Resolution resolving that due to [water rate increases to the City of Flint by the Great Lakes Water Authority] and the economic hardship due to COVID-19, that the appropriate City officials are authorized to do all things necessary, including executing any necessary agreements, to appropriate funding from the funding source account # 101-000.000-995.591 to the Water Rate Stabilization Fund, in the amount of \$2,000,000. [NOTE: City of Flint residents have not received a water rate increase since 2015. The Great Lakes Water Authority increases their rates to the City of Flint annually, and the upcoming fiscal years increase is set at 5.9%. In order for the City of Flint to not pass this increase onto its residents, a water rate stabilization fund is necessary.]

Based on review and validation of the appropriate fund use by the City's compliance firm, implementation of these funds will be consistent and compliant with US Department of Treasury requirements and previously approved authorizations. [NOTE: The City Administration recommends reallocating \$225,000 of ARPA funds, previously obligated for revenue replacement, to provide funding to City of Flint Clean & Safe Summer Youth Job Training Program to provide a second round of summer jobs for youth ages 15-19 to eradicate the negative use of idle time and to keep them safe from crime.
