RESOLUTIONS

260082 Collective Bargaining Agreement [CBA]/City of Flint/Flint Police Officer's Association [FPOA]

Resolution resolving that the Flint City Council RATIFIES the Tentative [Collective Bargaining] Agreement between the City of Flint and FPOA. [NOTE: The City of Flint and the Flint Police Officers Association have reached a Tentative Agreement regarding a successor Collective Bargaining Agreement (CBA) to their previous CBA, which was effective through June 30, 2025.]

SEPARATED FROM THE MASTER RESOLUTION (CONSENT AGENDA)

260083 Reallocation of ARPA Funds/Water Rate Stabilization

Resolution resolving that the Proper City Officials are authorized to do all things necessary to transfer \$1,000,000 in funding from source Account No. 101-000.000-995.591 to cover the Great Lakes Water Authority's FY27 water rate increase. [NOTE: The Great Lakes Water Authority voted on February 25, 2026, to increase water rates to its 88 municipal customers, including the City of Flint for Fiscal Year 2027. In order to avoid passing GLWA's approved water rate increase to its residents, City Administration recommends reallocating \$1,000,000.00 in ARPA funds, originally intended for revenue replacement, to the Water Rate Stabilization Fund to defray the rate increase.

Edward Byrne Memorial Justice Assistance Grant (JAG) Program is the leading federal source of criminal justice funding to state and local jurisdictions. Administered by the Bureau of Justice Assistance (BJA), the JAG Program provides states, territories, tribes and local governments with critical funding necessary to reduce and prevent crime, lower recidivism, and promote a fair and safe criminal justice system. Flint Township and the City of Flint have been working together for decades. The City Council adopted resolution 250221-T on August 11, 2025 entering into the Justice Assistance Grant (JAG) agreement by and between the City of Flint and Flint Township and the Department of Justice, accepted the JAG award of \$69,642.00, amended the FY25 budget, appropriated award funding for revenue and expenditures in future fiscal years as long as the funds are available from the funder. The initial award was \$129,964.00. An additional \$29,225.00 was awarded making the final award \$159,189 from the 2024 BJA FY24 Edward Byrne Memorial Justice Assistance Grant (JAG) Program – Local Solicitation. The \$29,225.00 was split between the five agencies. Each agency was awarded an

December 5, 2024

Dear Michael Nemecheck,

On behalf of Attorney General Merrick B. Garland, it is my pleasure to inform you the Office of Justice Programs (OJP) has approved the application submitted by CHARTER TOWNSHIP OF FLINT for an award under the funding opportunity entitled 2024 BJA FY 24 Edward Byrne Memorial Justice Assistance Grant (JAG) Program - Local Solicitation. The approved award amount is \$159,189.

Review the Award Instrument below carefully and familiarize yourself with all conditions and requirements before accepting your award. The Award Instrument includes the Award Offer (Award Information, Project Information, Financial Information, and Award Conditions) and Award Acceptance. For COPS Office and OVW funding the Award Offer also includes any Other Award Documents.

Please note that award requirements include not only the conditions and limitations set forth in the Award Offer, but also compliance with assurances and certifications that relate to conduct during the period of performance for the award. These requirements encompass financial, administrative, and programmatic matters, as well as other important matters (e.g., specific restrictions on use of funds). Therefore, all key staff should receive the award conditions, the assurances and certifications, and the application as approved by OJP, so that they understand the award requirements. Information on all pertinent award requirements also must be provided to any subrecipient of the award.

Should you accept the award and then fail to comply with an award requirement, DOJ will pursue appropriate remedies for non-compliance, which may include termination of the award and/or a requirement to repay award funds.

Prior to accepting the award, your Entity Administrator must assign a Financial Manager, Grant Award Administrator, and Authorized Representative(s) in the Justice Grants System (JustGrants). The Entity Administrator will need to ensure the assigned Authorized Representative(s) is current and has the legal authority to accept awards and bind the entity to the award terms and conditions. To accept the award, the Authorized Representative(s) must accept all parts of the Award Offer in the Justice Grants System (JustGrants), including by executing the required declaration and certification, within 45 days from the award date.

To access your funds, you will need to enroll in the Automated Standard Application for Payments (ASAP) system, if you haven't already completed the enrollment process in ASAP. The Entity Administrator should have already received an email from ASAP to initiate this process.

Congratulations, and we look forward to working with you.

- Did we do an assessment of first consideration to internal City of Flint staff and resources (explain)?
- Why was this vendor chosen?
- What history does this vendor have with the City of Flint?
- What steps will be taken to do a post-performance of the vendor?

