

YARD WASTE COLLECTION PROGRAM

Starts: Second week in April

Ends: Friday before Thanksgiving

A separate truck collects yard waste on the same day of your regularly scheduled solid waste collection day. Please place compost materials at the curb---10ft. apart from regular waste---no later than 7:00 am on the day of collection.

APPROVED CONTAINERS:

Brown paper lawn and leaf bags or an approved container not weighing over 50 lbs.

Note: Due to the weight of compost (grass), please remember the weight limit of 50lbs. per bag or can.

PURCHASING BROWN PAPER LAWN & LEAF BAGS

Many local businesses are stocking brown lawn bags.

Materials for Yard Waste Collection:

ACCEPTABLE:

Grass Clippings

Leaves

Weeds

Twigs

Brush (up to 2 inch diameter; tied in 4ft. length, not to exceed 50 lbs; limit 20 bundles per week).

NOT ACCEPTABLE:

Earth, Stones

Branches, logs, stumps

Animal Waste

Ashes

Food Waste

Paper, Metal

Plastic, Glass

YARD WASTE IMPROPERLY PACKAGED OR MIXED WITH OTHER MATERIALS:

- Yard waste placed in improper containers or mixed with other materials **WILL NOT BE COLLECTED.**
- A "Oops Tag" may be issued advising the owner or occupant to remove the yard waste from the curb and separate it for the following week's collection.
