

NAC provided history with their cleanup projects around the significance of the SBEV building and original use and the street names and significance.

Flint Community Water Lab youth learned about science and career opportunities that it produces. They learned about water testing and the Flint Water Crisis, community support, and importance of clean air and water.

Faith Foundation placed their youth in various businesses to learn job skills, business etiquette, and a variety of employment types.

Cathedral of Faith taught the importance of Faith and confidence when navigating through life experiences through cleanup and mentorship.

Section II. PREVIOUS ALLOCATIONS (INCLUDE ALL ACCOUNTS USED FOR THIS PURPOSE)/ PROVIDE RESOLUTION OR CONTRACT INFORMATION THAT APPLIES

Fiscal Year	Account	FY GL Allocation	FY PO Amount	FY Expensed	Resolutio
2024	ARPA Youth Job Training	101-728.018-801.000	\$200,000	\$200,000	240124

The 2025 Second City of Flint Clean & Safe Summer Youth Job Training Program will provide summer jobs, business learning experiences, and a fantastic opportunity for flint youth to formulate career goals and to build a brighter future for our youth. The program will serve youth ages 15-19 in efforts to make use of idle time and keep them safe from crime. The program will offer 6-weeks of summer employment, paid through the ARPA Youth Job Training category, for 5-7 non-profit organizations to serve as host sites for 10 youth participants. Each organization will be awarded up to a maximum of \$30,000 for administrative reporting, materials, swag, and program costs. The youth participants will be paid \$11.00 per hour for 29 hours each week beginning June 20, 2025 and ending on July 18, 2025.

Qualifying Youth - Eligible applicants must live within the city limits of Flint, be at or below 300% of Federal Poverty Limits, and have a hardship that is a direct result of COVID-19. Documentation for income verification is required. Must be between the ages of 15-19.

300% of Federal Poverty Guidelines -- Adjusted for Family Size

Family Size	1	2	3	4	5	6	7	8+
Income	\$40,770	\$54,930	\$69,090	\$83,250	\$97,410	\$111,570	\$125,730	\$139,890

Qualifying Organizations: Each organization will be required to submit a two-page application, proof of non-profit status, must be insured, have been in business for 2 years or more, and have qualified staff to be selected as a host for the Clean & Safe Summer Youth Job Training site.

The host organizations will be responsible for the promotion and hiring of the summer youth participants and reporting under the standard ARPA reporting requirements. The applications will be disseminated to schools and other youth facilities through host organizations and City of Flint social media websites and online portals.

Section III.

POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS) INCLUDE PARTNERSHIPS AND COLLABORATIONS:

This initiative gives youth in Flint the chance to gain valuable skills, build their confidence, and contribute to their community in meaningful ways. By providing structured work opportunities, mentorship, and a safe space to grow, we're helping them stay focused, positive, and engaged, keeping them on a path toward success as opposed to alternatives that lead to street violence, crime, death, and incarceration. It's more than just a job; it's about giving our youth the tools they need to lead and create lasting change in their own lives and in the city they call home.

RESOLUTION NO.: _____

PRESENTED: 4-9-2025

ADOPTED: _____

BY THE CITY ADMINISTRATOR:

RESOLUTION TO AIS CONSTRUCTION EQUIPMENT FOR REPAIRS TO A PAVER

The City of Flint, Department of Public Works, Street Maintenance Division, is requesting a purchase order be issued to AIS Construction Equipment, 4600 AIS Drive, Bridgeport, MI for replacement of parts on a paver.

This is a qualified purchase under MiDeal State Contract #240000000158. There is adequate funding for said purchases from the listed accounts:

Account Number	Account Name	Amount
202-449.201-930.000	Repairs and maintenance	\$ 45,953.78
203-449.201-930.000	Repairs and maintenance	\$ 45,953.79
	FY25 GRAND TOTAL	\$ 91,907.57

IT IS RESOLVED, that The Division of Purchases and Supplies, upon City Council’s approval, is hereby authorized to issue a purchase order to AIS Construction Equipment for replacement of parts on a paver, in an amount not to exceed \$91,907.57.

BID/PROPOSAL#

AGENDA ITEM TITLE: Replacement of worn out parts on the paver

PREPARED BY: Kathryn Neumann for Rodney McGaha, Director of Transportation

VENDOR NAME: AIS Construction Equipment

Section I: BACKGROUND/SUMMARY OF PROPOSED ACTION:

Vendor Compliance (This vendor has been properly vetted and the responses are below):

Federal government	(All documentation current, no violations)	<input checked="" type="checkbox"/> YES	<input type="checkbox"/> NO
State government	(All documentation current, no violations)	<input checked="" type="checkbox"/> YES	<input type="checkbox"/> NO
City of Flint	(All documentation current, no violations)	<input checked="" type="checkbox"/> YES	<input type="checkbox"/> NO

The requesting authority is validating that this vendor has been in full compliance with all past contract provisions and has not violated the terms of any contract with the City of Flint.

The paver that is used to pave local streets was purchased in 2018 as a used demo (2016 model) and needs several repairs. This is a two track paver, and both tracks need to be replaced this year because they are worn out. There is also a screed under the unit that needs to be replaced. This screed finishes the surface of the asphalt, that's what makes the road nice and smooth. If these replacements are not made, local roads will not be able to be paved this year. This paver is used continuously during the construction season and doing these replacements will extend the life of the paver since a new paver costs several million dollars. AIS Construction Equipment is the authorized dealer for the VogeLe brand in this area. Pricing per MiDEAL MA24000000158, expires 2029.