WPC is currently repurposing two old out of service Decant tanks to be used for digested sludge storage. This will allow for greater storage and redundancy as currently there is only a single tank. This has become critical as the current tank has failures on both of its mixers and repairs cannot be made until the tank is drained and cleaned. The mixers are prop style are mounted on the side with the shaft going through the side wall attaching to a prop. The shafts have worn allowing sludge to leak onto the ground when running. Failure to repair will lead to SSOs and sludge settling to the bottom until the tank becomes unusable.

Delta Concrete and Industrial Contracting Inc. was the lowest most response bidder. Therefore, I recommend that Delta Concrete and Industrial Contracting Inc. be awarded the FY 2026 purchase order for Decant Tank Improvements.

City of Flint	(All documentation current, no violations)	☒ YES	☐ NO

The requesting authority is validating that this vendor has been in full compliance with all past contract provisions and has not violated the terms of any contract with the City of Flint.

NOTE: Preparer MUST include a response to the conditions below:

- Did we do an assessment of first consideration to internal City of Flint staff and resources (explain)?
- Why was this vendor chosen?
- What history does this vendor have with the City of Flint?
- What steps will be taken to do a post-performance of the vendor?

Last fiscal year WPC experienced two failures that caused its medium voltage switchgear breakers to trip. Testing confirmed that the switchgear breakers were operating properly but that one of the primary voltage wires had failed somewhere along its quarter mile run between the digester building and NWPS. These failures were corrected with new wiring but only in small sections. The rest of the cabling must be replaced before another failure occurs as the cable is over 50 years old and past its useful life expectancy. Failure to replace these cables in a timely manner will lead to losing power critical plant processes including digestion, dewatering and the North West Pumping Station.

Metcalf electric, Inc. was the lowest most response bidder. Therefore, I recommend that Metcalf Electric Inc. be awarded the Contract for WPC Medium Voltage Distribution Upgrades.

**** STAFF REVIEW FORM ****

Effective: November 14, 2025

(Do Not Alter or modify this form without written permission from the City Administrator)

******* BELOW DESCRIBE THE VENDOR REVIEW PROCESS (VENDOR EVALUATION METHOD)**

This contractor has done business with the City on one of the SRF contracts as a sub-contractor and their work was acceptable. This job has the potential for several process disruptions for the plant. WPC personnel will work closely with the contractor to ensure the schedule is adhered to and that the process interruptions are kept to a minimum. WPC personnel will also work with the contractor as they will switch the switchgear on and off to isolate the wiring to be worked on and to ensure the work is up to code.

❖ EXHIBIT E – CERTIFICATE OF INSURANCE

INSURANCE REQUIREMENTS

The Contractor shall notify all insurance agents and companies retained by the Contractor that these insurance requirements shall be included in any Agreement between the Contractor and the City of Flint.

The Contractor shall purchase and maintain, at its sole expense and as long as it is providing services to the City, the following insurance coverage:

Commercial General Liability - Occurrence form, including coverage for bodily injury, personal injury, property damage (broad form), premises/operations, blanket contractual, and products/completed operations. Coverage shall be endorsed to include the City as an additional insured for work performed by the Contractor in accordance with the Agreement.

Minimum Limits:

- \$1,000,000 per occurrence/\$2,000,000 general aggregate
- \$2,000,000 aggregate for products and completed operations
- \$1,000,000 personal and advertising injury

Automobile - Michigan "no-fault" coverage, and residual automobile liability, comprehensive form, covering owned, hired, and non-owned automobiles. Coverage shall be endorsed to include the City as an additional insured for work performed by the Contractor in accordance with the Agreement.

Minimum Limits:

- No-fault coverages - statutory
- \$500,000 per person/\$1,000,000 per accident - bodily injury
- \$500,000 per occurrence - property damage
- A combined single limit of \$1,000,000 per occurrence

Workers' Compensation and Employer's Liability- Statutory coverage or proof acceptable to the City of approval as a self-insurer by the State of Michigan.

❖ EXHIBIT E – CERTIFICATE OF INSURANCE (CONTINUES)

Minimum Limits:

- Workers' Compensation - statutory
- Employer's Liability - \$100,000 each accident/\$100,000 disease - each employee
- \$500,000 disease - policy limit

Professional Liability – Covering acts, errors or omissions of a professional nature committed or alleged to have been committed by the Contractor or any of its subcontractors. Coverage shall be effective upon the date of the Agreement and shall remain effective for a period of three (3) years after the date of final payment thereunder. Such coverage shall be endorsed to include any subcontractors hired by the City.

Minimum Limits:

- \$1,000,000 per occurrence, \$1,000,000 annual aggregate

Insurance coverage shall cover all claims against the City of Flint, its officials and employees, arising out of the work performed by the Contractor or any subcontractors under the Agreement. Should any work be subcontracted, it shall be the responsibility of the Contractor to maintain Independent Contractor's Protective Liability Insurance with limits equal to those specified above for Commercial General Liability Insurance. In addition, the Contractor shall provide proof of Workers' Compensation Insurance for all subcontractors in compliance with the required statutory limits of the State of Michigan.

