Planning for Healthcare Costs is Critical

Many people underestimate how much money they will spend on healthcare during their retirement. Taking the time now to budget for healthcare costs can help you maintain the lifestyle you want in retirement. In this workshop you'll learn how to estimate your future healthcare costs and create income to help you cover some of these expenses.

Workshop Topics

- The rising cost of healthcare and its impact on retirement savings
- Estimating your future healthcare costs in retirement
- Medicare Parts A, B, C and D: Coverage and costs
- Creating income to help cover some healthcare costs during retirement

Prudential Annuities is providing this workshop for informational or educational purposes only and does not provide investment advice or recommendations about managing or investing your retirement savings.