PROCUREMENT (MUST BE SPECIFIED)

Please specify how this vendor was identified: (Check one)

- Sole Source (Please attach sole source statement to requisition)
- Competitive Bid Process (Please attach bid tabulation/documents to requisition)
- Cooperative Contract (MiDeal, Sourcewell, GSA, or other municipality)
 - *Contract must be attached to your requisition and contract must appear on the vendor's quote for goods/services
- (3) Quotes (please attach all quotes to your requisition)

CITY OF FLINT

** STAFF REVIEW FORM **

Effective: March 5, 2025

Section II. PREVIOUS ALLOCATIONS (INCLUDE ALL ACCOUNTS USED FOR THIS PURPOSE)/ PROVIDE RESOLUTION OR CONTRACT INFORMATION THAT APPLIES

Fiscal Year	Account	FY GL Allocation	FY PO Amount	FY Expensed	Resolution
FY25	202 & 203-449.201-977.000		\$89,841		240498-T
FY24	202 & 203-449.201-977.000		\$67,374	\$67,374	
FY24	202 & 203-449.201-977.000		\$58,563	\$58,563	
FY23	203-449.201-801.000		\$28,473	\$28,473	
FY22	202 & 203-449.203-940.000		\$7,741	\$7,741	

The City has used AIS Construction Equipment for many, many years. Multiple departments use them. They are also part of MiDeal. Because of wear and tear on the paver, almost every year the City has had to get repairs done. In 2021, the City spent \$21,789 in repairs; in 2023 \$28,473; in 2024 \$18,916 and so far in 2025 \$30,449 has been spent.

Section III:

POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS) INCLUDE PARTNERSHIPS AND COLLABORATIONS:

The paver needs to be in good working order to effectively pave local roads. Last year the tracks needed to be replaced but Street Maintenance managed to get another year out of the machine before it became inoperable.

Proposal 25000515

RESOLUTION NO.: 250108-T

PRESENTED: 4-9-2025

ADOPTED: _____

BY THE CITY ADMINISTRATOR:

RESOLUTION TO GLOBAL SOLUTIONS GROUP, INC FOR WPC SURVEILLANCE IMPROVEMENTS

WHEREAS, Water Pollution Control has a security surveillance system which antiquated, analog, and failing. An improvement to this system is imperative in order to monitor the Water Pollution Control Facilities, entrances/exits, and other activity that will ensure that premises are secure.

WHEREAS, Global Solutions Group, Inc. was the lowest responsive bidder in the solicitation for this project of the four bids that were received.

WHEREAS, WPC recommends that Global Solutions Group, Inc. be awarded a purchase order for the purpose of improving the WPC Surveillance System in the amount stated below:

Funding is to come from the following account(s):

Account Number	Account Name/ Grant Code	Amount
590-550.300-977.000	WPC-Equipment	\$153,123.03
	FY 2025 TOTAL	\$153,123.03

IT IS RESOLVED, that the Proper City Officials are hereby authorized to do all things necessary to issue a Purchase Order to Global Solutions Group, Inc., 25900 Greenfield Road, Drive, Suite 220, Oak Park, MI 48237 for Water Pollution Control Surveillance System Improvements, in the not-to-exceed FY 2025 amount of \$153,123.03.

BID/PROPOSAL# 25000515

AGENDA ITEM TITLE: WPC SURVEILLANCE IMPROVEMENTS

PREPARED BY: John Florshinger, Utilities Maintenance & SCADA Supervisor

VENDOR NAME: Global Solutions Group, Inc.

Section I: BACKGROUND/SUMMARY OF PROPOSED ACTION:

Vendor Compliance (This vendor has been properly vetted and the responses are below):

Federal government	(All documentation current, no violations)	<input checked="" type="checkbox"/> YES	<input type="checkbox"/> NO
State government	(All documentation current, no violations)	<input checked="" type="checkbox"/> YES	<input type="checkbox"/> NO
City of Flint	(All documentation current, no violations)	<input checked="" type="checkbox"/> YES	<input type="checkbox"/> NO

The requesting authority is validating that this vendor has been in full compliance with all past contract provisions and has not violated the terms of any contract with the City of Flint.

The surveillance systems at Water Pollution Control are antiquated and obsolete. Support for their systems is becoming increasingly difficult to procure. Recent events at the main plant have highlighted these deficiencies. This proposal would upgrade thereby improve the surveillance capabilities at the Water Pollution Control and its remote pumping station.

Therefore, I recommend that the lowest responsive bidder Global Solutions Group, Inc. be awarded the bid in the amount of \$153,123.03 for WPC Surveillance System Improvements.

PROCUREMENT (MUST BE SPECIFIED)

Please specify how this vendor was identified: (Check one)

- Sole Source (Please attach sole source statement to requisition)
- Competitive Bid Process (Please attach bid tabulation/documents to requisition)
- Cooperative Contract (MIDeal, Sourcewell, GSA, or other municipality)

*Contract must be attached to your requisition and contract must appear on the vendor's quote for goods/services

- (3) Quotes (please attach all quotes to your requisition)

Section II. PREVIOUS ALLOCATIONS (INCLUDE ALL ACCOUNTS USED FOR THIS PURPOSE)/ PROVIDE RESOLUTION OR CONTRACT INFORMATION THAT APPLIES

Fiscal Year	Account	FY GL Allocation	FY PO Amount	FY Expensed	Resolution
2025	296-315.706-977.000	\$129,720.00	\$129,720.00	\$113,591.64	240258
	591-545.300-801.000	\$80,759.14	\$17,615.91	\$15,425.82	
	591-540.100-801.000	\$400,000.00	\$6,226.96	\$5,452.80	
	590-540.100-801.000	\$200,000.00	\$6,226.96	\$5,452.80	

No Contracts have been issued for this vendor for WPC within the previous 5 fiscal years, only Purchase Orders.

