Subrecipient are not procured. Rather, funds awarded to Flint must be allocated through a citizen participation plan that includes requests for proposals, risk assessments, staff reviews, CWAC review, public hearings, a comment period and required publication and consultations. This process selects subrecipients who are tasked with carrying out all grant requirements on behalf of the City of Flint. To be compliant with regulatory requirements, changes in allocations must be directly proportionate to awarded funds as the City indicated in its publications in MLIVE and through the City website.

AAP resolution 250147-T did not authorize the Department of Business and Community Services to enter into agreements based on actual grant awards or to establish or reduce awarded funds based on fully executed grant agreements.

AAP resolution 250147-T was submitted prior to Congressional appropriations. The resolution authorized a total of \$3,501,819.70 in CDBG but the actual grant award was \$3,588,954.00 – an increase of approximately 2%. The AAP resolution awarded \$629,222.08 in HOME funds but the actual grant award was \$653,710.41 – an increase of approximately 4%. The resolution also authorized \$335,614.00 in HESG funds but the actual grant award was \$323,965.00 – a reduction of approximately 3%. In its Citizen Participation advertisement, Flint stated it would increase or decrease allocations directly proportionate to awarded funds. This resolution does not change any public benefit previously reported, it adjusts all CDBG line items up by 2%, all HOME line items up by 4% and reduces HESG line items by 3%.

From the staff review accompanying AAP Resolution 250147-T:

Adopting this resolution will provide critical funding for programs that directly improve the quality of life for Flint residents across our neighborhoods including facility improvements to community centers and public spaces; to Blight by addressing code violations and maintaining neighborhood standards to improve safety, increase property values and restore community pride; to Housing by repairing existing homes to address health and safety concerns and preserve or increase affordable housing for current residents; to address Homelessness by supporting vulnerable families with emergency assistance and supportive services to maintain stable housing and prevent displacement; to implement Down Payment Assistance and create pathways to homeownership for first-time buyers. This comprehensive approach addresses our community's most pressing needs while creating jobs, attracting investment, and building a foundation for sustainable growth. By investing in both physical infrastructure and human services, we're not just improving buildings, we're strengthening the fabric of our neighborhoods and creating opportunities for all Flint residents to thrive.

This resolution does not change selected subrecipients. Rather, this resolution authorizes the Department of Business and Community Services to adjust awarded CDBG, HOME and ESG dollars in an amount directly proportionate to changes in the adopted resolution versus the actual grant awards. Per the Citizen Participation Plan that includes the MLive Advertisement, Flint must increase or decrease each line item proportionately. The total increase in CDBG is 2% (\$87,134.30), in HOME is 4% (\$24,488.33) and the reduction in ESG is 3% (\$11,649.00).

BUDGETED EXPENDITURE? YES ☐ NO ☒ **IF NO, PLEASE EXPLAIN:** Resolution 250147-T only authorized acceptance of estimated CDBG, HOME and ESG awards and authorized entry into contracts according to those estimated amounts. To establish the additional funds in CDBG and HOME and account for the reduction in ESG, a budget amendment is required. This resolution will also authorize changes to awarded amounts in an amount proportionate to actual grant awards through HUD CPD.

WHEREAS the objective of the Senior Millage is to fund services that improve the health, safety, and quality of life for Genesee County residents aged 60 years or older; and

WHEREAS Genesee County hereinafter referred to as the "COUNTY" is responsible for administering and expending the Senior Millage as adopted and amended by the Genesee County Board of Commissioners, and for assuring compliance with Program requirements; and

WHEREAS the OPERATING ENTITY operates a CENTER that has been designated as a preferred focal point for comprehensive and coordinated service to seniors in their own neighborhood; and

WHEREAS the OPERATING ENTITY has adequately represented in its application to the COUNTY that it intends to undertake or continue programs that will provide comprehensive and coordinated services to Genesee County seniors, and that it is eligible to receive Program funding; and

WHEREAS, because the objectives of the Program coincide with the objectives of the OPERATING ENTITY, the two parties have, therefore, entered this Contract.

