Furnish as requested for the period 7/1/21 – 6/30/22

**Bidder# 1: August Construction Services**

**2041 Westover Drive, Flint, MI 48532**

**PROPOSAL A**

★ Removal and replacement of four inch (4") concrete sidewalk per square foot per location, including installation and/or removal of sand, dirt or grinding of tree roots as needed to meet grade. Back filling with clean fill dirt and removal of wood forms is required. **Permits required for all work per location/home address.**

**\$9.00** PER SQUARE FOOT

(unit price figures)

✳ Removal and replacement of four inch (4") concrete sidewalk with ADA ramp (see specifications) per square foot per location, including installation and/or removal of sand, dirt or grinding of tree roots as needed to meet grade. Back filling with clean fill dirt and removal of wood forms is required. **Permits required for all work per location/home address.**

**\$30.00** PER SQUARE FOOT

(unit price figures)

**PROPOSAL B**

★ Removal and replacement of six inch (6") concrete sidewalk per square foot per location, including installation and/or removal of sand, dirt or grinding of tree roots as needed to meet grade. Back filling with clean dirt and removal of wood forms is required. **Permits required for all work per location/home address.**

**\$10.25** PER SQUARE FOOT

(unit price figures)

✳ Removal and replacement of six inch (6") concrete sidewalk with ADA ramp (see specifications) per square foot per location, including installation and/or removal of sand, dirt or grinding of tree roots as needed to meet grade. Back filling with clean fill dirt and removal of wood forms is required. **Permits required for all work per location/home address.**

**\$31.00** PER SQUARE FOOT

(unit price figures)

**A SPECIAL NOTE FROM THE PURCHASING DIVISION**

*Bid results posted are before evaluation team review and award recommendation.*

### **PROPOSAL C**

Removal and relocate replacement of four inch (4") concrete sidewalk around trees per square foot per location, including excavation, installation, removal of soil, additional sand, grinding of tree roots as needed. Area of removed sidewalk requires topsoil, grading and grass seeding at no extra cost.

**\$11.25** PER SQUARE FOOT  
(unit price figures)

★ Calculated at 75% @ \$8.25 with no roots and \$11.25 (25%) with roots for 4" concrete.  
Calculated at 75% @ \$9.50 (no roots) and 25% @ \$12.50 (with roots) for 6" concrete.

■ Please see alternate bid using 2019 50/50 proposal.

✳ Cut and remove 6 lf of curb, remove existing sidewalk, widen area for flair. Repour curb (needs to be separate pour from actual walk). Pour widened walk with flair, use 2 cast-iron truncated dome insets. If street has gutter pans paved over, patch asphalt as needed.

■ Per city specs