Section III. POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS) INCLUDE PARTNERSHIPS AND COLLABORATIONS:

Upgrading and improving the surveillance systems at the WPC and the remote pumping station would increase the security of the respective facilities. By increasing deterrence and providing higher quality video equipment the citizens of Flint will be more safeguarded.

Section IV: FINANCIAL IMPLICATIONS:

IF ARPA related Expenditure: NA

Has this request been reviewed by E&Y Firm: YES NO IF NO, PLEASE EXPLAIN:

This is not an ARPA expense. There is funding available for this purchase.

Subject: Global Solutions Group, Inc.'s proposal response to P25000515: Water Pollution Control Surveillance Improvements for the City of Flint (City).

Dear Lauren Rowley:

Global Solutions Group, Inc. (GSG) hereby presents our proposal response to Water Pollution Control Surveillance Improvements for the City of Flint (City).

We are an SBA 8(a) Certified Small Business, Certified Women Owned Small Business (WOSB), Certified Minority Business Enterprise (MBE), and Economically Disadvantaged Woman - Owned Small Business (EDWOSB).

GSG is ISO/IEC 27001:2022 Certified for our Information Security and Cybersecurity practice for all our government agencies. This certification recognizes our organization-wide commitment to security. We have provided intensive documentation, including a detailed risk assessment, records of internal training, audits, managerial review, and documentation of the relevant controls and had our ISMS audited by an accredited body.

We are ISO 9001:2015 Certified for Quality Management Systems encompassing all processes supporting next-generation technology services including Cybersecurity, Enterprise Integrated Security, Electronic Content Management, Document Management, IT/Professional Support, as well as Application Development and Maintenance Support.

GSG has an ISO 20000-1:2018 Certified Service Management System supporting the provision of cyber security services, enterprise electronic content management services and application support services through its service delivery function and support functions.

GSG has successfully delivered 1,000+ projects in the past twenty years to over 173 customers.

GSG understands that the City is seeking a modern security system that will meet current and future security needs. Further, we understand that the goal of this project is to enhance the City's safety and security by implementing a reliable, scalable, and feature-rich safety and security solution that provides comprehensive coverage across all of your sites and is compatible with the City's current physical and technical infrastructure. GSG is experienced in supplying similar camera and recording systems. We will provide professional services related to this solicitation including design assistance, building/installation, testing, deployment, administration/staff training and technical support.

WHY GLOBAL SOLUTIONS GROUP

GSG offers greater flexibility and responsiveness than our larger national counterparts — making us an ideal business partner for state and local governments. GSG has been providing technology services for numerous government agencies and private sector businesses and organizations.

Our team has provided camera system replacement, video surveillance, CCTV cameras, and related software for a variety of government agencies and private sector businesses and organizations:

Service Provided	Customer	Synopsis of Work Performed
Video Surveillance Camera System	Travis Air Force Base, CA	GSG has supplied and installed thirty-seven interior and exterior cameras with NVR for Building 923 warehouse. The system was designed to ensure maximum coverage of the critical warehouse floor.
Explosion-Proof Pelco Cameras Plus Installation	Eglin AFB, FL	GSG has supplied and installed several Pelco explosion proof Pan-Tilt-Zoom (PTZ) cameras for the multiple bays where Eglin AFB has a machining facility where explosives-related components are manufactured on specialized CNC machines.
GSG team implemented Video Surveillance Camera System	Lake Erie Transit Commission (LETC) - Suburban Mobility Authority for Regional Transportation (SMART), and two remote Bus stop locations.	Project consisted of thirty-two CCTV System for HQ, sixteen for each remote location. CCTV System included Cameras, cabling, NVR, Network configuration, setup of remote viewing, network-based viewing, etc. Both remote locations are being monitored from the HQ via network setup.
Television Surveillance Systems	Mission and Installation Contracting Command (MICC), Ft. Benning, GA	GSG has provided <u>260</u> cameras and associated equipment to support the CCTV for 3rd Battalion, 11th Infantry Regiment (OCS).
Installation of security cameras and supporting equipment for the CS1 area	Department of Defense Finance and Accounting Service (DFAS), Indianapolis, IN	The project included networking cameras to directly to live view monitors throughout the facility and parallel viewing of all cameras in monitoring room and the security head's office.
Video Surveillance System	Oakland County Academy of Media and Technology, Michigan	GSG installed the system and monitoring software, including existing surveillance system components. Installation of the system required drilling and other interior or exterior work that required access to non-visible areas.
Provided alerteer™, a proprietary application for live surveillance cameras feeds	Sigma Academy for Leadership & Early Middle College, Michigan	GSG has provided alerteer™, a proprietary application that allows unlimited user logins for viewing live feeds of surveillance cameras (which includes their old and new cameras) via multiple devices including mobile, tablet, desktop, or laptop computers, etc.
Security Vestibule Cameras and Installation Service	Wallingford Public Schools, Connecticut	GSG provided and installed several Axis cameras indoors and outside of the Wallingford Public Schools entrance.
Security Camera Install and Monitoring	The United States Department of Agriculture (USDA)	GSG provides APHIS Security Camera Install and Monitoring for The United States Department of Agriculture (USDA)

Assumptions

1. This Price proposal does not include any high voltage electrical work that maybe required. If electrical work is required that will be at cost to the client.
2. The cost of rigid conduit will adjust if GSG team will be able to re-utilize existing rigid conduit.
3. Gate Access System - 11.2.17: The cost within this section is pending if the existing Gate Access system is able to seamlessly integrate. This current pricing includes evaluation and configuration. If the current Gate Access system is unable to be integrated evaluation and updated pricing will be provided to the City of Flint.
4. Network Connectivity - 11.3: The network compatibility will require Ubiquity airMAX devices. In order to operate successfully each location will require two (2) devices.

