The two arbitrators together shall then select a third person, the three together shall then serve as a panel in all proceedings. Any decision concurred in by a majority of the three shall be a final binding decision.

The proposal must be comprehensive by including all services and costs necessary to meet the business and technical requirements of the City of Flint as outlined in this RFP. In addition, the proposal must specify a detailed approach/methodology, vendor and City of Flint staffing requirements, and any other assumptions to complete the proposed work.

The City of Flint is not liable in any manner or to any extent for any cost or expense incurred by the supplier in the preparation, submission, presentation or any other action connected with proposing or otherwise responding to this RFP. Such exemption from liability applies whether such costs are incurred directly by the supplier or indirectly through the supplier's agents, employees, assigns or others, whether related or not to the supplier.

In submitting a proposal, Supplier agrees that all materials associated with, attached to, or referenced by the submitted proposal will become the property of the City of Flint and may be incorporated into a subsequent contractual agreement between the successful supplier and the City of Flint in an order of precedence as follows: (1) Contract Terms and Conditions; (2) Statement of Work; and (3) RFP.

The City of Flint expects to enter into an agreement with the successful supplier for the term specified with an option to extend as mutually agreed upon between the City of Flint and the supplier. Response to this RFP confirms an understanding that this is *not* a contract or offer of business by the City of Flint. The City of Flint's standard terms and conditions will apply to the contract as a result of this RFP.

Selected suppliers will be required to submit a website design proposal based on the current City of Flint website using the following pages: [homepage](#), [Economic Development](#), header and footer. The letter should briefly list the name of the company, address of corporate headquarters, contact information of the account executive, confirm major components of the work being proposed, validity of proposal (i.e., 120 days) and be signed by an individual that is authorized to bind the firm.

Proposal Section 1.0 – Executive Summary (*Maximum Length=3 pages*)

This part of the response to the RFP should be limited to a brief narrative highlighting the supplier's proposal. The summary should contain as little technical jargon as possible and should be oriented toward non-technical personnel. The summary should describe the following:

- Key differentiators in service offerings, account management, and value added services proposed by your company.
- Your understanding of the scope of requirements and the level to which your proposal has met the requirements.
- The summary should also specify the names of similar sized higher education and other comparably sized clients that have used the services being proposed.
- High-level project execution plan.
- Risk management considerations.
- Cost by service type.
- Value and outcomes delivered to the City of Flint.

Proposal Section 2.0 - Scope of Proposed Solution (*Maximum Length=5 pages*)

Provide a description of the overall solution or methodology. Include a high-level description of the steps of how the services will be provided and any associated value added services solution that meets the requirements. Confirm that the solution being provided is comprehensive as defined in Section 4.0 of the Request for Proposal (Project Scope and Requirements). In addition, describe the methodology for solution delivery. Finally, describe the client relationship management approach (e.g., steering committee, status reporting).

Proposal Section 3.0 - Comprehensive List of Assumptions (*Maximum length = 2 pages*)

Rather than have assumptions be scattered throughout the proposal, the City of Flint requires that all assumptions be listed and explained in this section. Please ensure that all assumptions listed reference the appropriate section of the RFP and/or associated services.

Proposal Section 4.0 - Company Background/Customer List (*Maximum Length=5 pages*)

Supplier must provide the following information about its company so that the City of Flint can evaluate the supplier's financial stability and ability to support the commitments set forth in response to the RFP.

The supplier should describe the company's background, including:

- How long the company has been in business.
- A brief description of the company size and organizational structure as it relates to services proposed.
- How long the company has been working with a) higher education clients; b) government clients; and c) commercial clients.
- Most recent industry analyst reports about your firm's services (this information would not count against the page limit)
- Describe any current lawsuits, legal actions or governmental investigations against your company including, but not limited to, parties of dispute, any equipment affected, cause of action, jurisdiction and date of legal complaint.

Proposal Section 10.0 – Project Staffing/Resumes (*Maximum Length = 10 pages*)

Describe your proposed Project Organization Chart and provide resumes for the Project Manager and all proposed staff on the Organization Chart. City of Flint will require interviews for Key Personnel prior to project start. Each resume should not exceed two pages.

Note: Since project staffing/resumes will be evaluated across suppliers, it is in the supplier's interest to customize the resumes/staffing to the skill sets and experiences required to do this work. Individuals proposed will be required to be available to do the work in the time period that we have provided in this RFP.

Proposal Section 11.0 – Cost Proposal (*Maximum length = 5 pages*)

A total (not to exceed) cost must be provided, as well as an hourly rate if additional services are requested.