NOW, THEREFORE, in consideration of the mutual covenants and premises set forth herein, the parties agree as follows:

1. The Contract term commences on January 1, 2026, and continues through September 30, 2026. The Contract is effective upon approval by the Genesee County Board of Commissioners.

The County has the option to extend this Contract for one (1) additional one-year term (the "Extension Term"). The Senior Services Director is authorized to execute the Extension Term on behalf of Genesee County.

2. The OPERATING ENTITY agrees to accept the terms of this Contract and those stated in its submitted application for Senior Millage funding and further agrees to perform the services described in this Contract, the Center's application, and in the attachments listed below, all of which are incorporated by reference to this Contract:

Attachment A:	2025-2026 Senior Millage – Senior Center Program Budget & Revenue Sheet
Attachment B:	2025-2026 Senior Millage – Senior Center Program Monthly Reimbursement Request Form
Attachment C:	ICHAT Form
Attachment D:	Genesee County Senior Services Purchasing Regulations and Genesee County Travel Regulations
Attachment E:	Levels of Monthly Service and Programming Definitions
Attachment F:	Event Sign-in Sheet and Monthly Address Report

This document governs if a conflict exists between this document and those incorporated by reference or the application.

3. The OPERATING ENTITY agrees that the terms and conditions set forth herein are a reasonable and appropriate means to assure that the use of Senior Millage funds complies with all 2025-2026 Senior Millage – Senior Center Program requirements, and further agrees to perform within the policies applicable to program requirements stated:
 - a. Senior Centers shall continue to provide the level of service to maintain the associated funding level. For centers failing to meet the benchmarks for two consecutive months following notification, the funding may be reduced to the dollar amount calculated for the level of service.

- b. Senior Centers may solicit and accept funds such as donations from many sources including foundations, the public or private sector, individuals, fundraiser events, and other activities, to enhance center programming and operations. Membership fees may also be classified as donations if the service included as part of the fee is offered by the senior center to seniors who choose to not purchase a membership. A center's request for donations shall not be directly tied to the provision of a millage-supported service nor shall a donation result in undue influence over a center for the donating party's private or personal interests. The OPERATING ENTITY shall, within 30 days of receipt of funds, disclose to Genesee County all funds received as alternate sources of income, including donations, membership fees, and revenue.
4. The COUNTY agrees to award the OPERATING ENTITY a total amount not to exceed \$54,744.00 for the full term of the Contract for support of services for seniors through the expenditures described in the approved budget submitted by the OPERATING ENTITY, Attachment A to this Contract, said amount to be disbursed and reimbursed as stated in paragraphs 5 of this Contract; subject, however, to limitations contained in this Contract as to the use of Senior Millage funds and possible termination of the Contract due to failure to comply with Program requirements. This Operating Entity is awarded \$54,744.00 and is funded at Level 1.
5. The OPERATING ENTITY shall submit to the COUNTY monthly Reimbursement Request Reports, using the format provided in Attachment B of this Contract. All 2025-2026 Program funds will be reimbursed by the COUNTY to the OPERATING ENTITY based on approval of monthly reimbursement requests as documented by invoices and other supporting documentation. Monthly supporting documentation includes the following but is not intended to be all-inclusive: time sheets, copies of payroll/invoices, bank statements, canceled checks, credit card statements, and profit and loss statements. Monthly reimbursement payments will begin in February 2026 for January reimbursements, or as soon thereafter as requests are submitted and approved.
 - a. The total amount of fees collected for any program, class, or event for which Senior Millage reimbursement is sought shall be noted on the reimbursement request and deducted from the submitted cost.
 - b. All operating and equipment expenditure reimbursement requests for credit and/or debit card purchases must be made using a card issued in the name of the senior center or the municipality under the governing body. Each reimbursement request must include a copy of the full credit or debit card invoice and a copy of the issued check.
 - c. OPERATING ENTITY shall not be reimbursed for any reimbursement request including a receipt or invoice in which a portion of the receipt or invoice has been redacted, obscured, or blacked out.