2. GSG's Service Ability

GSG is a multi-faceted technology and professional services company established in 2003 in the State of Michigan and headquartered in Oak Park, Michigan. GSG was founded to provide IT support services to government agencies and private sector clients. As our IT consulting business grew, we recognized that several of our clients were not satisfied with their existing information security services, so we started placing IT security professionals with those clients. That experience has allowed us to expand our IT services to include cybersecurity consulting. To provide additional support for securing IT systems, GSG started providing physical security support as well — from secure entry to surveillance equipment. We have since added CCTV camera installation, maintenance, and video surveillance as key facets of our core business.

We have several strategic partnerships with various security camera manufacturers, including Pelco, Bosch, AXIS, Vicon, Siemens, and Vivotek.

GSG has a long history of superior performance on multiple contracts with the federal government, as well as state and local governments and private sector companies. This experience allows us to ensure high-level IT support and consultation, yet we are small enough to be nimble in our approach to providing client services. We have the flexibility to redirect resources to remediate/mitigate issues under tight deadlines.

GSG has a long history of superior performance on multiple contracts with the federal government, as well as state and local governments and private sector companies. This experience allows us to ensure high-level IT support and consultation, yet we are small enough to be nimble in our approach to providing client services. We have the flexibility to redirect resources to remediate/mitigate issues under tight deadlines.

GSG is actively providing contract services to over twenty-five federal government agencies and 100+ state and local government agencies as a Prime Contractor.

Equally important is our strategic partnerships with industry-leading technology companies and security camera manufacturers. Our partners provide a myriad of services providing immediate resources that assist in troubleshooting problems, upgrades, and bug fixes to name a few. By leveraging the strengths and resources of our partners, GSG can mitigate issues and downtime with our priority access to technology updates like software and hardware patches and fixes.

STRATEGIC PARTNERS BENEFIT FOR CITY

<i>Feature</i>	<i>Description</i>	<i>Benefit to City</i>
Access to Resources	Our partners allow immediate access to technology, expertise, and talent.	Priority access to software patches, knowledge base that that streamlines troubleshooting time.
Knowledge Sharing	Collaborating with external partners fosters innovation bringing together diverse perspectives, ideas, and expertise.	Cross-pollination of knowledge can lead to the development of new services and processes.
Risk Mitigation	By sharing challenges with a Strategic Partner, he would share market insights, diversifying supply chains, or jointly investing in research.	Overcome challenges faster by sharing knowledge, changes in technology and troubleshooting.
Cost Efficiency	Partnering with other organizations can lead to cost efficiencies through shared resources, economies of scale, or streamlined operations.	This can improve profitability and enable businesses to invest resources in other areas of growth.

GSG provides exceptional experience and, as a small business, we are agile in adjusting our approach to meet the specific needs of each client — whether it is a commercial operation, a state agency, or an entire Cabinet-level department with locations across the nation.

Why GSG?

The following table details our major operational parameters and their benefits for *City*:

Parameters	GSG Services	Benefits to City
Highest Quality	<ul style="list-style-type: none"> ✦ GSG examines all equipment prior to shipping it to our clients. ✦ We test cameras, recording equipment, and other components to ensure proper functionality. Cabling and connectors are examined for damage or defect. 	<ul style="list-style-type: none"> ✦ Assurance that all purchased equipment is free of defect and is functional upon arrival.
Proven Performance	<ul style="list-style-type: none"> ✦ GSG has experience in executing video surveillance systems projects of reputed federal government, as well as private clients. We have handled a wide variety of makes and models of video surveillance equipment, including Bosch, Pelco, Vicon, etc. ✦ GSG supplied an 8-channel DVR with a preinstalled 2-terabyte hard drive, indoor/outdoor 4-megapixel cameras, and all mounting hardware, cabling, etc., to Travis Air Force Base. ✦ GSG has supplied and installed Pelco explosion-proof Pan-Tilt-Zoom (PTZ) cameras for the two bays for Elgin Air Force Base, FL. 	<ul style="list-style-type: none"> ✦ A contractor capable of managing and meeting the demands for high-value Security camera supply and implementation.

Parameters	GSG Services	Benefits to City
	<ul style="list-style-type: none"> ◆ GSG provided installation, third-party licenses, configuration control, risk management, testing, quality assurance, and data management for nineteen CCTV cameras at the Department of Homeland Security, US Border Patrol, Tucson Sector. 	
Capability/ Experience	<ul style="list-style-type: none"> ◆ Personnel with an average of fifteen years of experience in IT security support. ◆ A management team experienced in fulfilling both governmental and private sector requirements. ◆ GSG personnel respond to all service requests within 24 hours. 	<ul style="list-style-type: none"> ◆ Strong knowledge base of the industry due to working with multiple federal, state, and local projects. ◆ Improved and more reliable measures of confidence in Security Camera requirements.

2.1 Relevant Experience

GSG has extensive experience in providing security cameras and has fulfilled multiple contracts for clients, including the following:

SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION

GSG team implemented Video Surveillance Camera system for LETC Headquarter, and two remote Bus stop locations. Project consisted of thirty-two CCTV System for HQ and sixteen for each remote location. CCTV System included Cameras, cabling, NVR, Network configuration, setup of remote viewing, network-based viewing, etc. Both remote locations are being monitored from the HQ via network setup.

