

RACER Trust to Host Community Meeting on Buick City Environmental Cleanup

RACER Trust will host a community meeting from 6:30 p.m. to 8:30 p.m. Tuesday, August 13, at Metropolitan Baptist Tabernacle, 930 E. Myrtle Ave., Flint, to provide information about environmental cleanup activities at the former GM Buick City property, including work to identify and address PFAS impacts at the property.

The meeting is open to the public. Representatives from the Michigan Department of Environment, Great Lakes and Energy; the U.S. EPA; and state and county health departments are expected to attend and be available to answer questions as well.

The meeting will begin with a brief RACER Trust presentation. Following the presentation, small group discussions will give citizens an opportunity to ask questions of state and local officials and RACER in a more informal manner. A summary session will conclude the meeting.

RACER is hosting a bus tour of the former GM Buick City property prior to the community meeting. Seating is limited and will be provided on a first-come, first-served basis until capacity is reached. **You must RSVP** if you would like to join the bus tour, which will take place from 4:30 p.m. to 6 p.m. on Tuesday, August 13. To RSVP, send an email to Bill Callen at bcallen@racertrust.org, or call (855) 722-3741, **no later than 5 p.m. Friday, August 9**. No RSVPs will be accepted after 5 p.m. August 9. A seat on the bus is the only way for the public to visit the property. The bus will pick up and discharge passengers from the parking lot of Metropolitan Baptist Tabernacle.

For more information about the community meeting or bus tour, please call (855) 722-3741.
