Interim Purchasing Manager

March 14, 2019

TO: All Proposers

FROM: Bryan D. Bond, Interim Purchasing Manager
Finance Department - Division Dept. Purchases & Supplies

SUBJECT: **Addendum #1 – Proposal #19000557 - “Energy Audit for City of Flint Facilities” – Due Thursday, April 4, 2019 @ 3:00 p.m. (EST)**

This addendum has been issued to better define the scope of anticipated services outlined currently in the RFP documents and to provide additional documents to assist in preparing a thorough proposal response.

1. Energy Audit or ESPC?
 - a. Page 1 of the RFP is clearly labeled “Energy Audit” and on page 8 the RFP is labeled “Energy Savings Performance Contracting Services”.
 - b. Is the City of Flint solely asking for an energy audit?
 - i. If yes, and Flint decides to move forward with an ESPC following the energy audit, will the City work with the selected ESCO on the ESPC project or will another RFP be issued for that scope of work?

We are looking for Energy Savings Performance Contracting Services as the result of an overall audit.

2. Facility list?
 - a. Could you please provide a list of buildings you'd like included? Address, square footage, and age for each would be ideal, if possible.

All city of Flint buildings would be covered under this scope. A building list has been included in this addendum for building assessment locations.

Thank you.

A handwritten signature in blue ink that reads "Bryan D. Bond".

Bryan D. Bond
Finance Department - Division of Purchases and Supplies

A SIGNED COPY OF THIS ADDENDUM MUST ACCOMPANY ALL INITIAL DOCUMENT(S) PORTION(S) REQUIRED FOR SUBMISSION AS PART OF THE ORIGINAL PROPOSAL.