This project had a CCTV system design that included full coverage of interior buildings. Corridors, conference rooms, entrances; exterior entrance, parking lots, garage, bus cleaning and maintenance workshop, and storage warehouse. All CCTV cameras require a two-year warranty. Remote locations (bus stops) surveillance required for passenger area, office area, cash register area, bus parking, loading, and unloading of passengers and handicap ramps. Project also included training and ongoing support and maintenance.

The first phase of the project was completed on time and within budget. The client was very happy and extended the second phase of project with additional bus stop in downtown Monroe, Michigan, which was completed on time and within budget. Every service request was attended promptly on a regular basis.

DEPARTMENT OF THE AIR FORCE, ELGIN AIR FORCE BASE

GSG supplied and installed several Pelco explosion proof Pan-Tilt-Zoom (PTZ) cameras for multiple bays.

Eglin AFB has a machining facility where explosives related components are manufactured on specialized CNC machines. Operators are not allowed to be physically present near the machines to monitor the machining processes. Special high-definition cameras are deployed for this purpose. The machine room environment has a potential explosion hazard. The cameras need to be

explosion proof for this purpose. These cameras continuously transmit the machining operation images to a monitor in the central control room, from where the operators keep a watch on the same.

Each of the cameras installed by GSG was explosion proof in construction, connected by explosion proof conduits for the cables. Each camera weighed over 40 lbs. and was located on heavy duty wall mounts.

The cameras were connected to the control room with a combination of CAT6 and optic fiber cabling looping around the building from the outside.

GGS also provided extensive support in coordinating with the manufacturer (Pelco) when the client found some issues with the performance of the cameras. GSG conducted countless phone call conversations and video conference calls with the manufacturer and the client to carry out troubleshooting sessions until the issue was identified as a manufacturing defect and was satisfactorily resolved.

MICC FORT BENNING

We supplied a large quantity of video surveillance equipment, which included cameras, monitors, switches, UPS, cables, computers, servers, and related accessories. The makes included Vivotek, Dell, APC, and LG.

GSG has provided many pieces of equipment, such as Vivotek FD9360H 2MP Dome Cameras, including multiple Vivotek AM-21A L Brackets, LG SuperSign LGTVUHD4K49, Monitor Mounts, a 24" Monitor, a Planet Tech FGSW2622VHP 24 Port POE Switch, SFP Fiber Modules, etc.

DEPARTMENT OF THE AIR FORCE, TRAVIS AIR FORCE BASE

GSG removed currently installed cameras and installed new cameras that provide total coverage of the inside of the warehouse and the cargo yards. The cameras are connected to the hub via CAT 5e Ethernet LAN cable. New cameras met the following requirements:

- Night vision capability.
- Weatherproof enclosure.
- Minimum of 5MP (megapixel) camera (no fisheye style).

We provided a viewing station in the Armory that allows for real time viewing of the three Armory cameras. We also removed and replaced the monitoring station/hub, and provided/installed a new system in the FACMAN cage with the following capabilities:

- Allow for a minimum of ten days of video storage.
- Viewing capability (real time and stored footage) at the monitoring station/hub. Real time viewing must have the ability to view all cameras at once or select a single camera.
- The monitoring station/hub shall be password protected, with the ability to have users change the password as needed.
- Provide/install an Uninterrupted Power Supply (UPS) to ensure the monitoring station/hub does not lose power in the situation where the building loses power.
- Provide local storage solutions with a redundant back up system. The system will not be connected to the Internet or utilize any cloud-based storage.

DEPARTMENT OF HOMELAND SECURITY, US BORDER PATROL, TUCSON SECTOR

GSG provided CCTV camera installation to the Department of Homeland Security (DHS). GSG installed several additional cameras installed on the existing communication tower providing visibility of entire facility perimeter at US Border Patrol, Tucson Sector, Policy and Compliance Division, Security Office. We also installed many CCTV cameras inside fifteen LAN rooms on the compound with one camera to cover each entrance. GSG provided necessary management support, third party licenses, configuration control, risk management, testing, quality, assurance, and data management including serial number, MAC address, IP address, and model data for each camera. The cameras we installed are from the Customs Advanced Video Security System (CAVSS) approved IP. GSG installed Internet Protocol (IP) Pan-Tilt-Zoom (PTZ) Cameras capable of viewing clearly at least 1,000 feet away, with low light capability, and appropriate for outdoor use, on the facility communication tower, at the same height as the existing camera. GSG also installed one stationary IP camera, with IR capability, inside the following LAN Rooms on the facility: Building 1 – rooms 1010, 1101, 1156, 2028, 2059, and 2076 Building 2 – rooms 1048 and 1049. Building 3 – rooms 1014 and 1049, Building 4 – room 1035, Building 7 – room 151, and Building 8 – room 206. Cameras are positioned on the ceiling to monitor personnel entering the LAN room. Additionally, we installed several stationary IP cameras, with IR capability, inside the following LAN Rooms on the facility: Building 1 – room 1153 and Building 8 – JIOC LAN room. GSG connects the CAT5/6 cable to the camera and provides enough additional cable to reach the LAN switch. We also verified, demonstrated, and ensured the functionality of the cameras.

OAKLAND COUNTY ACADEMY OF MEDIA & TECHNOLOGY

Oakland County Academy of Media and Technology (OCAMT) required additional camera installation for their premises for monitoring by their staff. GSG conducted a site assessment for the Academy to assess the different options to address their needs. Based on the assessment, GSG suggested different types of cameras for the interior (including lobby, Gym, access gates etc.), as well as for exterior areas surrounding the facility. These cameras were installed by our experienced team, including cabling and electrical outlets and network configuration for cameras.