Said policies of insurance shall be with companies licensed to do business in the State of Michigan and in a form satisfactory to the City. All insurance companies must maintain a rating of B+, VIII or better from AM. Best Company. Certificates of insurance with a thirty-(30) day cancellation clause shall be filed with and approved by the City at least five (5) days in advance of commencing work under the Agreement. Cancellation, material restriction, non-renewal or lapse of any of the required policies shall be grounds for immediate termination of the Agreement by the City.

The City reserves the right to request a complete certified copy of the policies for the above coverage's.

Any reduction or exhaustion in the limits of required insurance coverage shall not be deemed to limit the indemnification afforded in accordance with the Agreement or any amendments thereto.

Depending on the subject matter of the transaction, the City may require other insurance coverage in addition to the coverage's contained herein.

THE BID NUMBER IS TO APPEAR ON ALL INSURANCE CERTIFICATES

For the payment of which sum well and truly to be made, the said Principal and the said Surety, bind ourselves, our
heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the Principal has submitted a bid for

**MEDIUM VOLTAGE DISTRIBUTION IMPROVEMENTS – WATER POLLUTION CONTROL
PROPOSAL NO. 26000524**

(Here insert full name, address and description of project)

NOW, THEREFORE, if the Oblige shall accept the bid of the Principal and the Principal shall enter into a Contract
with the Oblige in accordance with the terms of such bid and give such bond or bonds as may be specified in the
bidding or Contract Documents with good and sufficient surety for the faithful performance of such Contract and for
the prompt payment of labor and material furnished in the prosecution thereof, or in the event of the failure of the
Principal to enter such Contract and give such bond or bonds, if the Principal shall pay to the Oblige the difference
not to exceed the penalty hereof between the amount specified in said bid and such larger amount for which the
Oblige may in good faith contract with another party to perform the Work covered by said bid then this obligation
shall be null and void, otherwise to remain in full force and effect.

MERCHANTS
BONDING COMPANY..
POWER OF ATTORNEY

Know All Persons By These Presents, that MERCHANTS BONDING COMPANY (MUTUAL) and MERCHANTS NATIONAL BONDING, INC., both being corporations of the State of Iowa, d/b/a Merchants National Indemnity Company (in California only) (herein collectively called the "Companies") do hereby make, constitute and appoint, individually,

Alexandra Johnson; Michelle Graham; Suzan Gleason; Suzanne M Mocerl

their true and lawful Attorney(s)-in-Fact, to sign its name as surety(ies) and to execute, seal and acknowledge any and all bonds, undertakings, contracts and other written instruments in the nature thereof, on behalf of the Companies in their business of guaranteeing the fidelity of persons, guaranteeing the performance of contracts and executing or guaranteeing bonds and undertakings required or permitted in any actions or proceedings allowed by law.

This Power-of-Attorney is granted and is signed and sealed by facsimile under and by authority of the following By-Laws adopted by the Board of Directors of Merchants Bonding Company (Mutual) on April 23, 2011 and amended August 14, 2016 and April 27, 2024 and adopted by the Board of Directors of Merchants National Bonding, Inc., on October 16, 2015 and amended on April 27, 2024.

"The President, Secretary, Treasurer, or any Assistant Treasurer or any Assistant Secretary or any Vice President shall have power and authority to appoint Attorneys-in-Fact, and to authorize them to execute on behalf of the Company, and attach the seal of the Company thereto, bonds and undertakings, recognizances, contracts of Indemnity and other writings obligatory in the nature thereof."

"The signature of any authorized officer and the seal of the Company may be affixed by facsimile or electronic transmission to any Power of Attorney or Certification thereof authorizing the execution and delivery of any bond, undertaking, recognizance, or other suretyship obligations of the Company, and such signature and seal when so used shall have the same force and effect as though manually fixed."

In connection with obligations in favor of the Florida Department of Transportation only, it is agreed that the power and authority hereby given to the Attorney-in-Fact includes any and all consents for the release of retained percentages and/or final estimates on engineering and construction contracts required by the State of Florida Department of Transportation. It is fully understood that consenting to the State of Florida Department of Transportation making payment of the final estimate to the Contractor and/or its assignee, shall not relieve this surety company of any of its obligations under its bond.

In connection with obligations in favor of the Kentucky Department of Highways only, it is agreed that the power and authority hereby given to the Attorney-in-Fact cannot be modified or revoked unless prior written personal notice of such intent has been given to the Commissioner-Department of Highways of the Commonwealth of Kentucky at least thirty (30) days prior to the modification or revocation.

In Witness Whereof, the Companies have caused this instrument to be signed and sealed this 29th day of July, 2024.

