

CITY OF FLINT
WATER SERVICE REPLACEMENT PERMIT

In consideration of the City of Flint’s efforts to remove non-copper water services, the undersigned hereby gives permission to the City of Flint and/or its officials, employees, or contractors to excavate, investigate, and replace non-copper water services on the property described below:

This property is described as Tax Parcel No. _____ and the street address is _____.

Permission is subject to the following provisions:

- (1) Where investigation indicates that non-copper water service materials are present, they will be replaced with copper water service materials.
- (2) All turf areas disturbed by the service replacement will be seeded and mulched in the Fall. Pavement areas that are disturbed will be replaced with similar pavement surfaces.
- (3) Piping inside buildings beyond the water meter will not be replaced.
- (4) The property owner will continue to be the owner of the water service materials being replaced by the City, and shall continue to be the owner, and responsible party for the water service materials beyond the curb stop and into the home.
- (5) The cost of replacing non-copper water service materials will be the City’s responsibility.
- (6) The permissive rights set forth herein shall start as of the date the property occupant signs this release and shall terminate on the date that the contractor completes the work described, but not later than _____, 2016.

This instrument contains the entire permit agreement. No other promises have been made except as shown herein. This permit includes a release to the City of **any and all claims for damage arising from or incidental to the performance of work indicated above.**

Signed this date: _____, 2016.