SIGMA ACADEMY FOR LEADERSHIP & EARLY MIDDLE COLLEGE

GSG has provided alerteer™, a proprietary application to Sigma Academy for Leadership & Early Middle College, Michigan that allows unlimited user logins for viewing live feeds of surveillance cameras (which includes their old and new cameras) via multiple devices including mobile, tablet, desktop, or laptop computers, etc. This enables their staff to view their cameras instantly from any device and from any location, this means there will be no need for physical presence of the staff at school 24/7. This has increased flexibility and widened the monitoring window.

alerteer™ provides the capability of just-in-time motion detection and provides real time alerts to designated staff of college and enables authorized users to assign status and rating/priority of each alert so that action can be taken by support teams and can lead to closure with appropriate action. In case of any critical events within college, alerteer™ provides built in configured phone numbers and email IDs for school management escalation of alerts via text or email, respectively.

DEFENSE FINANCE AND ACCOUNTING SERVICE (DFAS), INDIANAPOLIS

GSG provided installation of many security cameras and supporting equipment for the CS1 area of Defense Finance and Accounting Service (DFAS), Indianapolis, IN. The project included networking cameras to directly to live view monitors throughout the facility and parallel viewing of all cameras in monitoring room and the security head's office.

GSG carried out the work to replace the existing camera surveillance system in the CS1 area. We also carried out analysis of the possibility to combine the existing cameras in the CS2 area into one standalone surveillance system, consolidating the systems in CS1 and CS2 areas, to enhance the security and usability for these areas for future operation.

DEPARTMENT OF THE AIR FORCE, TRAVIS AIR FORCE BASE

GSG supplied an 8-channel DVR with a preinstalled 2-terabyte hard drive, indoor/outdoor many-megapixel cameras, and all mounting hardware, cabling, etc.

GSG provided Video Surveillance Camera System to Travis Air Force Base in California. GSG supplied and installed thirty-seven interior and exterior cameras with NVR for Building 923 warehouse. The system was designed to ensure maximum coverage of the critical warehouse floor.

WALLINGFORD PUBLIC SCHOOLS, CONNECTICUT

GSG supplied and installed several Axis cameras at the entrances of Wallingford Public Schools in Connecticut.

THE UNITED STATES DEPARTMENT OF AGRICULTURE (USDA)

GSG provides APHIS Security Camera Install and Monitoring for The United States Department of Agriculture (USDA).

3. Financial Stability

Annual Revenue History

Global Solutions Group, Inc. (GSG) is a well-established and capitalized firm accustomed to performing services with payment at a future date. GSG will cover all contract phase-in costs, unexpected and/or emergency costs, and initial performance costs necessary to support the project until such time as progress payments are received. Revenue figures for the last seven years are as follows:

- 2023: \$13.5 million
- 2022: \$9.5 million
- 2021: \$7.7 million
- 2020: \$5.3 million
- 2019: \$4.8 million
- 2018: \$2.85 million
- 2017: \$971,688

4. Required Forms

4.1 Exhibit A - Submittal with detailed Summary of Pricing

- 1. Failure to use this bid form shall result in bid disqualification.
- 2. Failure to bid on all items shall result in an "incomplete bid" determination.
- 3. List value-added considerations on a separate sheet of paper.
- 4. All bid pricing to include shipping and freight charges.

THIS PAGE MUST BE COMPLETED AND INCLUDED WITH THE BID

The undersigned hereby certifies, on behalf of the respondent named in this Certification (the "Respondent"), that the information provided in this offer submitted to the City of Flint, Department of Purchase and Supplies is accurate and complete, and that I am duly authorized to submit same. I hereby certify that the Respondent has reviewed all documents and requirements included in this offer and accept its terms and conditions.

Terms: Net 30, 0.5% - 7 Days

Fed. ID # 200010736

4.2 Exhibit B –Qualifications and Licenses Requirements

EXHIBIT B - QUALIFICATIONS AND LICENSES REQUIREMENTS

Please give a synopsis of your qualifications and experience with this service:

GSG is a global provider of security, health, and safety technologies. By delivering scalable end-to-end electronic security solutions enriched with over 20 years of protecting people, places and assets we help businesses transform through the power of safe. GSG has a long history of superior performance on multiple contracts with the federal government, as well as state and local governments and private sector companies.

Please list Licenses:

We are certified installer and distributors for the following Security industry leaders, manufacturers and VMS
Avigilon, UBIQUITI, UNV, HikVision Axis Communications, Hanwha, Milestone, Abili Security, ADI, LTS, Keri Systems, etc.

How long have you been in business?

Over 20 years.

Have you done business with the City of Flint?

No.

If yes, please state the project name.

4.3 Exhibit C – Disclosure of Supplier Responsibility Statement

EXHIBIT C – DISCLOSURE OF SUPPLIER RESPONSIBILITY STATEMENT

1. List any convictions of any person, subsidiary, or affiliate of the company, arising out of obtaining, or attempting to obtain a public or private contract, or subcontract, or in the performance of such contract or subcontract.
NA
2. List any convictions of any person, subsidiary, or affiliate of this company for offenses such as embezzlement, theft, fraudulent schemes, etc. or any other offense indicating a lack of business integrity or business honesty which affect the responsibility of the contractor.
NA
3. List any convictions or civil judgments under state or federal antitrust statutes.
NA
4. List any violations of contract provisions such as knowingly (without good cause) to perform, or unsatisfactory performance, in accordance with the specifications of a contract.
NA
5. List any prior suspensions or debarments by any government agency.
NA
6. List any contracts not completed on time.
NA
7. List any documented violations of federal or state labor laws, regulations or standards, or occupational safety and health rules.
NA

4.4 Exhibit D - List of References

❖ EXHIBIT D – LIST OF REFERENCES: (3) SIMILAR SCOPE OF WORK FROM THE LAST 5 YEARS

Providing the following contact information enables the City of Flint to contact those accounts as references.

