### INSTRUCTIONS FOR MAKING QUARTERLY CORPORATION ESTIMATED INCOME TAX PAYMENTS

Estimated income tax payments may be made: by check or money order with an estimated income tax payment voucher.

**DO NOT USE OR PHOTOCOPY ANOTHER TAXPAYER'S FORMS.** If you do, your payment could be applied to the wrong account. To print a blank set of forms go to the city's website, [www.cityofflint.com/incometax/forms.asp](http://www.cityofflint.com/incometax/forms.asp). Blank forms may be requested by an e-mail to [Incometax@cityofflnt.com](mailto:Incometax@cityofflnt.com) or via a phone call to (810) 766-7015.

**NOTE:** Reminder notices will not be sent. Save the set of forms for use in making the remainder of this year's quarterly estimated payments.

#### CORPORATIONS REQUIRED TO MAKE ESTIMATED INCOME TAX PAYMENTS

Every corporation "doing business" in the City of Flint who has Flint taxable income must make estimated income tax payments if the estimated tax is two hundred fifty dollars (\$251.00) or more.

#### WHEN AND WHERE TO MAKE ESTIMATED INCOME TAX PAYMENTS

- A. **Calendar Year Taxpayers:** The first quarterly payment for the year must be filed on or before April 30 of the tax year.
- B. **Fiscal Year Taxpayers:** The first quarterly payment for the fiscal year must be filed within four (4) months after the beginning of the fiscal year.
- C. **Payment of Estimated Tax:** The estimated tax may be paid in full with the first quarter payment or paid in four (4) equal quarterly installments. Calendar year installments are due on or before April 30, June 30, and September 30 of the tax year and January 31 of the next year. Fiscal year installments are due on or before the end of the fourth, sixth, ninth and thirteenth month after the beginning of the fiscal year. Previously missed estimated payments must be made as soon as possible.
- D. **Where to Send Estimated Payments:** Quarterly payments using Form F-1120ES are to be mailed to the City of Flint Income Tax Dept., Attn: Estimated Payments, PO Box 529, Eaton Rapids, MI 48827-0529.

#### CALCULATION OF ESTIMATED INCOME TAX

Calculate the estimated Flint income tax due using the Estimated Income Tax Computation Worksheet below.

#### ESTIMATED INCOME TAX COMPUTATION WORKSHEET

#### TAX YEAR \_\_\_\_\_

1. TOTAL FLINT INCOME EXPECTED	1.	
2. ESTIMATED FLINT TAX (Line 1 multiplied by 1% (0.01))	2.	
3. QUARTERLY PAYMENT AMOUNT (Line 2 divided by 4)	3.	

The annual return for the previous year may be used as the basis for computing your estimated tax for the current year. The same figures used for estimating your federal income tax, adjusted to exclude any income not taxable or deductions not allowed under the Flint Income Tax Ordinance, may be used.

#### CALCULATION OF THE ESTIMATED TAX PAYMENT DUE EACH QUARTER

If you know the amount of quarterly estimated tax to pay, write the amount of estimated tax in the amount box of the payment vouchered for the quarter (lower right hand corner of Form F-1120ES, Payment Voucher 1, 2 3, or 4).

If you are unsure of the amount of quarterly estimated tax to pay, follow the lines on the Estimated Income Tax Computation Worksheet above to calculate the quarterly estimated tax payment.

#### AMENDED ESTIMATED INCOME TAX PAYMENTS

If, after one or more estimated tax payments have been made, the corporation finds that their estimated tax is substantially increased or decreased as a result of a change in taxable income, the corporation may amend its estimate at the time of making any quarterly payment. To do this: 1) recalculate the estimated tax for the year; 2) subtract the estimated payments previously made for the year; 3) divide the difference remaining due after step 2 by the number of remaining quarterly estimated payments for the year; and 4) enter the recalculated estimated payment amount on the next payment voucher and mail the payment voucher and payment to the Income Tax Department.

**LATE PAYMENT OR UNDERPAYMENT OF ESTIMATED INCOME TAX**

If the corporation fails to make the required quarterly estimated tax payments, pays late or underpays, interest and penalty may be assessed. The interest rate is one percent above the prime rate. The interest rate is adjusted on January 1 and July 1 each year. The penalty rate is one percent per month to a maximum of 25 percent.

**INTEREST AND PENALTY**

If the total amount of estimated tax payments is seventy percent (70%), or more, of the tax due for the current or previous tax year, interest and penalty will not be assessed. Making estimated income tax payments does not excuse a corporation from filing an annual corporation income tax return.

**OTHER TAX PAYMENTS**

**Income Tax Paid by Partnership:** If the corporation is a member of a partnership which elects to file a return and pay the tax on behalf of its partners, the corporation may subtract from its estimate of Flint income tax, the amount of tax expected to be paid by the partnership for the corporation's distributive share of net profits.