4.0 SCOPE OF WORK

4.1 The following segments of the medium-voltage electrical distribution shall be replaced:

- 4.1.1 Manhole #5 to Northwest Pumping Station. 1/0 Cu.**
- 4.1.2 Circuit S2R-9 in Manhole #5 to Manhole #6. 500kcil Cu.**
- 4.1.3 Circuit S2L-2 in Manhole #5 to Manhole #6. 500kcml Cu.**
- 4.1.4 Circuit S2L-2 to Manhole #6 to Transformer #5. 500kcml Cu.**
- 4.1.5 Circuit S2R-9 in Manhole #6 to Transformer #6. 500kcml Cu.**
- 4.1.6 Circuit S2R-9 in Manhole #4 to Manhole #5. 500kcml Cu.**
- 4.1.7 Circuit S2L-2 in Manhole #4 to Manhole #5. 500kcml Cu.**
- 4.1.8 Circuit S2L-2 in Manhole #7 to Pre-Aeration Building. #2 Cu.**
- 4.1.9 Circuit S2L-2 in Manhole #3 to Manhole #4. 500kcml Cu.**
- 4.1.10 Circuit S2R-9 in Manhole #3 to Manhole #4. 500kcml Cu.**
- 4.1.11 Circuit S2R-9 Manhole #3 to Transformer #1. #2 Cu.**
- 4.1.12 Circuit S2R-9 in Manhole #3 to Transformer #2. #2 Cu.**
- 4.1.13 Circuit S2R-9 Switchgear S2 to Manhole #3. 500kcml Al**
- 4.1.14 Circuit S2L-2 Switchgear S2 to Manhole #3. 500kcml Al**
- 4.1.15 The S2L-2 feed between Manholes #3 and #4 and one of the Northwest Pump Station feeds from Manhole #5 have already been replaced.**

4.2 The following segment is a new addition to the distribution:

- 4.2.1 Circuit S2R-9 in Manhole #3 to new Digester Transformer conduits.**
 - 4.2.1.1 This is for a future provision of adding a second feed to the Digester Complex. Conductor size is expected to be #2 Cu. All trenching and duct bank work shall be included. The duct bank shall be dyed red and a traceable warning tape shall be placed 12" above the duct bank. The new transformer shall be placed to the East of the existing transformer. A pad shall be**

poured at the location of the conduits stub-up to prevent damage to the conduits.

4.2.1.2 Provisions shall be made in Manhole 3 for the addition and termination of cabling to provide power to a future Transformer at the Digester Complex.

- 4.3 Any and all safety precautions shall be included as required for confined space entry.
- 4.4 Any and all temporary generators shall be included for backup power during shutdowns.
- 4.5 Testing to NETA and NFPA standards shall be performed prior to reenergization to determine full functionality of each segment. Testing, such as hi-pot testing, that may damage the insulation shall not be performed.
- 4.6 All work shall comply with NFPA 70 (NEC), NECA and all other pertinent Federal, State, local, NFPA and industry standards.

5.0 WARRANTY.

- 5.1 The electrical contractor shall warranty all work and material for a period of at least two years from the date of final payment.

- Determine whether all aluminum components or all copper components are required:
BOL-T Kit with 600 A Rating - Insert "A" in digit 10 (digit 9 for 35 kV) for Aluminum.
BT-TAP Kit with 600 A Rating - Insert "A" in digit 11 (digit 10 for 35 kV) for Aluminum.
BOL-T Kit with 900 A Rating - Insert "C" in digit 10 (digit 9 for 35 kV) for Copper (includes copper top compression connector).
BT-TAP Kit with 900 A Rating - Insert "C" in digit 11 (digit 10 for 35 kV) for Copper (includes copper top compression connector).
- To specify an ALL copper connector, add 50 to the conductor code from Table CC4 (page 24). Example: CC6C11T becomes CC6C61T.
- To specify a stud:
BOL-T Kit - insert a "1" in digit 11 to include stud, or a "2" in digit 11 for kit without stud.
BT-TAP Kit - insert "S" in digit 12 to include standard length stud or "L" in digit 12 to include extended length stud.
- To specify T-Body with test point (optional):
BOL-T Kit - insert a "T" in digit 12.
BT-TAP Kit (15 & 25 kV) - insert a "T" in digit 13.
BT-TAP Kit (35 kV) - insert a "T" in digit 11.
- For T-OP II and PUSH-OP kits only, to specify a T-body with test point, add "T" after the conductor code.
- To specify a BOL-T, BT-TAP or T-OP II kit with a loadbreak protective cap, insert a "C" after the test point/non-test point option. Bushing Adapters - insert a "C" as the last character of the part number. Note: 25 kV kits include a POST-BREAK protective Cap.
- To specify stud in kit, add "SA" for aluminum stud (only available with aluminum interface); add "SC" for copper stud; add "ST" for T-OP II stud; or add "SU" for U-OP stud as the last characters in the part number.
- To specify a grounded standoff bushing, replace the "I" with a "G" as the first character in the part number.
- For individually packaged product in a corrugated cardboard box, insert an "X" as the last character in the part number.
- It is required to specify the number of interfaces by inserting a "2", "3" or "4" directly after the base part number.
- To add a stainless steel bracket, insert a "B"; or to add U-straps, insert a "U" as the last character in the part number.
- For use with tape shield, drain wire, linear corrugated, and Unshielded cable.
- To add a CS Series Sealing kit or a SA Series Adapter kit to the 600 A connector kit, add a "SA" or "CS" at end of catalog number. Refer to Table CJ3 or CJ4 on page 24.
- Each SA Series Kit includes:
(1) Cold Shrinkable Sleeve (1) Tinned Copper Ground Strap with attached elbow drain wire (1) Constant Force Spring (1) Semi-Conductive Tape (3) Mastec Sealing Strips (1) Installation Instructions
Each CS Series Sealing Kit includes:
(1) Cold shrinkable sleeve, (3) Mastec sealing strips, and (1) Installation Instructions