Reference #1:

Company/Municipality: Oakland County Academy of Media and Technology
 Contact Person: Dr. Richard Kirkland Title: Superintendent
 Address: 48980 Woodward Ave
 City: Pontiac State: MI Zip: 48342
 Telephone: 248-277-6255 Fax:
 Email: rkirkland@ocamt.academy
 Type of Project: GSG provides security Video surveillance system installation & IT Managed Services Agreement.
We also provide alerteerTM, a proprietary application.
 Project Timeline (Dates): Aug 28, 2019 - Ongoing Budget: \$27,838.50 + ongoing maintenance cost

Reference #2:

Company/Municipality: Sigma Academy for Leadership & Early Middle College
 Contact Person: Timeka Brown Title: Supervisor
 Address: 16641 Woodward Avenue

RESOLUTION NO.: 250109-T

PRESENTED: 4-9-2025

ADOPTED: _____

BY THE CITY ADMINISTRATOR:

**RESOLUTION TO AIS CONSTRUCTION EQUIPMENT FOR
THE PURCHASE OF A NEW WIRTGEN W50 RI COLD MILLING MACHINE**

The City of Flint, Department of Public Works, Street Maintenance Division, is requesting a purchase order be issued to AIS Construction Equipment, 4600 AIS Drive, Bridgeport, MI for the purchase of a new Wirtgen W50 RI cold milling machine.

This is a qualified purchase under MiDeal State Contract #240000000158. There is adequate funding for said purchases from the listed accounts:

Account Number	Account Name	Amount
202-449.201-977.000	Equipment	\$ 155,271.80
203-449.201-977.000	Equipment	\$ 155,271.81
FY25 GRAND TOTAL		\$ 310,543.61

IT IS RESOLVED, that The Division of Purchases and Supplies, upon City Council's approval, is hereby authorized to issue a purchase order to AIS Construction Equipment for the purchase of a new Wirtgen W50 RI cold milling machine in an amount not to exceed \$310,543.61.

FOR THE CITY OF FLINT:

CITY OF FLINT

**** STAFF REVIEW FORM ****

October 9, 2024

TODAY'S DATE: February 28, 2025

BID/PROPOSAL#

AGENDA ITEM TITLE: Cold milling machine

PREPARED BY: Kathryn Neumann for Rodney McGaha, Director of Transportation

VENDOR NAME: AIS Construction Equipment

Section I: BACKGROUND/SUMMARY OF PROPOSED ACTION:

The Street Maintenance division owns a cold milling machine, but it is very old (bought in 2006) and needs to be replaced. The City received a quote for a 2024 Wirtgen W50 cold milling machine, which will save some money over the 2025 models but will have the same warranties.

Section II. PREVIOUS ALLOCATIONS (INCLUDE ALL ACCOUNTS USED FOR THIS PURPOSE)/ PROVIDE RESOLUTION OR CONTRACT INFORMATION THAT APPLIES

Fiscal Year	Account	FY GL Allocation	FY PO Amount	FY Expensed	Resolution
FY25	202 & 203-449.201-977.000		\$89,841		240498-T
FY24	202 & 203-449.201-977.000		\$67,374	\$67,374	
FY24	202 & 203-449.201-977.000		\$58,563	\$58,563	
FY23	203-449.201-801.000		\$28,473	\$28,473	
FY22	202 & 203-449.203-940.000		\$7,741	\$7,741	

The City has used AIS Construction Equipment for many, many years. Multiple departments have used them. They are also part of MiDeal.

Section III.

CITY OF FLINT

**** STAFF REVIEW FORM ****

October 9, 2024

POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS) INCLUDE PARTNERSHIPS AND COLLABORATIONS:

Asphalt and concrete pavements can be cost-effectively removed with cold milling machines. The range of applications extends from the complete removal of asphalt and concrete to the layer-by-layer removal and levelling of asphalt and concrete surfaces. This is much-needed equipment for the use of paving local streets.

Section IV: FINANCIAL IMPLICATIONS:

IF ARPA related Expenditure:

Has this request been reviewed by E&Y Firm: YES NO IF NO, PLEASE EXPLAIN:

[Empty rectangular box for explanation]

BUDGETED EXPENDITURE? YES NO IF NO, PLEASE EXPLAIN:

Dept.	Name of Account	Account Number	Grant Code	Amount
Streets	Equipment	202-449.201-977.000		\$155,271.81
Streets	Equipment	203-449.201-977.000		\$155,271.80
FY25 GRAND TOTAL				\$ 310,543.61

WHEN APPLICABLE, IF MORE THAN ONE (1) YEAR, PLEASE ESTIMATE TOTAL AMOUNT FOR EACH BUDGET YEAR: (This will depend on the term of the bid proposal)

BUDGET YEAR 1 \$

IMPORTANT PROVISIONS OF CONTRACT ON REVERSE SIDE

RESOLUTION NO.: 250110-T
PRESENTED: 4-9-2025
ADOPTED: _____

RESOLUTION AUTHORIZING A CONTRACT WITH CONSUMERS ENERGY TO IMPLEMENT A CITYWIDE STREETLIGHT UPGRADE TO ENERGY-EFFICIENT LED BULBS TO REDUCE UTILITY COSTS

WHEREAS, the City of Flint received funding through the American Rescue Plan Act of 2021 (ARPA) to be used for specific, designated purposes. By 2023, the City had fully obligated all ARPA funds, including approximately \$40 million allocated as 'revenue replacement' on December 20, 2023; and

WHEREAS, City Administration recommends allocating \$2,800,000 in ARPA funds for a contract with Consumers Energy to replace over 3,000 streetlight bulbs across the city with energy-efficient LED bulbs. This upgrade will enhance the effectiveness of the city's existing grid, improving public safety while also reducing monthly utility costs. The savings generated can be reinvested in installing new streetlights, particularly in high-crime areas identified through data from the Flint Police Department.

