Re: Complaint #9740492 – Letter of Censure

In its decision on August 10, 2021 the Ethics and Accountability Board found that the record supported a conclusion that Councilman Maurice Davis violated Sec 3-104 of the Flint City Charter. This section states that “as representatives of the citizens of the City of Flint, City Council members are expected to conduct themselves with appropriate decorum, act respectfully with constituents, each other, and other public servants...”

The present letter shall serve as a censure for the derogatory and disparaging remarks Councilman Davis made towards members of the public and member of the Flint City Council. This letter shall be posted on the Ethics and Accountability Board’s website as a public admonishment.