From: Tyler Bailey, Deputy Director, Business Services

Subject: Rezoning of Thirteen Parcels

The LatinX Technology and Community Center of Flint (LatinX Center) petitioned to rezone thirteen (13) parcels of land from either Green Neighborhood-1 (GN-1) or Green Innovation (GI) to Neighborhood Center (NC). Ten parcels are currently owned by the LatinX Center and three are owned by the City of Flint. The LatinX Center is currently in the process of purchasing the remaining three parcels.

This rezoning would allow for the continued development of the LatinX Center's expansion along the Lewis Street corridor. This development will transition the LatinX Center into the Latinx District. The District currently seeks to include a walkable, safe community that serves the Flint community in childcare, community outreach, education, after school activities, housing, civil services, and more.

The current zonings of GN-1 or GI are not zoning districts that allow for this type of development; the "Green" districts are deeply prohibitive for economic development. This rezoning would allow for under-utilized parcels to be developed for the benefit of the community. The legal description for these parcels are as follows:

- Hamilton Ave Parcel Number: 41-05-355-003 Owner: Hispanic Tech and Comm Center
 - MURRAY HILL NO. 2 LOT 49 EXC S 25 FT
- 1410 E. Hamilton Ave- Parcel Number: 41-05-355-005 Owner: Hispanic Tech and Comm Center

RE: Latinx District Rezoning

Dear Brian Acheff,

LATINX TECHNOLOGY & COMMUNITY CENTER was Established in 2001 by Dr.Hector Garcia, Sixto Olivo, Domingo Berlanga, & Mott Community College. They are a NON-PROFIT 501(c)(3) with a mission "to enhance the dignity and quality of life for the Flint & Genesee County Latinx community and other cultures."

Latinx is seeking to rezone multiple lots surrounding the community center, which we will be referring to as the Latinx District in any upcoming correspondence. Latinx plans to merge some parcels in this neighborhood together for currently planned projects, as well as future community serving projects. The overarching goal in this historic Eastside community is achieving a walkable, safe community that serves its residents in child care, community outreach, education, after-school activities, community space, business development, housing, and civil services stated as the main purpose in the Neighborhood Center (NC) designation.

Latinx owns all lots here under the names HISPANIC TECH & COMM CENTER, and AMERICAN GI FORUM OF FLINT, except the two parcels noted as Owner: City of Flint which Latinx is actively making offers to purchase these properties from the City of Flint.

The parcels we are applying for rezoning are as follows:

Currently Zoned GN-1

E. Hamilton Ave - Parcel Number: 41-05-355-003 Owner: Hispanic Tech and Comm Center
1410 E. Hamilton Ave - Parcel Number: 41-05-355-005 Owner: Hispanic Tech and Comm Center
1414 E. Hamilton Ave - Parcel Number: 41-05-355-006 Owner: Hispanic Tech and Comm Center
1418 E. Hamilton Ave - Parcel Number: 41-05-355-007 Owner: Hispanic Tech and Comm Center

Currently Zoned GI-1

E. Hamilton Ave - Parcel Number: 41-06-481-019 Owner: City of Flint
E. Hamilton Ave - Parcel Number: 41-06-481-001 Owner: City of Flint
1361 Broadway Blvd - Parcel Number: 41-06-481-025 Owner: Hispanic Tech and Comm Center
1357 Broadway Blvd - Parcel Number: 41-06-481-022 Owner: Hispanic Tech and Comm Center
1353 Broadway Blvd - Parcel Number: 41-06-481-021 Owner: Hispanic Tech and Comm Center
1349 Broadway Blvd - Parcel Number: 41-06-481-020 Owner: Hispanic Tech and Comm Center
Broadway Blvd - Parcel Number: 41-06-481-027 Owner: Hispanic Tech and Comm Center
1350 Bennett Ave - Parcel Number: 41-06-479-041 Owner: American GI Forum of Flint
1354 Bennett Ave - Parcel Number: 41-06-479-017 Owner: Hispanic Tech and Comm Center

These lots are currently zoned Green Innovation (GI-1) and Green Neighborhood (GN-1), we are asking for them to be rezoned to Neighborhood Center (NC).

