Sheldon A. Neeley

TO: All Proposers
FROM: Lauren Rowley, Purchasing Manager
DATE: **JUNE 3, 2026**
SUBJECT: **Addendum #01 – P26000549: BIO BLOCKS**

This addendum has been issued to address the following Q&A:

Q1.) For the bio blocks, are 4 x 10 pounds necessary? Or can they be 4 x 5 pounds and we quote 24 cases instead of 12.

A1.) You may bid the 5lb bio blocks but the Water Pollution Control Facility prefers the 10lb as they are installed remotely. (the 5lb would require more tris)

Q2.) For the Sodium Bicarbonate – are there any specifics that go along with this? (i.e. Industrial, commercial, food grade, etc.)

A2.) The Water Pollution Control Facility utilizes Industrial Grade sodium Bicarbonate. (Currently in 50lb bags)

In the submission of their proposal, Proposer must acknowledge receipt of this addendum. Proposer shall acknowledge this addendum by signing and returning one copy of this notice with their submission.