Account Code	Description	Amount
101-345.007-801.000	Citywide Streetlight Upgrades	\$2,800,000

IT IS RESOLVED that the appropriate City officials are hereby authorized to do all things necessary including budget adjustments to enter into contract with Consumers Energy, to complete the replacement of streetlights throughout the city of Flint, for a total contract not to exceed \$2,800,000.00.

For the City:

For the City Council:

Clyde D. Edwards, City Administrator

TODAY'S DATE: March 19, 2025

BID/PROPOSAL# N/A

AGENDA ITEM TITLE: CITYWIDE STREETLIGHT UPGRADE TO LED BULBS

PREPARED BY: Ashly Harris, Deputy Director of Community Services

VENDOR NAME: Consumers Energy

Section I: BACKGROUND/SUMMARY OF PROPOSED ACTION

Vendor Compliance (This vendor has been properly vetted and the responses are below):

Federal government	(All documentation current, no violations)	<input checked="" type="checkbox"/> YES	<input type="checkbox"/> NO
State government	(All documentation current, no violations)	<input checked="" type="checkbox"/> YES	<input type="checkbox"/> NO
City of Flint	(All documentation current, no violations)	<input checked="" type="checkbox"/> YES	<input type="checkbox"/> NO

The requesting authority is validating that this vendor has been in full compliance with all past contract provisions and has not violated the terms of any contract with the City of Flint.

The City of Flint is partnering with Consumers Energy to replace over 3,000 outdated streetlights with energy-efficient LED bulbs. This project will enhance the city's lighting infrastructure, improving visibility and public safety while reducing overall energy consumption. The cost savings from lower utility expenses will be strategically reinvested into expanding streetlight coverage, particularly in high-crime areas identified through data from the Flint Police Department. By modernizing the city's lighting system, this project supports a safer, more sustainable, and cost-effective environment.

PROCUREMENT (MUST BE SPECIFIED)

Please specify how this vendor was identified: (Check one)

- Sole Source (Please attach sole source statement to requisition)
- Competitive Bid Process (Please attach bid tabulation/documents to requisition)
- Cooperative Contract (MIDeal, Sourcwell, GSA, or other municipality)
 - *Contract must be attached to your requisition and contract must appear on the vendor's quote for goods/services
- (3) Quotes (please attach all quotes to your requisition)

Section II. PREVIOUS ALLOCATIONS (INCLUDE ALL ACCOUNTS USED FOR THIS PURPOSE)/ PROVIDE RESOLUTION OR CONTRACT INFORMATION THAT APPLIES

Fiscal Year	Account	FY GL Allocation	FY PO Amount	FY Expensed	Resolution

Section III. POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS) INCLUDE PARTNERSHIPS AND COLLABORATIONS:

The City of Flint will benefit from improved infrastructure, enhanced public safety, and reduced utility costs through the LED streetlight conversion. Upgrading to LED lighting will provide consistent lighting across all neighborhoods, helping to discourage crime and create safer communities. Additionally, lower energy consumption will reduce city expenses, allowing cost savings to be reinvested in installing new streetlights in high-crime areas. This project will have a positive impact on both residents and city operations.

Section IV: FINANCIAL IMPLICATIONS

IF ARPA related Expenditure:

Has this request been reviewed by E&Y Firm: YES NO IF NO, PLEASE EXPLAIN:

BUDGETED EXPENDITURE? YES NO IF NO, PLEASE EXPLAIN:

Dept.	Name of Account	Account Number	Grant Code	Amount
B&CS	Citywide Street Light Upgrades	101-345.007-801.000	N/A	\$2,800,000.00
FY25 GRAND TOTAL				\$2,800,000.00

WHEN APPLICABLE, IF MORE THAN ONE (1) YEAR, PLEASE ESTIMATE TOTAL AMOUNT FOR EACH BUDGET YEAR: (This will depend on the term of the bid proposal)

BUDGET YEAR 1 \$933,333

BUDGET YEAR 2 \$933,333

BUDGET YEAR 3 \$933,333

RE: Planned Streetlight Conversion from non-LED to LED

Below is conceptual cost estimate for Consumers Energy to *proactively convert all existing cobra head non-LED streetlights to LED as requested by the city.*

The estimate below is subject to change based on final work order design as some lights may be converted to LED at burnout prior to design or construction. The estimate is based off the number of cobra head lights under the streetlight account for the city of Flint as of January 1, 2025.

This estimate is valid for 60 days from the date of this letter. Unless other arrangements have been made, if we have not received your intent to proceed within 60 days, a new estimate may be determined based on our costs in effect at that time.

Upon receiving your intention to proceed, we will proceed to move forward with our process to provide service. If you are not ready to move forward at this time, please notify our office immediately. Please feel free to contact us at the number listed below. Thank you for your request. We look forward to serving you.

Mercury Vapor lights (1) total:	\$0.00
High Pressure Sodium Lights (2773) total:	\$2,159,000.00 – \$2,842,000.00
Metal Halide lights (18) total:	\$16,600.00 - 21,500.00
Estimated Total	\$2,175,600.00 – 2,863,500.00