Sincerely,

Jeffrey S. Ferweda, AIA, NCARB

RZ 24-02 Application Responses

1. Please describe how the rezoning is consistent with the Master Plan.

Rezoning these lots will in turn create the possibility for Latinx to contribute to their neighborhood in ways that align with the Master Plan such as:

Objective 1: To increase resident safety, quality of life, and efficiency.

Objective 3: To modernize City and community facilities.

Infrastructure and Community Facilities, Chapter 8: Ensuring Flint will enjoy a system of reliable and efficient infrastructure tailored to meet local needs while providing a network of comprehensive community facilities and services. Eliminating blight, reusing existing buildings to foster the needs of the community. The historic East Side neighborhood catered to its residences' needs, that is what Latinx plans to lead the community again, the area should be zoned Neighborhood Center rather than Green Innovation and Green Neighborhood.

2. Please describe any unique circumstances where there has been a substantial change in conditions or policies that necessitate the rezoning.

The adoption of the Master Plan and the rezoning by the COF of adjacent parcels from GN-1 to NC has already taken place in this neighborhood. Latinx is looking to continue to convert blocks along Lewis St into Neighborhood Center for future development potential that serves this area as the Master Plan defines the NC Neighborhood Center: A district that is intended to accommodate a variety of local-serving commercial uses that provide daily goods and services to surrounding neighborhoods.

3. Please describe any case-specific mistakes found within the Master Plan that require the rezoning.

The zoning of GI-1 and GN-1 is not conducive to reinvigorating the historic nature of this neighborhood and provide enough space to serve the needs of this neighborhoods people. Continued rezoning along Lewis St. to NC will allow future development to better serve the existing community.

4. Please describe any voluntary conditions related to the requested rezoning.

Staff Report

Board / Commission:	City of Flint Planning Commission
Meeting Date:	Tuesday, November 12, 2024
Location:	1101 S. Saginaw St, Flint, MI 48502
File Number:	RZ 24-02
Petition Type(s):	Zoning Map Amendment (Rezoning)
Applicant:	Jeffery Ferweda, AIA, NCARB / Latinx Technology and Community Center (LTCC)
Address(s):	See Exhibits B & C
Parcel ID(s) (PID)	See Exhibits B & C
Ward:	3
Land Area:	1.41 acres (61,419.60 square feet)
Previous Zoning:	C-1, Multi-Family – Walk-Up Apartment District D-3, Community Business District B, Two-Family District
Existing Zoning:	GI-1, Green Innovation – Medium Intensity GN-1, Green Neighborhood – Low Density
Proposed Zoning:	NC, Neighborhood Center

Request:

The applicant Jeffery Ferweda, AIA, NCARB, on behalf of the Latinx Center (LTCC) is petitioning the City of Flint Planning Commission (Commission) for approval to rezone several parcels along Bennet Ave, E. Hamilton Ave, and Broadway Blvd from GI-1, Green Innovation – Medium Intensity and GN-1, Green Neighborhood – Low Density to NC, Neighborhood Center, which comprise the site of the future Latinx District (see **Exhibits A, B, C, E**).

Petition Background:

The intent of the subject rezoning petition, RZ 24-02, is to align the zoning of the parcels associated with the rezoning petition to a district that better support the vision and goals of the Latinx Technology and Community Center regarding the development and redevelopment of the proximal located along the Lewis St corridor near the intersection of Lewis St and Broadway Blvd. The aforementioned proximal area is referred to as the "Latinx District" which seeks to reinvest in the surrounding neighborhood/community by providing walkable, safe places that enable the establishment of the following:

- Child Care Services
- Community Outreach Services
- Educational Services
- After School Activities
- Rentable Spaces
- Business Development Opportunities
- Housing
- Civil Services

CITY OF FLINT
DEPARTMENT OF PLANNING AND DEVELOPMENT
Planning & Zoning Division

Property Background:

Historical Context:

The parcels associated with the subject rezoning petition, RZ 24-02, were historically comprised of, mixed-use, commercial, residential, and possibly civic/institutional uses, based on historic aerial imagery from 1954; the subject parcels are divided among the platted subdivisions of Riverside (1907), Murray Hill (1907), and Murray Hill No. 2 (1907); Riverside was originally platted as part of the Township of Burton, while Murray Hill and Murray Hill No. 2 were originally platted as part of the Town of Burton, before being annexed into the corporate limits of the City of Flint (see **Exhibit D**).

