City of Flint Resident,

Along with your application for the City of Flint In-Home Plumbing Program, we require the following documentation to verify your eligibility.

Please submit the following documents with your application:

- Proof of income for all adults in the home (pay stubs, employer statements, Social Security benefits, etc.)
- Most recent bank statement for all adults
- A copy of the deed to the home (homeowners only). If you are renting, submit the first page of your lease agreement
- A copy of your homeowner's insurance policy (renters may disregard this requirement)

If you do not have income or a bank account, alternative verification forms are available and may be completed in place of those documents.