6. The OPERATING ENTITY shall track, maintain, and report senior event participation and address information. The monthly address report and event sign-in forms, as set forth in Attachment F, must be submitted no later than the 21st of each month.
7. Properly documented requests for reimbursement submitted to the COUNTY by the 21st of each month will be processed and, if approved, disbursed by the 15th of the next month. Requests submitted later than the 21st of each month and incomplete requests (e.g., inadequate supporting documentation) will be processed in the following reimbursement cycle. At its sole discretion, the COUNTY will deem expenditures as either eligible or ineligible for each reimbursement. The COUNTY may, at its discretion and upon reasonable notice, require the OPERATING ENTITY to complete reports additional to those attached to this Contract regarding the CENTER'S expenses and activities.
8. The following criteria apply for reimbursements:
 - a. The monthly reimbursement will not exceed 1/9 of the total funding award (approximately \$6,083) unless the Operating Entity has obtained prior approval from the Department of Senior Services. If the Center or Operating Entity is found to be in noncompliance, reimbursement requests may not receive approval until the concern(s) of non-compliance are corrected to the satisfaction of the County.
 - b. Senior Millage funds may be used to provide increases in salaries or compensation packages for any employee or contractor. Any employee wages will comply with any state and federal minimum wage law.
 - c. Senior Millage funds may not be used to buy gifts or gift cards for employees, interns, senior citizen participants, or board members. Senior Millage funds cannot be used for volunteer or intern stipends, or housing.
 - d. All requested reimbursement receipts for this Contract term must be received by the Department of Senior Services by October 31, 2026, including utility payments. Receipts received after this date will not be reimbursed. Submitted items must be invoices or receipts; purchase orders are not reimbursable.
 - e. Subject to subparagraph 8d above, reimbursement requests must be submitted within 90 days of the date of service of the activity for which reimbursement is sought, or within 45 days of the date of invoice or receipt, whichever occurs later. Exceptions apply to requests related to annual bills, memberships, or services extending beyond the current fiscal year. This includes but is not limited to payroll, utility bills, phone bills, software subscriptions, memberships, service contracts, trainings or conferences, and credit card purchases. The remaining portions of

the reimbursement requests may be submitted at the start of the following fiscal year.

- f. Monthly reimbursement requests can include no more than two months of supplies for the center, including office, operating, or food supplies.
 - g. All equipment purchases and any facility improvements must be purchased and/or completed by August 2026, to allow Department of Senior Service staff to confirm purchases and improvements before the end of the fiscal year.
 - h. Senior Millage funds may not be used to purchase daily meals for the senior center without prior approval from the Department of Senior Services.
- 9. The OPERATING ENTITY agrees to document all revenue. Monetary transactions (cash or check) must be documented, and a receipt issued. Keep documentation related to revenue such as receipts on-site at the CENTER for review by the Department of Senior Services.
- 10. The OPERATING ENTITY may submit a maximum of one budget amendment per quarter. All budget adjustments must be approved by the Department of Senior Services, and the Board of Commissioners, when required. All budget adjustments must be approved by the Department of Senior Services, not to exceed \$29,999.99. The Board of Commissioners' approval is required for budget amendments over the amount of \$30,000.
- 11. The OPERATING ENTITY agrees to provide to all Genesee County senior residents aged 60 and over wishing to use services at the CENTER, without any fee differential based on where within the County the senior citizen resides, and a minimum of activities per month for Level 1, respectively for the following services: educational programs (4); health programs (8); and social services (available) as set forth in Attachment E.
- 12. The OPERATING ENTITY agrees to offer and have available daily, congregate meals and/or nutritional programs; transportation services which may be provided by the CENTER or through the Mass Transportation Authority.
- 13. The OPERATING ENTITY agrees to adhere to senior programming, state, and federal guidelines, and regulations, including but not limited to meal regulations.
- 14. The OPERATING ENTITY agrees to employ a full-time, on-site Director of the CENTER.
- 15. The OPERATING ENTITY agrees to keep the CENTER open and accessible to seniors a minimum of forty (40) hours; 5 days per week, except for County or State recognized holidays or other local units of government-approved building

closures. Programming must be scheduled for a minimum of forty (40) hours per week.