Overtime, as the footprint of General Motors declined in the City of Flint, the neighborhood center that once comprised the subject area (Lewis St and Broadway Blvd) began to diminish in its form and function as a neighborhood center, seeing many properties and their structures become blighted, with many of the structures eventually demolished; such morphological/structural changes to the subject area can be seen in historical aerial imagery.

Latinx Technology and Community Center:

In 2001 the Latinx Technology and Community Center (LTCC) was established, then known as the Hispanic Technology and Community Center, and *"was established to address the gap in access to internet technology and public information caused by language barriers and the lack of social equity for the neighborhood and Latinx population. Since its opening over 20 years ago, it has become a deeply trusted resource center and a home away from home for many Latinx people in Flint."*¹

Land Use:

Before the adoption of the current City of Flint Zoning Ordinance (Ordinance), the parcels subject to this rezoning petition were zoned either C-1, Multi-Family – Walk-Up Apartment District, D-3, Community Business District, or B, Two-Family District under the previous 1968 Ordinance, though upon adoption of the current Ordinance on October 29, 2022, the subject parcels were rezoned to GI-1, Green Innovation – Medium Density and GN-1, Green Neighborhood – Low Density

Zoning Map Amendment Standards for Review:

When taking action on a Zoning Map Amendment (rezoning) petition, the Commission shall base its decision by paying regard to the provision outlined **Article 17, §50-191(l) – Approval Criteria**, which states that *"No proposed amendment, supplement, change, modification or repeal shall be approved that is inconsistent with the Master Plan, except in unique circumstances where there has been a substantial change in conditions or policies, or a case-specific mistake is found within the Master Plan."*; further the Commission shall pay regard to an applicant's responses the questions outlined in the application for rezoning; see the following responses regarding the questions outlined in the rezoning application:

Applicant responses are in **BLUE**.
Staff findings are in **BLACK**.

1. Please describe how the rezoning is consistent with the Master Plan.

"Rezoning these lots will in turn create the possibility for Latinx to contribute to their neighborhood in ways that align with the masterplan such as: Objective 1; to increase resident safety, quality of life, and efficiency, Objective 3; to Modernize City and community facilities. Infrastructure & Community Facilities, (Master Plan, Chapter 8): Ensuring Flint will enjoy a system of reliable and efficient infrastructure tailored to meet local needs while providing a network of comprehensive community facilities and services. Eliminating blight, reusing existing buildings to foster the needs of the community. The historic East Side neighborhood catered to its residences needs, that is what Latinx plans to lead the community to again, the area should be zoned Neighborhood Center rather than Green Innovation."

Chapter 4: Land Use Plan describes the following overall goal and objectives:

Goal - The City of Flint will be a community made up of distinct and desirable "places" by integrating a wide range of land uses into a city pattern that is vibrant, sustainable, livable, and healthy.

Objective 1 – Create unique and desirable places throughout all areas of the community by combining different land uses of varying types and intensity.

Objective 2 – Establish a more sustainable land use pattern by clustering development and land use intensity near key intersections, key corridors, and central areas of the City.

Objective 3 – Strive for land use compatibility in all areas by locating similar and supportive uses by "place type" and minimizing the potential negative impact of any incompatible adjacent uses.

Objective 4 – Provide a mix of uses that supports a sustainable and healthy community for all areas of the City.

Objective 5 – Support land use arrangements that provide a more walkable community and improve access to necessary and desirable goods, services, and amenities for all residents.

Objective 6 - Transform vacant land into opportunities for economic development and enhanced open space by encouraging green innovation and sustainable best practices.

While the Comprehensive Plan attempts to distinguish zoning classifications by place-types, the actual effect is still very much tied to traditional zoning and focusing on specific uses. The GI-1 district focuses heavily on agricultural and energy production uses and excludes nearly all office, commercial, and residential uses. The subject parcels identified as GI-1 are not suitable for agricultural uses. Given their proximity to multiple intersections along a collector road, office, commercial, and residential uses are better suited for this area.

Sheldon Neeley,
Mayor

CITY OF FLINT
DEPARTMENT OF PLANNING AND DEVELOPMENT
Planning & Zoning Division

These parcels are also not well suited for energy production as they are small and could only support renewable energy as an accessory use and not the main use.

The parcels zoned GN-1 can reasonably be rezoned to NC without conflicting with the objectives above. The requested parcels do not run as deep into the block eastward as the properties fronting Broadway Blvd. and there are many vacant parcels in this area. Any future developments will also have to follow the transition yard requirements and all other screening requirements found in the Zoning Ordinance. In this case, a Type 1 transition yard is required at a minimum, with further standards depending on future uses and site layout.

Overall, the request could help to meet Objectives 1-6 by allowing development that takes a more comprehensive approach for the area rather than focusing on any single parcel.

Additionally, the Plan states "Neighborhood Centers serve as anchors of commercial and social activity for the neighborhoods that surround them. Typically found at intersections of two or more major roadways, neighborhood centers can have several local retailers at their center, providing daily goods and services to surrounding neighborhoods. Neighborhood centers may also contain prominent community institutions such as larger schools, community centers, and civic and cultural facilities. Neighborhood centers provide opportunities for smaller, mixed use buildings that include retail and service uses on the ground floor with residential or office uses on the upper floors." This is congruent with the remaining non-residential buildings on Lewis St. and the intent of Latinx to expand their services in this neighborhood.

2. Please describe any unique circumstances where there has been a substantial changing conditions or policies that necessitate the rezoning.

"Adoption of the masterplan and then rezoning that has already happened in this neighborhood a few times, Latinx is looking to continue to convert blocks along Lewis St into Neighborhood Center for future development potential."

The City of Flint Planning Commission, and subsequently the Flint City Council, voted to approve a city-wide rezoning package to address parcels along commercial corridors that were downzoned to residential zoning classifications. While many parcels were addressed, the scope was limited primarily to those parcels directly along corridors to address the end of year timeline. In this case, there are two blocks to the west of Lewis St. that have a mix of NC and GI-1 parcels. With multiple zoning classifications these parcels are not able to be combined and developed in the same way. This request would allow more cohesion within these blocks as they are developed moving forward. The parcels on the east side of Lewis St. are also proposed to be rezoned to NC, allowing them to be combined with the parcels fronting Lewis St.

Sheldon Neeley,
Mayor

CITY OF FLINT
DEPARTMENT OF PLANNING AND DEVELOPMENT
Planning & Zoning Division

3. Please describe any case-specific mistakes found within the Master Plan that require the rezoning.

"The zoning of GI-1 is not conducive to reinvigorating the historic nature of this neighborhood. Rezoning along Lewis St. to NC will allow the owners to better serve the existing community to fulfill the NC designation."

As noted above, many areas of the city that have historically been commercial corridors were downzoned to residential and agriculturally focused uses. While some of these were corrected, this request shows that some areas may need more review and change to create land use patterns that are suited to their neighborhood and have a cohesive relationship between parcels on the same block and with adjacent parcels.

4. Please describe any voluntary conditions related to the requested rezoning.

Staff Recommendation

After reviewing the request to rezone the specified GI-1 and GN-1 parcels to NC Neighborhood Center, the request appears to be consistent with the neighborhood character along Lewis St. The NC district allows for smaller scale office, commercial, and multi-family uses while excluding or relegating more intense uses to Special Land Use review. Future development will serve the neighborhood and the East Side in keeping with the goals of the NC district and the Imagine Flint Plan where the GI-1 zoned parcels currently do not allow for these services to be conducted.

Michigan Compiled Law – Conditional Rezoning

Per the Michigan Zoning Enabling Act, PA 110 of 2006 - MCL 125.3405:

The Planning Commission may **NOT** impose any conditions on a landowner as a requirement for rezoning. Some of these parcels are currently owned by the City of Flint, but no conditions are recommended by staff. The Zoning Ordinance already has specific provisions for ensuring proper buffering is installed where there may be incompatible land uses with adjacency.

- (1) An owner of land may voluntarily offer in writing, and the local unit of government may approve, certain use and development of the land as a condition to a rezoning of the land or an amendment to a zoning map.*
- (5) A local unit of government shall not require a landowner to offer conditions as a requirement for rezoning. The lack of an offer under subsection (1) shall not otherwise affect a landowner's rights under this act, the ordinances of the local unit of government, or any other laws of this state.*

RZ 24-02 Sample Motion

Approval:

I motion to recommend approval of the application RZ 24-02, regarding the requested rezoning of the subject properties listed in **Exhibit B** from GI-1 Green Innovation Medium Intensity and GN-1 Green Neighborhood Low Density to NC Neighborhood Center because...

Some items to consider as reasoning in a motion for denial, such reasons must be supported by materials and discussion that are a part of the public hearing. **These are not representative of staff opinions**, merely examples for constructing a motion, though detailed motions with specific examples are best practice; rational to consider when motioning to approve a rezoning petition are as follows:

- *Compatibility with the Imagine Flint Plan*
- *Compatibility with the character of the neighborhood*
- *Compatibility of nearby land uses with those allowed in NC zones*
- *Exceptional conditions*
- *Etc.*

Denial:

I motion to recommend denial of the application RZ 24-02, regarding the requested rezoning of the subject properties listed in **Exhibit B** from GI-1 Green Innovation Medium Intensity and GN-1 Green Neighborhood Low Density to NC Neighborhood Center because...
